**BACKGROUND:**

**Summary**

Landscaping and Lighting Maintenance Districts (L&LMD's) are formed for the purpose of creating a funding mechanism to pay for the installation and maintenance of landscaping, streetlights, traffic signals, runoff catch basin filters, decorative fencing, and other roadside features within the road right of way. Within an established L&LMD, zones are created for specific developments, a fee structure is developed specific to the features within that zone, and the zone is then assessed through a tax levy on an annual basis for the installation and maintenance of the features within that particular zone.

L&LMD No. 89-1-C was formed in 1994, Resolution No. 94-389, and currently consists of 166 individual zones with different fee structures spread throughout Riverside County. The commercial property owner of Parcel Map 37599 and Plot Plan No. 26403, as described in the attached Exhibit "A", has petitioned the County to annex their property into L&LMD No. 89-1-C, creating Street Lighting Zone 143. The boundaries of Street Lighting Zone 143 will encompass the entire Parcel Map 37599 and Plot Plan No. 26403 and will include the maintenance and servicing of streetlights.

Adoption of Resolution No. 2021-005 appoints the Director of the Transportation Department, or their designee, as the Engineer to prepare a Report regarding the proposed annexation of Street Lighting Zone 143 to Landscaping and Lighting Maintenance District No. 89-1-Consolidated ("L&LMD No. 89-1-C").

Resolution No. 2021-006 declares the Board of Supervisors' intention of ordering the annexation of Street Lighting Zone 143 to L&LMD No. 89-1-C. The annexation of Street Lighting Zone 143 to L&LMD No. 89-1-C will fund the maintenance and servicing of streetlights within

public right-of-way located north of Temescal Canyon Road and south of Interstate 15 in the Horsethief Canyon area and includes 5 commercial parcels totalling 5.83 acres.

Consistent with the Board of Supervisors' direction regarding compliance with Article XIID of the California Constitution and the Landscaping and Lighting Act of 1972, the attached resolutions have been prepared and a public hearing scheduled for 9:30 a.m. on March 23, 2021 to receive testimony for and against the proposed assessment. Each property owner within the proposed Street Lighting Zone 143 will receive a notice of the public hearing and mail-in assessment ballot, an impartial analysis, a copy of Resolution No. 2021-006, and an information sheet.

Assessment ballots must be returned prior to the conclusion of the public hearing. If, at the time designated for the tabulation of the assessment ballots, the assessment ballots submitted in favor of the annexation and levy of the assessment exceed the assessment ballots submitted in opposition of said annexation and levy, Street Lighting Zone 143 will be annexed to L&LMD No. 89-1-C.

There is only one individual/entity which owns all of the property within the proposed boundaries of Street Lighting Zone 143 and said property owner has executed a "Waiver and Consent Regarding Date of Assessment Ballot Proceeding" allowing for the proceeding and public hearing to be held on March 23, 2021.

**Reference**

At the direction of the County of Riverside Board of Supervisors, L&LMD No. 89-1-C was formed in 1994 by Resolution No. 94-389 authorizing the annexation of new zones into L&LMD No. 89-1-C for the purpose of levying assessments to pay for the installation and maintenance of landscaping, streetlights and other right-of-way approved improvements.

The zone-specific Engineer's Report for fiscal year 2021-22 was prepared in compliance with the requirement of Article 4, Chapter, 1, of the Landscaping and Lighting Act of 1972, which is Part 2, Division 15 of the California Streets and Highways Code. The County initiates annexation proceedings for the annual levy of assessments by passing a resolution, which proposes the new levy under the Landscaping and Lighting Act of 1972. This resolution also describes the improvements, describes the location of the zone within the District and finally orders an engineer, who is a registered professional engineer, certified by the State of California, to prepare and file a detailed report.

In November 1996, California voters passed Proposition 218, Right to Vote on Taxes Act which added Articles XIII C and XIII D to the California Constitution, new procedures must be followed to levy annual assessments under the Landscaping and Lighting Act of 1972. A County may levy annual assessments for an assessment district after complying with the requirements of the Landscaping and Lighting Act of 1972, and the provisions of Proposition 218 Right to Vote on Taxes Act.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,  
STATE OF CALIFORNIA**

**Impact on Residents and Businesses**

The new assessment is for the purpose of providing the maintenance and servicing of streetlights within public right-of-way.

Only the commercial property owners within the proposed boundaries of Street Lighting Zone 143, which are represented by Parcel Map 37599 and Plot Plan No. 26403, as described in the attached Exhibit "A" (a two page exhibit containing a description and diagram) are impacted by the cost of this annexation. By setting up an assessment for the maintenance of certain infrastructure required by the development, the County requires that the development pay for its maintenance impact, rather than the obligation falling upon public funding sources.

**SUPPLEMENTAL:**

**Additional Fiscal Information**

The proposed budget for fiscal year 2021-22 for Street Lighting Zone 143 is \$1,511.00. This will result in an assessment for fiscal year 2021-22 within Street Lighting Zone 143 of \$259.00 per acre. The annual assessment may be adjusted annually by the greater of 2% or the cumulative percentage increase in the Consumer Price Index for all Urban Consumers for electricity (CPI-U), if any, as it stands as of March of each year over the base index for March of 2021.

25 expressly states that there are no parcels or lots within Street Lighting Zone 143 that are owned by a  
26 federal, state or other local governmental agency that will benefit from the services to be financed by the

1 annual assessments. The annual assessments will be collected at the same time and in the same manner  
2 as property taxes are collected, and all laws providing for the collection and enforcement of property  
3 taxes shall apply to the collection and enforcement of said assessments.

4 **Section 3. Boundaries.** All the property within the boundaries of Street Lighting Zone 143 is

20 the Index as it stands on March of each year over the base Index for March of 2021. Any increase larger  
21 than the greater of 2% or the CPI-U annual adjustment requires a majority approval of all the property  
22 owners in Street Lighting Zone 143. The Board of Supervisors will levy the assessment in each  
23 subsequent fiscal year until the Board of Supervisors undertakes proceedings for the dissolution of Street  
24 Lighting Zone 143 of L&LMD No. 89-1-C. The annual assessment will fund the services described in
