NOTICE OF EXEMPTION

December 9, 2020

Project Name: License Agreement with Riverside County Superintendent of Schools, Corona

Project Number FM047166004100

Project Location: 3785 Neece Street, Corona, California, south of Magnolia Avenue, Corona, California; APN 135-021-039

Description of Project: The Riverside County Superintendent of Schools, a public entity of the State of California has been a tenant under a License Agreement with the County of Riverside (License Agreement) at 3785 Neece Street, Corona since June 1, 2013. The License Agreement expired on June 30, 2020. Therefore, a new License Agreement is required bring all terms current. The Premises continues to meet the space requirements for Riverside County Superintendent of Schools. The License Agreement with the Riverside County Superintendent of Schools is for a term of five years and is defined as the proposed project under the California Environmental Quality Act (CEQA). The project is the granting of a license for use of an existing facility; no expansion of the existing facility will occur. The operation of the facility will continue to provide public services for the Riverside County Superintendent of Schools. No additional direct or indirect physical environmental impacts are anticipated.

Name of Public Agency Approving Project: Riverside County

Name of Person or Agency Carrying Out Project: Riverside County Facilities Management

Exempt Status: State CEQA Guidelines Section 15301, Class 1, Existing Facilities Exemption; Section 15061(b) (3), General Rule or "Common Sense" Exemption. Codified under California Code of Regulations Title 14, Article 5, Section 15061.

Reasons Why Project is Exempt: The proposed project is categorically exempt from the provisions of CEQA specifically by the State CEQA Guidelines as identified below. The project will not result in any specific or general exceptions to the use of the categorical exemption as detailed under State CEQA Guidelines Section 15300.2. The project will not cause an impact to an environmental resource of hazardous or critical concern nor would the project involve unusual circumstances that could potentially have a significant effect on the environment. The project would not result in impacts to scenic highways, hazardous waste sites, historic resources, or other sensitive natural environments, or have a cumulative effect to the environment. No significant environmental impacts are anticipated to occur with the License Agreement.

- **Section 15301 – Class 1 Existing Facilities Exemption:** This categorical exemption includes the operation, repair, maintenance, leasing, or minor alteration of existing public or private structures or facilities, provided the exemption only involves negligible or no expansion of the previous site’s use. The project, as proposed, is limited to use of an existing building. The project will not require physical modifications to the existing building which would increase or expand the use of the site, and is limited to the continued use of the site in a similar capacity; therefore, the project is exempt as the project meets the scope and intent of the Class 1 Exemption identified in Section 15301, Article 19, Categorical Exemptions of the CEQA Guidelines.
- **Section 15061 (b) (3) – “Common Sense” Exemption:** In accordance with CEQA, the use of the Common Sense Exemption is based on the “general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment.” State CEQA Guidelines, Section 15061(b) (3). The use of this exemption is appropriate if “it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.” *Ibid.* This determination is an issue of fact and if sufficient evidence exists in the record that the activity cannot have a significant effect on the environment, then the exemption applies and no further evaluation under CEQA is required. See *No Oil, Inc. v. City of Los Angeles* (1974) 13 Cal. 3d 68. The ruling in this case stated that if a project falls within a category exempt by administrative regulation or 'it can be seen with certainty that the activity in question will not have a significant effect on the environment', no further agency evaluation is required. With certainty, there is no possibility that the project may have a significant effect on the environment. The License Agreement will not result in any direct or indirect physical environmental impacts. The use and operation of the facility will be substantially similar to the existing use and will not create any new environmental impacts to the surrounding area. No impacts beyond the ongoing, existing use of the site would occur. Therefore, in no way, would the project as proposed have the potential to cause a significant environmental impact and the project is exempt from further CEQA analysis.

Therefore, the County of Riverside Facilities Management hereby concludes that no physical environmental impacts are anticipated to occur and the project as proposed is exempt under CEQA. No further environmental analysis is warranted.

- B. The Third Amendment expired on June 30, 2020 and a new License Agreement is required.

Now, therefore, the Parties have agreed to enter into a new License Agreement for a term of five years.

1. License and Term. County hereby authorizes and grants a license to Superintendent to occupy the "Premises" within that certain building located at 3785 Neece Street, Corona, California, as shown on Exhibit "A", attached hereto and by this reference incorporated herein. The term of this License Agreement shall be for a period of five (5) years commencing upon July 1, 2020 and continuing until June 30, 2025 ("License Agreement Term").

2. Rent. For and in consideration of the licensed Premises, Superintendent agrees to pay County the sum of two hundred twenty-one dollars (\$221.00) per month. Any holding over by Licensee after the expiration of said term or any extension thereof shall be deemed a month to month license upon the same terms and conditions of this License Agreement.

3. Utilities. County shall cover the cost of utilities.

4. Custodial. County shall provide custodial services.

5. Maintenance.

5.1 County shall provide all necessary maintenance and repairs to "Premises" and appurtenant equipment and fixtures placed on "Premises".

5.2 Licensee or Licensee's clients, invitees, and employees shall be responsible for any damage to County-owned property and "Premises", including, but not limited to, water, plumbing, electrical and fire that are due to Licensee's neglect including appurtenant equipment and fixtures.

