**BACKGROUND:**

**Summary**

Riverside University Health System – Behavioral Health (RUHS-BH) operates a continuum of care system that consists of County-operated and contracted service providers delivering a variety of mental health treatment services within each geographic region of Riverside County.

The United States Department of Housing and Urban Development (HUD) administers the CDBG Program. The primary purpose of the CDBG Program is to assist low and moderate-income persons. The main objective of the HUD CDBG Program is the development of viable communities by providing decent housing, a suitable living environment, and expanded economic opportunities primarily for low- and moderate-income residents. The City of Riverside uses its annual CDBG allocation to fund projects and activities undertaken by City Departments and Community-based non-profit agencies specifically to address housing and community development needs of low and moderate income persons in the City of Riverside.

In January of 2020, RUHS-BH applied for the City of Riverside CDBG FY 2020-2021 funding and was subsequently awarded \$40,000 to provide Recovery Residence services to City of Riverside residents.

Recovery Residence services provide a substance-free living arrangement for individuals receiving treatment for Substance Use Disorder (SUD); often transitioning from an inpatient rehabilitation facility, homeless/at risk of homelessness, or in an unstable environment at risk of relapse. These services address many of the community needs and goals of the CDBG Program: 1) provide decent temporary or transitional housing 2) assist homeless or at risk of becoming homeless, 3) increase supportive housing, 4) increase access to quality public services, and 5) provide health care and substance abuse services. Additionally, these services meet the HUD Statutory CDBG Program Goal to benefit low- and moderate-income persons. The residents may have co-occurring disorders, Mental Health disabilities, medical complications (including HIV and other medical needs), or be victims of domestic violence.

Recovery Residences benefit those in the early stages of sobriety, offer a home setting with like-minded peers, and facilitate measurable steps toward long-term recovery. Unique to common Sober Living establishments, all RUHS-BH Recovery Residence consumers are

required to simultaneously be an active participant in outpatient treatment services. RUHS-BH will case manage these individuals through RUHS-BH continuum of care, providing a variety of behavioral health services, to include: health and psychosocial linkages, vocational searches, educational opportunities, peer support, and permanent housing assistance.

**Impact on Citizens and Businesses**

These services are a component of Behavioral Health's system of care aimed at improving the health and safety of consumers and the community.

**Additional Fiscal Information**

It is anticipated that the CDBG funding will assist, at minimum, ten (10) Recovery Residence placements up to 120-day stays for eligible City of Riverside residents. There are sufficient funds in the department's budget and no County funds are required.

## 8. GENERAL CONDITIONS.

8.1. **Subrecipient as Independent Contractor.** In the performance of this Agreement, Subrecipient, and Subrecipient's employees, subcontractors and agents, shall act in an independent capacity as independent contractors, and not as officers or employees of the City of Riverside. Subrecipient acknowledges and agrees that the City has no obligation to pay or withhold state or federal taxes or to provide workers' compensation or unemployment insurance to Subrecipient, or to Subrecipient's employees, subcontractors and agents. Subrecipient, as an independent contractor, shall be responsible for any and all taxes that apply to Subrecipient as an employer.

8.2. **Indemnity.** Except as to the sole negligence or willful misconduct of the City, Subrecipient shall defend, indemnify and hold the City, and its officers, employees and agents, harmless from any and all loss, damage, claim for damage, liability, expense or cost, including attorneys' fees, which arises out of or is in any way connected with the performance of work under this Agreement by Subrecipient or any of its employees, agents or subcontractors and from all claims by Subrecipient's employees, subcontractors and agents for compensation for services rendered to Subrecipient in the performance of this Agreement, notwithstanding that the City may have benefitted from their services. This indemnification provision shall apply to any acts or omissions, willful misconduct or negligent conduct, whether active or passive, on the part of Subrecipient or of Subrecipient's employees, subcontractors or agents. Subrecipient understands and agrees that it shall defend the City from any claim even if it appears to be without merit.

Subrecipient shall also defend, indemnify and hold City harmless from any loss, damage or attorneys' fees incurred because of any claim by any person or entity, including HUD, because Subrecipient has failed to meet any CDBG requirements.

The parties also expressly agree that any payment, attorneys' fees, costs or expense that the City incurs or makes to or on behalf of an injured employee under the City's self-administered workers' compensation is included as a loss, expense or cost for the purposes of this Section, and that this Section shall survive the expiration or early termination of the Agreement.

