BACKGROUND:

Summary

Properties for which taxes are not redeemed are sold to collect back taxes. After the property has been tax-defaulted for a period of five or more years from the original tax-default year, it becomes subject to the Treasurer-Tax Collector’s “Notice of Power to Sell Tax Defaulted Property,” which is then recorded.

If the property is not subsequently redeemed by the payment of all amounts due, it is offered for sale by the Treasurer-Tax Collector. This action will set in motion the Treasurer-Tax Collector’s May sale.

SUMMARY OF THE May 13, 2021 through May 18, 2021 Internet Tax Sale conducted via Internet through Bid4Assets, Inc.

The Treasurer-Tax Collector proposes to offer a maximum of eight hundred fifty-seven (857) “fee parcels”:

On May 13, 2021 at 8:00 AM through May 14, 2021 at 9:00 AM

- a) Six hundred eighty-four (684) fee parcels will be offered for a minimum bid of full redemption, plus the cost of sale.
- b) One hundred seventy-three (173) fee parcels will be offered for a minimum bid of \$100.00.

The aggregate minimum bid for all parcels listed in Exhibit “A” is \$11,475,727.

On May 14, 2021 at 9:00 AM through May 18, 2021, any of the six hundred eighty-four (684) fee parcels offered for a minimum bid of full redemption plus the cost of sale between May 13, 2021 at 8:00 AM and May 14, 2021 at 9:00 AM, that do not receive bids will then be reoffered at a reduced minimum bid for the following reduced amounts.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

- a) Two hundred twelve **(212)** or fewer fee parcels will be offered for a minimum bid of cost of sale only.
- b) One hundred seventy-two **(172)** or fewer fee parcels will be offered at a minimum bid of taxes only, plus cost of sale.
- c) Three hundred **(300)** or fewer fee parcels will be offered at a minimum bid of \$100.00.

In general, the financial impact of tax sales can be summarized as follows:

- Sales at, or above, the amount of taxes owed have no direct negative impact on the County's budget.
- For this sale, if all parcels being reoffered for cost of sale were to sell for only the minimum bid, the maximum tax loss would be \$3,130,696.71. Considering the Teeter formula, which shares this loss with other taxing entities, the maximum loss of the Tax Loss Reserve Fund would be \$2,123,551.75. Parcels reoffered for taxes only, plus cost of sale will not realize a tax loss.
- Accordingly, there should be no direct impact on the County General Fund because reserves exceeding the amount have been set aside.
- The Tax Collector has determined that parcels which are offered for a minimum bid of \$100.00 should stimulate interest through the online auction. All of the parcels in question have previously been offered for sale, most on multiple occasions, without garnering any bids. While the \$100.00 minimum bid is low, we believe it is necessary in order to generate interest and bids. It is further likely, that once bidding begins, the final highest bid will decisively surpass the \$100.00 minimum.
- More likely than not, there will be minimal impact upon the Tax Loss Reserve Fund itself. Based upon recent experience, this sale is not expected to realize the maximum loss for three reasons: (1) properties are inevitably pulled from the sale due to various reasons including taxpayer redemptions; (2) some parcels will sell for more than the minimum bid; and (3) other parcels are likely to receive no bids. For example, in previous tax sales, our estimated maximum loss of the Tax Loss Reserve Fund for 2018-2019 was \$1,663,823.42 however, our realized loss was \$451,810.69 which resulted in only 27% of our initial estimated loss. Additionally, our estimated maximum loss of the Tax Loss Reserve Fund for 2019-2020 was \$2,640,702.78 however, our realized loss was \$499,823.88 which resulted in only 19% of our initial estimated loss.

Impact on Residents and Businesses

The offering of tax-defaulted properties is to collect unpaid taxes and to return the property to a revenue-generating status by conveying the property to another owner or motivating the assessee to redeem.