6. Exculpation, Indemnification, and Insurance.

6.1 Exculpation. To the fullest extent permitted by law, Superintendent, on its behalf and on behalf of all Superintendent Parties, as hereinafter defined as Superintendent, the Riverside County Board of Education and their respective Officers, employees and Agents, waives all claims (in law, equity, or otherwise) against County Parties, as hereinafter defined as County of Riverside, its Agencies, Districts, Special Districts, and Departments, their respective directors, its officers, Board of Supervisors, agents, employees, elected or appointed officials, agents or representatives and independent contractors (individually and collectively hereinafter referred to as Indemnitees), arising out of, knowingly and voluntarily assumes the risk of, and agrees that County Parties shall not be liable to Superintendent Parties for any of the following: (1) injury to or death of any person; or (2) loss of, injury or damage to, or destruction of any tangible or intangible property, including the resulting loss of use, economic losses, and consequential or resulting damage of any kind from any cause. County Parties shall not be liable under this Section regardless of whether the liability results from any active or passive act, error, omission, or negligence of any of County Parties; or is based on claims in which liability without fault or strict liability is imposed or sought to be imposed on any of County Parties. This exculpation Section shall not apply to claims against County Parties to the extent that a final judgment of a court of competent jurisdiction establishes that the injury, loss, damage, or destruction was proximately caused by County Parties' fraud, willful injury to person or property, or violation of law.

6.1.2 Survival of Exculpation. The paragraphs of this Section 6 shall survive the expiration or earlier termination of this License Agreement until all claims within the scope of this Section 6 are fully, finally, and absolutely barred by the applicable statutes of limitations.

6.1.3 Superintendent's Acknowledgment of Fairness. Superintendent acknowledges that this Section 6 was negotiated with County, that the consideration for it is fair and

adequate, and that Superintendent had a fair opportunity to negotiate, accept, reject, modify, or alter it.

6.1.4 Waiver of Civil Code Section 1542. With respect to the exculpation provided in this Section 6, Superintendent waives the benefits of Civil Code Section 1542, which provides: A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor.

7. Indemnification and Hold Harmless.

7.1 Except as otherwise provided herein, Superintendent represents that it has inspected the Premises, accepts the condition and fully assumes any and all risks incidental to the use thereof. County shall not be liable to Superintendent, its agents, employees, subcontractors or independent contractors for any personal injury or property damage suffered by them which may result from hidden, latent or other dangerous conditions in, on, upon or within the Premises unknown to the County, its officers, agents or employees.

7.1.2 Superintendent shall indemnify and hold harmless the County of Riverside, its Agencies, Districts, Special Districts, and Departments, their respective directors, its officers, Board of Supervisors, agents, employees, elected or appointed officials, agents or representatives and independent contractors (individually and collectively hereinafter referred to as Indemnitees) free and harmless from any liability whatsoever, based or asserted upon any act or omission of Superintendent, its officers, agents, employees, subcontractors and independent contractors for property damage, bodily injury, or death (County's employees included) or any other element of damage of any kind or nature, relating to or in any way connected with or arising from its use, occupancy or operation of the licensed Premises, and Superintendent, shall defend, at its expense, including attorney fees, Indemnitees in any legal action based upon such alleged acts or omissions.

7.1.3 With respect to any action or claim subject to indemnification herein by Superintendent, Superintendent shall, at their sole cost, have the right to use counsel of their own choice and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of County; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes Superintendent's indemnification to Indemnitees as set forth herein.

7.1.4 Superintendent's obligation hereunder shall be satisfied when Superintendent has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.

7.1.5 The specified insurance limits required in this License Agreement shall in no way limit or circumscribe Superintendent's obligations to indemnify and hold harmless the Indemnitees herein from third party claims.

7.1.6 Survival of Indemnification. The paragraphs of this Section 7 shall survive the expiration or earlier termination of this License Agreement until all claims against

Indemnitees involving any of the indemnified matters are fully, finally, and absolutely barred by the applicable statutes of limitations.

8. Insurance.

8.1 Without limiting or diminishing the Superintendent's obligation to indemnify or hold the County harmless, Superintendent shall procure and maintain or cause to be maintained, at its sole cost and expense, the following insurance coverages during the term of this License Agreement. As respects to the insurance section only, the County herein refers to the County of Riverside, its Agencies, Districts, Special Districts, and Departments, their respective directors, officers, Board of Supervisors, employees, elected or appointed officials, agents or representatives as Additional Insureds.

Policy shall also include fire and extended coverage on the improvements, alterations and fixtures to be constructed and installed upon the Premises in an amount not less than the full replacement value of such improvements, alterations and fixtures. Such insurance shall name County as an additional insured with respect to this License Agreement and the obligations of Superintendent hereunder. Such insurance shall provide for limits of not less than One Million Dollars (\$1,000,000) per occurrence. If such insurance contains a general aggregate limit, it shall apply separately to this agreement or be no less than two (2) times the occurrence limit.

8.1.4 Vehicle Liability: If vehicles or mobile equipment are used in the performance of the obligations under this License Agreement, then Superintendent shall maintain liability insurance for all owned, non-owned or hired vehicles so used in an amount not less than \$1,000,000 per occurrence combined single limit. If such insurance contains a general aggregate limit, it shall apply separately to this agreement or be no less than two (2) times the occurrence limit. Policy shall name the County as Additional Insureds.

9. General Insurance Provisions - All lines:

9.1. Any insurance carrier providing insurance coverage hereunder shall be admitted to the State of California and have an A M BEST rating of not less than A: VIII (A:8) unless such requirements are waived, in writing, by the County Risk Manager. If the County's Risk Manager

waives a requirement for a particular insurer such waiver is only valid for that specific insurer and only for one policy term.

9.1.2 The insurance requirements contained in this License Agreement may be met with a program(s) of self-insurance. Superintendent must declare its insurance self-insured retention for each coverage required herein. If any such self-insured retention exceeds \$500,000 per occurrence each such retention shall have the prior written consent of the County Risk Manager before the commencement of operations under this License Agreement. Upon notification of self-insured retention unacceptable to the County, and at the election of the County's Risk Manager, Superintendent's carriers shall either: 1) reduce or eliminate such self-insured retention as respects this License Agreement with the County, or 2) procure a bond which guarantees payment of losses and related investigations, claims administration, and defense costs and expenses.

9.1.3 Superintendent shall cause Superintendent's insurance carrier(s) to furnish the County of Riverside with a properly executed Certificate(s) of Insurance and copies of Endorsements effecting coverage as required herein. Further, said Certificate(s) and policies of insurance shall contain the covenant of the insurance carrier(s) that a minimum of thirty (30) days written notice shall be given to the County of Riverside prior to any material modification, cancellation, expiration or reduction in coverage of such insurance. If Superintendent's insurance carrier(s) policies do not meet the minimum notice requirement found herein, Superintendent shall cause Superintendent's insurance carrier(s) to furnish a 30-day Notice of Cancellation Endorsement.

9.1.4 In the event of a material modification, cancellation, expiration, or reduction in coverage, this License Agreement shall terminate forthwith, unless the County receives, prior to such effective date, another properly executed Certificate of Insurance and copies of endorsements evidencing coverages set forth herein and the insurance required herein is in full force and effect. Superintendent shall not commence operations until the County has been furnished Certificate(s) of Insurance and copies of endorsements. An individual authorized by the insurance carrier to do so on its behalf shall sign the original endorsements for each policy and the Certificate of Insurance.

9.1.5 It is understood and agreed to by the parties hereto that the Superintendent's insurance shall be construed as primary insurance, and the County's insurance and/or deductibles and/or self-insured retention's or self-insured programs shall not be construed as contributory.

9.1.6 County reserves the right to require that Superintendent adjust the monetary limits of insurance coverage as required in this Section 9 herein every fifth (5th) year during the term of this License Agreement or any extension thereof, subject to ninety (90) days written notice to County of such adjustment, in the event that County reasonably determines that the then existing monetary limits of insurance coverage are no longer consistent with those monetary limits of insurance coverage generally prevailing in the Riverside County area for facilities comparable to the Premises; provided, however, that any adjustment shall not increase the monetary limits of insurance coverage for the preceding five (5) years in excess of fifty percent (50%) thereof.

9.1.7 Superintendent shall pass down the insurance obligations contained herein to all tiers of subcontractors working under this License Agreement.

9.1.8 Superintendent agrees to notify County of any claim by a third party or any incident or event that may give rise to a claim arising from the performance of this License Agreement.

10. **County's Insurance.** County maintains funded programs of Self-Insurance.

11. **Damage and Destruction.**

11.1 **Repair of Damage.** Superintendent agrees to notify County in writing promptly of any damage to the Premises resulting from fire, earthquake, or any other identifiable event of a sudden, unexpected, or unusual nature ("Casualty"). If the Premises, whether covered by insurance or not, are damaged by a Casualty, or the Casualty results in the Premises not being provided with all systems and equipment, including, but not limited to, electrical, plumbing, fire sprinkler, fire suppression system, fire/life/safety system, elevators, security systems, lighting, heating, ventilating and air conditioning systems ("HVAC"), loading doors, if any, that serve the Premises and all other such elements in the Premises (herein defined as the "Base Building Systems") or parking facilities., Superintendent shall promptly and diligently restore Premises, the Superintendent's Improvements originally constructed by Superintendent, Base Building Systems, and County's parking facilities to substantially the same condition as existed before the Casualty, subject to modifications required by building codes and other laws. If County requests that Superintendent make any modifications to the Superintendent Improvements in connection with the rebuilding, County may condition its consent to those modifications on: (a) confirmation by Superintendent's contractor that the modifications shall not increase the time needed to complete the Superintendent's Improvements; or (b) an agreement by County that the additional construction period shall not extend the rent abatement period.

11. **Amendments/Alterations:** This License Agreement may only be amended in writing by the mutual consent of the parties hereto.

12. **Notices:** Any notices required or desired to be served by either party upon the other shall be addressed to the respective parties as set forth below:
