

**SUBMITTAL TO THE FLOOD CONTROL AND
WATER CONSERVATION DISTRICT
BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

ITEM: 11.2
(ID # 14368)

MEETING DATE:

Tuesday, February 09, 2021

FROM: FLOOD CONTROL DISTRICT:

SUBJECT: FLOOD CONTROL DISTRICT: Approval of the Specifications and Contract Documents; Authorize to Advertise for Bids for the Bautista Creek Channel Recharge Basin Expansion, Stage 50, Project No. 4-0-00030-50, Nothing Further is Required Under CEQA, District 3. [\$0] (CLERK TO ADVERTISE)

RECOMMENDED MOTION: That the Board of Supervisors:

1. Finds that the impacts of Bautista Creek Channel Recharge Basin Expansion, Stage 50 ("Project") will not have a significant adverse effect on the environment and that any potentially significant environmental effects have been adequately analyzed in a Mitigated Negative Declaration (SCH#2016081035) adopted by this Board on December 13, 2016;
2. Approve the Plans and Specifications and Contract Documents for the Project;
3. Authorize the Clerk of the Board to advertise the Project for construction contract bids to be received by the Riverside County Flood Control and Water Conservation District (District) office located at 1995 Market Street, Riverside, CA 92501, up to the hour of 2:00 p.m. on Thursday, March 11, 2021 at which time bids will be opened; and
4. Direct the Clerk of the Board to return all four (4) copies of the executed Bautista Creek Channel Recharge Basin Expansion, Stage 50 Specifications and Contract Documents books to the District.

ACTION:

Jason Uhley, GENERAL MGR-CHF FLD CNTRL ENG

1/27/2021

MINUTES OF THE BOARD OF SUPERVISORS

On motion of Supervisor Jeffries, seconded by Supervisor Hewitt and duly carried by unanimous vote, IT WAS ORDERED that the above matter is approved as recommended.

Ayes: Jeffries, Spiegel, Washington, Perez, and Hewitt
Nays: None
Absent: None
Date: February 9, 2021

SOURCE OF FUNDS: N/A			Budget Adjustment: N/A	
			For Fiscal Year: N/A	

C.E.O. RECOMMENDATION: Approve

BACKGROUND:

Summary

In partnership with Lake Hemet Municipal Water District (LHMWD), the Project will construct six earthen recharge basins and approximately 3,000 lineal feet of underground waterline (see attached project description and location map). In conjunction with recharging stormwater runoff, the waterline will import and deliver surplus water to each recharge basin to promote infiltration and increase groundwater recharge in the Hemet-San Jacinto Valley groundwater basin areas. Any excess flows will return to the adjacent Bautista Creek Channel. LHMWD will assume the operation and maintenance of the Project upon construction completion. The Project is part of the District's Integrated Watershed Protection Program and will be eligible for 2015 Proposition 84 Integrated Regional Water Management grant funding.

On August 29, 2017, Minute Order 11.4 (MT#4851), and December 15, 2020, Minute Order 11.5 (MT#13909), the Board of Supervisors for the District approved the Cooperative Agreement and License Agreement, respectively, between the District and LHMWD for the Project. The Cooperative Agreement and License Agreement set forth the terms and conditions by which the District and LHMWD have agreed upon on the design, construction, maintenance and funding of the Project.

California Environmental Quality Act (CEQA) Findings

On December 13, 2016, Minute Order 11.3 (MT#2761), the Board of Supervisors for the District approved the Project, found that the Project will not have a significant adverse effect on the environment and found that the Project is in compliance with the Western Riverside County Multiple Species Habitat Conservation Plan. Pursuant to CEQA, a Mitigated Negative Declaration (MND) was adopted and filed at the CEQA State Clearing House (SCH#2016081035). The Plans and Specifications and Contract Documents being approved today are implementing what was evaluated in the MND and are consistent with the Project as approved by the Board, therefore, nothing further is required under CEQA.

The contract documents have been approved as to form by County Counsel. A brief project description and location map is attached.

Prev. Agn. Ref.: MT#2761, 11.3 of 12/13/16 (CEQA)

**SUBMITTAL TO THE FLOOD CONTROL AND WATER CONSERVATION DISTRICT BOARD
OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

MT#4851, 11.4 of 08/29/17 (Cooperative Agreement)
MT#13909, 11.5 of 12/15/20 (License Agreement)

Impact on Residents and Businesses

Impacts on Residents and Businesses are considered minimal. Residents and businesses could experience construction noise or dust from heavy equipment. The Project will improve groundwater recharge and water resiliency in the Hemet-San Jacinto Valley groundwater basin areas.

