BACKGROUND:

Summary

The Political Reform Act prohibits a public official from using his or her position to influence a government decision in which he or she has a financial interest. Government Code section 87300 requires local government agencies to adopt and promulgate a Conflict of Interest Code identifying officials and employees required to file statements of economic interest based on the positions they hold. A local government agency, as defined by Government Code section 82041, includes the Riverside Unified School District.

Each even-numbered year, Government Code section 87306.5 requires local government agencies to review their Conflict of Interest Code, make appropriate revisions, if necessary, and submit an amended Conflict of Interest Code to the code reviewing body. Government Code section 82011(b) identifies the Board of Supervisors for the County of Riverside as the code reviewing body for a local government agency within its county.

The Board of Education of the Riverside Unified School District recently adopted Resolution No. 2020/21-48 amending its Conflict of Interest Code on November 10, 2020 to include new positions, revise titles of existing positions, delete titles of positions that have been abolished and/or positions that no longer make or participate in making governmental decisions and to clarify disclosure of real property. The Riverside Unified School District has submitted its amended Conflict of Interest Code for approval by the Board of Supervisors as the code reviewing body.

This office has reviewed the Conflict of Interest Code of the Riverside Unified School District and has found that it complies with statutory requirements. A complete copy of the Conflict of Interest Code of the Riverside Unified School District is attached.

It is recommended that the Board of Supervisors approve the amended Conflict of Interest Code of the Riverside Unified School District, and direct the Clerk of the Board to notify the Riverside Unified School District of the action taken.