## 8.3. Insurance.

A. **General Provisions.** Prior to the City's execution of this Agreement, Subrecipient shall provide satisfactory evidence of, and shall thereafter maintain during the term of this Agreement, such insurance policies and coverages in the types, limits, forms and ratings required herein. The rating and required insurance policies and coverages may be modified in writing by the City's Risk Manager or City Attorney, or a designee, unless such modification is prohibited by law.

B. Limitations. These minimum amounts of coverage shall not constitute any limitation or cap on Subrecipient's indemnification obligations under Section 8.2 hereof.

C. Ratings. Any insurance policy or coverage provided by Subrecipient or subcontractors as required by this Agreement shall be deemed inadequate and a material breach of this Agreement, unless such policy or coverage is issued by insurance companies authorized to transact insurance business in the State of California with a policy holder's rating of A or higher and a Financial Class of VII or higher.

D. Cancellation. The policies shall not be canceled unless thirty (30) days prior written notification of intended cancellation has been given to City by certified or registered mail, postage prepaid.

E. Adequacy. The City, its officers, employees and agents make no representation that the types or limits of insurance specified to be carried by Subrecipient pursuant to this Agreement are adequate to protect Subrecipient. If Subrecipient believes that any required insurance coverage is inadequate, Subrecipient will obtain such additional insurance coverage as Subrecipient deems adequate, at Subrecipient's sole expense.

F. Workers' Compensation Insurance: By executing this Agreement, Subrecipient represents that Subrecipient is aware of and will comply with Section 3700 of the Labor Code of the State of California requiring every employer to be insured against liability for workers' compensation, or to undertake self-insurance before commencing any of the work. Subrecipient shall carry the insurance or provide for self-insurance required by California law to protect said Subrecipient from claims under the Workers' Compensation Act. Prior to City's execution of this Agreement, Subrecipient shall file with City either (1) a certificate of insurance showing that such insurance is in effect, or that Subrecipient is self-insured for such coverage, or (2) a certified statement that Subrecipient has no employees, and acknowledging that if Subrecipient does employ any person, the necessary certificate of insurance will immediately be filed with City. Any certificate filed with City shall provide that City will be given at least ten (10) days prior written notice before modification or cancellation thereof.

G. Commercial General Liability. Prior to City's execution of this Agreement, Subrecipient shall obtain, and shall thereafter maintain during the term of this Agreement, commercial general liability insurance as required to insure Subrecipient against damages for personal injury, including accidental death, as well as from claims for property damage, which may arise from or which may concern operations by anyone directly or indirectly employed by, connected with, or acting for or on behalf of Subrecipient. The City, and its officers, employees and agents, shall be named as additional insureds under the Subrecipient's insurance policies.

Subrecipient's commercial general liability insurance policy shall cover both bodily injury (including death) and property damage (including, but not limited to, premises operations liability, products completed operations liability, independent contractor's liability, personal injury liability, and contractual liability) in an amount not less than \$1,000,000 per occurrence and a general aggregate limit in the amount of not less than \$2,000,000.

Prior to City's execution of this Agreement, copies of insurance policies or original certificates and additional insured endorsements evidencing the coverage required by this Agreement, for both commercial general and automobile liability insurance, shall be filed with City and shall include the City and its officers, employees and agents, as additional insureds. Said policies shall be in the usual form of commercial general and automobile liability insurance policies, but shall include the following provisions:

It is agreed that the City of Riverside, and its officers, employees and agents, are added as additional insureds under this policy, solely for work done by and on behalf of the named insured for the City of Riverside.

H. Subcontractors' Insurance. Subrecipient shall require all of its subcontractors to carry insurance, in an amount sufficient to cover the risk of injury, damage or loss, which may be caused by the subcontractors' scope of work and activities provided in furtherance of this Agreement, including, but without limitation, the following coverages: Workers' Compensation, Commercial General Liability, Errors and Omissions, and Automobile liability. Upon City's request, Subrecipient shall provide City with satisfactory evidence that subcontractors have obtained insurance policies and coverages required by this section.

I. Commercial Automobile Insurance. Subrecipient is required to provide commercial automobile liability insurance for this Agreement with the exception being those Subrecipients that do not require the use of an automobile to meet program requirements as detailed in the Scope of Work.

All Subrecipients that do not require the use of an automobile to meet program requirements in the Scope of Work must complete **Exhibit "G"** Certification Regarding Automobile Usage and Receipt of CDBG Funding from City of Riverside attached hereto and incorporated herein by reference.

Subrecipients that require the use of an automobile or must drive to meet program requirements in the Scope of Work must submit insurance certificates acceptable to the City that meet the following requirement(s):

Subrecipient's automobile liability policy shall cover both bodily injury and property damage in an amount not less than \$1,000,000 per occurrence and an aggregate limit of not less than \$1,000,000. All of Subrecipient's automobile and/or commercial general liability insurance policies shall cover all vehicles used in connection with Subrecipient's performance of this Agreement, which vehicles shall include, but are not limited to, Subrecipient owned vehicles, Subrecipient leased vehicles, Subrecipient's employee vehicles, non-Subrecipient owned vehicles and hired vehicles. The City, and its officers, employees and agents, shall be named as additional insureds under the Subrecipient's automobile insurance policy.

8.4. **Recognition of City.** Subrecipient shall ensure recognition of the City in providing funding for the Services provided by this Agreement. All activities, facilities, items and publications utilized or made possible pursuant to this Agreement shall indicate the funding source.

8.5. **Amendment.** In addition to the City's right to modify pursuant to Section 5 of the Agreement, this Agreement may only be modified by written agreement between City and Subrecipient.

8.6. **Termination.** In addition to the City's right to terminate pursuant to Section 5 of this Agreement, this Agreement may be terminated at any time by either party upon giving thirty (30) day notice in writing to the other party. The terminating party or its designee is hereby empowered to give said notice, subject to ratification by the City Council. Further, the City may immediately terminate this Agreement upon the termination, suspension, discontinuation or substantial reduction in Grant funding for the Agreement activity. Further, and notwithstanding any other provision of this Agreement, if Subrecipient materially fails to comply with any term of this Agreement, or the award the subject of this Agreement, whether stated in a Federal statute or regulation, an assurance, in a State plan or obligation, a notice of award, or elsewhere, the awarding agency or City may take any one or more of the following actions, as appropriate in the circumstances:

- A. Temporarily withhold cash payments pending correction of the deficiency by the Subrecipient or more severe enforcement action by the awarding agency.
- B. Disallow (that is, deny both use of funds and matching credit for) all or part of the cost of the activity or action not in compliance.
- C. Wholly or partly suspend or terminate the current award for the City's or Subrecipient's program.
- D. Withhold further awards for the program.
- E. Take other remedies that may be legally available.

Further, and notwithstanding any other provision of this Agreement, the award may be terminated for convenience in accordance with 24 CFR Part 85.44.

8.7. **Costs Following Termination.** Costs of Subrecipient resulting from obligations incurred by the Subrecipient during a suspension or after termination of this Agreement are not allowable unless City expressly authorizes them in the Notice of Suspension or Termination or subsequently. Other Subrecipient costs during suspension or after termination which are necessary and not reasonably avoidable are allowed if (a) the costs resulted from obligations which were properly incurred by the Subrecipient before the effective date of suspension or termination, are not in anticipation of it, and, in the case of a termination, are noncancellable; and (b) the costs would be allowable if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.

8.8. **Extensions.** In the event the Grant funds are not fully expended on the termination date, this Agreement, and all of its terms and conditions, may be extended upon the written request of Subrecipient to the City, setting forth the reasons for such request and upon written consent of the City Manager or a designee, upon a determination that the extension is in the best interest of the City and Subrecipient in performing Services under this Agreement. This Agreement may be extended

for one fiscal year in the sole discretion of the City, at which time this Agreement shall automatically terminate. Extensions shall be requested in writing from the City at least sixty (60) days prior to the termination of the Agreement, unless the City, in its sole discretion agrees in writing to shorten the time in which an extension may be requested.

B. **Reimbursement.** The City shall promptly review the monthly expenditure statement and supporting documentation and reimburse the Subrecipient for approved costs in accordance with its usual accounting procedures, but in no event later than thirty (30) days. The City may require additional information from Subrecipient as may be necessary and appropriate for the City to make its determination as to allowable costs.