Additional Fiscal Information

The action on this Form 11 merely approves the Plans and Specifications and Contract Documents identifying the proposed work, as well as authorizes the Clerk of the Board to advertise said contract documents. No expenses will be incurred as a result of this action.

Contract History and Price Reasonableness

The Engineer's estimate for this Project is \$1,437,866 and the action today, if approved, will authorize the District to pursue competitive bids through the California Public Works Contract Process. The District will then return to the Board of Supervisors to seek approval to award the contract to the lowest responsive bidder.

NOTICE INVITING BIDS TO CONTRACTORS

Riverside County Flood Control and Water Conservation District hereinafter called "District", invites sealed proposals for construction of:

Bautista Creek Channel Recharge Basin Expansion, Stage 50
Project No. 4-0-00030-50
located in an unincorporated area of Riverside County, California

On or after **February 9, 2021**, the Specifications and Contract Documents may be examined and obtained through www.ebidboard.com. The Specifications and Contract Documents may also be viewed at the District's office at 1995 Market Street, Riverside, California, and purchased from the District for **\$60.00** per set if picking up and **\$65.00** per set if requesting to be mailed. The Specifications and Contract Documents are also offered on CD-ROM for \$10.00 if picking up and \$15.00 if requesting to be mailed. No refunds.

Each proposal must be accompanied by a bid security in the form of a certified check, cashier's check or bid bond equal to ten percent (10%) of the amount bid, payable to the Riverside County Flood Control and Water Conservation District as a guarantee that the Contractor will, if awarded the contract, execute a satisfactory contract and furnish the required bonds and proof of insurance.

Bid Proposals must be placed in a sealed envelope clearly marked "Bid Proposal". Bid Proposals must be in accordance with the instructions and other Contract Documents and filed with the District by **2:00 p.m. on Thursday, March 11, 2021** at 1995 Market Street, Riverside, California, which time and place are fixed for the public opening of bids.

Any questions, requests for information and requests for clarification or interpretation of the Specifications must be submitted in writing to the District attention:

Daniel Aguirre
Email: danaguir@rivco.org
OR
Hard Copy: Riverside County Flood Control and Water Conservation District
1995 Market Street, Riverside, CA 92501
Attn: Daniel Aguirre

Questions or requests must be received **no later than 5:00 p.m. on Tuesday, March 2, 2021**.

Pursuant to Labor Code Section 1771.1, any Contractor bidding and subcontractors to be listed on a Bid Proposal are subject to Public Contract Code Section 4104 and shall not be eligible to bid unless currently registered with the Department of Industrial Relations and qualified to perform public works pursuant to Labor Code Section 1725.5. No Contractor or subcontractor may be awarded a public works project or enter into a Contract without proof of current registration to perform public works.

General prevailing rate of per diem wages and general prevailing rate of per diem wages for holiday and overtime work, including employer payments for health and welfare, pension, vacation, apprentices and similar purposes for each craft, classification or type of workman needed for execution of

contracts under the jurisdiction of District have been obtained by the Board of Supervisors of the District from the Director of Industrial Relations of the State of California for the area where the work is to be done. The said determinations are on file in the principal office of the District, and will be made available to any interested person upon request.

THIS PROJECT IS SUBJECT TO COMPLIANCE MONITORING AND ENFORCEMENT BY THE DEPARTMENT OF INDUSTRIAL RELATIONS. The awarded prime Contractor shall post job site notices, including a copy of the prevailing rate of per diem wages determinations made by the Director for the Department of Industrial Relations and other notices prescribed by regulations and comply with the provisions of the California Labor Code, including, without limitation, Sections 1771.4, 1773.1, 1773.2, 1774, 1775, 1776, and 1777.5.

Contractor shall furnish the records specified in Labor Code Section 1776, including but limited to the certified payroll records, directly to the Labor Commissioner for the Department of Industrial Relations.

Substitution of securities for any moneys withheld by District shall be permitted as provided for by Section 22300 of the California Public Contract Code.

Contractors submitting proposals for this project shall have an active and in good standing Class "A" Contractor's license from the State of California in order to be considered eligible for the contract award. The license(s) shall remain active and in good standing throughout the entire duration of the project.

With the submittal of the Bid Proposal and other Contract Documents, the Contractor shall submit for approval by the District documented evidence of satisfaction of all of the Bidder Qualifications listed above and in accordance with Articles 1 through 4 of the Instructions to Bidders.

NOTICE INVITING BIDS TO CONTRACTORS

Riverside County Flood Control and Water Conservation District hereinafter called "District", invites sealed proposals for construction of:

Bautista Creek Channel Recharge Basin Expansion, Stage 50
Project No. 4-0-00030-50
located in an unincorporated area of Riverside County, California

On or after **February 9, 2021**, the Specifications and Contract Documents may be examined and obtained through www.ebidboard.com. The Specifications and Contract Documents may also be viewed at the District's office at 1995 Market Street, Riverside, California, and purchased from the District for **\$60.00** per set if picking up and **\$65.00** per set if requesting to be mailed. The Specifications and Contract Documents are also offered on CD-ROM for \$10.00 if picking up and \$15.00 if requesting to be mailed. No refunds.

Each proposal must be accompanied by a bid security in the form of a certified check, cashier's check or bid bond equal to ten percent (10%) of the amount bid, payable to the Riverside County Flood Control and Water Conservation District as a guarantee that the Contractor will, if awarded the contract, execute a satisfactory contract and furnish the required bonds and proof of insurance.

Bid Proposals must be placed in a sealed envelope clearly marked "Bid Proposal". Bid Proposals must be in accordance with the instructions and other Contract Documents and filed with the District by **2:00 p.m. on Thursday, March 11, 2021** at 1995 Market Street, Riverside, California, which time and place are fixed for the public opening of bids.

Any questions, requests for information and requests for clarification or interpretation of the Specifications must be submitted in writing to the District attention:

Daniel Aguirre
Email: danaguir@rivco.org
OR
Hard Copy: Riverside County Flood Control and Water Conservation District
1995 Market Street, Riverside, CA 92501
Attn: Daniel Aguirre

Questions or requests must be received **no later than 5:00 p.m. on Tuesday, March 2, 2021**.

Pursuant to Labor Code Section 1771.1, any Contractor bidding and subcontractors to be listed on a Bid Proposal are subject to Public Contract Code Section 4104 and shall not be eligible to bid unless currently registered with the Department of Industrial Relations and qualified to perform public works pursuant to Labor Code Section 1725.5. No Contractor or subcontractor may be awarded a public works project or enter into a Contract without proof of current registration to perform public works.

General prevailing rate of per diem wages and general prevailing rate of per diem wages for holiday and overtime work, including employer payments for health and welfare, pension, vacation, apprentices and similar purposes for each craft, classification or type of workman needed for execution of contracts under the jurisdiction of District have been obtained by the Board of Supervisors of the District from the Director of Industrial Relations of the State of California for the area where the work is to be done. The said determinations are on file in the principal office of the District, and will be made available to any interested person upon request.

THIS PROJECT IS SUBJECT TO COMPLIANCE MONITORING AND ENFORCEMENT BY THE DEPARTMENT OF INDUSTRIAL RELATIONS. The awarded prime Contractor shall post job site

notices, including a copy of the prevailing rate of per diem wages determinations made by the Director for the Department of Industrial Relations and other notices prescribed by regulations and comply with the provisions of the California Labor Code, including, without limitation, Sections 1771.4, 1773.1, 1773.2, 1774, 1775, 1776, and 1777.5.

Contractor shall furnish the records specified in Labor Code Section 1776, including but limited to the certified payroll records, directly to the Labor Commissioner for the Department of Industrial Relations.

Substitution of securities for any moneys withheld by District shall be permitted as provided for by Section 22300 of the California Public Contract Code.

Contractors submitting proposals for this project shall have an active and in good standing Class "A" Contractor's license from the State of California in order to be considered eligible for the contract award. The license(s) shall remain active and in good standing throughout the entire duration of the project.

With the submittal of the Bid Proposal and other Contract Documents, the Contractor shall submit for approval by the District documented evidence of satisfaction of all of the Bidder Qualifications listed above and in accordance with Articles 1 through 4 of the Instructions to Bidders.
