BACKGROUND:

Summary

For the last 33 years, the Riverside County Sheriff's Department and the DEA have been working in collaboration through the Domestic Cannabis Eradication/Suppression Program to eliminate operations where cannabis is grown within Riverside County. The Sheriff's Department gathers intelligence on the illicit possession, distribution, trafficking and cultivation of illicit cannabis. In collaboration with the DEA, the Department works to eradicate illicit cannabis cultivation and to arrest and prosecute individuals who are charged with violating controlled substance laws. Additionally, with DEA assistance, the Department sends samples of eradicated marijuana to the National Institute of Drug Abuse Potency Monitoring Program for processing.

In February 2020, the County received FY 2020 DCE/SP funding (5/5/2020 3.25) in the amount of \$176,000. In December 2020, the County was awarded DCE/SP funding in the amount of \$226,000 for overtime and operational expenses incurred from October 1, 2020 – September 30, 2021. Of the total award, the Sheriff's Department will budget \$150,000 to be spent in FY 20/21. The remaining \$76,000 will be expended in the Department's FY 21/22 DCE/SP budget.

The Letter of Agreement is a commitment between the County and the DEA whereby the Sheriff's Department will use federal funds to:

- Gather and report intelligence data relating to illicit cultivation, possession, and distribution of illicit cannabis;
- Investigate and report instances involving the trafficking in controlled substances;
- Provide law enforcement personnel for the eradication of illicit cannabis located within the State of California;
- Make arrests and refer to the appropriate prosecutorial authority cases for prosecution under controlled substances laws and other criminal laws;
- Send required samples of eradicated illicit cannabis to the National Institute on Drug Abuse (NIDA) Potency Monitoring Project,
- Report all statistics and seizures per incident; and

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

- Submit electronically to the DEA monthly expenditure reports with the required supporting documentation with the original mailed to the DCE/SP Regional Contractor.

The scope of the Sheriff's Department's program with respect to these activities will be solely at the Sheriff's Department's discretion, except that the activities must be conducted in a manner consistent with the Controlled Substances Act (CSA). Funds (e.g., equipment, supplies, and other resources) must relate to and must only be used for cannabis eradication activities.

County Counsel has approved the documents as to form.

Impact on Residents and Businesses

The FY 2021 DCE/SP funding will allow the Sheriff's Department to eradicate and suppress the cultivation of illicit cannabis by gathering intelligence related to the illegal cultivation, possession and distribution of cannabis on private and public lands. These efforts will improve the health and welfare of the residents and businesses of Riverside County.

Additional Fiscal Information

The FY 2021 DCE/SP funding will offset FY 20/21 and FY 21/22 overtime and other operational costs related to the eradication and suppression of illicit cannabis, through the Domestic Cannabis Eradication/Suppression Program period of October 1, 2020 through September 30, 2021.

Agreement Number 2021-34

This Letter of Agreement (LOA) is entered into between the **COUNTY OF RIVERSIDE, A POLITICAL SUBDIVISION OF THE STATE OF CALIFORNIA ON BEHALF OF THE RIVERSIDE COUNTY SHERIFF'S DEPARTMENT**, hereinafter referred to as (**THE AGENCY**), and the DRUG ENFORCEMENT ADMINISTRATION (DEA) OF THE UNITED STATES DEPARTMENT OF JUSTICE (DOJ), hereinafter referred to as DEA, in reference to the following:

There is evidence that trafficking in marijuana (illicit cannabis) has a substantial and detrimental effect on the health and general welfare of the people of the *State of California*. The parties hereto agree that it is to their mutual benefit to cooperate in locating and eradicating illicit cannabis plants and to investigate and prosecute those cases before the courts of the United States (U.S.) and the courts of the *State of California*. DEA, pursuant to the authority of 21 U.S.C. § 873, proposes to provide certain necessary funds and **THE AGENCY** is desirous of securing funds.

As used in this Letter of Agreement, the terms "marijuana" and "illicit cannabis" only refer to cannabis or cannabis-derived materials that contain more than 0.3% delta-9-THC on a dry weight basis, in accordance with the definition of marijuana in the Controlled Substances Act (21 U.S.C. § 802(16)), as amended by the Agriculture Improvement Act of 2018, Pub. L. 115-334.

NOW, therefore, in consideration of the mutual covenants hereinafter contained, the parties hereto have agreed as follows:

1. **THE AGENCY** will, with its own law enforcement personnel and employees, as hereinafter specified, perform the activities and duties described below:
 - a. Gather and report intelligence data relating to the illicit cultivation, possession, and distribution of illicit cannabis.
 - b. Investigate and report instances involving the trafficking in controlled substances.
 - c. Provide law enforcement personnel for the eradication of illicit cannabis located within the *State of California*.
 - d. Make arrests and refer to the appropriate prosecutorial authority cases for prosecution under controlled substances laws and other criminal laws.

- e. Send required samples of eradicated illicit cannabis to the National Institute on Drug Abuse (NIDA) Potency Monitoring Project.
 - f. **MANDATORY requirement for *THE AGENCY* to utilize the Web-based DEA internet Capability Endeavor(DICE) or if applicable the Firebird based DEA Analysis/Response Tracking System (DARTS) to report all statistics and seizures per incident, to include the submission of significant items for de-confliction and information sharing purposes.**
 - g. Submit electronically the signed "State/Local Agency DCE/SP Monthly Accounting Form" (DEA DCE/SP monthly expenditure report) with a copy of ***THE AGENCY's*** general ledger to the DEA Regional Contractor. If applicable, attached an invoice reflecting the expenditures for equipment in excess of \$2,500.00, which was previously approved by DEA Headquarters, and the expenses associated with the rental of leasing of vehicles or aircraft. When overtime is claimed the officer's name, date worked, hours worked, and rate of pay are REQUIRED. NOTE: Monthly "zero expenditures" are also required.
2. It is understood and agreed by the parties to this Agreement that the activities described in Sub-paragraphs a, b, c, d, e, f, and g of paragraph one (¶1) shall be accomplished with existing personnel, and that the scope of ***THE AGENCY's*** program with respect to those activities by such personnel shall be solely at ***THE AGENCY's*** discretion, subject to appropriate limitations contained in the budget adopted by ***THE AGENCY***, except that ***THE AGENCY*** understands and agrees that DEA funds and the result of expended funds (e.g., equipment, supplies and other resources) must be directly related to and must only be used for marijuana eradication program activities in a manner consistent with the Controlled Substances Act (CSA), 21 U.S.C. § 801 et seq.
 3. DEA will pay to ***THE AGENCY*** Federal funds in the amount of **TWO HUNDRED TWENTY SIX THOUSAND DOLLARS (\$226,000.00)** for the period of October 1, 2020 to September 30, 2021, to defray costs relating to the eradication and suppression of illicit cannabis. These Federal funds shall only be used for the eradication of illicit cannabis as provided in this agreement. ***THE AGENCY*** understands and agrees that Federal funds provided to ***THE AGENCY*** under this Agreement will not be used to defray costs relating to herbicidal eradication of illicit cannabis without the advance written consent of DEA. DCE/SP funding is provided for the storage, protection, and destruction of illicit cultivated marijuana. Funding is not provided nor expenditures allowed for the development of technology to assist with the identification of indoor and/or outdoor growing sites. Additionally, funding and expenditures are not permitted for the eradication of "ditch weed".

THE AGENCY understands and agrees that Federal funds will not be used to perform any of the following functions: (i) issuing licenses, permits, or other forms of authorization permitting the holder to manufacture, distribute, sell, or use marijuana in contravention of the CSA; (ii) conducting ancillary activities related to the issuance of such licenses and permits, such as background checks on applicants; (iii) collecting state or local tax or licensing revenue related to the manufacture, distribution, or sale of marijuana in contravention of the CSA; (iv) preparing or issuing regulations governing the manufacture, distribution, sale, or possession of marijuana in contravention of the CSA; (v) monitoring compliance with state or local laws or regulations that permit the manufacture, distribution,

sale, or use marijuana in contravention of the CSA; or (vi) the purchase of evidence and the purchase of information. The result of expended funds (e.g. equipment, supplies and other resources) must be directly related to and must only be used for marijuana eradication activities. While using the Federal funds provided to **THE AGENCY** under this Agreement for activities on Federal land, **THE AGENCY** agrees to notify the appropriate local office of the U.S. Department of Agriculture, (Forest Service) and the U.S. Department of the Interior (Bureau of Land Management, National Park Service, Fish and Wildlife Service, Bureau of Indian Affairs, and/or Bureau of Reclamation) of **THE AGENCY**'s presence on Federal land.

4. The Federal funds provided to **THE AGENCY** are primarily intended for payment of deputies'/officers' overtime while those deputies and officers are directly engaged in the illicit cannabis eradication process, **(per DOJ policy, the annual maximum overtime reimbursement rate is based on the current year General Pay Scale / rest of the United States and cannot exceed 25% of a GS-12, Step 1; the funds shall only be used to pay the normal overtime rate, i.e., time and a half. The overtime reimbursement rate "shall not include any cost for benefits, such as retirement, FICA, or other expenses", which is specifically prohibited by DOJ)** and for per diem and other direct costs related to the actual conduct of illicit cannabis eradication. Examples of such costs includes rental of aircraft, fuel for aircraft, and minor repairs and maintenance necessitated by use to support illicit cannabis eradication. These Federal funds are not intended as a primary source of funding for the purchase of equipment, supplies, or other resources. When Domestic Cannabis Eradication Suppression Program (DCE/SP) funds are used to purchase supplies, equipment, or other resources, those items must be directly related to and must only be used for marijuana eradication activities and may not be used to perform any of the following functions: (i) issuing licenses, permits, or other forms of authorization permitting the holder to manufacture, distribute, sell, or use marijuana in contravention of the CSA; (ii) conducting ancillary activities related to the issuance of such licenses and permits, such as background checks on applicants; (iii) collecting state or local tax or licensing revenue related to the manufacture, distribution, or sale of marijuana in contravention of the CSA; (iv) preparing or issuing regulations governing the manufacture, distribution, sale, or possession of marijuana in contravention of the CSA; or (v) monitoring compliance with state or local laws or regulations that permit the manufacture, distribution, sale, or use marijuana in contravention of the CSA. *[Agency Initials]*

All purchases of equipment, supplies and other resources must be requested in writing, **through** the respective DEA Division, **to the Investigative Support Section (ODS)**. Requests must include manufacturer specifications and pricing of the item (including tax, if applicable) to be purchased. The DEA Division personnel will notify the state/local agency whether or not the purchase has been approved. *[Agency Initials]* Expenditures for equipment, supplies, and other resources should not exceed 10% of the total Federal funds awarded. Although equipment, supplies, and other resources may be specifically itemized in the Operation Plan, they **are not automatically approved for purchase**. *[Agency Initials]* All requests for purchases must be received in HQ/ODS by July 15th. Exemptions to any of these requirements must have prior HQ/ODS approval.

Per the DOJ, none of the funds allocated to you may be used to purchase promotional items, gifts, mementos, tokens of appreciation, or other similar items. Prohibited purchases

include items justified as training aids if they are embossed, engraved or printed with **THE AGENCY** or program logos. Additionally, the use of DCE/SP funds for Demand Reduction expenses is no longer authorized.

5. In compliance with Section 623 of Public Law 102-141, **THE AGENCY** agrees that no amount of these funds shall be used to finance the acquisition of goods or services unless **THE AGENCY**:
 - (a) Specifies in any announcement of the awarding of the contract for the procurement of the goods and services involved the amount of Federal funds that will be used to finance the acquisition; and
 - (b) Expresses the amount announced pursuant to paragraph (a) as a percentage of the total cost of the planned acquisition.

The above requirements only apply to procurements for goods or services that have an aggregate value of \$500,000 or more. Any goods or services acquired under this provision of the agreement must be directly related to and must only be used for marijuana eradication activities and may not be used to perform any of the following functions: (i) issuing licenses, permits, or other forms of authorization permitting the holder to manufacture, distribute, sell, or use marijuana in contravention of the CSA; (ii) conducting ancillary activities related to the issuance of such licenses and permits, such as background checks on applicants; (iii) collecting state or local tax or licensing revenue related to the manufacture, distribution, or sale of marijuana in contravention of the CSA; (iv) preparing or issuing regulations governing the manufacture, distribution, sale, or possession of marijuana in contravention of the CSA; or (v) monitoring compliance with state or local laws or regulations that permit the manufacture, distribution, sale, or use marijuana in contravention of the CSA.

6. If DEA approves the purchase of "supplies" as defined in 2 C.F.R. § 200.314 (all tangible personal property other than "equipment" as defined by 2 C.F.R. § 200.313), and there is a residual inventory of unused supplies exceeding \$5,000 in total aggregate fair market value upon termination or completion of this Agreement, and if the supplies are not needed for any other federally sponsored programs or projects, **THE AGENCY** shall compensate DEA for DEA's share and in any case the supplies will not be used directly or indirectly to support any state, county or local entity that authorizes cultivating marijuana or has direct oversight or regulatory responsibilities for a state authorized marijuana program. **THE AGENCY** agrees that any unused supplies not exceeding \$5,000 in total aggregate fair market value upon termination or completion of this Agreement will either be used for the marijuana eradication activities, returned to DEA, or destroyed, but in any case will not be used to perform any of the following functions: (i) issuing licenses, permits, or other forms of authorization permitting the holder to manufacture, distribute, sell, or use marijuana in contravention of the CSA; (ii) conducting ancillary activities related to the issuance of such licenses and permits, such as background checks on applicants; (iii) collecting state or local tax or licensing revenue related to the manufacture, distribution, or sale of marijuana in contravention of the CSA; (iv) preparing or issuing regulations governing the manufacture, distribution, sale, or possession of marijuana in contravention of the CSA; or (v) monitoring compliance with state or local laws or regulations that permit the manufacture, distribution, sale, or use marijuana in contravention of the CSA.

7. If DEA approves the purchase of equipment as defined at 2 C.F.R. § 200.313 (tangible, non-expendable personal property having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit) for the use of **THE AGENCY**'s personnel engaged in illicit cannabis eradication under this Agreement, **THE AGENCY** will use, manage, and dispose of the equipment in accordance with 2 C.F.R. § 200.313, except that in no case, regardless of useful life and acquisition cost, will the equipment be used directly or indirectly to perform any of the following functions: (i) issuing licenses, permits, or other forms of authorization permitting the holder to manufacture, distribute, sell, or use marijuana in contravention of the CSA; (ii) conducting ancillary activities related to the issuance of such licenses and permits, such as background checks on applicants; (iii) collecting state or local tax or licensing revenue related to the manufacture, distribution, or sale of marijuana in contravention of the CSA; (iv) preparing or issuing regulations governing the manufacture, distribution, sale, or possession of marijuana in contravention of the CSA; or (v) monitoring compliance with state or local laws or regulations that permit the manufacture, distribution, sale, or use marijuana in contravention of the CSA.
8. Payments by DEA to **THE AGENCY** will be in accordance with a schedule determined by DEA. No funds will be paid by DEA to **THE AGENCY** under this Agreement until DEA has received to its satisfaction an accounting of the expenditures of all funds paid to **THE AGENCY** during the previous year Agreement. The final/closeout expenditure will be documented on the September (FINAL) DCESP Monthly Accounting Form.
9. It is understood and agreed by **THE AGENCY** that, in return for DEA's payment to **THE AGENCY** for Federal funds, **THE AGENCY** will comply with all applicable Federal statutes, regulations, guidance, and orders, including previous OMB guidance under OMB **Circular A-102** (Grants and Cooperative Agreements With State and Local Governments), OMB **Circular A-87** (Cost Principles for State, Local and Indian Tribal Governments), and **OMB Circular A-133** (Audits of States, Local Governments and Non-Profit Organizations), which have been combined in 2 C.F.R. Part 200, effective December 26, 2014. In addition, 2 C.F.R. Part 2867 (Non- Procurement Debarment and Suspension), 28 C.F.R. Part 83 (Drug-Free Workplace Act common rule), and 28 C.F.R. Part 69 (Byrd Anti-Lobbying Amendment common rule) apply. (Note: The LOA is reimbursable agreement, not a grant; therefore, for purposes of the DCE/SP, DEA requires an audit completed regardless of the threshold amount listed in 2 C.F.R. Part 200. The DCE/SP does not have an assigned Catalog of Federal of Domestic Assistance (CFDA) number. Audits can be conducted without a CFDA number. The auditor must send an email to the Federal Audit Clearinghouse erd.fac@census.gov with their agency's name and EIN number and the information will be forwarded to them. In conjunction with the beginning date of the award, the audit report period of **THE AGENCY** under the single audit requirement is **FY-21 (10/01/2020 through 09/30/2021)**).
10. **THE AGENCY** acknowledges that arrangements have been made for any required financial and compliance audits and audits will be made within the prescribed audit reporting cycle. **THE AGENCY** understands that failure to furnish an acceptable audit as determined by the cognizant Federal agency may be a basis for denial of future Federal funds and/or refunding of Federal funds and may be a basis for limiting **THE AGENCY** to payment by reimbursement on a cash basis. **THE AGENCY** further understands that its use of DEA

funds or the result of expended DEA funds (e.g. equipment, supplies and other resources) for any use other than the marijuana eradication program activities, including but not limited to its use directly or indirectly to perform any of the following functions: (i) issuing licenses, permits, or other forms of authorization permitting the holder to manufacture, distribute, sell, or use marijuana in contravention of the CSA; (ii) conducting ancillary activities related to the issuance of such licenses and permits, such as background checks on applicants; (iii) collecting state or local tax or licensing revenue related to the manufacture, distribution, or sale of marijuana in contravention of the CSA; (iv) preparing or issuing regulations governing the manufacture, distribution, sale, or possession of marijuana in contravention of the CSA; or (v) monitoring compliance with state or local laws or regulations that permit the manufacture, distribution, sale, or use marijuana in contravention of the CSA, will be a basis for denial of future Federal funds and/or refunding of Federal funds and may be a basis for limiting **THE AGENCY** to payment by reimbursement on a cash basis.

11. **THE AGENCY** shall maintain complete and accurate reports, records, and accounts of all obligations and expenditures of DEA funds under this Agreement in accordance with generally accepted government accounting principles and in accordance with state laws and procedures for expending and accounting for its own funds. **THE AGENCY** shall further maintain its records of all obligations and expenditures of DEA funds under this Agreement in accordance with all instructions provided by DEA to facilitate on-site inspection and auditing of such records and accounts.
12. **THE AGENCY** shall permit and have available for examination and auditing by DEA, the U.S. Department of Justice Office of Inspector General, the Government Accountability Office, and any of their duly authorized agents and representatives, any and all investigative reports, records, documents, accounts, invoices, receipts, and expenditures relating to this Agreement. In addition, **THE AGENCY** will maintain all such foregoing reports and records for six years after termination of this Agreement or until after all audits and examinations are completed and resolved, whichever is longer.
13. **THE AGENCY** agrees that an authorized officer or employee will execute and return to the DEA Regional Contractor, the LOA; 1) Electronic Funds Transfer Memorandum; 2) Certifications Regarding Lobbying; Debarment, Suspension, & Other Responsibility Matters; Drug Free Workplace Requirements (OJP Form 406 1/6); and the 3) Assurances (OJP Form 4000/3). **THE AGENCY** acknowledges that this Agreement will not take effect and that no Federal funds will be awarded by DEA until DEA receives the completed LOA package.
14. Employees of **THE AGENCY** shall at no time be considered employees of the U.S. Government or DEA for any purpose, nor will this Agreement establish an agency relationship between **THE AGENCY** and DEA.
15. **THE AGENCY** shall be responsible for the acts or omissions of **THE AGENCY's** personnel. **THE AGENCY** and **THE AGENCY's** employees shall not be considered as the agent of any other participating entity. Nothing herein is intended to waive or limit sovereign immunity under other federal or state statutory or constitutional authority. This Agreement creates no liability on the part of the DEA, its agents or employees, or the U.S.

Government for any claims, demands, suits, liabilities, or causes of action of whatever kind and designation, and wherever located in the **State of California** resulting from the DCE/SP funded by DEA.

16. **THE AGENCY** shall comply with Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, as amended, and all requirements imposed by or pursuant to the regulations of the U.S. Department of Justice implementing those laws, 28 C.F.R. Part 42, Subparts C, F, G, H, and I.
17. Upon termination of the Agreement, **THE AGENCY** will prepare a September (FINAL) Accounting Form and a general ledger itemizing the breakdown of final expenditures and if applicable, attach invoices reflecting the expenditures for equipment in excess of \$2,500, which was previously approved by DEA Headquarters, and the expenses associated with rental or leasing of aircraft. Report should be submitted electronically to the DEA Regional Contractor by October 31st.
18. The duration of this Agreement shall be as specified in Paragraph 3, except that this Agreement may be terminated by either party after 30 day written notice to the other party. All obligations that are outstanding on the above prescribed termination date or on the date of any thirty (30) day notice of termination shall be liquidated by **THE AGENCY** within sixty (60) days thereof, in which event DEA will only be liable for obligations incurred by **THE AGENCY** during the terms of this Agreement. In no event shall **THE AGENCY** incur any new obligations during the period of notice of termination. In the event that the agreement is terminated, any DEA funds that have been obligated or expended and the result of expended funds (e.g. equipment, supplies and other resources) will be used and disposed of in accordance with the provisions of this agreement.
19. **THE AGENCY** must be registered in the System for Award Management (SAM) to receive payment of Federal funds. There are two steps to registering in SAM. **First, THE AGENCY** must have a Data Universal Numbering System (DUNS) number. [A "+4 extension" to a DUNS number (DUNS+4) is required when there is a need for more than one bank/electronic funds transfer account for a location.] A DUNS number may be obtained via the internet (<http://fedgov.dnb.com/webform>) or by phone (U.S. and U.S. Virgin Islands: 1-866-705-5711; Alaska and Puerto Rico: 1-800-234-3867). **Second, THE AGENCY** must then register with SAM via the internet SAM www.sam.gov. Questions regarding the internet registration process may be directed to 1-866-606-8220 (follow the prompts for SAM). Both the DUNS number and registration in SAM are free of charge.

Note: It is THE AGENCY's responsibility to update their SAM registration annually or whenever a change occurs.

THE AGENCY's current DUNS No. is 602410888

THE AGENCY's opportunity to enter into this Agreement with DEA and to receive the Federal funds expires ninety days from date of issuance. Agreement issued December 2020.