9.7. **Program Income.** The term "program income" means any gross income received by the Subrecipient that is directly generated from the use of Grant funds (24 CFR § 570.500(a)). Program income includes, but is not limited to, the following: (i) proceeds from the disposition by sale or long-term lease of rental property purchased or improved with Grant funds; (ii) proceeds from the disposition of equipment purchased with Grant funds; (iii) gross income from the use or rental of real or personal property acquired with Grant funds, less the costs incidental to the generation of the income, pending the disposition or use for which the property was acquired; (iv) gross income from the use or rental of real property owned by Subrecipient that was constructed or improved with Grant funds, less the costs incidental to the generation of the income; (v) payments received of principal and interest on loans made with Grant funds; (vi) interest earned on Grant funds held in a revolving fund account; and (vii) interest earned on program income, pending the disposition of such program income.

As defined in 24 CFR § 570.500(a)(4)(i), program income does not include any income received in a single program year by City and Subrecipient if the total amount of such income does not exceed Twenty-five Thousand Dollars (\$25,000). When such income is generated by an activity that is only partially assisted with Grant funds, the program income shall be pro-rated to reflect the percentage of Grant funds actually used by Subrecipient. Subrecipient shall account for program income in accordance with the standards included in 24 CFR Part 84.24 and 24 CFR Part 500.

9.8. **Recording of Program Income.** Program income shall only be allowed under this Agreement, if previously approved by the City and evidenced in the Budget. If the Budget includes any of the aforementioned categories (Section 9.7) of program income or other categories defined in 24 CFR § 570.503(a), (b)(3) and (8), and § 570.504, Subrecipient shall record the receipt and

expenditure of program income, as defined above and in 24 CFR § 84 and 24 CFR § 570.500(a), as part of the permanent records of the financial transactions of the grant program.

9.9. **Retention of Program Income.** Program income received by Subrecipient, as approved in the Budget, may be retained by Subrecipient only if such income is treated as additional Grant funds to be used to continue providing Services. Furthermore, all other provisions of this Agreement shall apply to any services provided with program income. Program income must be used before drawing down additional grant funds from the City, except in the case of a revolving fund. In the case of program income in a revolving fund, the Subrecipient must use the program income for the activity for which the revolving fund was established, before drawing down additional Grant funds for the activity.

9.10. **Reversion of Assets.** Subrecipient hereby agrees to return all program income, as defined by 24 CFR § 570.500, which is on hand upon expiration of this Agreement, or which is received after the Agreement's expiration, to the City as required by § 570.503(b)(8) of said Title. Upon expiration of the Agreement, real property under Subrecipient's control acquired or improved in whole or in part with Grant funds (including Grant funds provided to the Subrecipient in the form of a loan) in excess of Twenty-five Thousand Dollars (\$25,000) shall be either: (i) used to meet one of the national objectives in 24 CFR § 570.208 until five years after expiration of the Agreement, or for such longer period of time as determined to be appropriate by the City; or (ii) not used in accordance with 24 CFR § 570.208(b)(8)(i), in which event the Subrecipient shall pay to the City an amount equal to the current market value of the property less any portion of the value attributable to expenditures of non-Grant funds for the acquisition of, or improvement to, the property. The payment is program income to the City. No payment is required after the period of time specified above.

9.11. **Use of Real Property.** Subrecipient hereby agrees to comply with 24 CFR § 570.505 governing the use of real property. For the purposes of this Agreement "real property" means land, including land improvements, structures and appurtenances thereto, but excludes movable machinery and equipment. Said standards apply to real property within Subrecipient's control which was acquired or improved in whole or in part using Grant funds in excess of Twenty-five Thousand Dollars (\$25,000). These standards shall apply from the date Grant funds are first spent for the property until five years after the expiration of the Agreement under which the CDBG assistance was last provided to the Subrecipient for the property.

9.12. **NEPA Compliance.** Subrecipient agrees that when Grant funds in excess of Twenty-five Thousand Dollars (\$25,000) are used by Subrecipient to acquire real property or construct or add fixtures to a public facility Subrecipient will comply with the National Environment Policy Act of 1969, the California Environment Quality Act, the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970; California Government Code § 7260, et seq.

9.13. **Change in Use.** Subrecipient may not change the use or planned use of the property, including the beneficiaries of such use, from that for which the acquisition or improvement was made unless the City provides affected citizens with reasonable notice of, and opportunity to comment on, any proposed change. After the public comment period has taken place, the change of use must be approved in writing by City. The new use of the property must meet one of the three

broad national objectives of the CDBG Program: (i) principally benefit low and moderate income individuals and families; (ii) aid in the elimination and prevention of slums and blight; or (iii) address other community health and safety needs having a particular urgency. Additionally, the property shall not serve as a building for the general conduct of government in its projected new use.

9.14. **Disposition of Real Property.** Real property may be disposed of in the following manner, only after City has provided affected citizens with reasonable notice, and after receiving prior written approval from City that the property is no longer needed for a use which meets one of the aforementioned three national objectives of the CDBG Program:

A. Title to the real property shall vest in Subrecipient subject to the condition that the Subrecipient shall use the real property for the authorized purpose of the project, program, or business activity as long as it is needed, and shall not encumber the property without approval of the City;

B. While held by Subrecipient, the real property or the facility constructed or receiving the added fixtures is to be used exclusively for the purposes for which acquisition, construction or improvement was originally approved;

C. Written approval from the City must be secured if the property or facility is to be put to an alternative use that is consistent with federal regulations governing Grant funds;

D. Should the real property or the improved or constructed facility be used, during the term set forth in paragraphs 23(a)(i) and 24 of this Agreement, for a purpose not consistent with applicable federal regulations governing Grant funds or should Subrecipient desire to sell the real property or facility, then:

(1) If Subrecipient retains title, it will have to reimburse either City Government an amount that represents the percentage of current fair market value that is identical to the percentage that Grant funds comprised moneys paid to initially acquire the property or construct or add fixtures to the facility; or

(2) If Subrecipient sells the property or facility or is required to sell or otherwise convey the property or facility, Subrecipient is to reimburse either the City an amount that represents the percentage of proceeds realized by the sale that is identical to the percentage that Grant funds comprised moneys paid to initially acquire the property or construct or improve the facility. This percentage amount will be calculated after deducting all actual and reasonable cost of sale from the sale proceeds.

E. If the change of use occurs after closeout, the provisions governing income from the disposition of the real property in 24 CFR § 570.504(b)(4) or (5), as applicable, shall apply to the use of funds reimbursed.

F. Following the reimbursement the CDBG Program in accordance with 24 CFR § 570.505(b), the property no longer will be subject to any CDBG requirements.

9.15. **Fiscal Limitations.** The United States of America through HUD may in the future place programmatic or fiscal limitation(s) on Grant funds not presently anticipated. Accordingly, City reserves the right to revise this Agreement in order to take account of actions affecting HUD program funding. In the event of funding reduction, City may reduce the budget of this Agreement as a whole or as to cost category, and may, at its sole discretion, limit Subrecipient's authority to commit and spend funds, and may restrict Subrecipient's use of both its uncommitted and its unspent funds. Where HUD has directed or requested City to implement a reduction in funding, with respect to funding for this Agreement, the City's designee may act for City in implementing and effecting such a reduction and in revising the Agreement for such purpose. City may suspend the operation of this Agreement for up to sixty (60) days, upon three (3) days written notice to Subrecipient of his/her intention to so act. In no event, however, shall any revision made by City affect expenditures and legally binding commitments made by Subrecipient before it received notice of such revision, provided that such amounts have been committed in good faith and are otherwise allowable and that such commitments are consistent with HUD cash withdrawal guidelines.

9.16. **Program Records.** The Subrecipient shall maintain financial, programmatic, statistical and other supporting records of its operations and financial activities in accordance with the requirements of the Housing and Community Development Act and its regulations and specifically shall prepare and maintain the following records and reports to assist the City in maintaining its record keeping requirements:

A. Records:

- (1) Documentation of the income level as defined by the HUD Guidelines set forth on the Compliance Report (copy of report form attached hereto as **Exhibit "C"** of persons and/or families participating in or benefiting by the Subrecipient's project, program, or business activity).
- (2) Documentation of the number of persons and/or families participating in or benefiting by the Subrecipient's project, program, or business activity.
- (3) Documentation of all Grant funds received from the City or other funds to operate the project, program, or business activity herein by Subrecipient.
- (4) Documentation of expenses as identified in the Subrecipient's Annual Program Budget.
- (5) Any other related records as City shall require from time to time.

B. Reports:

- (1) Payment Request form.
- (2) Quarterly reports to the City of Riverside as shown on the attached Quarterly Compliance Report commencing July 1, of the Program Year and ending June 30, of the Program Year (a copy of the report form and schedule of deadlines are attached hereto as **Exhibit "C"**).
- (3) Any such other reports, as City shall reasonably require. Failure to provide such reports may result in the Subrecipient jeopardizing said Grant funds as provided herein.

9.17. **Performance Monitoring.** The City will monitor the performance of the Subrecipient against goals and performance standards required herein. Substandard performance as determined by the City will constitute non-compliance with this Agreement. If action to correct such substandard performance is not taken by the Subrecipient within a reasonable period of time after being notified by the City, contract suspension or termination procedures will be initiated.

9.18. **Accounting Standards.** The Subrecipient shall administer its project, program, or business activity in conformance with OMB Circular 1-110 and agrees to adhere to the accounting principles and procedures required therein, utilize adequate internal controls, and maintain source documentation for all costs incurred.

9.19. **Cost Principles.** The Subrecipient shall administer its project, program, or business activity in conformance with OMB Circulars A-122, "Cost Principles for Non-Profit Organizations," or A-21, "Cost Principles for Educational Institutions," as applicable.

9.20. **Audits.**

A. **Records.** The Subrecipient's records shall be open to inspection and audit by the authorized representatives of the City, the Department of U.S. Housing and Urban Development and the Comptroller General during regular working hours. Said records shall be retained for such time as may be required by the regulations of the Housing and Community Development Act, but in no case for less than five (5) years after completion of an audit. Records which relate to (a) complaints, claims, administrative proceedings or litigation arising out of the performance of this Agreement, or (b) costs and expenses of this Agreement to which City or any other governmental agency takes exception, shall be retained beyond the five (5) years until resolution or disposition of such appeals, litigation claims or exceptions.

B. **External Audits.** If required by the U.S. Department of Housing and Urban Development, Subrecipient shall obtain an external audit in accordance with the single audit regulations (24 CFR Part 44.6). The audit report shall be submitted to the City within 180 days after the termination of this Agreement. Subrecipients which receive less than \$750,000 in total federal financial assistance annually, shall be monitored through site visits, limited scope audits, or other means in accordance with 31 U.S.C. 7502(f)(2)(B). The cost of any independent audits or attestation

engagements, other than limited scope audits shall not be charged to the Federal awards in accordance with OMB Circular A-133 Compliance Supplement (for governmental entities and non-profit subrecipients) and 31 U.S.C. 7505(b)(1)(A)(ii). Subrecipients which receive \$750,000 or more in total federal financial assistance in a year are required to obtain an independent audit in accordance with OMB Circular A-133 Compliance Supplement (for governmental entities and non-profit subrecipients) and 31 U.S.C. 7502(a)(1)(A).

9.21. **Personnel.** Consultant shall furnish all personnel necessary to perform the Services and shall be responsible for their performance and compensation. Consultant recognizes that the qualifications and experience of the personnel to be used are vital to professional and timely completion of the Services. The key personnel listed in **Exhibit "D"** attached hereto and incorporated herein by this reference and assigned to perform portions of the Services shall remain assigned through completion of the Services, unless otherwise mutually agreed by the parties in writing, or caused by hardship or resignation in which case substitutes shall be subject to Agency approval.

#### 10. MISCELLANEOUS PROVISIONS.

10.1. **Nondiscrimination.** Subrecipient shall maintain and operate all facilities and deliver services to the community and program participants in a manner, which is non-discriminatory.

10.2. **National Origin and Race.** Subrecipient shall abide by § 570.601 and § 570.912 of the Code of Federal Regulations at Title 24 which requires that no person in the United States shall on the ground of religion, race, color, national origin or sex be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded in whole or in part with Community Block Grant Development funds.

10.3. **Sexual Orientation and AIDS.** Subrecipient further agrees not to discriminate on the grounds of sexual orientation or disability, including the medical condition of Acquired Immune Deficiency Syndrome (AIDS) or any condition related thereto, genetic information, gender, gender identity, or gender expression.

10.4. **Disabilities.** Pursuant to the Americans with Disabilities Act and specifically, 42 USC § 12132, Subrecipient acknowledges and agrees that in the performance of the Grant, no qualified individual shall, by reason of a disability, be excluded from participation in or be denied the benefits of the services, programs or activities of the City or Subrecipient or be subjected to discrimination by the City or Subrecipient.

10.5. **Conflict of Interest.** Subrecipient and its assigns, employees, agents, consultants, officers and elected and appointed officials shall become familiar with and shall comply with the CDBG regulations prohibiting conflicts of interest contained in 24 CFR § 570.611. Subrecipient understands and agrees that no waiver or exception can be granted to the prohibition against conflict of interest except upon written approval of HUD pursuant to 24 CFR § 570.611(d). Any request by Subrecipient for an exception shall first be reviewed by City to determine whether such request is appropriate for submission to HUD. In determining whether such request is appropriate for submission to HUD, City will consider the factors listed in 24 CFR § 570.611(e).

Prior to any funding under this Agreement, Subrecipient shall provide City with a list of all employees and their job titles, agents, consultants, officers and elected and appointed officials who are in a position to participate in a decision-making process, exercise any functions or responsibilities, or gain inside information with respect to the CDBG activities funded under this Agreement. Subrecipient shall also promptly disclose to City any potential conflict, including even the appearance of conflict that may arise with respect to the CDBG activities funded under this Agreement. Any violation of this section shall be deemed a material breach of this Agreement, and the City shall immediately terminate the Agreement.

10.6. **Religious Proselytizing or Political Activities.** Subrecipient agrees that it will abide by the requirements set forth in 24 CFR 570.200 subsection (j); and as such Subrecipient agrees that, in connection with such public services:

A. It will not engage in inherently religious activities, such as worship, religious instruction, or proselytization, as part of the programs or services. If such activities are conducted, the activities must be offered separately, in time or location, from the programs or services funded under this part, and participation must be voluntary for the beneficiaries of the HUD-funded programs or services; and

B. It shall not, in providing program assistance, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion or religious belief; and

C. It may not use CDBG funds for the acquisition, construction, or rehabilitation of structures to the extent that those structures are used for inherently religious activities. CDBG funds may be used for the acquisition, construction, or rehabilitation of structures only to the extent that those structures are used for conducting eligible activities. Where a structure is used for both eligible and inherently religious activities, CDBG funds may not exceed the cost of those portions of the acquisition, construction, or rehabilitation that are attributable to eligible activities in accordance with the cost accounting requirements applicable to CDGB funds. Sanctuaries, chapels, or other rooms that a CDBG-funded religious congregation uses as its principal place of worship, however, are ineligible for CDBG-funded improvements. Disposition of real property after the term of the grant, or any change in use of the property during the term of the grant, is subject to government-wide regulations governing real property disposition.

10.7. **Lobbying.** The Subrecipient certifies to the best of its knowledge and belief, that:

A. No federally appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.

B. If any funds other than federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, Disclosure Form to Report Lobbying, in accordance with its instructions.

C. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into.

“**Executive**” means officers, managing partners, or any other employees in management positions.

“**First-tier subcontract**” means a subcontract awarded directly by a Contractor to furnish supplies or services (including construction) for performance of a prime contract, but excludes supplier agreements with vendors, such as long-term arrangements for materials or supplies that would normally be applied to a Contractor's general and administrative expenses or indirect cost.

“**Total compensation**” means the cash and noncash dollar value earned by the executive during the Contractor's preceding fiscal year and includes the following (for more information see 17 CFR 229.402(c)(2)):

- (a) In the Contractor's preceding fiscal year, the Contractor received:
  - (i) 80 percent or more of its annual gross revenues from Federal contracts (and subcontracts), loans, grants (and subgrants) and cooperative agreements.
  - (ii) \$25,000,000 or more in annual gross revenues from Federal contracts (and subcontracts), loans, grants (and subgrants) and cooperative agreements.
- (b) The public does not have access to information about the compensation of the executives through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986. (To determine if the public has access to the compensation information, see the U.S. Security and Exchange Commission total compensation filings at <http://www.sec.gov/answers/excomp.htm>.)

(To determine if the public has access to the compensation information, see the U.S. Security and Exchange Commission total compensation filings at <http://www.sec.gov/answers/excomp.htm>.)

D. (1) If the Contractor in the previous tax year had gross income, from all sources, under \$750,000, the Contractor is exempt from the requirement to report subcontractor awards.

(2) If a subcontractor in the previous tax year had gross income from all sources under \$750,000, the Contractor does not need to report awards to that subcontractor.

E. Phase-in of reporting of subcontracts of \$25,000 or more:
