

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

**ITEM: 3.10
(ID # 14504)**

MEETING DATE:

Tuesday, March 09, 2021

FROM: FACILITIES MANAGEMENT:

SUBJECT: FACILITIES MANAGEMENT DEPARTMENT (FM): Approval of Professional Services Agreements with Wurm's Janitorial Services Inc. and EDM Commercial for FM Custodial Services Division, All Districts. [Five Year Total Cost - \$6,230,000; Up to \$623,000 in additional compensation]; 100% FM Custodial Services Division Customer Budgets.

RECOMMENDED MOTION: That the Board of Supervisors:

1. Approve the Professional Services Agreement with Wurm's Janitorial Services Inc., for custodial services for a total aggregate amount of \$ 2,905,000 for five years through February 28, 2026, and authorize the Chair of the Board of Supervisor to sign the Agreement on behalf of the County;
2. Approve the Professional Services Agreement with EDM Commercial, for custodial services for a total aggregate amount of \$ 3,325,000 for five years through February 28, 2026, and authorize the Chair of the Board of Supervisor to sign the Agreement on behalf of the County; and
3. Authorize the Purchasing Agent, in accordance with Ordinance No. 459, based on the availability of fiscal funding and as approved by County Counsel, to: (a) sign amendments that exercise the options of the agreements, including modifications of the statement of work that stay within the intent of each Agreement; (b) move the allocated funds among the vendors; and (c) sign amendments to the compensation provisions that do not exceed the sum total of ten percent (10%) of the total annual cost of the contracts.

ACTION: Policy

Rose Salgado, Director of Facilities Management 2/23/2021

MINUTES OF THE BOARD OF SUPERVISORS

On motion of Supervisor Jeffries, seconded by Supervisor Washington and duly carried by unanimous vote, IT WAS ORDERED that the above matter is approved as recommended.

Ayes: Jeffries, Spiegel, Washington, Perez, and Hewitt
Nays: None
Absent: None
Date: March 9, 2021

			For Fiscal Year: 20/21 - 25/26	

C.E.O. RECOMMENDATION: Approve.

BACKGROUND:

Summary

The Facilities Management Custodial Services Division (FM CSD) is responsible to provide and oversee janitorial services at county facilities and to maintain sanitary conditions for its employees and all who visit. The FM CSD is required to follow the Center for Disease Control (CDC) guidelines for COVID-19 cleaning as well as meet the requirements of LEED certified green cleaning policies for identified locations. With increased janitorial needs and restricted staffing due to the pandemic, FM CSD evaluated options and decided to continue contracting janitorial services with third-party vendors to optimize operating expenses, improve work efficiencies, enhance customer service, and reduce County costs.

In order to provide contracts that meet the various needs of each location, FM is requesting approval of two awards from a competitive bid process. Both vendors are current incumbents with only 3 of the locations being newly required. Although Attachment D indicates awarded amounts for each vendor, the department requests the authority to make adjustments to the vendors' contract amount, not to exceed the annual aggregate of \$1,246,000 in order to allow FM CSD to change or add services providers based on the needs of the department.

Impact on Residents and Businesses

By augmenting the custodial services with an outside vendor, the Department is able to obtain the necessary services to provide workplace cleanliness and a healthy environment to staff, including the general areas visited by the public.

Contract History and Price Reasonableness

In August 2020, County Purchasing issued a Request for Quote (RFQ) #FMARC-288. Solicitations were sent out to custodial service providers and advertised on Public Purchase website. Six vendors submitted bids, with bidders submitting pricing for all fourteen locations as well as pricing for as needed services. Each bid response was evaluated based on the criteria set forth in the RFQ.

The RFQ required that the responsive bidders be registered with Department of Industrial Relations (DIR) for Janitorial Services at the time of bid submittal, as well as the vendors being

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

able to maintain the required number of staffing per location and pass site specific background check requirements. The two lowest bidders' proposals were found to be non-responsive due to not having valid DIR registrations. The next lowest vendors, WURM's Janitorial, Inc and EDM Commercial, are able to meet the needs of the County of Riverside for all locations as well as the required DIR registration. It was found that WURM's Janitorial, Inc to be the lowest bidder for thirteen locations and EDM Commercial the lowest bidder for one location.

Janitorial Services are a critical service for the County of Riverside, especially during the time of a pandemic. Having two vendors who are able to provide custodial services will allow FM CSD to more effectively handle emergency cleaning or custodial staffing concerns that could arise. Contracts allow for funds and services to be added or removed to ensuring janitorial service coverage throughout County facilities.

This Agreement, made and entered into this 9 day of March, 2021, by and between WURM'S JANITORIAL SERVICE, INC, a California corporation (herein referred to as "CONTRACTOR"), and the COUNTY OF RIVERSIDE, a political subdivision of the State of California, (herein referred to as "COUNTY"). The parties agree as follows:

1. Description of Services

1.1 CONTRACTOR shall provide all services as outlined and specified in Exhibit A, Product/Service Specification, at the prices stated in Exhibit D, Cost Proposal to the Agreement.

1.2 CONTRACTOR represents that it has the skills, experience, and knowledge necessary to perform under this Agreement and the COUNTY relies upon this representation. CONTRACTOR shall perform to the satisfaction of the COUNTY and in conformance to and consistent with the highest standards of firms/professionals in the same discipline in the State of California.

1.3 CONTRACTOR affirms this it is fully apprised of all of the work to be performed under this Agreement; and the CONTRACTOR agrees it can properly perform this work at the prices stated in Exhibit D, and in compliance with the Center for Disease Control recommendations stated in Exhibit E, CONTRACTOR is not to perform services or provide products outside of the Agreement.

1.4 Acceptance by the COUNTY of the CONTRACTOR's performance under this Agreement does not operate as a release of CONTRACTOR's responsibility for full compliance with the terms of this Agreement.

2. Period of Performance

2.1 This Agreement shall be effective upon signature of this Agreement by both parties and continues in effect through February 28, 2026, unless terminated earlier. CONTRACTOR shall commence performance upon signature of this Agreement by both parties and shall diligently and continuously perform thereafter. The Riverside County Board of Supervisors is the only authority that may obligate the County for a non-cancelable multi-year agreement.

3. Compensation

3.1 The COUNTY shall pay the CONTRACTOR for services performed, products provided and expenses incurred in accordance with the terms of Exhibit D, Cost Proposal. Maximum payments by COUNTY to CONTRACTOR shall not exceed five hundred eighty-one thousand dollars (\$581,000.00) annually including all expenses. The COUNTY is not responsible for any fees or costs incurred above or beyond the contracted amount and shall have no obligation to purchase any specified amount of services or products. Unless otherwise specifically stated in Exhibit D, COUNTY shall not be responsible for payment of any of CONTRACTOR's expenses related to this Agreement.

3.2 No price increases will be permitted during the first year of this Agreement (If applicable). All price decreases (for example, if CONTRACTOR offers lower prices to another governmental entity) will automatically be extended to the COUNTY. The COUNTY requires written proof satisfactory to COUNTY of cost increases prior to any approved price adjustment. After the first year of the award, a minimum of 30-days advance notice in writing is required to be considered and approved by COUNTY. No retroactive price adjustments will be considered. Any price increases must be stated in a written amendment to this Agreement. The net dollar amount of profit will remain firm during the period of the Agreement. Annual increases shall not exceed the Consumer Price Index- All Consumers, All Items - Greater Los Angeles, Riverside and Orange County areas and be subject to satisfactory performance review by the COUNTY and approved (if needed) for budget funding by the Board of Supervisors.

3.3 CONTRACTOR shall be paid only in accordance with an invoice submitted to COUNTY by CONTRACTOR within fifteen (15) days from the last day of each calendar month, and COUNTY shall pay the invoice within thirty (30) working days from the date of receipt of the invoice. Payment shall be made to CONTRACTOR only after services have been rendered or delivery of materials or products, and acceptance has been made by COUNTY. Prepare invoices in duplicate. For this Agreement, send the original and duplicate copies of invoices to:

County of Riverside, Facilities Management Department
Attn: Accounts Payable
3133 Mission Inn Ave.
Riverside, CA 92507

OR: Email invoices to: FM-Invoices@rivco.org

- a) Each invoice shall contain a minimum of the following information: invoice number and date; remittance address; bill-to and ship-to addresses of ordering department/division; Agreement number (FMARC-91039-002-02/26); quantities; item descriptions, unit prices, extensions, sales/use tax if applicable, and an invoice total.
- b) Invoices shall be rendered monthly in arrears.

3.4 The COUNTY obligation for payment of this Agreement beyond the current fiscal year end is contingent upon and limited by the availability of COUNTY funding from which payment can be made, and invoices shall be rendered "monthly" in arrears. In the State of California, Government agencies are not allowed to pay excess interest and late charges, per Government Codes, Section 926.10. No legal liability on the part of the COUNTY shall arise for payment beyond June 30 of each calendar year unless funds are made available for such payment. In the event that such funds are not forthcoming for any reason, COUNTY shall immediately notify CONTRACTOR in writing; and this Agreement shall be deemed terminated, have no further force, and effect.

4. Alteration or Changes to the Agreement

4.1 The Board of Supervisors and the COUNTY Purchasing Agent and/or his designee is the only authorized COUNTY representatives who may at any time, by written order, alter this Agreement. If any such alteration causes an increase or decrease in the cost of, or the time required for the performance under this Agreement, an equitable adjustment shall be made in the Agreement price or delivery schedule, or both, and the Agreement shall be modified by written amendment accordingly.

4.2 Any claim by the CONTRACTOR for additional payment related to this Agreement shall be made in writing by the CONTRACTOR within 30 days of when the CONTRACTOR has or should have notice of any actual or claimed change in the work, which results in additional and unanticipated cost to the CONTRACTOR. If the COUNTY Purchasing Agent decides that the facts provide sufficient justification, he may authorize additional payment to the CONTRACTOR pursuant to the claim. Nothing in this section shall excuse the CONTRACTOR from proceeding with performance of the Agreement even if there has been a change.

5. **Termination**

5.1. COUNTY may terminate this Agreement without cause upon 30 days written notice served upon the CONTRACTOR stating the extent and effective date of termination.

5.2 COUNTY may, upon five (5) days written notice terminate this Agreement for CONTRACTOR's default, if CONTRACTOR refuses or fails to comply with the terms of this Agreement or fails to make progress that may endanger performance and does not immediately cure such failure. In the event of such termination, the COUNTY may proceed with the work in any manner deemed proper by COUNTY.

5.3 After receipt of the notice of termination, CONTRACTOR shall:

- (a) Stop all work under this Agreement on the date specified in the notice of termination; and
- (b) Transfer to COUNTY and deliver in the manner as directed by COUNTY any materials, reports or other products, which, if the Agreement had been completed or continued, would have been required to be furnished to COUNTY.

5.4 After termination, COUNTY shall make payment only for CONTRACTOR's performance up to the date of termination in accordance with this Agreement.

5.5 CONTRACTOR's rights under this Agreement shall terminate (except for fees accrued prior to the date of termination) upon dishonesty or a willful or material breach of this Agreement by CONTRACTOR; or in the event of CONTRACTOR's unwillingness or inability for any reason whatsoever to perform the terms of this Agreement. In such event, CONTRACTOR shall not be entitled to any further compensation under this Agreement.

5.6 If the Agreement is federally or State funded, CONTRACTOR cannot be debarred from the System for Award Management (SAM). CONTRACTOR must notify the COUNTY immediately of a debarment. Reference: System for Award Management (SAM) at <https://www.sam.gov> for Central Contractor Registry (CCR), Federal

Agency Registration (Fedreg), Online Representations and Certifications Application, and Excluded Parties List System (EPLS)). Excluded Parties Listing System (EPLS) (<http://www.epls.gov>) (Executive Order 12549, 7 CFR Part 3017, 45 CFR Part 76, and 44 CFR Part 17). The System for Award Management (SAM) is the Official U.S. Government system that consolidated the capabilities of CCR/FedReg, ORCA, and EPLS.

5.7 The rights and remedies of COUNTY provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or this Agreement.

6. Ownership/Use of Contract Materials and Products

The CONTRACTOR agrees that all materials, reports or products in any form, including electronic, created by CONTRACTOR for which CONTRACTOR has been compensated by COUNTY pursuant to this Agreement shall be the sole property of the COUNTY. The material, reports or products may be used by the COUNTY for any purpose that the COUNTY deems to be appropriate, including, but not limit to, duplication and/or distribution within the COUNTY or to third parties. CONTRACTOR agrees not to release or circulate in whole or part such materials, reports, or products without prior written authorization of the COUNTY.

7. Conduct of Contractor

7.1 The CONTRACTOR covenants that it presently has no interest, including, but not limited to, other projects or contracts, and shall not acquire any such interest, direct or indirect, which would conflict in any manner or degree with CONTRACTOR's performance under this Agreement. The CONTRACTOR further covenants that no person or subcontractor having any such interest shall be employed or retained by CONTRACTOR under this Agreement. The CONTRACTOR agrees to inform the COUNTY of all the CONTRACTOR's interests, if any, which are or may be perceived as incompatible with the COUNTY's interests.

7.2 The CONTRACTOR shall not, under circumstances which could be interpreted as an attempt to influence the recipient in the conduct of his/her duties, accept any gratuity or special favor from individuals or firms with whom the CONTRACTOR is doing business or proposing to do business, in accomplishing the work under this Agreement.

7.3 The CONTRACTOR or its employees shall not offer gifts, gratuity, favors, and entertainment directly or indirectly to COUNTY employees.

8. Inspection of Service; Quality Control/Assurance

8.1 All performance (which includes services, workmanship, materials, supplies and equipment furnished or utilized in the performance of this Agreement) shall be subject to inspection and test by the COUNTY or other regulatory agencies at all times. The CONTRACTOR shall provide adequate cooperation to any inspector or other COUNTY representative to permit him/her to determine the CONTRACTOR's conformity with the terms of this Agreement. If any services performed or products provided by CONTRACTOR are not in conformance with the terms

of this Agreement, the COUNTY shall have the right to require the CONTRACTOR to perform the services or provide the products in conformance with the terms of the Agreement at no additional cost to the COUNTY. When the services to be performed or the products to be provided are of such nature that the difference cannot be corrected; the COUNTY shall have the right to: (1) require the CONTRACTOR immediately to take all necessary steps to ensure future performance in conformity with the terms of the Agreement; and/or (2) reduce the Agreement price to reflect the reduced value of the services performed or products provided. The COUNTY may also terminate this Agreement for default and charge to CONTRACTOR any costs incurred by the COUNTY because of the CONTRACTOR's failure to perform.

8.2 CONTRACTOR shall establish adequate procedures for self-monitoring and quality control and assurance to ensure proper performance under this Agreement; and shall permit a COUNTY representative or other regulatory official to monitor, assess, or evaluate CONTRACTOR's performance under this Agreement at any time, upon reasonable notice to the CONTRACTOR.

9. Independent Contractor/Employment Eligibility

9.1 The CONTRACTOR is, for purposes relating to this Agreement, an independent contractor and shall not be deemed an employee of the COUNTY. It is expressly understood and agreed that the CONTRACTOR (including its employees, agents, and subcontractors) shall in no event be entitled to any benefits to which COUNTY employees are entitled, including but not limited to overtime, any retirement benefits, worker's compensation benefits, and injury leave or other leave benefits. There shall be no employer-employee relationship between the parties; and CONTRACTOR shall hold COUNTY harmless from any and all claims that may be made against COUNTY based upon any contention by a third party that an employer-employee relationship exists by reason of this Agreement. It is further understood and agreed by the parties that CONTRACTOR in the performance of this Agreement is subject to the control or direction of COUNTY merely as to the results to be accomplished and not as to the means and methods for accomplishing the results.

9.2 CONTRACTOR warrants that it shall make its best effort to fully comply with all federal and state statutes and regulations regarding the employment of aliens and others and to ensure that employees performing work under this Agreement meet the citizenship or alien status requirement set forth in federal statutes and regulations. CONTRACTOR shall obtain, from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by federal or state statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, 8 U.S.C. §1324 et seq., as they currently exist and as they may be hereafter amended. CONTRACTOR shall retain all such documentation for all covered employees, for the period prescribed by the law.

9.3 Ineligible Person shall be any individual or entity who: Is currently excluded, suspended, debarred or otherwise ineligible to participate in the federal health care programs; or has been convicted of a criminal offense related to the provision of health care items or services and has not been reinstated in the federal health care programs after a period of exclusion, suspension, debarment, or ineligibility.

9.4 CONTRACTOR shall screen prospective Covered Individuals prior to hire or engagement. CONTRACTOR shall not hire or engage any Ineligible Person to provide services directly relative to this Agreement. CONTRACTOR shall screen all current Covered Individuals within sixty (60) days of execution of this Agreement to ensure that they have not become Ineligible Persons unless CONTRACTOR has performed such screening on same Covered Individuals under a separate agreement with COUNTY within the past six (6) months. Covered Individuals shall be required to disclose to CONTRACTOR immediately any debarment, exclusion or other event that makes the Covered Individual an Ineligible Person. CONTRACTOR shall notify COUNTY within five (5) business days after it becomes aware if a Covered Individual providing services directly relative to this Agreement becomes debarred, excluded or otherwise becomes an Ineligible Person.

9.5 CONTRACTOR acknowledges that Ineligible Persons are precluded from providing federal and state funded health care services by contract with COUNTY in the event that they are currently sanctioned or excluded by a federal or state law enforcement regulatory or licensing agency. If CONTRACTOR becomes aware that a Covered Individual has become an Ineligible Person, CONTRACTOR shall remove such individual from responsibility for, or involvement with, COUNTY business operations related to this Agreement.

9.6 CONTRACTOR shall notify COUNTY within five (5) business days if a Covered Individual or entity is currently excluded, suspended or debarred, or is identified as such after being sanction screened. Such individual or entity shall be promptly removed from participating in any activity associated with this Agreement.

10. **Subcontract for Work or Services**

No contract shall be made by the CONTRACTOR with any other party for furnishing any of the work or services under this Agreement without the prior written approval of the COUNTY; but this provision shall not require the approval of contracts of employment between the CONTRACTOR and personnel assigned under this Agreement, or for parties named in the proposal and agreed to under this Agreement.

11. **Disputes**

11.1 The parties shall attempt to resolve any disputes amicably at the working level. If that is not successful, the dispute shall be referred to the senior management of the parties. Any dispute relating to this Agreement, which is not resolved by the parties, shall be decided by the COUNTY's Purchasing Department's Compliance Contract Officer who shall furnish the decision in writing. The decision of the COUNTY's Compliance Contract Officer shall be final and conclusive unless determined by a court of competent jurisdiction to have been fraudulent, capricious, arbitrary, or

so grossly erroneous to imply bad faith. The CONTRACTOR shall proceed diligently with the performance of this Agreement pending the resolution of a dispute.

11.2 Prior to the filing of any legal action related to this Agreement, the parties shall be obligated to attend a mediation session in Riverside County before a neutral third party mediator. A second mediation session shall be required if the first session is not successful. The parties shall share the cost of the mediations.

12. Licensing and Permits

CONTRACTOR shall comply with all State or other licensing requirements, including but not limited to the provisions of Chapter 9 of Division 3 of the Business and Professions Code. All licensing requirements shall be met at the time proposals are submitted to the COUNTY. CONTRACTOR warrants that it has all necessary permits, approvals, certificates, waivers and exemptions necessary for performance of this Agreement as required by the laws and regulations of the United States, the State of California, the County of Riverside and all other governmental agencies with jurisdiction, and shall maintain these throughout the term of this Agreement.

13. Use By Other Political Entities

The CONTRACTOR agrees to extend the same pricing, terms, and conditions as stated in this Agreement to each and every political entity, special district, and related non-profit. It is understood that other entities shall make purchases in their own name, make direct payment, and be liable directly to the CONTRACTOR; and COUNTY shall in no way be responsible to CONTRACTOR for other entities' purchases.

14. Non-Discrimination

CONTRACTOR shall not be discriminate in the provision of services, allocation of benefits, accommodation in facilities, or employment of personnel on the basis of ethnic group identification, race, religious creed, color, national origin, ancestry, physical handicap, medical condition, marital status or sex in the performance of this Agreement; and, to the extent they shall be found to be applicable hereto, shall comply with the provisions of the California Fair Employment and Housing Act (Gov. Code 12900 et. seq), the Federal Civil Rights Act of 1964 (P.L. 88-352), the Americans with Disabilities Act of 1990 (42 U.S.C. S1210 et seq.) and all other applicable laws or regulations.

15. Records and Documents

CONTRACTOR shall make available, upon written request by any duly authorized Federal, State, or COUNTY agency, a copy of this Agreement and such books, documents and records as are necessary to certify the nature and extent of the CONTRACTOR's costs related to this Agreement. All such books, documents and records shall be maintained by CONTRACTOR for at least five years following termination of this Agreement and be available for audit by the COUNTY. CONTRACTOR shall provide to the COUNTY reports and information related to this Agreement as requested by COUNTY.

16. Confidentiality

16.1 The CONTRACTOR shall not use for personal gain or make other improper use of privileged or confidential information which is acquired in connection with this Agreement. The term “privileged or confidential information” includes but is not limited to: unpublished or sensitive technological or scientific information; medical, personnel, or security records; anticipated material requirements or pricing/purchasing actions; COUNTY information or data which is not subject to public disclosure; COUNTY operational procedures; and knowledge of selection of contractors, subcontractors or suppliers in advance of official announcement.

16.2 The CONTRACTOR shall protect from unauthorized disclosure names and other identifying information concerning persons receiving services pursuant to this Agreement, except for general statistical information not identifying any person. The CONTRACTOR shall not use such information for any purpose other than carrying out the CONTRACTOR’s obligations under this Agreement. The CONTRACTOR shall promptly transmit to the COUNTY all third party requests for disclosure of such information. The CONTRACTOR shall not disclose, except as otherwise specifically permitted by this Agreement or authorized in advance in writing by the COUNTY, any such information to anyone other than the COUNTY. For purposes of this paragraph, identity shall include, but not be limited to, name, identifying number, symbol, or other identifying particulars assigned to the individual, such as finger or voice print or a photograph.

17. Administration/Contract Liaison

The COUNTY Purchasing Agent, or designee, shall administer this Agreement on behalf of the COUNTY. The Purchasing Department is to serve as the liaison with CONTRACTOR and the COUNTY Facilities Management Department in connection with this Agreement.

18. Notices

All correspondence and notices required or contemplated by this Agreement shall be delivered to the respective parties at the addresses set forth below and are deemed submitted two days after their deposit in the United States mail, postage prepaid:

COUNTY OF RIVERSIDE

FACILITIES MANAGEMENT DEPT.
3133 MISSION INN AVE.
RIVERSIDE, CA 92507

CONTRACTOR

WURM’S JANITORIAL SERVICE, INC.
544 BATEMAN CIRCLE
CORONA, CA 92880

19. Force Majeure

If either party is unable to comply with any provision of this Agreement due to causes beyond its reasonable control, and which could not have been reasonably anticipated, such as acts of God, acts of war, civil disorders, or other similar acts, such party shall not be held liable for such failure to comply.

20. EDD Reporting Requirements

In order to comply with child support enforcement requirements of the State of California, the COUNTY may be required to submit a Report of Independent Contractor(s) form **DE 542** to the Employment Development Department. The CONTRACTOR agrees to furnish the required data and certifications to the COUNTY within 10 days of notification of award of Agreement when required by the EDD. This data will be transmitted to governmental agencies charged with the establishment and enforcement of child support orders. Failure of the CONTRACTOR to timely submit the data and/or certificates required may result in the contract being awarded to another contractor. In the event a contract has been issued, failure of the CONTRACTOR to comply with all federal and state reporting requirements for child support enforcement or to comply with all lawfully served Wage and Earnings Assignments Orders and Notices of Assignment shall constitute a material breach of Agreement. If CONTRACTOR has any questions concerning this reporting requirement, please call (916) 657-0529. CONTRACTOR should also contact its local Employment Tax Customer Service Office listed in the telephone directory in the State Government section under "Employment Development Department" or access their Internet site at www.edd.ca.gov.

21. Hold Harmless/Indemnification

21.1 CONTRACTOR shall indemnify and hold harmless the County of Riverside, its Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives (individually and collectively hereinafter referred to as Indemnitees) from any liability, action, claim or damage whatsoever, based or asserted upon any services of CONTRACTOR, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to this Agreement, including but not limited to property damage, bodily injury, or death or any other element of any kind or nature. CONTRACTOR shall defend the Indemnitees at its sole expense including all costs and fees (including, but not limited, to attorney fees, cost of investigation, defense and settlements or awards) in any claim or action based upon such acts, omissions or services.

21.2 With respect to any action or claim subject to indemnification herein by CONTRACTOR, CONTRACTOR shall, at their sole cost, have the right to use counsel of their own choice and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of COUNTY; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes CONTRACTOR indemnification to Indemnitees as set forth herein.

21.3 CONTRACTOR'S obligation hereunder shall be satisfied when CONTRACTOR has provided to COUNTY the appropriate form of dismissal relieving COUNTY from any liability for the action or claim involved.

21.4 The specified insurance limits required in this Agreement shall in no way limit or circumscribe CONTRACTOR'S obligations to indemnify and hold harmless the Indemnitees herein from third party claims.

22. Insurance

22.1 Without limiting or diminishing the CONTRACTOR'S obligation to indemnify or hold the COUNTY harmless, CONTRACTOR shall procure and maintain or cause to be maintained, at its sole cost and expense, the following insurance coverage's during the term of this Agreement. As respects to the insurance section only, the COUNTY herein refers to the County of Riverside, its Agencies, Districts, Special Districts, and Departments, their respective directors, officers, Board of Supervisors, employees, elected or appointed officials, agents, or representatives as Additional Insureds.

A. Workers' Compensation:

If the CONTRACTOR has employees as defined by the State of California, the CONTRACTOR shall maintain statutory Workers' Compensation Insurance (Coverage A) as prescribed by the laws of the State of California. Policy shall include Employers' Liability (Coverage B) including Occupational Disease with limits not less than \$1,000,000 per person per accident. The policy shall be endorsed to waive subrogation in favor of The County of Riverside.

B. Commercial General Liability:

Commercial General Liability insurance coverage, including but not limited to, premises liability, unmodified contractual liability, products and completed operations liability, personal and advertising injury, and cross liability coverage, covering claims which may arise from or out of CONTRACTOR'S performance of its obligations hereunder. Policy shall name the COUNTY as Additional Insured. Policy's limit of liability shall not be less than \$1,000,000 per occurrence combined single limit. If such insurance contains a general aggregate limit, it shall apply separately to this agreement or be no less than two (2) times the occurrence limit.

C. Vehicle Liability:

If vehicles or mobile equipment is used in the performance of the obligations under this Agreement, then CONTRACTOR shall maintain liability insurance for all owned, non-owned, or hired vehicles so used in an amount not less than \$1,000,000 per occurrence combined single limit. If such insurance contains a general aggregate limit, it shall apply separately to this agreement or be no less than two (2) times the occurrence limit. Policy shall name the COUNTY as Additional Insureds.

D. General Insurance Provisions - All lines:

1) Any insurance carrier providing insurance coverage hereunder shall be admitted to the State of California and have an A M BEST rating of not less than A: VIII (A:8) unless such requirements are waived, in writing, by the

County Risk Manager. If the County's Risk Manager waives a requirement for a particular insurer such waiver is only valid for that specific insurer and only for one policy term.

2) The CONTRACTOR must declare its insurance self-insured retention for each coverage required herein. If any such self-insured retention exceeds \$500,000 per occurrence each such retention shall have the prior written consent of the County Risk Manager before the commencement of operations under this Agreement. Upon notification of self-insured retention unacceptable to the COUNTY, and at the election of the Country's Risk Manager, CONTRACTOR'S carriers shall either; 1) reduce or eliminate such self-insured retention as respects this Agreement with the COUNTY, or 2) procure a bond which guarantees payment of losses and related investigations, claims administration, and defense costs and expenses.

3) CONTRACTOR shall cause CONTRACTOR'S insurance carrier(s) to furnish the County of Riverside with either 1) a properly executed original Certificate(s) of Insurance and certified original copies of Endorsements effecting coverage as required herein, and 2) if requested to do so orally or in writing by the County Risk Manager, provide original Certified copies of policies including all Endorsements and all attachments thereto, showing such insurance is in full force and effect. Further, said Certificate(s) and policies of insurance shall contain the covenant of the insurance carrier(s) that thirty (30) days written notice shall be given to the County of Riverside prior to any material modification, cancellation, expiration or reduction in coverage of such insurance. In the event of a material modification, cancellation, expiration, or reduction in coverage, this Agreement shall terminate forthwith, unless the County of Riverside receives, prior to such effective date, another properly executed original Certificate of Insurance and original copies of endorsements or certified original policies, including all endorsements and attachments thereto evidencing coverage's set forth herein and the insurance required herein is in full force and effect. CONTRACTOR shall not commence operations until the COUNTY has been furnished original Certificate (s) of Insurance and certified original copies of endorsements and if requested, certified original policies of insurance including all endorsements and any and all other attachments as required in this Section. An individual authorized by the insurance carrier shall sign the original endorsements for each policy and the Certificate of Insurance.

4) It is understood and agreed to by the parties hereto that the CONTRACTOR'S insurance shall be construed as primary insurance, and the COUNTY'S insurance and/or deductibles and/or self-insured retention's or self-insured programs shall not be construed as contributory.

5) If, during the term of this Agreement or any extension thereof, there is a material change in the scope of services; or, there is a material change in the equipment to be used in the performance of the scope of work; or, the term of this Agreement, including any extensions thereof, exceeds five (5) years; the COUNTY reserves the right to adjust the types of insurance and the monetary limits of liability required under this Agreement, if in the County Risk

Manager's reasonable judgment, the amount or type of insurance carried by the CONTRACTOR has become inadequate.

6) CONTRACTOR shall pass down the insurance obligations contained herein to all tiers of subcontractors working under this Agreement.

7) The insurance requirements contained in this Agreement may be met with a program(s) of self-insurance acceptable to the COUNTY.

8) CONTRACTOR agrees to notify COUNTY of any claim by a third party or any incident or event that may give rise to a claim arising from the performance of this Agreement.

23. General

23.1 CONTRACTOR shall not delegate or assign any interest in this Agreement, whether by operation of law or otherwise, without the prior written consent of COUNTY. Any attempt to delegate or assign any interest herein shall be deemed void and of no force or effect.

23.2 Any waiver by COUNTY of any breach of any one or more of the terms of this Agreement shall not be construed to be a waiver of any subsequent or other breach of the same or of any other term of this Agreement. Failure on the part of COUNTY to require exact, full, and complete compliance with any terms of this Agreement shall not be construed as in any manner changing the terms or preventing COUNTY from enforcement of the terms of this Agreement.

23.3 In the event the CONTRACTOR receives payment under this Agreement, which is later disallowed by COUNTY for nonconformance with the terms of the Agreement, the CONTRACTOR shall promptly refund the disallowed amount to the COUNTY on request; or at its option the COUNTY may offset the amount disallowed from any payment due to the CONTRACTOR.

23.4 CONTRACTOR shall not provide partial delivery or shipment of services or products unless specifically stated in the Agreement.

23.5 CONTRACTOR shall not provide any services or products subject to any chattel mortgage or under a conditional sales contract or other agreement by which an interest is retained by a third party. The CONTRACTOR warrants that it has good title to all materials or products used by CONTRACTOR or provided to COUNTY pursuant to this Agreement, free from all liens, claims, or encumbrances.

23.6 Nothing in this Agreement shall prohibit the COUNTY from acquiring the same type or equivalent equipment, products, materials or services from other sources, when deemed by the COUNTY to be in its best interest. The COUNTY reserves the right to purchase more or less than the quantities specified in this Agreement.

23.7 The COUNTY agrees to cooperate with the CONTRACTOR in the CONTRACTOR's performance under this Agreement, including, if stated in the Agreement, providing the CONTRACTOR with reasonable facilities and timely access to COUNTY data, information, and personnel.

23.8 CONTRACTOR shall comply with all applicable Federal, State and local laws and regulations. CONTRACTOR will comply with all applicable COUNTY policies and procedures. In the event that there is a conflict between the various laws or regulations that may apply, the CONTRACTOR shall comply with the more restrictive law or regulation.

23.9 CONTRACTOR shall comply with all air pollution control, water pollution, safety and health ordinances, statutes, or regulations, which apply to performance under this Agreement.

23.10 CONTRACTOR shall comply with all requirements of the Occupational Safety and Health Administration (OSHA) standards and codes as set forth by the U.S. Department of Labor and the State of California (Cal/OSHA).

23.11 This Agreement shall be governed by the laws of the State of California. Any legal action related to the performance or interpretation of this Agreement shall be filed only in the Superior Court of the State of California located in Riverside, California, and the parties waive any provision of law providing for a change of venue to another location. In the event any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions will nevertheless continue in full force without being impaired or invalidated in any way.

23.12 This Agreement, including any attachments or exhibits, constitutes the entire Agreement of the parties with respect to its subject matter and supersedes all prior and contemporaneous representations, proposals, discussions and communications, whether oral or in writing. This Agreement may be changed or modified only by a written amendment signed by authorized representatives of both parties.

IN WITNESS WHEREOF, the Parties hereto have caused their duly authorized representatives to execute this Agreement.

COUNTY OF RIVERSIDE, a political
subdivision of the State of California

**EXHIBIT A
PRODUCT / SERVICE SPECIFICATIONS**

1.0 SCOPE OF WORK

Custodial Services are to be performed in the offices, conference rooms, breakrooms, kitchens, restrooms,

lobbies, file rooms, lounges, training rooms, lactation rooms, copy rooms, storage rooms, elevators, stairwells, court rooms, and exterior break areas of the facilities listed below.

For the Windy Springs Wellness Center awarded vendor will be required to clean all staff and resident restrooms, showers, floors (mostly concrete) and vacuuming the carpeted areas. Clean office and single staff areas, clinic rooms, nurse/med rooms, conference/training rooms, interview rooms, linen and linen storage area, break rooms and dining room. Maintain kitchen floor, lobbies, elevators, stairs, hallways, day areas and outside recreational and exercise area including wiping down all equipment.

The agreement resulting from this solicitation does not include services in restricted areas such as the Data Room, holding cells and/or other inmate areas in detention facilities.

NOTE: Due to COVID-19, some facilities operator's license requires regular disinfecting of common area services (e.g. door, sink, toilet handles, furniture are rests if amenable to cleaners, etc.) throughout the day which will be done by a combination of facility personnel and custodial contractor. Awarded contractor will be required to provide the appropriate level of Personal Protective Equipment (PPE) for their staff during service hours in accordance with CDC guidelines. (See Exhibit E)

1.1 **Service hours** are listed below. The awarded contractor and County representatives may adjust days and times as necessary if mutually agreed upon during the period of performance of an agreement resulting from this solicitation. County shall not accept any subcontractors for these services, all work must be performed by the awarded contractor.

Definitions: BLDG shall mean “Building” and Sq. Ft. shall mean “Square Foot”

13 GENERAL REQUIREMENTS

1. Contractor shall provide labor and onsite supervision at all times to carry out the work and shall ensure only competent workers who are skilled in the type of work specified are employed.
2. Contractor’s employees and supervision must possess a current Live Scan Federal Level (as applicable to the location) clearance and a Security Level I background check through the Riverside County Sheriff’s Department or the District Attorney’s Office.
3. Contractor shall ensure employees working during business hours keep voices and music at a low level so no one shall be disturbed.
4. Contractor shall ensure that no person(s) not employed by the Contractor (i.e. spouse, children, brothers, sisters, friends, etc.) shall be allowed to enter the premises during Contractor’s performance of services.
5. Contractor shall provide relief personnel to ensure each assignment is performed per specifications and deliverables, regardless of employee absenteeism.
6. Contractor is responsible for maintaining satisfactory standards for their employees in regard to conduct, appearance and integrity (i.e. use of foul language, use of staff and/or residence personal items, cooking, phone and TV usage).
7. All Contractor employees (janitorial crew) shall be able to read, write, speak and understand the English language to the extent required for communication in person, via telephone, and in writing with designated building representatives in connection with the janitorial duties to be performed.
8. All Contractor employees shall be identified, while on the premises, by shirt, blouse, smock or ID Badge indicating the company name or logo in print large enough to be read easily.

9. Contractor employees shall comply with building security. In addition, the Contractor shall ensure all employees are properly trained on safety and emergency procedures (such as fire building evacuations, etc.) for the facilities in which they work.
10. Contractor shall inform County point of contact of any irregularities noted during performance of services including but not limited to doors left unlocked, lights not working or left on, defective plumbing, broken windows, broken bathroom fixtures, unstable or broken furniture, graffiti, vandalism and/or damage to the building or its contents.
11. Contractor shall certify to the possession of any and all current required licenses, credentials, certificates, and business licenses that comply with all Federal and State related custodial services and be properly insured.

11.1 Without limiting or diminishing the CONTRACTOR'S obligation to indemnify or hold the COUNTY harmless, CONTRACTOR shall procure and maintain or cause to be maintained, at its sole cost and expense, the following insurance coverage's during the term of this Agreement. As respects to the insurance section only, the COUNTY herein refers to the County of Riverside, its Agencies, Districts, Special Districts, and Departments, their respective directors, officers, Board of Supervisors, employees, elected or appointed officials, agents or representatives as Additional Insureds.

A. Workers' Compensation:

If the CONTRACTOR has employees as defined by the State of California, the CONTRACTOR shall maintain statutory Workers' Compensation Insurance (Coverage A) as prescribed by the laws of the State of California. Policy shall include Employers' Liability (Coverage B) including Occupational Disease with limits not less than \$1,000,000 per person per accident. The policy shall be endorsed to waive subrogation in favor of The County of Riverside.

B. Commercial General Liability:

Commercial General Liability insurance coverage, including but not limited to, premises liability, unmodified contractual liability, products and completed operations liability, personal and advertising injury, and cross liability coverage, covering claims which may arise from or out of

CONTRACTOR'S performance of its obligations hereunder. Policy shall name the COUNTY as Additional Insured. Policy's limit of liability shall not be less than \$2,000,000 per occurrence combined single limit. If such insurance contains a general aggregate limit, it shall apply separately to this agreement or be no less than two (2) times the occurrence limit.

C. Vehicle Liability:

If vehicles or mobile equipment are used in the performance of the obligations under this Agreement, then CONTRACTOR shall maintain liability insurance for all owned, non-owned or hired vehicles so used in an amount not less than \$1,000,000 per occurrence combined single limit. If such insurance contains a general aggregate limit, it shall apply separately to this agreement or be no less than two

(2) times the occurrence limit. Policy shall name the COUNTY as Additional Insureds.

D. Janitorial Services Bonding in the minimum amount of \$25,000 must be maintained throughout the contract term.

12. The Contractor shall comply with the Displaced Janitor Opportunity Act. Pursuant to Labor Code section 1061(b)(1).
13. Contractor shall repair and restore to its original condition any County property damaged by its

operation at no cost to the County.

14. All materials, supplies, and equipment used by the Contractor shall be suitable for the job and not harmful to the surfaces on which they are used.

14 STORAGE/USE OF EQUIPMENT AND MATERIALS

1. The Contractor shall obtain prior approval from the County designee for any space or area required for storage of the Contractor's equipment and materials.
2. Equipment and materials shall not be piled or stored at any location to hinder normal business operations or to constitute a hazard to persons or property.
3. All materials which are stored in the liquid state shall be stored on shelves not higher than three (3) feet above the floor.
4. All products stored in secondary containers shall be properly labeled as to the contents.
5. All vacuums used must be equipped with Hepa Filtration.
6. All cleaning equipment must be maintained in good working order so as not to cause any harm to employees, contents of the facility or the facility itself.

15 MATERIALS AND SUPPLIES

1. All equipment and supplies necessary to perform these services shall be provided by the Contractor and approved by the County designee. All cleaning products shall perform as cleaners and disinfectants per the Green Cleaning Policy, incorporated herein as Attachment 1, as Green Clean Policy for Windy Springs Wellness Center, a certified LEED facility. In addition, Contractor shall supply soap, hand sanitizers, deodorizers, chemicals, liners, paper towels, toilet tissue, toilet seat protectors, carpet shampoo, floor stripper and finish, dust cloths, and other items as needed. Contractor shall be required to fill the dispensers of the items listed above.
2. Under no circumstances shall cleaning tools and materials be left unattended during service hours.
3. The Contractor shall handle chemicals so as to minimize the possibility of exposure of facility occupants to acid based or caustic based materials. A list of all chemicals used for these services shall be submitted and pre-approved by the County designee.
4. All unused products and empty containers shall be properly disposed of by the Contractor as required by federal, state and local laws and regulations.
5. Safety Data Sheets (SDS) - Contractor shall post current SDS sheets in appropriate areas and shall provide copies to the RCSD for its required postings.
6. Labor - Hours of work for this contract shall be in accordance with, and subject to the provisions of the State of California Labor Code.
7. All materials and supplies shall be Environmentally Friendly.
8. The County has an ongoing requirement for the products indicated in this RFQ. The Contractor shall maintain access to a reasonable stock of such products on hand for the term of the contract. Failure to maintain access to a reasonable stock may result in termination for breach of the resulting contract.

16 SECURITY

1. Contractor shall be responsible for use of all keys and/or security cards issued to him/her. The Contractor shall not put identification on any keys. **Contractor shall not duplicate any keys for premises under any circumstances.** Any lost key/s or need for additional keys shall be promptly reported to the County designee in writing. The contractor shall need to identify which keys were lost, who lost the keys, where they were lost, and the date and time of loss. The contractor shall be assessed a fee not to exceed \$25.00 for each key not returned or lost and shall be further assessed the costs for parts and locksmith services to remove the lost key from the keying system.
2. Unauthorized duplication of keys for a County owned facility is a misdemeanor under Chapter 3, Section 469 of the California Standard Penal Code.
3. Security of County properties shall be maintained. Doors, gates, and windows shall be closed and locked when not in immediate use. Upon completion of the work in any single section of a building, employees shall check exterior doors and windows to make sure that they are closed and locked. Certain areas are protected by security alarms and procedures for entering and leaving these areas shall be as directed by the County.
4. Under no circumstances shall Contractor's employees admit anyone to areas controlled by a key or access card in their possession.

17 INSPECTION OF SERVICES

1. The Contractor shall inspect the County facility monthly to ensure quality and thoroughness. Contractor shall coordinate these inspections with the County's representative who has the option of inspecting the facility with the Contractor. The Contractor shall refer to the Basic Level of Cleaning Standards Spreadsheet when inspecting the facility and shall provide a written report within five working days regarding the conditions at the time of the inspection and the steps necessary for addressing any issues.
2. The Contractor shall submit a schedule at least five working days in advance for sizeable services such as carpet and window cleaning and floor stripping and waxing activities, identifying the type of service, location and scheduled date and time. The Contractor shall schedule a time to inspect the completed work with the County's representative no later than five working days after the work has been performed. The Contractor shall designate one representative that is of supervisor authority or higher to conduct these inspections.

18 SERVICES PROVIDED BY THE COUNTY

1. The County shall provide lights, power, and water for cleaning.
2. The County shall provide lockable spaces for Contractor's supplies and equipment.
3. The County shall not be responsible for the Contractor's supplies, equipment, material, or personal belongings.
4. All trash shall remain property of the County.
5. The County shall provide bins, cans and dumpsters where the Contractor shall deposit trash and recyclables. Disposal of trash from these designated locations shall be the responsibility of County.

EXHIBIT C
QUALITY REQUIREMENTS ALL LOCATIONS

A. ENTRANCES

1. **Mats and Carpet** – Shall be free of spots, stains, gum, dirt and debris without causing damage. They shall appear visibly and uniformly clean. Adjoining walls, doors and floor surfaces shall also be free of dust, soil and cleaner residue.
2. **Glass and Metal Surfaces** – Shall appear streak-free, film-free and uniformly clean. This shall include the elimination of dust and soil from sills and ledges and heat registers.
3. **Corners/Thresholds** – Shall be free of dust, dried-soil, crud, finish build-up and debris. These areas shall appear visibly and uniformly clean. This shall include the elimination of cleaner residue.
4. **Floors** – Shall be free of dust, dried-soil, gum, spots, stains and debris. Floors shall appear visibly and uniformly smooth and clean. This shall include the elimination of dust streaks, lint, standing water, cleaner residue and film.
5. **Walls and Fixtures** – Shall be free of dust, dried-soil and soil without causing damage. These surfaces shall appear visibly and uniformly clean. This shall include the elimination of film streaks and cleaner residue.
6. **Waste Containers** – Contents shall be removed from waste containers and can liners replaced. Inside and outside of the container shall be cleaned and disinfected. Containers shall appear visibly and uniformly clean. This shall include the elimination of streaks, foodstuff and the presence of any offensive odor emitting from the container.

B. RESTROOMS

1. **Dispensers** – Shall be free of dust, dried-soil and mold without causing damage. These surfaces shall appear visibly and uniformly clean and disinfected. This shall include the elimination of film, streaks and cleaner residue. Dispensers shall be refilled when required with proper expendable supply items.
2. **Hardware** – Shall be free of dust, soil, mold and scale without causing damage. These surfaces shall appear visibly and uniformly clean, disinfected and polished to a streak-free shine. This shall include the elimination of polish residue.
3. **Sinks** – Shall be free of dust, mold, soil, cleaner residue and soap film without causing damage. They shall appear visibly and uniformly clean and polished-dry. This shall include the elimination of streaks, embedded soil, and film and water spots.

4. **Mirrors** – Shall be free of dust and soil. Mirrors and surrounding metal framework shall appear streak-free, film-free and uniformly clean.
5. **Toilets, Toilet Seats and Urinals** – Shall be free of dust, bacteria, soil, organic matter, cleaner residue and scale without causing damage. These fixtures shall appear visibly and uniformly clean, disinfected and polished-dry. This shall include the elimination of streaks, film and water spots.
6. **Partitions** – Shall be free of dust, soil and graffiti without causing damage. Partitions shall appear visibly and uniformly clean, disinfected and polished-dry. This shall include the elimination of streaks and film.
7. **Waste Containers** – Contents shall be removed from waste containers and can liners replaced. Inside and outside of the container shall be cleaned and disinfected. Containers shall appear visibly and uniformly clean. This shall include the elimination of streaks, foodstuff and the presence of any offensive odor emitting from the container.
8. **Walls and Doors** – Shall be free of dust, soil, spots and stains without causing damage. These surfaces shall appear visibly and uniformly clean and disinfected. This shall include the elimination of film, streaks and cleaner residue. Ceramic walls and wainscots, metal kick plates, handles and push plates on doors shall also be polished-dry.
9. **Floors and Baseboards** – Shall be free of dust, soil, gum, stains and debris. Floors shall appear visibly and uniformly clean and disinfected. This shall include the elimination of dust streaks, lint, standing water, cleaner residue and film.
10. **Air Vents** – Shall be free of dust and soil without causing damage. This also pertains to air distribution units and exhaust vents. They shall appear visibly and uniformly clean.
11. **Light Fixtures** – Shall be free of dust and soil without causing damage. Fixtures shall remain in proper position and appear streak-free and uniformly clean.

C. LOUNGE/BREAKROOM

1. **Sinks** – Shall be free of dust, mold, soil, cleaner residue and soap film without causing damage. They shall appear visibly and uniformly clean and polished-dry. This shall include the elimination of streaks, embedded soil, and film and water spots.
2. **Waste Containers** – Contents shall be removed from waste containers and can liners replaced. Inside and outside of the container shall be cleaned and disinfected. Containers shall appear visibly and uniformly clean. This shall include the elimination of streaks, foodstuff and the presence of any offensive odor emitting from the container.
3. **Counters and Tables** - Shall be free of dust, mold, soil, cleaner residue and soap film without causing damage. They shall appear visibly and uniformly clean and polished-dry. This shall include the elimination of streaks, embedded soil, and film and water spots.

4. **Floors and Baseboards** – Shall be free of dust, soil, gum, stains and debris. Floors shall appear visibly and uniformly clean and disinfected. This shall include the elimination of dust streaks
5. **Walls and Doors** – Shall be free of dust, soil, spots and stains without causing damage. These surfaces shall appear visibly and uniformly clean and disinfected. This shall include the elimination of film, streaks and cleaner residue. Ceramic walls and wainscots, metal kick plates, handles and push plates on doors shall also be polished-dry., lint, standing water, cleaner residue and film.

D. CONFERENCE ROOMS:

1. **Furniture** – Shall be free of dust, dried-soil and soil without causing damage. They shall appear visibly and uniformly clean. This shall include the elimination of cleaner residue, streaks and film.
2. **Floors and Carpet** - Shall appear visibly and uniformly smooth and clean. This shall include the elimination of dust, streaks, lint, standing water, cleaner residue, embedded soil and foreign objects.
3. **Carpet Spotting** - Spillages or crusted material shall be removed along with spots, smears, and stains. There shall be no evidence of fuzzing caused by harsh rubbing or brushing. Cleaned areas shall blend with adjacent areas of carpeting. Only approved cleaners can be used.
4. **Walls and Doors** – Shall be free of dust, soil, spots and stains without causing damage. These surfaces shall appear visibly and uniformly clean and disinfected. This shall include the elimination of film, streaks and cleaner residue. Ceramic walls and wainscots, metal kick plates, handles and push plates on doors shall also be polished-dry., lint, standing water, cleaner residue and film.
5. **Waste Containers** – Contents shall be removed from waste containers and can liners replaced. Inside and outside of the container shall be cleaned and disinfected. Containers shall appear visibly and uniformly clean. This shall include the elimination of streaks, foodstuff and the presence of any offensive odor emitting from the container.

E. OFFICES

1. **Furniture and Equipment** – Shall be free of dust, dried-soil and soil without causing damage. They shall appear visibly and uniformly clean. This shall include the elimination of cleaner residue, streaks and film.
2. **Telephones** – Shall be free of dust and soil. They shall appear visibly and uniformly clean and polished-dry.
3. **Lamps** – Shall be free of dust and soil without causing damage. Lamps shall appear visibly and uniformly clean. This shall include the elimination of streaks, cleaner residue and film.

4. **Walls and Doors** – Shall be free of dust, dried-soil and soil without causing damage. These surfaces shall appear visibly and uniformly clean. This shall include the elimination of film, streaks and cleaner residue.
5. **Waste Containers** – Contents shall be removed from waste containers and can liners replaced. Inside and outside of the container shall be cleaned and disinfected. Containers shall appear visibly and uniformly clean. This shall include the elimination of streaks, foodstuff and the presence of any offensive odor emitting from the container.
6. **Workstation Partitions** – Shall be free of dust and soil without causing damage. Partitions shall appear visibly and uniformly clean. This shall include the elimination of streaks, film and cleaner residue.
7. **Floors and Baseboards** – Shall be free of dust, dried-soil, soil, gum, spots, stains and debris.
8. **Floors and Carpet** - Shall appear visibly and uniformly smooth and clean. This shall include the elimination of dust, streaks, lint, standing water, cleaner residue, embedded soil and foreign objects.
9. **Carpet Spotting** - Spillages or crusted material shall be removed along with spots, smears, and stains. There shall be no evidence of fuzzing caused by harsh rubbing or brushing. Cleaned areas shall blend with adjacent areas of carpeting. Only approved cleaners can be used.

F. WINDOWS

1. **Glass** – Shall be free of dust and soil without causing damage. This also applies to adjoining sills, blinds and framework. They shall appear visibly and uniformly clean. This shall include the elimination of streaks, film and cleaner residue. All windows must be fully cleaned annually.

G. JANITOR CLOSETS AND STOREROOMS

1. **Shelves** – Shall be free of dust and soil. They shall appear visibly and uniformly clean. Supplies and equipment shall be stocked and organized neatly on shelves.
2. **Janitor Carts** – Shall be free of dust and soil. They shall appear visibly and uniformly clean.
3. **Supplies and Equipment** - Stored on janitor carts shall also be free of dust and soil and organized neatly.
4. **Walls** – Shall be free of dust and soil without causing damage. They shall appear visibly and uniformly clean. This shall include the elimination of film, streaks and cleaner residue.
5. **Utility Sinks** – Shall be free of dust, soil, cleaner residue and soap film. Utility sinks shall appear visibly and uniformly clean.

6. **Floors** – Shall be free of dust, gum, spots, stains and debris. Floors shall appear visibly and uniformly smooth and clean. This shall include the elimination of dust streaks, lint, standing water, cleaner residue and film.

I certify that I have reviewed and agree to the above location requirements on behalf of the company listed below.

Signed: [Signature] Dated: 12-16-20

Name and title: MARCY D STEWART / PRESIDENT

Company: WORLDWIDE JANITORIAL SERVICES, INC.

**COST SHEET / ADDITIONAL CLEANING
CARPETS, WINDOWS AND FLOORS**

ADDITIONAL TASKS

COST PER HOUR

Item 1 Carpet cleaning (Noted as #1 below)	\$ <u>32.50</u>
Item 2 Interior/Exterior window cleaning (Noted as #2 below)	\$ <u>32.50</u>
Item 3 Floor restoration (Noted as #3 below)	\$ <u>32.50</u>

(Price includes all labor, material and fees.)

1. All carpeting is to be shampooed twice a year as part of the basic service. It is also anticipated that there may be carpet in several other rooms that shall need to be cleaned more than twice a year; therefore, an hourly rate is requested for the extra cleaning of carpet. This price is to be shown on the RFQ Price Form under Additional Services, item 1.

2. All interior and exterior windows are to be cleaned a minimum of once a year as part of the basic service. In the event the County requests additional window cleaning, an hourly rate is requested and is to be shown under on the RFQ Price Form under Additional Services, item 2.

3. All hard and resilient floors are to be stripped and three coats of floor finish applied a minimum of every quarter as part of the basic service. In the event the County requests additional stripping and waxing services, an hourly rate is requested and is to be shown on the RFQ Price Form under Additional Services, item 3.

GUIDANCE FOR CLEANING AND DISINFECTING

PUBLIC SPACES, WORKPLACES, BUSINESSES, SCHOOLS, AND HOMES

SCAN HERE
FOR MORE
INFORMATION

This guidance is intended for all Americans, whether you own a business, run a school, or want to ensure the cleanliness and safety of your home. Reopening America requires all of us to move forward together by practicing social distancing and other [daily habits](#) to reduce our risk of exposure to the virus that causes COVID-19. Reopening the country also strongly relies on public health strategies, including increased testing of people for the virus, social distancing, isolation, and keeping track of how someone infected might have infected other people. This plan is part of the larger [United States Government plan](#) and focuses on cleaning and disinfecting public spaces, workplaces, businesses, schools, and can also be applied to your home.

Cleaning and disinfecting public spaces including your workplace, school, home, and business will require you to:

- Develop your plan
- Implement your plan
- Maintain and revise your plan

Reducing the risk of exposure to COVID-19 by cleaning and disinfection is an important part of reopening public spaces that will require careful planning. Every American has been called upon to slow the spread of the virus through social distancing and prevention hygiene, such as frequently washing your hands and wearing face coverings. Everyone also has a role in making sure our communities are as safe as possible to reopen and remain open.

The virus that causes COVID-19 can be killed if you use the right products. EPA has compiled a list of disinfectant products that can be used against COVID-19, including ready-to-use sprays, concentrates, and wipes. Each product has been shown to be effective against viruses that are harder to kill than viruses like the one that causes COVID-19.

For more information, please visit [CORONAVIRUS.GOV](https://www.cdc.gov/coronavirus/2019-ncov/community/clean-disinfect/index.html)

CS316485C April 28, 2020 1:36 PM

GUIDANCE FOR CLEANING AND DISINFECTING PUBLIC SPACES, WORKPLACES, BUSINESSES, SCHOOLS, AND HOMES

This document provides a general framework for cleaning and disinfection practices. The framework is based on doing the following:

1. Normal routine cleaning with soap and water will decrease how much of the virus is on surfaces and objects, which reduces the risk of exposure.
2. Disinfection using [EPA-approved disinfectants against COVID-19](#) can also help reduce the risk. Frequent disinfection of surfaces and objects touched by multiple people is important.
3. When [EPA-approved disinfectants](#) are not available, alternative disinfectants can be used (for example, 1/3 cup of bleach added to 1 gallon of water, or 70% alcohol solutions). Do not mix bleach or other cleaning and disinfection products together--this can cause fumes that may be very dangerous to breathe in. Keep all disinfectants out of the reach of children.

Links to specific recommendations for many public spaces that use this framework, can be found at the end of this document.

It's important to continue to follow federal, state, tribal, territorial, and local guidance for reopening America.

A Few Important Reminders about Coronaviruses and Reducing the Risk of Exposure:

- Coronaviruses on surfaces and objects naturally die within hours to days. Warmer temperatures and exposure to sunlight will reduce the time the virus survives on surfaces and objects.
- Normal routine cleaning with soap and water removes germs and dirt from surfaces. It lowers the risk of spreading COVID-19 infection.
- Disinfectants kill germs on surfaces. By killing germs on a surface after cleaning, you can further lower the risk of spreading infection. [EPA-approved disinfectants](#) are an important part of reducing the risk of exposure to COVID-19. If disinfectants on this list are in short supply, alternative disinfectants can be used (for example, 1/3 cup of bleach added to 1 gallon of water, or 70% alcohol solutions).
- Store and use disinfectants in a responsible and appropriate manner according to the label. Do not mix bleach or other cleaning and disinfection products together--this can cause fumes that may be very dangerous to breathe in. Keep all disinfectants out of the reach of children.
- Do not overuse or stockpile disinfectants or other supplies. This can result in shortages of appropriate products for others to use in critical situations.
- Always wear gloves appropriate for the chemicals being used when you are cleaning and disinfecting. Additional personal protective equipment (PPE) may be needed based on setting and product. For more information, see [CDC's website on Cleaning and Disinfection for Community Facilities](#).
- Practice social distancing, wear facial coverings, and follow proper prevention hygiene, such as washing your hands frequently and using alcohol-based (at least 60% alcohol) hand sanitizer when soap and water are not available.

If you oversee staff in a workplace, your plan should include considerations about the safety of custodial staff and other people who are carrying out the cleaning or disinfecting. These people are at increased risk of being exposed to the virus and to any toxic effects of the cleaning chemicals. These staff should wear appropriate PPE for cleaning and disinfecting. To protect your staff and to ensure that the products are used effectively, staff should be instructed on how to apply the disinfectants according to the label. For more information on concerns related to cleaning staff, visit the Occupational Safety and Health Administration's website on [Control and Prevention](#).

GUIDANCE FOR CLEANING AND DISINFECTING PUBLIC SPACES, WORKPLACES, BUSINESSES, SCHOOLS, AND HOMES

DEVELOP YOUR PLAN

Evaluate your workplace, school, home, or business to determine what kinds of surfaces and materials make up that area. Most surfaces and objects will just need normal routine cleaning. Frequently touched surfaces and objects like light switches and doorknobs will need to be cleaned and then disinfected to further reduce the risk of germs on surfaces and objects.

- First, clean the surface or object with soap and water.
- Then, disinfect using an [EPA-approved disinfectant](#).
- If an EPA-approved disinfectant is unavailable, you can use 1/3 cup of bleach added to 1 gallon of water, or 70% alcohol solutions to disinfect. Do not mix bleach or other cleaning and disinfection products together. Find additional information at [CDC's website on Cleaning and Disinfecting Your Facility](#).

You should also consider what items can be moved or removed completely to reduce frequent handling or contact from multiple people. Soft and porous materials, such as area rugs and seating, may be removed or stored to reduce the challenges with cleaning and disinfecting them. Find additional reopening guidance for cleaning and disinfecting in the [Reopening Decision Tool](#).

It is critical that your plan includes how to maintain a cleaning and disinfecting strategy after reopening. Develop a flexible plan with your staff or family, adjusting the plan as federal, state, tribal, territorial, or local guidance is updated and if your specific circumstances change.

Determine what needs to be cleaned

Some surfaces only need to be cleaned with soap and water. For example, surfaces and objects that are not frequently touched should be cleaned and do not require additional disinfection. Additionally, disinfectants should typically not be applied on items used by children, especially any items that children might put in their mouths. Many disinfectants are toxic when swallowed. In a household setting, cleaning toys and other items used by children with soap and water is usually sufficient. Find more information on cleaning and disinfection toys and other surfaces in the childcare program setting at [CDC's Guidance for Childcare Programs that Remain Open](#).

These questions will help you decide which surfaces and objects will need normal routine cleaning.

Is the area outdoors?

Outdoor areas generally require normal routine cleaning and do not require disinfection. Spraying disinfectant on sidewalks and in parks is not an efficient use of disinfectant supplies and has not been proven to reduce the risk of COVID-19 to the public. You should maintain existing cleaning and hygiene practices for outdoor areas.

The targeted use of disinfectants can be done effectively, efficiently and safely on outdoor hard surfaces and objects frequently touched by multiple people. Certain outdoor areas and facilities, such as bars and restaurants, may have additional requirements. More information can be found on CDC's website on [Food Safety and the Coronavirus Disease 2019 \(COVID-19\)](#).

There is no evidence that the virus that causes COVID-19 can spread directly to humans from water in pools, hot tubs or spas, or water play areas. Proper operation, maintenance, and disinfection (for example, with chlorine or bromine) of pools, hot tubs or spas, and water playgrounds should kill the virus that causes COVID-19. However, there are additional concerns with outdoor areas that may be maintained less frequently, including playgrounds, or other facilities located within local, state, or national parks. For more information, visit CDC's website on [Visiting Parks & Recreational Facilities](#).

GUIDANCE FOR CLEANING AND DISINFECTING PUBLIC SPACES, WORKPLACES, BUSINESSES, SCHOOLS, AND HOMES

Has the area been unoccupied for the last 7 days?

If your workplace, school, or business has been unoccupied for 7 days or more, it will only need your normal routine cleaning to reopen the area. This is because the virus that causes COVID-19 has not been shown to survive on surfaces longer than this time.

There are many public health considerations, not just COVID-19 related, when reopening public buildings and spaces that have been closed for extended periods. For example, take measures to ensure the [safety of your building water system](#). It is not necessary to clean ventilation systems, other than routine maintenance, as part of reducing risk of coronaviruses. For healthcare facilities, additional guidance is provided on [CDC's Guidelines for Environmental Infection Control in Health-Care Facilities](#).

Determine what needs to be disinfected

Following your normal routine cleaning, you can disinfect frequently touched surfaces and objects using a product from [EPA's list of approved products that are effective against COVID-19](#).

These questions will help you choose appropriate disinfectants.

Are you cleaning or disinfecting a hard and non-porous material or item like glass, metal, or plastic?

Consult [EPA's list of approved products for use against COVID-19](#). This list will help you determine the most appropriate disinfectant for the surface or object. You can use diluted household bleach solutions if appropriate for the surface. Pay special attention to the personal protective equipment (PPE) that may be needed to safely apply the disinfectant and the manufacturer's recommendations concerning any additional hazards. Keep all disinfectants out of the reach of children. Please visit CDC's website on [How to Clean and Disinfect](#) for additional details and warnings.

Examples of frequently touched surfaces and objects that will need routine disinfection following reopening are:

- tables,
- doorknobs,
- light switches,
- countertops,
- handles,
- desks,
- phones,
- keyboards,
- toilets,
- faucets and sinks,
- gas pump handles,
- touch screens, and
- ATM machines.

Each business or facility will have different surfaces and objects that are frequently touched by multiple people. Appropriately disinfect these surfaces and objects. For example, transit stations have [specific guidance](#) for application of cleaning and disinfection.

Are you cleaning or disinfecting a soft and porous material or items like carpet, rugs, or seating in areas?

Soft and porous materials are generally not as easy to disinfect as hard and non-porous surfaces. [EPA has listed a limited number of products approved for disinfection for use on soft and porous materials](#). Soft and porous materials that are not frequently touched should only be cleaned or laundered, following the directions on the item's label, using the warmest appropriate water setting. Find more information on [CDC's website on Cleaning and Disinfecting Your Facility](#) for developing strategies for dealing with soft and porous materials.

GUIDANCE FOR CLEANING AND DISINFECTING PUBLIC SPACES, WORKPLACES, BUSINESSES, SCHOOLS, AND HOMES

Consider the resources and equipment needed

Keep in mind the availability of cleaning and disinfection products and appropriate PPE. Always wear gloves appropriate for the chemicals being used for routine cleaning and disinfecting. Follow the directions on the disinfectant label for additional PPE needs. In specific instances, personnel with specialized training and equipment may be required to apply certain disinfectants such as fumigants or fogs. For more information on appropriate PPE for cleaning and disinfection, see [CDC's website on Cleaning and Disinfection for Community Facilities](#).

IMPLEMENT YOUR PLAN

Once you have a plan, it's time to take action. Read all manufacturer's instructions for the cleaning and disinfection products you will use. Put on your gloves and other required personal protective equipment (PPE) to begin the process of cleaning and disinfecting.

Clean visibly dirty surfaces with soap and water

Clean surfaces and objects using soap and water prior to disinfection. Always wear gloves appropriate for the chemicals being used for routine cleaning and disinfecting. Follow the directions on the disinfectant label for additional PPE needs. When you finish cleaning, remember to wash hands thoroughly with soap and water.

Clean or launder soft and porous materials like seating in an office or coffee shop, area rugs, and carpets. Launder items according to the manufacturer's instructions, using the warmest temperature setting possible and dry items completely.

Use the appropriate cleaning or disinfectant product

[EPA approved disinfectants](#), when applied according to the manufacturer's label, are effective for use against COVID-19. Follow the instructions on the label for all cleaning and disinfection products for concentration, dilution, application method, contact time and any other special considerations when applying.

Always follow the directions on the label

Follow the instructions on the label to ensure safe and effective use of the product. Many product labels recommend keeping the surface wet for a specific amount of time. The label will also list precautions such as wearing gloves and making sure you have good ventilation during use of the product. Keep all disinfectants out of the reach of children.

MAINTAIN AND REVISE YOUR PLAN

Take steps to reduce your risk of exposure to the virus that causes COVID-19 during daily activities. [CDC provides tips](#) to reduce your exposure and risk of acquiring COVID-19. Reducing exposure to yourself and others is a shared responsibility. Continue to update your plan based on updated guidance and your current circumstances.

Continue routine cleaning and disinfecting

Routine cleaning and disinfecting are an important part of reducing the risk of exposure to COVID-19. Normal routine cleaning with soap and water alone can reduce risk of exposure and is a necessary step before you disinfect dirty surfaces.

GUIDANCE FOR CLEANING AND DISINFECTING PUBLIC SPACES, WORKPLACES, BUSINESSES, SCHOOLS, AND HOMES

Surfaces frequently touched by multiple people, such as door handles, desks, phones, light switches, and faucets, should be cleaned and disinfected at least daily. More frequent cleaning and disinfection may be required based on level of use. For example, certain surfaces and objects in public spaces, such as shopping carts and point of sale keypads, should be cleaned and disinfected before each use.

Consider choosing a different disinfectant if your first choice is in short supply. Make sure there is enough supply of gloves and appropriate personal protective equipment (PPE) based on the label, the amount of product you will need to apply, and the size of the surface you are treating.

Maintain safe behavioral practices

We have all had to make significant behavioral changes to reduce the spread of COVID-19. To reopen America, we will need to continue these practices:

- social distancing (specifically, staying 6 feet away from others when you must go into a shared space)
- frequently washing hands or use alcohol-based (at least 60% alcohol) hand sanitizer when soap and water are not available
- wearing cloth face coverings
- avoiding touching eyes, nose, and mouth
- staying home when sick
- cleaning and disinfecting frequently touched objects and surfaces

It's important to continue to follow federal, state, tribal, territorial, and local guidance for reopening America. Check this resource for [updates on COVID-19](#). This will help you change your plan when situations are updated.

Consider practices that reduce the potential for exposure

It is also essential to change the ways we use public spaces to work, live, and play. We should continue thinking about our safety and the safety of others.

To reduce your exposure to or the risk of spreading COVID-19 after reopening your business or facility, consider whether you need to touch certain surfaces or materials. Consider wiping public surfaces before and after you touch them. These types of behavioral adjustments can help reduce the spread of COVID-19. There are other resources for more information on [COVID-19](#) and how to [Prevent Getting Sick](#).

Another way to reduce the risk of exposure is to make long-term changes to practices and procedures. These could include reducing the use of porous materials used for seating, leaving some doors open to reduce touching by multiple people, opening windows to improve ventilation, or removing objects in your common areas, like coffee creamer containers. There are many other steps that businesses and institutions can put into place to help reduce the spread of COVID-19 and protect their staff and the public. More information can be found at [CDC's implementation of Mitigation Strategies for Communities with Local COVID-19 Transmission](#).

GUIDANCE FOR CLEANING AND DISINFECTING PUBLIC SPACES, WORKPLACES, BUSINESSES, SCHOOLS, AND HOMES

CONCLUSION

Reopening America requires all of us to move forward together using recommended best practices and maintaining safe daily habits in order to reduce our risk of exposure to COVID-19. Remember, We're all in this together!

GREEN CLEANING POLICY FOR WINDY SPRINGS WELLNESS CENTER**

This policy example meets the requirements LEED v4 O+M EQ Prerequisite Green Cleaning Policy Option 1 per the Green Building Council, for the Windy Springs Wellness Center located at 19531 McLane Street, Palm Springs CA 92258.

Green Cleaning Policy for Windy Springs Wellness Center

1. Scope

This policy applies to all cleaning procedures, cleaning material purchases, cleaning equipment purchases, and cleaning services that occur inside and on the building site and grounds for 19531 McLane Street, Palm Springs CA 92258. Specifically, this policy covers the following:

Cleaning strategies for:

- Hard floor and carpet cleaning and maintenance
- Protection of vulnerable occupants during cleaning
- Disinfectant and sanitizer selection and use
- Safe storage and handlings of cleaning chemicals, including spill management

Performance metrics and strategy development:

- Reductions in water use, energy use, and chemical toxicity
- Green cleaning products purchasing
- Green cleaning equipment purchasing

Staffing and training plans:

- Staffing requirements and contingency for staffing shortages
- Timing and frequency of staff training

2. Goals

This policy will be fully implemented as described below.

<u>Category</u>	<u>Goal</u>	<u>Performance measurement unit</u>
Cleaning products and materials purchases	85% meet sustainability criteria	Cost
Cleaning equipment purchases	100% meet sustainability criteria	Number of equipment items
Cleaning equipment inventory	40% of equipment in the project inventory will meet the applicable sustainability criteria	Number of equipment items in the overall inventory for the project
Toxic chemical usage (applies to all cleaning chemicals, including those not addressed by EQc Green Cleaning – Products and Materials)	Toxic chemicals will only be used in situations where products meeting the requirements of EQ Credit Green Cleaning – Products and Materials are unable to sufficiently clean the area, the area cannot be replaced (such as a floor tile), and represents a hazard to human health	Number of uses

3. Roles and Responsibilities

The responsible party for this policy is the Riverside County Custodial Services Division (RCCSD) Deputy Director. The responsible party ensures that this policy is executed through an awarded vendor service company and that any contracted cleaning vendors under management’s control are aware of and fully trained on the procedures outlined in this policy. Further, the RCCSD Deputy Director is responsible for

sharing this policy with the building tenant representatives and encouraging policy adoption accordingly. The RCCSD Deputy Director is responsible for reviewing this policy for any significant changes on the interval specified in the quality assurance section. If at any time updates are required to this policy, the responsible party will ensure that the appropriate individuals are informed of the updates.

4. Procedures and strategies for implementation

Hard floor and carpet cleaning and maintenance

- Hard floors, including tile, concrete, and wood surfaces, will be cleaned once a week with only sustainable cleaning products. No stripping or coatings will be applied to hard floor surfaces.
- Carpets will be vacuumed daily with vacuum cleaners that meet the sustainability criteria listed later in this policy.
- One per month, the carpets will be inspected for stains and other damages. If feasible, the necessary areas will be spot cleaned with sustainable carpet cleaning materials. If damaged, the carpet tiles will be replaced.
- When carpet extraction equipment must be used, methods to reduce chemical usage will be implemented.

Protection of vulnerable occupants during cleaning

- Vulnerable occupants include women who are pregnant, children, elderly occupants, and individuals with asthma, allergies, or other sensitivities.
- As much as possible, only sustainable cleaning products will be used. Please refer to the goals and tracking sections of this policy for additional information.
- Any cleaning that involves the use of carpet cleaners, or if at any point the use of a non-sustainable cleaning product is required, this cleaning will be performed after regular business hours.

Disinfectant and sanitizer selection and use

- Only hand soaps and hand sanitizers that meet the at least one of the sustainability criteria listed under the purchasing guidelines will be considered to meet the requirements of this policy.
- Hand sanitizers will be placed throughout the building for the use of occupants
- Only disinfectants meeting the purchasing sustainability criteria listed below will be considered to meet the requirements of this policy. Disinfectants will be kept locked in the janitorial closets and may only be used by the cleaning staff.
- Cleaning staff will be required to follow all dilution strategies for disinfectants.

Safe storage and handlings of cleaning chemicals, including spill management

- Cleaning chemicals will be stored in the janitor closets to prevent access for other occupants.
- Cleaning staff will receive training on the various hazards of different toxic chemicals and how to address spills.
- Spills will be cleaned and handled according to the manufacturer safety data sheets provided by the manufacturer.
- All spills will be handled carefully. As soon a spill of a non-sustainable product occurs, the responsible party must be notified. If the spill occurs in an area to which typical building occupants have access, the area will be roped off and building occupants will be informed to stay clear of the area.
- Safety data sheets for all of the cleaning chemicals used in the building will be retained and hazard information will be highlighted. This information will be clearly displayed in all janitor closets through the awarded vendor service company.

Strategies for reducing the toxicity of the chemicals used for other cleaning activities

- Cleaning staff and building occupants will be supplied with safe cleaning chemicals that meet the sustainability criteria described in the purchasing guidelines listed below.
- Dish soaps and cleaners meeting EPA Safer Choice Standard will be supplied.
- For surface cleaning, green chemicals will be used as much as possible.

Strategies for conserving energy, water, and chemicals used for cleaning

- Manual-powered equipment and cleaning strategies will be used whenever possible to reduce the energy and water used by powered equipment and typical cleaning strategies.
- Cold water will be used for any necessary disposal to reduce energy used to heat hot water.
- The filters in vacuums and other applicable equipment will be changed frequently to enable air flow and reduce the energy consumption of the equipment.
- When cleaning chemicals are necessary, the operating procedures for chemical dilution will be followed to ensure that the minimum amount of cleaning chemicals necessary is used.

Strategies for promoting hand hygiene

- All restrooms will be equipped with hands-free soap dispensers, faucets, hand dryers, and towel dispensers.
- Hand sanitizers meeting UL EcoLogo 2783 standard for Instant Hand Antiseptics (formerly Environmental Choice CCD 170) will be placed throughout the building.

Tracking plan for staffing and overall performance

- Regular facility inspections will be conducted by the awarded vendor to evaluate cleanliness. As a part of the inspections, the awarded vendor will provide the RCCSD Deputy Director inspection reports to ensure that the cleaning and hard floor and carpet maintenance system is being consistently used.
- The inspections will be conducted once every sixth months. The responsible party will review the results of the audits, maintain records, and follow up with any cleaning issues or guidance.
- All cleaning staff are required to check in each day when they arrive at work. The awarded vendor will retain records to ensure that the building is sufficiently staffed with trained professionals.
- The awarded vendor will log all training that is provided to the cleaning staff and will ensure that the training plans described above are met.
- When new staff come on board, the awarded vendor will record the initial training and orientation provided to the staff.

Tracking plan for water, energy, and toxic chemical usage

- Every time a toxic chemical is used, it must be reported to the responsible party. The awarded vendor will record which chemical was used, where it was applied, and the reason for its use. This information will be used to track against the goal for using toxic chemicals only when strictly necessary.
- All vacuum filters will be replaced on a regular basis. The awarded vendor will record maintenance performed on all cleaning equipment, including filter replacement, to ensure that they are regularly replaced to reduce energy usage.

Tracking plan for cleaning product and cleaning equipment purchases

- All cleaning product and cleaning equipment purchases, made by either by the cleaning vendor for use in the building or made by the RCCSD Deputy Director, will be recorded in a purchasing log.
- On a quarterly basis, the awarded vendor will review all purchases and compare against the policy goals. If the policy goals are not being met, the awarded vendor will take corrective action to replace products and chemicals.

Staffing and contingency plans

- To sufficiently clean the building requires at least one hour of cleaning per day for each 5,000 square feet. As this building is 93,000 square feet, it requires a minimum 18.6 hours of cleaning time per day. In the event of staffing shortages the awarded vendor will supply additional staff to maintain coverage.

Staff training plan

- All cleaning staff, including backup personnel, are required to receive at least 8 hours of training per year. The awarded vendor will record the training attended by each staff member.
- Trainings are held once a month and are one hour long. Topics vary each month, and cover standard operating procedures for cleaning different surfaces, proper toxic chemical usage and spill management, hazards of toxic chemicals, cleaning to protect vulnerable occupants, cleaning equipment maintenance, and conservation of energy and water usage during cleaning.

5. Purchasing guidelines

Sustainability Criteria for Cleaning Products and Materials

Cleaning products must meet one or more of the following standards:

- Green Seal GS-37, for general-purpose, bathroom, glass and carpet cleaners used for industrial and institutional purposes;
- UL EcoLogo 2792 (formerly CCD 110), for cleaning and degreasing compounds;
- UL EcoLogo 2759 (formerly CCD 146), for hard-surface cleaners;
- UL EcoLogo 2795 (formerly CCD 148), for carpet and upholstery care;
- Green Seal GS-40, for industrial and institutional floor care products;
- UL EcoLogo 2777 (formerly CCD 147), for hard-floor care;
- EPA Safer Choice Standard; and/or
- Cleaning devices that use only ionized water or electrolyzed water and have third-party-verified performance data equivalent to the other standards mentioned above (if the device is marketed for antimicrobial cleaning, performance data must demonstrate antimicrobial performance comparable to EPA Office of Pollution Prevention and Toxics and Safer Choice Standard requirements, as appropriate for use patterns and marketing claims).

Disinfectants, metal polish, or other products not addressed by the above standards must meet one or more of the following standards:

- UL EcoLogo 2798 (formerly CCD 112), for digestion additives for cleaning and odor control;
- UL EcoLogo 2791 (formerly CCD 113), for drain or grease trap additives;
- UL EcoLogo 2796 (formerly CCD 115/107), for odor control additives;
- Green Seal GS-52/53, for specialty cleaning products;
- California Code of Regulations maximum allowable VOC levels for the specific product category;
- EPA Safer Choice Standard; and/or
- Cleaning devices that use only ionized water or electrolyzed water and have third-party-verified performance data equivalent to the other standards mentioned above (if the device is marketed for antimicrobial cleaning, performance data must demonstrate antimicrobial performance comparable to EPA Office of Pollution Prevention and Toxics and Safer Choice Standard requirements, as appropriate for use patterns and marketing claims).

Disposable janitorial paper products and trash bags must meet the **minimum** requirements of one or more of the following programs:

- EPA comprehensive procurement guidelines, for janitorial paper;
- Green Seal GS-01, for tissue paper, paper towels and napkins;
- UL EcoLogo 175 Sanitary Paper Products, for toilet tissue and hand towels
- Janitorial paper products derived from rapidly renewable resources or made from tree-free fibers;
- FSC certification, for fiber procurement;
- EPA comprehensive procurement guidelines, for plastic trash can liners; and/or
- California integrated waste management requirements, for plastic trash can liners (California Code of Regulations Title 14, Chapter 4, Article 5, or SABRC 42290-42297 Recycled Content Plastic Trash Bag Program).

Hand soaps and hand sanitizers must meet one or more of the following standards:

- No antimicrobial agents (other than as a preservative) except where required by health codes and other regulations (e.g., food service and health care requirements);
- Green Seal GS-41, for industrial and institutional hand cleaners;
- UL EcoLogo 2784 (formerly CCD 104), for hand cleaners and hand soaps;
- UL EcoLogo 2783 (formerly CCD 170), for hand sanitizers;
- EPA Safer Choice Standard.

Sustainability Criteria for Cleaning Equipment

All powered equipment must have the following features:

- Safeguards, such as rollers or rubber bumpers, to avoid damage to building surfaces;
- Ergonomic design to minimize vibration, noise, and user fatigue, as reported in the user manual in accordance with ISO 5349-1 for arm vibrations, ISO 2631-1 for vibration to the whole body, and ISO 11201 for sound pressure at operator's ear
- As applicable, environmentally preferable batteries (e.g., gel, absorbent glass mat, lithium-ion) except in applications requiring deep discharge and heavy loads where performance or battery life is reduced by the use of sealed batteries.

Vacuum cleaners must be certified by the Carpet and Rug Institute Seal of Approval/Green Label Vacuum Program and operate with a maximum sound level of 70 dBA or less in accordance with ISO 11201.

Carpet extraction equipment, for restorative deep cleaning, must be certified by the Carpet and Rug Institute's Seal of Approval Deep Cleaning Extractors and Seal of Approval Deep Cleaning Systems program.

Powered floor maintenance equipment must be equipped with such as vacuums, guards, or other devices for capturing fine particulates and must operate with a maximum sound level of 70 dBA, in accordance with ISO 11201.

Propane-powered floor equipment must have high-efficiency, low-emissions engines with catalytic converters and mufflers that meet the California Air Resources Board or EPA standards for the specific engine size and operate with a sound level of 90 dBA or less, in accordance with ISO 11201.

Automated scrubbing machines must be equipped with variable-speed feed pumps and either (1) on-board chemical metering to optimize the use of cleaning fluids or (2) dilution control systems for chemical refilling. Alternatively, scrubbing machines may use tap water only, with no added cleaning products.

6. Quality Assurance/Quality Control Processes

The responsible party will evaluate the green cleaning policy on a quarterly basis to evaluate progress towards the implementation goals. If any cleaning product or equipment purchases are not being recorded properly, the responsible party will inform the appropriate individuals to ensure that activities are recorded moving forward. The responsible party will evaluate the results of the cleaning audits to determine whether the building is being sufficiently cleaned and whether the standard cleaning procedures are being properly executed. As necessary, the responsible party will revise the green cleaning policy to include additional cleaning strategies or modify existing cleaning strategies.

In addition, if any implementation goals are not being met, the responsible party will investigate the situation and will work with the awarded vendor purchasing the materials and equipment or using the equipment. The responsible party will evaluate whether updates are necessary to the in order to achieve the implementation goals. Any revisions that are made to the policy will be incorporated into the next training cycle for the cleaning staff.

This Agreement, made and entered into this 9 day of March, 2021, by and between EDM COMMERCIAL, a California corporation (herein referred to as "CONTRACTOR"), and the COUNTY OF RIVERSIDE, a political subdivision of the State of California, (herein referred to as "COUNTY"). The parties agree as follows:

1. Description of Services

1.1 CONTRACTOR shall provide all services as outlined and specified in Exhibit A, Product/Service Specification, at the prices stated in Exhibit D, Cost Proposal to the Agreement.

1.2 CONTRACTOR represents that it has the skills, experience, and knowledge necessary to perform under this Agreement and the COUNTY relies upon this representation. CONTRACTOR shall perform to the satisfaction of the COUNTY and in conformance to and consistent with the highest standards of firms/professionals in the same discipline in the State of California.

1.3 CONTRACTOR affirms this it is fully apprised of all of the work to be performed under this Agreement; and the CONTRACTOR agrees it can properly perform this work at the prices stated in Exhibit D, and in compliance with the Center for Disease Control recommendations stated in Exhibit E,. CONTRACTOR is not to perform services or provide products outside of the Agreement.

1.4 Acceptance by the COUNTY of the CONTRACTOR's performance under this Agreement does not operate as a release of CONTRACTOR's responsibility for full compliance with the terms of this Agreement.

2. Period of Performance

2.1 This Agreement shall be effective upon signature of this Agreement by both parties and continues in effect through February 28, 2026, unless terminated earlier. CONTRACTOR shall commence performance upon signature of this Agreement by both parties and shall diligently and continuously perform thereafter. The Riverside County Board of Supervisors is the only authority that may obligate the County for a non-cancelable multi-year agreement.

3. Compensation

3.1 The COUNTY shall pay the CONTRACTOR for services performed, products provided and expenses incurred in accordance with the terms of Exhibit D, Cost Proposal. Maximum payments by COUNTY to CONTRACTOR shall not exceed six hundred sixty-five thousand dollars (\$665,000.00) annually including all expenses. The COUNTY is not responsible for any fees or costs incurred above or beyond the contracted amount and shall have no obligation to purchase any specified amount of services or products. Unless otherwise specifically stated in Exhibit D, COUNTY shall not be responsible for payment of any of CONTRACTOR's expenses related to this Agreement.

3.2 No price increases will be permitted during the first year of this Agreement (If applicable). All price decreases (for example, if CONTRACTOR offers lower prices to another governmental entity) will automatically be extended to the COUNTY. The COUNTY requires written proof satisfactory to COUNTY of cost increases prior to any approved price adjustment. After the first year of the award, a minimum of 30-days advance notice in writing is required to be considered and approved by COUNTY. No retroactive price adjustments will be considered. Any price increases must be stated in a written amendment to this Agreement. The net dollar amount of profit will remain firm during the period of the Agreement. Annual increases shall not exceed the Consumer Price Index- All Consumers, All Items - Greater Los Angeles, Riverside and Orange County areas and be subject to satisfactory performance review by the COUNTY and approved (if needed) for budget funding by the Board of Supervisors.

3.3 CONTRACTOR shall be paid only in accordance with an invoice submitted to COUNTY by CONTRACTOR within fifteen (15) days from the last day of each calendar month, and COUNTY shall pay the invoice within thirty (30) working days from the date of receipt of the invoice. Payment shall be made to CONTRACTOR only after services have been rendered or delivery of materials or products, and acceptance has been made by COUNTY. Prepare invoices in duplicate. For this Agreement, send the original and duplicate copies of invoices to:

County of Riverside, Facilities Management Department
Attn: Accounts Payable
3133 Mission Inn Ave.
Riverside, CA 92507

OR: Email invoices to: FM-Invoices@rivco.org

- a) Each invoice shall contain a minimum of the following information: invoice number and date; remittance address; bill-to and ship-to addresses of ordering department/division; Agreement number (FMARC-91039-003-02/26); quantities; item descriptions, unit prices, extensions, sales/use tax if applicable, and an invoice total.
- b) Invoices shall be rendered monthly in arrears.

3.4 The COUNTY obligation for payment of this Agreement beyond the current fiscal year end is contingent upon and limited by the availability of COUNTY funding from which payment can be made, and invoices shall be rendered "monthly" in arrears. In the State of California, Government agencies are not allowed to pay excess interest and late charges, per Government Codes, Section 926.10. No legal liability on the part of the COUNTY shall arise for payment beyond June 30 of each calendar year unless funds are made available for such payment. In the event that such funds are not forthcoming for any reason, COUNTY shall immediately notify CONTRACTOR in writing; and this Agreement shall be deemed terminated, have no further force, and effect.

4. Alteration or Changes to the Agreement

4.1 The Board of Supervisors and the COUNTY Purchasing Agent and/or his designee is the only authorized COUNTY representatives who may at any time, by written order, alter this Agreement. If any such alteration causes an increase or decrease in the cost of, or the time required for the performance under this Agreement, an equitable adjustment shall be made in the Agreement price or delivery schedule, or both, and the Agreement shall be modified by written amendment accordingly.

4.2 Any claim by the CONTRACTOR for additional payment related to this Agreement shall be made in writing by the CONTRACTOR within 30 days of when the CONTRACTOR has or should have notice of any actual or claimed change in the work, which results in additional and unanticipated cost to the CONTRACTOR. If the COUNTY Purchasing Agent decides that the facts provide sufficient justification, he may authorize additional payment to the CONTRACTOR pursuant to the claim. Nothing in this section shall excuse the CONTRACTOR from proceeding with performance of the Agreement even if there has been a change.

5. Termination

5.1. COUNTY may terminate this Agreement without cause upon 30 days written notice served upon the CONTRACTOR stating the extent and effective date of termination.

5.2 COUNTY may, upon five (5) days written notice terminate this Agreement for CONTRACTOR's default, if CONTRACTOR refuses or fails to comply with the terms of this Agreement or fails to make progress that may endanger performance and does not immediately cure such failure. In the event of such termination, the COUNTY may proceed with the work in any manner deemed proper by COUNTY.

5.3 After receipt of the notice of termination, CONTRACTOR shall:

- (a) Stop all work under this Agreement on the date specified in the notice of termination; and
- (b) Transfer to COUNTY and deliver in the manner as directed by COUNTY any materials, reports or other products, which, if the Agreement had been completed or continued, would have been required to be furnished to COUNTY.

5.4 After termination, COUNTY shall make payment only for CONTRACTOR's performance up to the date of termination in accordance with this Agreement.

5.5 CONTRACTOR's rights under this Agreement shall terminate (except for fees accrued prior to the date of termination) upon dishonesty or a willful or material breach of this Agreement by CONTRACTOR; or in the event of CONTRACTOR's unwillingness or inability for any reason whatsoever to perform the terms of this Agreement. In such event, CONTRACTOR shall not be entitled to any further compensation under this Agreement.

5.6 If the Agreement is federally or State funded, CONTRACTOR cannot be debarred from the System for Award Management (SAM). CONTRACTOR must notify the COUNTY immediately of a debarment. Reference: System for Award Management (SAM) at <https://www.sam.gov> for Central Contractor Registry (CCR), Federal

Agency Registration (Fedreg), Online Representations and Certifications Application, and Excluded Parties List System (EPLS)). Excluded Parties Listing System (EPLS) (<http://www.epls.gov>) (Executive Order 12549, 7 CFR Part 3017, 45 CFR Part 76, and 44 CFR Part 17). The System for Award Management (SAM) is the Official U.S. Government system that consolidated the capabilities of CCR/FedReg, ORCA, and EPLS.

5.7 The rights and remedies of COUNTY provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or this Agreement.

6. Ownership/Use of Contract Materials and Products

The CONTRACTOR agrees that all materials, reports or products in any form, including electronic, created by CONTRACTOR for which CONTRACTOR has been compensated by COUNTY pursuant to this Agreement shall be the sole property of the COUNTY. The material, reports or products may be used by the COUNTY for any purpose that the COUNTY deems to be appropriate, including, but not limit to, duplication and/or distribution within the COUNTY or to third parties. CONTRACTOR agrees not to release or circulate in whole or part such materials, reports, or products without prior written authorization of the COUNTY.

7. Conduct of Contractor

7.1 The CONTRACTOR covenants that it presently has no interest, including, but not limited to, other projects or contracts, and shall not acquire any such interest, direct or indirect, which would conflict in any manner or degree with CONTRACTOR's performance under this Agreement. The CONTRACTOR further covenants that no person or subcontractor having any such interest shall be employed or retained by CONTRACTOR under this Agreement. The CONTRACTOR agrees to inform the COUNTY of all the CONTRACTOR's interests, if any, which are or may be perceived as incompatible with the COUNTY's interests.

7.2 The CONTRACTOR shall not, under circumstances which could be interpreted as an attempt to influence the recipient in the conduct of his/her duties, accept any gratuity or special favor from individuals or firms with whom the CONTRACTOR is doing business or proposing to do business, in accomplishing the work under this Agreement.

7.3 The CONTRACTOR or its employees shall not offer gifts, gratuity, favors, and entertainment directly or indirectly to COUNTY employees.

8. Inspection of Service; Quality Control/Assurance

8.1 All performance (which includes services, workmanship, materials, supplies and equipment furnished or utilized in the performance of this Agreement) shall be subject to inspection and test by the COUNTY or other regulatory agencies at all times. The CONTRACTOR shall provide adequate cooperation to any inspector or other COUNTY representative to permit him/her to determine the CONTRACTOR's conformity with the terms of this Agreement. If any services performed or products provided by CONTRACTOR are not in conformance with the terms

of this Agreement, the COUNTY shall have the right to require the CONTRACTOR to perform the services or provide the products in conformance with the terms of the Agreement at no additional cost to the COUNTY. When the services to be performed or the products to be provided are of such nature that the difference cannot be corrected; the COUNTY shall have the right to: (1) require the CONTRACTOR immediately to take all necessary steps to ensure future performance in conformity with the terms of the Agreement; and/or (2) reduce the Agreement price to reflect the reduced value of the services performed or products provided. The COUNTY may also terminate this Agreement for default and charge to CONTRACTOR any costs incurred by the COUNTY because of the CONTRACTOR's failure to perform.

8.2 CONTRACTOR shall establish adequate procedures for self-monitoring and quality control and assurance to ensure proper performance under this Agreement; and shall permit a COUNTY representative or other regulatory official to monitor, assess, or evaluate CONTRACTOR's performance under this Agreement at any time, upon reasonable notice to the CONTRACTOR.

9. Independent Contractor/Employment Eligibility

9.1 The CONTRACTOR is, for purposes relating to this Agreement, an independent contractor and shall not be deemed an employee of the COUNTY. It is expressly understood and agreed that the CONTRACTOR (including its employees, agents, and subcontractors) shall in no event be entitled to any benefits to which COUNTY employees are entitled, including but not limited to overtime, any retirement benefits, worker's compensation benefits, and injury leave or other leave benefits. There shall be no employer-employee relationship between the parties; and CONTRACTOR shall hold COUNTY harmless from any and all claims that may be made against COUNTY based upon any contention by a third party that an employer-employee relationship exists by reason of this Agreement. It is further understood and agreed by the parties that CONTRACTOR in the performance of this Agreement is subject to the control or direction of COUNTY merely as to the results to be accomplished and not as to the means and methods for accomplishing the results.

9.2 CONTRACTOR warrants that it shall make its best effort to fully comply with all federal and state statutes and regulations regarding the employment of aliens and others and to ensure that employees performing work under this Agreement meet the citizenship or alien status requirement set forth in federal statutes and regulations. CONTRACTOR shall obtain, from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by federal or state statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, 8 U.S.C. §1324 et seq., as they currently exist and as they may be hereafter amended. CONTRACTOR shall retain all such documentation for all covered employees, for the period prescribed by the law.

9.3 Ineligible Person shall be any individual or entity who: Is currently excluded, suspended, debarred or otherwise ineligible to participate in the federal health care programs; or has been convicted of a criminal offense related to the provision of health care items or services and has not been reinstated in the federal health care programs after a period of exclusion, suspension, debarment, or ineligibility.

9.4 CONTRACTOR shall screen prospective Covered Individuals prior to hire or engagement. CONTRACTOR shall not hire or engage any Ineligible Person to provide services directly relative to this Agreement. CONTRACTOR shall screen all current Covered Individuals within sixty (60) days of execution of this Agreement to ensure that they have not become Ineligible Persons unless CONTRACTOR has performed such screening on same Covered Individuals under a separate agreement with COUNTY within the past six (6) months. Covered Individuals shall be required to disclose to CONTRACTOR immediately any debarment, exclusion or other event that makes the Covered Individual an Ineligible Person. CONTRACTOR shall notify COUNTY within five (5) business days after it becomes aware if a Covered Individual providing services directly relative to this Agreement becomes debarred, excluded or otherwise becomes an Ineligible Person.

9.5 CONTRACTOR acknowledges that Ineligible Persons are precluded from providing federal and state funded health care services by contract with COUNTY in the event that they are currently sanctioned or excluded by a federal or state law enforcement regulatory or licensing agency. If CONTRACTOR becomes aware that a Covered Individual has become an Ineligible Person, CONTRACTOR shall remove such individual from responsibility for, or involvement with, COUNTY business operations related to this Agreement.

9.6 CONTRACTOR shall notify COUNTY within five (5) business days if a Covered Individual or entity is currently excluded, suspended or debarred, or is identified as such after being sanction screened. Such individual or entity shall be promptly removed from participating in any activity associated with this Agreement.

10. Subcontract for Work or Services

No contract shall be made by the CONTRACTOR with any other party for furnishing any of the work or services under this Agreement without the prior written approval of the COUNTY; but this provision shall not require the approval of contracts of employment between the CONTRACTOR and personnel assigned under this Agreement, or for parties named in the proposal and agreed to under this Agreement.

11. Disputes

11.1 The parties shall attempt to resolve any disputes amicably at the working level. If that is not successful, the dispute shall be referred to the senior management of the parties. Any dispute relating to this Agreement, which is not resolved by the parties, shall be decided by the COUNTY's Purchasing Department's Compliance Contract Officer who shall furnish the decision in writing. The decision of the COUNTY's Compliance Contract Officer shall be final and conclusive unless determined by a court of competent jurisdiction to have been fraudulent, capricious, arbitrary, or

so grossly erroneous to imply bad faith. The CONTRACTOR shall proceed diligently with the performance of this Agreement pending the resolution of a dispute.

11.2 Prior to the filing of any legal action related to this Agreement, the parties shall be obligated to attend a mediation session in Riverside County before a neutral third party mediator. A second mediation session shall be required if the first session is not successful. The parties shall share the cost of the mediations.

12. Licensing and Permits

CONTRACTOR shall comply with all State or other licensing requirements, including but not limited to the provisions of Chapter 9 of Division 3 of the Business and Professions Code. All licensing requirements shall be met at the time proposals are submitted to the COUNTY. CONTRACTOR warrants that it has all necessary permits, approvals, certificates, waivers and exemptions necessary for performance of this Agreement as required by the laws and regulations of the United States, the State of California, the County of Riverside and all other governmental agencies with jurisdiction, and shall maintain these throughout the term of this Agreement.

13. Use By Other Political Entities

The CONTRACTOR agrees to extend the same pricing, terms, and conditions as stated in this Agreement to each and every political entity, special district, and related non-profit. It is understood that other entities shall make purchases in their own name, make direct payment, and be liable directly to the CONTRACTOR; and COUNTY shall in no way be responsible to CONTRACTOR for other entities' purchases.

14. Non-Discrimination

CONTRACTOR shall not be discriminate in the provision of services, allocation of benefits, accommodation in facilities, or employment of personnel on the basis of ethnic group identification, race, religious creed, color, national origin, ancestry, physical handicap, medical condition, marital status or sex in the performance of this Agreement; and, to the extent they shall be found to be applicable hereto, shall comply with the provisions of the California Fair Employment and Housing Act (Gov. Code 12900 et. seq), the Federal Civil Rights Act of 1964 (P.L. 88-352), the Americans with Disabilities Act of 1990 (42 U.S.C. S1210 et seq.) and all other applicable laws or regulations.

15. Records and Documents

CONTRACTOR shall make available, upon written request by any duly authorized Federal, State, or COUNTY agency, a copy of this Agreement and such books, documents and records as are necessary to certify the nature and extent of the CONTRACTOR's costs related to this Agreement. All such books, documents and records shall be maintained by CONTRACTOR for at least five years following termination of this Agreement and be available for audit by the COUNTY. CONTRACTOR shall provide to the COUNTY reports and information related to this Agreement as requested by COUNTY.

16. Confidentiality

16.1 The CONTRACTOR shall not use for personal gain or make other improper use of privileged or confidential information which is acquired in connection with this Agreement. The term “privileged or confidential information” includes but is not limited to: unpublished or sensitive technological or scientific information; medical, personnel, or security records; anticipated material requirements or pricing/purchasing actions; COUNTY information or data which is not subject to public disclosure; COUNTY operational procedures; and knowledge of selection of contractors, subcontractors or suppliers in advance of official announcement.

16.2 The CONTRACTOR shall protect from unauthorized disclosure names and other identifying information concerning persons receiving services pursuant to this Agreement, except for general statistical information not identifying any person. The CONTRACTOR shall not use such information for any purpose other than carrying out the CONTRACTOR’s obligations under this Agreement. The CONTRACTOR shall promptly transmit to the COUNTY all third party requests for disclosure of such information. The CONTRACTOR shall not disclose, except as otherwise specifically permitted by this Agreement or authorized in advance in writing by the COUNTY, any such information to anyone other than the COUNTY. For purposes of this paragraph, identity shall include, but not be limited to, name, identifying number, symbol, or other identifying particulars assigned to the individual, such as finger or voice print or a photograph.

17. Administration/Contract Liaison

The COUNTY Purchasing Agent, or designee, shall administer this Agreement on behalf of the COUNTY. The Purchasing Department is to serve as the liaison with CONTRACTOR and the COUNTY Facilities Management Department in connection with this Agreement.

18. Notices

All correspondence and notices required or contemplated by this Agreement shall be delivered to the respective parties at the addresses set forth below and are deemed submitted two days after their deposit in the United States mail, postage prepaid:

COUNTY OF RIVERSIDE

FACILITIES MANAGEMENT DEPT.
3133 MISSION INN AVE.
RIVERSIDE, CA 92507

CONTRACTOR

EDM COMMERCIAL
2151 E. CONVENTON CENTER WAY
ONTARIO, CA 91764

19. Force Majeure

If either party is unable to comply with any provision of this Agreement due to causes beyond its reasonable control, and which could not have been reasonably anticipated, such as acts of God, acts of war, civil disorders, or other similar acts, such party shall not be held liable for such failure to comply.

20. EDD Reporting Requirements

In order to comply with child support enforcement requirements of the State of California, the COUNTY may be required to submit a Report of Independent Contractor(s) form **DE 542** to the Employment Development Department. The CONTRACTOR agrees to furnish the required data and certifications to the COUNTY within 10 days of notification of award of Agreement when required by the EDD. This data will be transmitted to governmental agencies charged with the establishment and enforcement of child support orders. Failure of the CONTRACTOR to timely submit the data and/or certificates required may result in the contract being awarded to another contractor. In the event a contract has been issued, failure of the CONTRACTOR to comply with all federal and state reporting requirements for child support enforcement or to comply with all lawfully served Wage and Earnings Assignments Orders and Notices of Assignment shall constitute a material breach of Agreement. If CONTRACTOR has any questions concerning this reporting requirement, please call (916) 657-0529. CONTRACTOR should also contact its local Employment Tax Customer Service Office listed in the telephone directory in the State Government section under "Employment Development Department" or access their Internet site at www.edd.ca.gov.

21. Hold Harmless/Indemnification

21.1 CONTRACTOR shall indemnify and hold harmless the County of Riverside, its Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives (individually and collectively hereinafter referred to as Indemnitees) from any liability, action, claim or damage whatsoever, based or asserted upon any services of CONTRACTOR, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to this Agreement, including but not limited to property damage, bodily injury, or death or any other element of any kind or nature. CONTRACTOR shall defend the Indemnitees at its sole expense including all costs and fees (including, but not limited, to attorney fees, cost of investigation, defense and settlements or awards) in any claim or action based upon such acts, omissions or services.

21.2 With respect to any action or claim subject to indemnification herein by CONTRACTOR, CONTRACTOR shall, at their sole cost, have the right to use counsel of their own choice and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of COUNTY; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes CONTRACTOR indemnification to Indemnitees as set forth herein.

21.3 CONTRACTOR'S obligation hereunder shall be satisfied when CONTRACTOR has provided to COUNTY the appropriate form of dismissal relieving COUNTY from any liability for the action or claim involved.

21.4 The specified insurance limits required in this Agreement shall in no way limit or circumscribe CONTRACTOR'S obligations to indemnify and hold harmless the Indemnitees herein from third party claims.

22. Insurance

22.1 Without limiting or diminishing the CONTRACTOR'S obligation to indemnify or hold the COUNTY harmless, CONTRACTOR shall procure and maintain or cause to be maintained, at its sole cost and expense, the following insurance coverage's during the term of this Agreement. As respects to the insurance section only, the COUNTY herein refers to the County of Riverside, its Agencies, Districts, Special Districts, and Departments, their respective directors, officers, Board of Supervisors, employees, elected or appointed officials, agents, or representatives as Additional Insureds.

A. Workers' Compensation:

If the CONTRACTOR has employees as defined by the State of California, the CONTRACTOR shall maintain statutory Workers' Compensation Insurance (Coverage A) as prescribed by the laws of the State of California. Policy shall include Employers' Liability (Coverage B) including Occupational Disease with limits not less than \$1,000,000 per person per accident. The policy shall be endorsed to waive subrogation in favor of The County of Riverside.

B. Commercial General Liability:

Commercial General Liability insurance coverage, including but not limited to, premises liability, unmodified contractual liability, products and completed operations liability, personal and advertising injury, and cross liability coverage, covering claims which may arise from or out of CONTRACTOR'S performance of its obligations hereunder. Policy shall name the COUNTY as Additional Insured. Policy's limit of liability shall not be less than \$1,000,000 per occurrence combined single limit. If such insurance contains a general aggregate limit, it shall apply separately to this agreement or be no less than two (2) times the occurrence limit.

C. Vehicle Liability:

If vehicles or mobile equipment is used in the performance of the obligations under this Agreement, then CONTRACTOR shall maintain liability insurance for all owned, non-owned, or hired vehicles so used in an amount not less than \$1,000,000 per occurrence combined single limit. If such insurance contains a general aggregate limit, it shall apply separately to this agreement or be no less than two (2) times the occurrence limit. Policy shall name the COUNTY as Additional Insureds.

D. General Insurance Provisions - All lines:

1) Any insurance carrier providing insurance coverage hereunder shall be admitted to the State of California and have an A M BEST rating of not less than A: VIII (A:8) unless such requirements are waived, in writing, by the

County Risk Manager. If the County's Risk Manager waives a requirement for a particular insurer such waiver is only valid for that specific insurer and only for one policy term.

2) The CONTRACTOR must declare its insurance self-insured retention for each coverage required herein. If any such self-insured retention exceeds \$500,000 per occurrence each such retention shall have the prior written consent of the County Risk Manager before the commencement of operations under this Agreement. Upon notification of self-insured retention unacceptable to the COUNTY, and at the election of the County's Risk Manager, CONTRACTOR'S carriers shall either; 1) reduce or eliminate such self-insured retention as respects this Agreement with the COUNTY, or 2) procure a bond which guarantees payment of losses and related investigations, claims administration, and defense costs and expenses.

3) CONTRACTOR shall cause CONTRACTOR'S insurance carrier(s) to furnish the County of Riverside with either 1) a properly executed original Certificate(s) of Insurance and certified original copies of Endorsements effecting coverage as required herein, and 2) if requested to do so orally or in writing by the County Risk Manager, provide original Certified copies of policies including all Endorsements and all attachments thereto, showing such insurance is in full force and effect. Further, said Certificate(s) and policies of insurance shall contain the covenant of the insurance carrier(s) that thirty (30) days written notice shall be given to the County of Riverside prior to any material modification, cancellation, expiration or reduction in coverage of such insurance. In the event of a material modification, cancellation, expiration, or reduction in coverage, this Agreement shall terminate forthwith, unless the County of Riverside receives, prior to such effective date, another properly executed original Certificate of Insurance and original copies of endorsements or certified original policies, including all endorsements and attachments thereto evidencing coverage's set forth herein and the insurance required herein is in full force and effect. CONTRACTOR shall not commence operations until the COUNTY has been furnished original Certificate (s) of Insurance and certified original copies of endorsements and if requested, certified original policies of insurance including all endorsements and any and all other attachments as required in this Section. An individual authorized by the insurance carrier shall sign the original endorsements for each policy and the Certificate of Insurance.

4) It is understood and agreed to by the parties hereto that the CONTRACTOR'S insurance shall be construed as primary insurance, and the COUNTY'S insurance and/or deductibles and/or self-insured retention's or self-insured programs shall not be construed as contributory.

5) If, during the term of this Agreement or any extension thereof, there is a material change in the scope of services; or, there is a material change in the equipment to be used in the performance of the scope of work; or, the term of this Agreement, including any extensions thereof, exceeds five (5) years; the COUNTY reserves the right to adjust the types of insurance and the monetary limits of liability required under this Agreement, if in the County Risk

Manager's reasonable judgment, the amount or type of insurance carried by the CONTRACTOR has become inadequate.

6) CONTRACTOR shall pass down the insurance obligations contained herein to all tiers of subcontractors working under this Agreement.

7) The insurance requirements contained in this Agreement may be met with a program(s) of self-insurance acceptable to the COUNTY.

8) CONTRACTOR agrees to notify COUNTY of any claim by a third party or any incident or event that may give rise to a claim arising from the performance of this Agreement.

23. General

23.1 CONTRACTOR shall not delegate or assign any interest in this Agreement, whether by operation of law or otherwise, without the prior written consent of COUNTY. Any attempt to delegate or assign any interest herein shall be deemed void and of no force or effect.

23.2 Any waiver by COUNTY of any breach of any one or more of the terms of this Agreement shall not be construed to be a waiver of any subsequent or other breach of the same or of any other term of this Agreement. Failure on the part of COUNTY to require exact, full, and complete compliance with any terms of this Agreement shall not be construed as in any manner changing the terms or preventing COUNTY from enforcement of the terms of this Agreement.

23.3 In the event the CONTRACTOR receives payment under this Agreement, which is later disallowed by COUNTY for nonconformance with the terms of the Agreement, the CONTRACTOR shall promptly refund the disallowed amount to the COUNTY on request; or at its option the COUNTY may offset the amount disallowed from any payment due to the CONTRACTOR.

23.4 CONTRACTOR shall not provide partial delivery or shipment of services or products unless specifically stated in the Agreement.

23.5 CONTRACTOR shall not provide any services or products subject to any chattel mortgage or under a conditional sales contract or other agreement by which an interest is retained by a third party. The CONTRACTOR warrants that it has good title to all materials or products used by CONTRACTOR or provided to COUNTY pursuant to this Agreement, free from all liens, claims, or encumbrances.

23.6 Nothing in this Agreement shall prohibit the COUNTY from acquiring the same type or equivalent equipment, products, materials or services from other sources, when deemed by the COUNTY to be in its best interest. The COUNTY reserves the right to purchase more or less than the quantities specified in this Agreement.

23.7 The COUNTY agrees to cooperate with the CONTRACTOR in the CONTRACTOR's performance under this Agreement, including, if stated in the Agreement, providing the CONTRACTOR with reasonable facilities and timely access to COUNTY data, information, and personnel.

23.8 CONTRACTOR shall comply with all applicable Federal, State and local laws and regulations. CONTRACTOR will comply with all applicable COUNTY policies and procedures. In the event that there is a conflict between the various laws or regulations that may apply, the CONTRACTOR shall comply with the more restrictive law or regulation.

23.9 CONTRACTOR shall comply with all air pollution control, water pollution, safety and health ordinances, statutes, or regulations, which apply to performance under this Agreement.

23.10 CONTRACTOR shall comply with all requirements of the Occupational Safety and Health Administration (OSHA) standards and codes as set forth by the U.S. Department of Labor and the State of California (Cal/OSHA).

23.11 This Agreement shall be governed by the laws of the State of California. Any legal action related to the performance or interpretation of this Agreement shall be filed only in the Superior Court of the State of California located in Riverside, California, and the parties waive any provision of law providing for a change of venue to another location. In the event any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions will nevertheless continue in full force without being impaired or invalidated in any way.

23.12 This Agreement, including any attachments or exhibits, constitutes the entire Agreement of the parties with respect to its subject matter and supersedes all prior and contemporaneous representations, proposals, discussions and communications, whether oral or in writing. This Agreement may be changed or modified only by a written amendment signed by authorized representatives of both parties.

IN WITNESS WHEREOF, the Parties hereto have caused their duly authorized representatives to execute this Agreement.

**EXHIBIT A
PRODUCT / SERVICE SPECIFICATIONS**

1.0 SCOPE OF WORK

Custodial Services are to be performed in the offices, conference rooms, breakrooms, kitchens, restrooms,

lobbies, file rooms, lounges, training rooms, lactation rooms, copy rooms, storage rooms, elevators, stairwells, court rooms, and exterior break areas of the facilities listed below.

For the Windy Springs Wellness Center awarded vendor will be required to clean all staff and resident restrooms, showers, floors (mostly concrete) and vacuuming the carpeted areas. Clean office and single staff areas, clinic rooms, nurse/med rooms, conference/training rooms, interview rooms, linen and linen storage area, break rooms and dining room. Maintain kitchen floor, lobbies, elevators, stairs, hallways, day areas and outside recreational and exercise area including wiping down all equipment.

The agreement resulting from this solicitation **does not include services in restricted areas** such as the Data Room, holding cells and/or other inmate areas in detention facilities.

NOTE: Due to COVID-19, some facilities operator's license requires regular disinfecting of common area services (e.g. door, sink, toilet handles, furniture are rests if amenable to cleaners, etc.) throughout the day which will be done by a combination of facility personnel and custodial contractor. Awarded contractor will be required to provide the appropriate level of Personal Protective Equipment (PPE) for their staff during service hours in accordance with CDC guidelines. (See Exhibit E)

1.1 **Service hours** are listed below. The awarded contractor and County representatives may adjust days and times as necessary if mutually agreed upon during the period of performance of an agreement resulting from this solicitation. County shall not accept any subcontractors for these services, all work must be performed by the awarded contractor.

Definitions: BLDG shall mean “Building” and Sq. Ft. shall mean “Square Foot”

13 GENERAL REQUIREMENTS

1. Contractor shall provide labor and onsite supervision at all times to carry out the work and shall ensure only competent workers who are skilled in the type of work specified are employed.
2. Contractor’s employees and supervision must possess a current Live Scan Federal Level (as applicable to the location) clearance and a Security Level I background check through the Riverside County Sheriff’s Department or the District Attorney’s Office.
3. Contractor shall ensure employees working during business hours keep voices and music at a low level so no one shall be disturbed.
4. Contractor shall ensure that no person(s) not employed by the Contractor (i.e. spouse, children, brothers, sisters, friends, etc.) shall be allowed to enter the premises during Contractor’s performance of services.
5. Contractor shall provide relief personnel to ensure each assignment is performed per specifications and deliverables, regardless of employee absenteeism.
6. Contractor is responsible for maintaining satisfactory standards for their employees in regard to conduct, appearance and integrity (i.e. use of foul language, use of staff and/or residence personal items, cooking, phone and TV usage).
7. All Contractor employees (janitorial crew) shall be able to read, write, speak and understand the English language to the extent required for communication in person, via telephone, and in writing with designated building representatives in connection with the janitorial duties to be performed.
8. All Contractor employees shall be identified, while on the premises, by shirt, blouse, smock or ID Badge indicating the company name or logo in print large enough to be read easily.

9. Contractor employees shall comply with building security. In addition, the Contractor shall ensure all employees are properly trained on safety and emergency procedures (such as fire building evacuations, etc.) for the facilities in which they work.
10. Contractor shall inform County point of contact of any irregularities noted during performance of services including but not limited to doors left unlocked, lights not working or left on, defective plumbing, broken windows, broken bathroom fixtures, unstable or broken furniture, graffiti, vandalism and/or damage to the building or its contents.
11. Contractor shall certify to the possession of any and all current required licenses, credentials, certificates, and business licenses that comply with all Federal and State related custodial services and be properly insured. If awarded, Contractor will be required to endorse the policy to the County as an additionally insured. Current coverage and limits can also be found at: <https://riskmgmt.rc-hr.com/ContractLanguage/StandardContractLanguage.aspx>

11.1 Without limiting or diminishing the CONTRACTOR'S obligation to indemnify or hold the COUNTY harmless, CONTRACTOR shall procure and maintain or cause to be maintained, at its sole cost and expense, the following insurance coverage's during the term of this Agreement. As respects to the insurance section only, the COUNTY herein refers to the County of Riverside, its Agencies, Districts, Special Districts, and Departments, their respective directors, officers, Board of Supervisors, employees, elected or appointed officials, agents or representatives as Additional Insureds.

A. Workers' Compensation:

If the CONTRACTOR has employees as defined by the State of California, the CONTRACTOR shall maintain statutory Workers' Compensation Insurance (Coverage A) as prescribed by the laws of the State of California. Policy shall include Employers' Liability (Coverage B) including Occupational Disease with limits not less than \$1,000,000 per person per accident. The policy shall be endorsed to waive subrogation in favor of The County of Riverside.

B. Commercial General Liability:

Commercial General Liability insurance coverage, including but not limited to, premises liability, unmodified contractual liability, products and completed operations liability, personal and advertising injury, and cross liability coverage, covering claims which may arise from or out of

CONTRACTOR'S performance of its obligations hereunder. Policy shall name the COUNTY as Additional Insured. Policy's limit of liability shall not be less than \$2,000,000 per occurrence combined single limit. If such insurance contains a general aggregate limit, it shall apply separately to this agreement or be no less than two (2) times the occurrence limit.

C. Vehicle Liability:

If vehicles or mobile equipment are used in the performance of the obligations under this Agreement, then CONTRACTOR shall maintain liability insurance for all owned, non-owned or hired vehicles so used in an amount not less than \$1,000,000 per occurrence combined single limit. If such insurance contains a general aggregate limit, it shall apply separately to this agreement or be no less than two

(2) times the occurrence limit. Policy shall name the COUNTY as Additional Insureds.

D. Janitorial Services Bonding in the minimum amount of \$25,000 must be maintained throughout the contract term.

12. The Contractor shall comply with the Displaced Janitor Opportunity Act. Pursuant to Labor Code section 1061(b)(1).
13. Contractor shall repair and restore to its original condition any County property damaged by its operation at no cost to the County.
14. All materials, supplies, and equipment used by the Contractor shall be suitable for the job and not harmful to the surfaces on which they are used.

14 STORAGE/USE OF EQUIPMENT AND MATERIALS

1. The Contractor shall obtain prior approval from the County designee for any space or area required for storage of the Contractor's equipment and materials.
2. Equipment and materials shall not be piled or stored at any location to hinder normal business operations or to constitute a hazard to persons or property.
3. All materials which are stored in the liquid state shall be stored on shelves not higher than three (3) feet above the floor.
4. All products stored in secondary containers shall be properly labeled as to the contents.
5. All vacuums used must be equipped with Hepa Filtration.
6. All cleaning equipment must be maintained in good working order so as not to cause any harm to employees, contents of the facility or the facility itself.

15 MATERIALS AND SUPPLIES

1. All equipment and supplies necessary to perform these services shall be provided by the Contractor and approved by the County designee. All cleaning products shall perform as cleaners and disinfectants per the Green Cleaning Policy, incorporated herein as Attachment 1, as Green Clean Policy for Windy Springs Wellness Center, a certified LEED facility. In addition, Contractor shall supply soap, hand sanitizers, deodorizers, chemicals, liners, paper towels, toilet tissue, toilet seat protectors, carpet shampoo, floor stripper and finish, dust cloths, and other items as needed. Contractor shall be required to fill the dispensers of the items listed above.
2. Under no circumstances shall cleaning tools and materials be left unattended during service hours.
3. The Contractor shall handle chemicals so as to minimize the possibility of exposure of facility occupants to acid based or caustic based materials. A list of all chemicals used for these services shall be submitted and pre-approved by the County designee.
4. All unused products and empty containers shall be properly disposed of by the Contractor as required by federal, state and local laws and regulations.
5. Safety Data Sheets (SDS) - Contractor shall post current SDS sheets in appropriate areas and shall provide copies to the RCSD for its required postings.
6. Labor - Hours of work for this contract shall be in accordance with, and subject to the provisions of the State of California Labor Code.
7. All materials and supplies shall be Environmentally Friendly.
8. The County has an ongoing requirement for the products indicated in this RFQ. The Contractor shall maintain access to a reasonable stock of such products on hand for the term of the contract. Failure to maintain access to a reasonable stock may result in termination for breach of the resulting

contract.

16 SECURITY

1. Contractor shall be responsible for use of all keys and/or security cards issued to him/her. The Contractor shall not put identification on any keys. **Contractor shall not duplicate any keys for premises under any circumstances.** Any lost key/s or need for additional keys shall be promptly reported to the County designee in writing. The contractor shall need to identify which keys were lost, who lost the keys, where they were lost, and the date and time of loss. The contractor shall be assessed a fee not to exceed \$25.00 for each key not returned or lost and shall be further assessed the costs for parts and locksmith services to remove the lost key from the keying system.
2. Unauthorized duplication of keys for a County owned facility is a misdemeanor under Chapter 3, Section 469 of the California Standard Penal Code.
3. Security of County properties shall be maintained. Doors, gates, and windows shall be closed and locked when not in immediate use. Upon completion of the work in any single section of a building, employees shall check exterior doors and windows to make sure that they are closed and locked. Certain areas are protected by security alarms and procedures for entering and leaving these areas shall be as directed by the County.
4. Under no circumstances shall Contractor's employees admit anyone to areas controlled by a key or access card in their possession.

17 INSPECTION OF SERVICES

1. The Contractor shall inspect the County facility monthly to ensure quality and thoroughness. Contractor shall coordinate these inspections with the County's representative who has the option of inspecting the facility with the Contractor. The Contractor shall refer to the Basic Level of Cleaning Standards Spreadsheet when inspecting the facility and shall provide a written report within five working days regarding the conditions at the time of the inspection and the steps necessary for addressing any issues.
2. The Contractor shall submit a schedule at least five working days in advance for sizeable services such as carpet and window cleaning and floor stripping and waxing activities, identifying the type of service, location and scheduled date and time. The Contractor shall schedule a time to inspect the completed work with the County's representative no later than five working days after the work has been performed. The Contractor shall designate one representative that is of supervisor authority or higher to conduct these inspections.

18 SERVICES PROVIDED BY THE COUNTY

1. The County shall provide lights, power, and water for cleaning.
2. The County shall provide lockable spaces for Contractor's supplies and equipment.
3. The County shall not be responsible for the Contractor's supplies, equipment, material, or personal belongings.

4. All trash shall remain property of the County.
5. The County shall provide bins, cans and dumpsters where the Contractor shall deposit trash and recyclables. Disposal of trash from these designated locations shall be the responsibility of County.

EXHIBIT C
QUALITY REQUIREMENTS ALL LOCATIONS

A. ENTRANCES

1. **Mats and Carpet** – Shall be free of spots, stains, gum, dirt and debris without causing damage. They shall appear visibly and uniformly clean. Adjoining walls, doors and floor surfaces shall also be free of dust, soil and cleaner residue.
2. **Glass and Metal Surfaces** – Shall appear streak-free, film-free and uniformly clean. This shall include the elimination of dust and soil from sills and ledges and heat registers.
3. **Corners/Thresholds** – Shall be free of dust, dried-soil, crud, finish build-up and debris. These areas shall appear visibly and uniformly clean. This shall include the elimination of cleaner residue.
4. **Floors** – Shall be free of dust, dried-soil, gum, spots, stains and debris. Floors shall appear visibly and uniformly smooth and clean. This shall include the elimination of dust streaks, lint, standing water, cleaner residue and film.
5. **Walls and Fixtures** – Shall be free of dust, dried-soil and soil without causing damage. These surfaces shall appear visibly and uniformly clean. This shall include the elimination of film streaks and cleaner residue.
6. **Waste Containers** – Contents shall be removed from waste containers and can liners replaced. Inside and outside of the container shall be cleaned and disinfected. Containers shall appear visibly and uniformly clean. This shall include the elimination of streaks, foodstuff and the presence of any offensive odor emitting from the container.

B. RESTROOMS

1. **Dispensers** – Shall be free of dust, dried-soil and mold without causing damage. These surfaces shall appear visibly and uniformly clean and disinfected. This shall include the elimination of film, streaks and cleaner residue. Dispensers shall be refilled when required with proper expendable supply items.
2. **Hardware** – Shall be free of dust, soil, mold and scale without causing damage. These surfaces shall appear visibly and uniformly clean, disinfected and polished to a streak-free shine. This shall include the elimination of polish residue.
3. **Sinks** – Shall be free of dust, mold, soil, cleaner residue and soap film without causing damage. They shall appear visibly and uniformly clean and polished-dry. This shall include the

elimination of streaks, embedded soil, and film and water spots.

4. **Mirrors** – Shall be free of dust and soil. Mirrors and surrounding metal framework shall appear streak-free, film-free and uniformly clean.
5. **Toilets, Toilet Seats and Urinals** – Shall be free of dust, bacteria, soil, organic matter, cleaner residue and scale without causing damage. These fixtures shall appear visibly and uniformly clean, disinfected and polished-dry. This shall include the elimination of streaks, film and water spots.
6. **Partitions** – Shall be free of dust, soil and graffiti without causing damage. Partitions shall appear visibly and uniformly clean, disinfected and polished-dry. This shall include the elimination of streaks and film.
7. **Waste Containers** – Contents shall be removed from waste containers and can liners replaced. Inside and outside of the container shall be cleaned and disinfected. Containers shall appear visibly and uniformly clean. This shall include the elimination of streaks, foodstuff and the presence of any offensive odor emitting from the container.
8. **Walls and Doors** – Shall be free of dust, soil, spots and stains without causing damage. These surfaces shall appear visibly and uniformly clean and disinfected. This shall include the elimination of film, streaks and cleaner residue. Ceramic walls and wainscots, metal kick plates, handles and push plates on doors shall also be polished-dry.
9. **Floors and Baseboards** – Shall be free of dust, soil, gum, stains and debris. Floors shall appear visibly and uniformly clean and disinfected. This shall include the elimination of dust streaks, lint, standing water, cleaner residue and film.
10. **Air Vents** – Shall be free of dust and soil without causing damage. This also pertains to air distribution units and exhaust vents. They shall appear visibly and uniformly clean.
11. **Light Fixtures** – Shall be free of dust and soil without causing damage. Fixtures shall remain in proper position and appear streak-free and uniformly clean.

C. LOUNGE/BREAKROOM

1. **Sinks** – Shall be free of dust, mold, soil, cleaner residue and soap film without causing damage. They shall appear visibly and uniformly clean and polished-dry. This shall include the elimination of streaks, embedded soil, and film and water spots.
2. **Waste Containers** – Contents shall be removed from waste containers and can liners replaced. Inside and outside of the container shall be cleaned and disinfected. Containers shall appear visibly and uniformly clean. This shall include the elimination of streaks, foodstuff and the presence of any offensive odor emitting from the container.
3. **Counters and Tables** - Shall be free of dust, mold, soil, cleaner residue and soap film without

causing damage. They shall appear visibly and uniformly clean and polished-dry. This shall include the elimination of streaks, embedded soil, and film and water spots.

4. **Floors and Baseboards** – Shall be free of dust, soil, gum, stains and debris. Floors shall appear visibly and uniformly clean and disinfected. This shall include the elimination of dust streaks
5. **Walls and Doors** – Shall be free of dust, soil, spots and stains without causing damage. These surfaces shall appear visibly and uniformly clean and disinfected. This shall include the elimination of film, streaks and cleaner residue. Ceramic walls and wainscots, metal kick plates, handles and push plates on doors shall also be polished-dry., lint, standing water, cleaner residue and film.

D. CONFERENCE ROOMS:

1. **Furniture** – Shall be free of dust, dried-soil and soil without causing damage. They shall appear visibly and uniformly clean. This shall include the elimination of cleaner residue, streaks and film.
2. **Floors and Carpet** - Shall appear visibly and uniformly smooth and clean. This shall include the elimination of dust, streaks, lint, standing water, cleaner residue, embedded soil and foreign objects.
3. **Carpet Spotting** - Spillages or crusted material shall be removed along with spots, smears, and stains. There shall be no evidence of fuzzing caused by harsh rubbing or brushing. Cleaned areas shall blend with adjacent areas of carpeting. Only approved cleaners can be used.
4. **Walls and Doors** – Shall be free of dust, soil, spots and stains without causing damage. These surfaces shall appear visibly and uniformly clean and disinfected. This shall include the elimination of film, streaks and cleaner residue. Ceramic walls and wainscots, metal kick plates, handles and push plates on doors shall also be polished-dry., lint, standing water, cleaner residue and film.
5. **Waste Containers** – Contents shall be removed from waste containers and can liners replaced. Inside and outside of the container shall be cleaned and disinfected. Containers shall appear visibly and uniformly clean. This shall include the elimination of streaks, foodstuff and the presence of any offensive odor emitting from the container.

E. OFFICES

1. **Furniture and Equipment** – Shall be free of dust, dried-soil and soil without causing damage. They shall appear visibly and uniformly clean. This shall include the elimination of cleaner residue, streaks and film.
2. **Telephones** – Shall be free of dust and soil. They shall appear visibly and uniformly clean and polished-dry.

3. **Lamps** – Shall be free of dust and soil without causing damage. Lamps shall appear visibly and uniformly clean. This shall include the elimination of streaks, cleaner residue and film.
4. **Walls and Doors** – Shall be free of dust, dried-soil and soil without causing damage. These surfaces shall appear visibly and uniformly clean. This shall include the elimination of film, streaks and cleaner residue.
5. **Waste Containers** – Contents shall be removed from waste containers and can liners replaced. Inside and outside of the container shall be cleaned and disinfected. Containers shall appear visibly and uniformly clean. This shall include the elimination of streaks, foodstuff and the presence of any offensive odor emitting from the container.
6. **Workstation Partitions** – Shall be free of dust and soil without causing damage. Partitions shall appear visibly and uniformly clean. This shall include the elimination of streaks, film and cleaner residue.
7. **Floors and Baseboards** – Shall be free of dust, dried-soil, soil, gum, spots, stains and debris.
8. **Floors and Carpet** - Shall appear visibly and uniformly smooth and clean. This shall include the elimination of dust, streaks, lint, standing water, cleaner residue, embedded soil and foreign objects.
9. **Carpet Spotting** - Spillages or crusted material shall be removed along with spots, smears, and stains. There shall be no evidence of fuzzing caused by harsh rubbing or brushing. Cleaned areas shall blend with adjacent areas of carpeting. Only approved cleaners can be used.

F. WINDOWS

1. **Glass** – Shall be free of dust and soil without causing damage. This also applies to adjoining sills, blinds and framework. They shall appear visibly and uniformly clean. This shall include the elimination of streaks, film and cleaner residue. All windows must be fully cleaned annually.

G. JANITOR CLOSETS AND STOREROOMS

1. **Shelves** – Shall be free of dust and soil. They shall appear visibly and uniformly clean. Supplies and equipment shall be stocked and organized neatly on shelves.
2. **Janitor Carts** – Shall be free of dust and soil. They shall appear visibly and uniformly clean.
3. **Supplies and Equipment** - Stored on janitor carts shall also be free of dust and soil and organized neatly.
4. **Walls** – Shall be free of dust and soil without causing damage. They shall appear visibly and uniformly clean. This shall include the elimination of film, streaks and cleaner residue.
5. **Utility Sinks** – Shall be free of dust, soil, cleaner residue and soap film. Utility sinks shall appear

visibly and uniformly clean.

6. **Floors** – Shall be free of dust, gum, spots, stains and debris. Floors shall appear visibly and uniformly smooth and clean. This shall include the elimination of dust streaks, lint, standing water, cleaner residue and film.

END OF QUALITY REQUIREMENTS

EXHIBIT D
COST PROPOSAL

RV0919 Mental Health Treatment Facility 9990 County Farm Road, Riverside, CA

Bldg. # Mental Health

\$51,200.00

Staff Required: 3 SHIFTS - 21 Staff required to cover all shifts.

(Please reference the "8-hour Shift Excel Spreadsheet")

Work Schedule: 3 SHIFT- 8-Hour Shift SEE SPREADSHEET

(Please reference the "8-hour Shift Excel Spreadsheet")

Initial in Agreement BS

Special Trainings: HIPPA, Crisis Prevention Institute (CPI),

Current TB, Flu Shot, ER Code Training,

COVID-19 Disinfecting Training

Initial if staff is in Compliance BS

Clearance: Live Scan Provided by Sherriff

Initial if staff is in Compliance BS

Supplies Requested: Supplies being provided by County of Riverside

(Price includes all labor, material and fees.)

Initial in Agreement BS

I certify that I have reviewed and agree to the above location requirements on behalf of the company listed below.

Signed:  _____ Dated: 12/17/2020

Name and title: Byron Small, CEO

Company: EDM Commercial

**COST SHEET / ADDITIONAL CLEANING
CARPETS, WINDOWS AND FLOORS**

<u>ADDITIONAL TASKS</u>	<u>COST PER HOUR</u>
Item 1 Carpet cleaning (Noted as #1 below)	\$30.00
Item 2 Interior/Exterior window cleaning (Noted as #2 below)	\$30.00
Item 3 Floor restoration (Noted as #3 below)	\$52.50

(Price includes all labor, material and fees.)

1. All carpeting is to be shampooed twice a year as part of the basic service. It is also anticipated that there may be carpet in several other rooms that shall need to be cleaned more than twice a year; therefore, an hourly rate is requested for the extra cleaning of carpet. This price is to be shown on the RFQ Price Form under Additional Services, item 1.

2. All interior and exterior windows are to be cleaned a minimum of once a year as part of the basic service. In the event the County requests additional window cleaning, an hourly rate is requested and is to be shown under on the RFQ Price Form under Additional Services, item 2.

3. All hard and resilient floors are to be stripped and three coats of floor finish applied a minimum of every quarter as part of the basic service. In the event the County requests additional stripping and waxing services, an hourly rate is requested and is to be shown on the RFQ Price Form under Additional Services, item 3.

**GUIDANCE FOR
CLEANING AND DISINFECTING**

**PUBLIC SPACES, WORKPLACES, BUSINESSES,
SCHOOLS, AND HOMES**

SCAN HERE
FOR MORE
INFORMATION

This guidance is intended for all Americans, whether you own a business, run a school, or want to ensure the cleanliness and safety of your home. Reopening America requires all of us to move forward together by practicing social distancing and other **daily habits** to reduce our risk of exposure to the virus that causes COVID-19. Reopening the country also strongly relies on public health strategies, including increased testing of people for the virus, social distancing, isolation, and **keeping track** of how someone infected might have infected other people. This plan is part of the larger [United States Government plan](#) and focuses on cleaning and disinfecting public spaces, workplaces, businesses, schools, and can also be applied to your home.

Cleaning and disinfecting public spaces including your workplace, school, home, and business will require you to:

- Develop your plan
- Implement your plan
- Maintain and revise your plan

Reducing the risk of exposure to COVID-19 by cleaning and disinfection is an important part of reopening public spaces that will require careful planning. Every American has been called upon to slow the spread of the virus through social distancing and prevention hygiene, such as frequently washing your hands and wearing face coverings. Everyone also has a role in making sure our communities are as safe as possible to reopen and remain open.

The virus that causes COVID-19 can be killed if you use the right products. EPA has compiled a list of disinfectant products that can be used against COVID-19, including ready-to-use sprays, concentrates, and wipes. Each product has been shown to be effective against viruses that are harder to kill than viruses like the one that causes COVID-19.

For more information, please visit **CORONAVIRUS.GOV**

CE316495C April 28, 2020 1:36 PM

GUIDANCE FOR CLEANING AND DISINFECTING PUBLIC SPACES, WORKPLACES, BUSINESSES, SCHOOLS, AND HOMES

This document provides a general framework for cleaning and disinfection practices. The framework is based on doing the following:

1. Normal routine cleaning with soap and water will decrease how much of the virus is on surfaces and objects, which reduces the risk of exposure.
2. Disinfection using [EPA-approved disinfectants against COVID-19](#) can also help reduce the risk. Frequent disinfection of surfaces and objects touched by multiple people is important.
3. When [EPA-approved disinfectants](#) are not available, alternative disinfectants can be used (for example, 1/3 cup of bleach added to 1 gallon of water, or 70% alcohol solutions). Do not mix bleach or other cleaning and disinfection products together--this can cause fumes that may be very dangerous to breathe in. Keep all disinfectants out of the reach of children.

Links to [specific recommendations](#) for many public spaces that use this framework, can be found at the end of this document.

It's important to continue to follow federal, state, tribal, territorial, and local guidance for reopening America.

A Few Important Reminders about Coronaviruses and Reducing the Risk of Exposure:

- Coronaviruses on surfaces and objects naturally die within hours to days. Warmer temperatures and exposure to sunlight will reduce the time the virus survives on surfaces and objects.
- Normal routine cleaning with soap and water removes germs and dirt from surfaces. It lowers the risk of spreading COVID-19 infection.
- Disinfectants kill germs on surfaces. By killing germs on a surface after cleaning, you can further lower the risk of spreading infection. [EPA-approved disinfectants](#) are an important part of reducing the risk of exposure to COVID-19. If disinfectants on this list are in short supply, alternative disinfectants can be used (for example, 1/3 cup of bleach added to 1 gallon of water, or 70% alcohol solutions).
- Store and use disinfectants in a responsible and appropriate manner according to the label. Do not mix bleach or other cleaning and disinfection products together--this can cause fumes that may be very dangerous to breathe in. Keep all disinfectants out of the reach of children.
- Do not overuse or stockpile disinfectants or other supplies. This can result in shortages of appropriate products for others to use in critical situations.
- Always wear gloves appropriate for the chemicals being used when you are cleaning and disinfecting. Additional personal protective equipment (PPE) may be needed based on setting and product. For more information, see [CDC's website on Cleaning and Disinfection for Community Facilities](#).
- Practice social distancing, wear facial coverings, and follow proper prevention hygiene, such as washing your hands frequently and using alcohol-based (at least 60% alcohol) hand sanitizer when soap and water are not available.

If you oversee staff in a workplace, your plan should include considerations about the safety of custodial staff and other people who are carrying out the cleaning or disinfecting. These people are at increased risk of being exposed to the virus and to any toxic effects of the cleaning chemicals. These staff should wear appropriate PPE for cleaning and disinfecting. To protect your staff and to ensure that the products are used effectively, staff should be instructed on how to apply the disinfectants according to the label. For more information on concerns related to cleaning staff, visit the Occupational Safety and Health Administration's website on [Control and Prevention](#).

GUIDANCE FOR CLEANING AND DISINFECTING PUBLIC SPACES, WORKPLACES, BUSINESSES, SCHOOLS, AND HOMES

DEVELOP YOUR PLAN

Evaluate your workplace, school, home, or business to determine what kinds of surfaces and materials make up that area. Most surfaces and objects will just need normal routine cleaning. Frequently touched surfaces and objects like light switches and doorknobs will need to be cleaned and then disinfected to further reduce the risk of germs on surfaces and objects.

- First, clean the surface or object with soap and water.
- Then, disinfect using an [EPA-approved disinfectant](#).
- If an EPA-approved disinfectant is unavailable, you can use 1/3 cup of bleach added to 1 gallon of water, or 70% alcohol solutions to disinfect. Do not mix bleach or other cleaning and disinfection products together. Find additional information at [CDC's website on Cleaning and Disinfecting Your Facility](#).

You should also consider what items can be moved or removed completely to reduce frequent handling or contact from multiple people. Soft and porous materials, such as area rugs and seating, may be removed or stored to reduce the challenges with cleaning and disinfecting them. Find additional reopening guidance for cleaning and disinfecting in the [Reopening Decision Tool](#).

It is critical that your plan includes how to maintain a cleaning and disinfecting strategy after reopening. Develop a flexible plan with your staff or family, adjusting the plan as federal, state, tribal, territorial, or local guidance is updated and if your specific circumstances change.

Determine what needs to be cleaned

Some surfaces only need to be cleaned with soap and water. For example, surfaces and objects that are not frequently touched should be cleaned and do not require additional disinfection. Additionally, disinfectants should typically not be applied on items used by children, especially any items that children might put in their mouths. Many disinfectants are toxic when swallowed. In a household setting, cleaning toys and other items used by children with soap and water is usually sufficient. Find more information on cleaning and disinfection toys and other surfaces in the childcare program setting at [CDC's Guidance for Childcare Programs that Remain Open](#).

These questions will help you decide which surfaces and objects will need normal routine cleaning.

Is the area outdoors?

Outdoor areas generally require normal routine cleaning and do not require disinfection. Spraying disinfectant on sidewalks and in parks is not an efficient use of disinfectant supplies and has not been proven to reduce the risk of COVID-19 to the public. You should maintain existing cleaning and hygiene practices for outdoor areas.

The targeted use of disinfectants can be done effectively, efficiently and safely on outdoor hard surfaces and objects frequently touched by multiple people. Certain outdoor areas and facilities, such as bars and restaurants, may have additional requirements. More information can be found on CDC's website on [Food Safety and the Coronavirus Disease 2019 \(COVID-19\)](#).

There is no evidence that the virus that causes COVID-19 can spread directly to humans from water in pools, hot tubs or spas, or water play areas. Proper operation, maintenance, and disinfection (for example, with chlorine or bromine) of pools, hot tubs or spas, and water playgrounds should kill the virus that causes COVID-19. However, there are additional concerns with outdoor areas that may be maintained less frequently, including playgrounds, or other facilities located within local, state, or national parks. For more information, visit CDC's website on [Visiting Parks & Recreational Facilities](#).

GUIDANCE FOR CLEANING AND DISINFECTING PUBLIC SPACES, WORKPLACES, BUSINESSES, SCHOOLS, AND HOMES

Has the area been unoccupied for the last 7 days?

If your workplace, school, or business has been unoccupied for 7 days or more, it will only need your normal routine cleaning to reopen the area. This is because the virus that causes COVID-19 has not been shown to survive on surfaces longer than this time.

There are many public health considerations, not just COVID-19 related, when reopening public buildings and spaces that have been closed for extended periods. For example, take measures to ensure the [safety of your building water system](#). It is not necessary to clean ventilation systems, other than routine maintenance, as part of reducing risk of coronaviruses. For healthcare facilities, additional guidance is provided on [CDC's Guidelines for Environmental Infection Control in Health-Care Facilities](#).

Determine what needs to be disinfected

Following your normal routine cleaning, you can disinfect frequently touched surfaces and objects using a product from [EPA's list of approved products that are effective against COVID-19](#).

These questions will help you choose appropriate disinfectants.

Are you cleaning or disinfecting a hard and non-porous material or item like glass, metal, or plastic?

Consult [EPA's list of approved products for use against COVID-19](#). This list will help you determine the most appropriate disinfectant for the surface or object. You can use diluted household bleach solutions if appropriate for the surface. Pay special attention to the personal protective equipment (PPE) that may be needed to safely apply the disinfectant and the manufacturer's recommendations concerning any additional hazards. Keep all disinfectants out of the reach of children. Please visit CDC's website on [How to Clean and Disinfect](#) for additional details and warnings.

Examples of frequently touched surfaces and objects that will need routine disinfection following reopening are:

- tables,
- doorknobs,
- light switches,
- countertops,
- handles,
- desks,
- phones,
- keyboards,
- toilets,
- faucets and sinks,
- gas pump handles,
- touch screens, and
- ATM machines.

Each business or facility will have different surfaces and objects that are frequently touched by multiple people. Appropriately disinfect these surfaces and objects. For example, transit stations have [specific guidance](#) for application of cleaning and disinfection.

Are you cleaning or disinfecting a soft and porous material or items like carpet, rugs, or seating in areas?

Soft and porous materials are generally not as easy to disinfect as hard and non-porous surfaces. [EPA has listed a limited number of products approved for disinfection for use on soft and porous materials](#). Soft and porous materials that are not frequently touched should only be cleaned or laundered, following the directions on the item's label, using the warmest appropriate water setting. Find more information on [CDC's website on Cleaning and Disinfecting Your Facility](#) for developing strategies for dealing with soft and porous materials.

GUIDANCE FOR CLEANING AND DISINFECTING PUBLIC SPACES, WORKPLACES, BUSINESSES, SCHOOLS, AND HOMES

Consider the resources and equipment needed

Keep in mind the availability of cleaning and disinfection products and appropriate PPE. Always wear gloves appropriate for the chemicals being used for routine cleaning and disinfecting. Follow the directions on the disinfectant label for additional PPE needs. In specific instances, personnel with specialized training and equipment may be required to apply certain disinfectants such as fumigants or fogs. For more information on appropriate PPE for cleaning and disinfection, see [CDC's website on Cleaning and Disinfection for Community Facilities](#).

IMPLEMENT YOUR PLAN

Once you have a plan, it's time to take action. Read all manufacturer's instructions for the cleaning and disinfection products you will use. Put on your gloves and other required personal protective equipment (PPE) to begin the process of cleaning and disinfecting.

Clean visibly dirty surfaces with soap and water

Clean surfaces and objects using soap and water prior to disinfection. Always wear gloves appropriate for the chemicals being used for routine cleaning and disinfecting. Follow the directions on the disinfectant label for additional PPE needs. When you finish cleaning, remember to wash hands thoroughly with soap and water.

Clean or launder soft and porous materials like seating in an office or coffee shop, area rugs, and carpets. Launder items according to the manufacturer's instructions, using the warmest temperature setting possible and dry items completely.

Use the appropriate cleaning or disinfectant product

[EPA approved disinfectants](#), when applied according to the manufacturer's label, are effective for use against COVID-19. Follow the instructions on the label for all cleaning and disinfection products for concentration, dilution, application method, contact time and any other special considerations when applying.

Always follow the directions on the label

Follow the instructions on the label to ensure safe and effective use of the product. Many product labels recommend keeping the surface wet for a specific amount of time. The label will also list precautions such as wearing gloves and making sure you have good ventilation during use of the product. Keep all disinfectants out of the reach of children.

MAINTAIN AND REVISE YOUR PLAN

Take steps to reduce your risk of exposure to the virus that causes COVID-19 during daily activities. [CDC provides tips](#) to reduce your exposure and risk of acquiring COVID-19. Reducing exposure to yourself and others is a shared responsibility. Continue to update your plan based on updated guidance and your current circumstances.

Continue routine cleaning and disinfecting

Routine cleaning and disinfecting are an important part of reducing the risk of exposure to COVID-19. Normal routine cleaning with soap and water alone can reduce risk of exposure and is a necessary step before you disinfect dirty surfaces.

GUIDANCE FOR CLEANING AND DISINFECTING PUBLIC SPACES, WORKPLACES, BUSINESSES, SCHOOLS, AND HOMES

Surfaces frequently touched by multiple people, such as door handles, desks, phones, light switches, and faucets, should be cleaned and disinfected at least daily. More frequent cleaning and disinfection may be required based on level of use. For example, certain surfaces and objects in public spaces, such as shopping carts and point of sale keypads, should be cleaned and disinfected before each use.

Consider choosing a different disinfectant if your first choice is in short supply. Make sure there is enough supply of gloves and appropriate personal protective equipment (PPE) based on the label, the amount of product you will need to apply, and the size of the surface you are treating.

Maintain safe behavioral practices

We have all had to make significant behavioral changes to reduce the spread of COVID-19. To reopen America, we will need to continue these practices:

- social distancing (specifically, staying 6 feet away from others when you must go into a shared space)
- frequently washing hands or use alcohol-based (at least 60% alcohol) hand sanitizer when soap and water are not available
- wearing cloth face coverings
- avoiding touching eyes, nose, and mouth
- staying home when sick
- cleaning and disinfecting frequently touched objects and surfaces

It's important to continue to follow federal, state, tribal, territorial, and local guidance for reopening America. Check this resource for [updates on COVID-19](#). This will help you change your plan when situations are updated.

Consider practices that reduce the potential for exposure

It is also essential to change the ways we use public spaces to work, live, and play. We should continue thinking about our safety and the safety of others.

To reduce your exposure to or the risk of spreading COVID-19 after reopening your business or facility, consider whether you need to touch certain surfaces or materials. Consider wiping public surfaces before and after you touch them. These types of behavioral adjustments can help reduce the spread of COVID-19. There are other resources for more information on [COVID-19](#) and how to [Prevent Getting Sick](#).

Another way to reduce the risk of exposure is to make long-term changes to practices and procedures. These could include reducing the use of porous materials used for seating, leaving some doors open to reduce touching by multiple people, opening windows to improve ventilation, or removing objects in your common areas, like coffee creamer containers. There are many other steps that businesses and institutions can put into place to help reduce the spread of COVID-19 and protect their staff and the public. More information can be found at [CDC's Implementation of Mitigation Strategies for Communities with Local COVID-19 Transmission](#).

GUIDANCE FOR CLEANING AND DISINFECTING PUBLIC SPACES, WORKPLACES, BUSINESSES, SCHOOLS, AND HOMES

CONCLUSION

Reopening America requires all of us to move forward together using recommended best practices and maintaining safe daily habits in order to reduce our risk of exposure to COVID-19. Remember, We're all in this together!

GREEN CLEANING POLICY FOR WINDY SPRINGS WELLNESS CENTER**

This policy example meets the requirements LEED v4 O+M EQ Prerequisite Green Cleaning Policy Option 1 per the Green Building Council, for the Windy Springs Wellness Center located at 19531 McLane Street, Palm Springs CA 92258.

Green Cleaning Policy for Windy Springs Wellness Center

1. Scope

This policy applies to all cleaning procedures, cleaning material purchases, cleaning equipment purchases, and cleaning services that occur inside and on the building site and grounds for 19531 McLane Street, Palm Springs CA 92258. Specifically, this policy covers the following:

Cleaning strategies for:

- Hard floor and carpet cleaning and maintenance
- Protection of vulnerable occupants during cleaning
- Disinfectant and sanitizer selection and use
- Safe storage and handlings of cleaning chemicals, including spill management

Performance metrics and strategy development:

- Reductions in water use, energy use, and chemical toxicity
- Green cleaning products purchasing
- Green cleaning equipment purchasing

Staffing and training plans:

- Staffing requirements and contingency for staffing shortages
- Timing and frequency of staff training

2. Goals

This policy will be fully implemented as described below.

<u>Category</u>	<u>Goal</u>	<u>Performance measurement unit</u>
Cleaning products and materials purchases	85% meet sustainability criteria	Cost
Cleaning equipment purchases	100% meet sustainability criteria	Number of equipment items
Cleaning equipment inventory	40% of equipment in the project inventory will meet the applicable sustainability criteria	Number of equipment items in the overall inventory for the project
Toxic chemical usage (applies to all cleaning chemicals, including those not addressed by EQc Green Cleaning – Products and Materials)	Toxic chemicals will only be used in situations where products meeting the requirements of EQ Credit Green Cleaning – Products and Materials are unable to sufficiently clean the area, the area cannot be replaced (such as a floor tile), and represents a hazard to human health	Number of uses

3. Roles and Responsibilities

The responsible party for this policy is the Riverside County Custodial Services Division (RCCSD) Deputy Director. The responsible party ensures that this policy is executed through an awarded vendor service company and that any contracted cleaning vendors under management's control are aware of and fully trained on the procedures outlined in this policy. Further, the RCCSD Deputy Director is responsible for

sharing this policy with the building tenant representatives and encouraging policy adoption accordingly. The RCCSD Deputy Director is responsible for reviewing this policy for any significant changes on the interval specified in the quality assurance section. If at any time updates are required to this policy, the responsible party will ensure that the appropriate individuals are informed of the updates.

4. Procedures and strategies for implementation

Hard floor and carpet cleaning and maintenance

- Hard floors, including tile, concrete, and wood surfaces, will be cleaned once a week with only sustainable cleaning products. No stripping or coatings will be applied to hard floor surfaces.
- Carpets will be vacuumed daily with vacuum cleaners that meet the sustainability criteria listed later in this policy.
- One per month, the carpets will be inspected for stains and other damages. If feasible, the necessary areas will be spot cleaned with sustainable carpet cleaning materials. If damaged, the carpet tiles will be replaced.
- When carpet extraction equipment must be used, methods to reduce chemical usage will be implemented.

Protection of vulnerable occupants during cleaning

- Vulnerable occupants include women who are pregnant, children, elderly occupants, and individuals with asthma, allergies, or other sensitivities.
- As much as possible, only sustainable cleaning products will be used. Please refer to the goals and tracking sections of this policy for additional information.
- Any cleaning that involves the use of carpet cleaners, or if at any point the use of a non-sustainable cleaning product is required, this cleaning will be performed after regular business hours.

Disinfectant and sanitizer selection and use

- Only hand soaps and hand sanitizers that meet the at least one of the sustainability criteria listed under the purchasing guidelines will be considered to meet the requirements of this policy.
- Hand sanitizers will be placed throughout the building for the use of occupants
- Only disinfectants meeting the purchasing sustainability criteria listed below will be considered to meet the requirements of this policy. Disinfectants will be kept locked in the janitorial closets and may only be used by the cleaning staff.
- Cleaning staff will be required to follow all dilution strategies for disinfectants.

Safe storage and handlings of cleaning chemicals, including spill management

- Cleaning chemicals will be stored in the janitor closets to prevent access for other occupants.
- Cleaning staff will receive training on the various hazards of different toxic chemicals and how to address spills.
- Spills will be cleaned and handled according to the manufacturer safety data sheets provided by the manufacturer.
- All spills will be handled carefully. As soon a spill of a non-sustainable product occurs, the responsible party must be notified. If the spill occurs in an area to which typical building occupants have access, the area will be roped off and building occupants will be informed to stay clear of the area.
- Safety data sheets for all of the cleaning chemicals used in the building will be retained and hazard information will be highlighted. This information will be clearly displayed in all janitor closets through the awarded vendor service company.

Strategies for reducing the toxicity of the chemicals used for other cleaning activities

- Cleaning staff and building occupants will be supplied with safe cleaning chemicals that meet the sustainability criteria described in the purchasing guidelines listed below.
- Dish soaps and cleaners meeting EPA Safer Choice Standard will be supplied.
- For surface cleaning, green chemicals will be used as much as possible.

Strategies for conserving energy, water, and chemicals used for cleaning

- Manual-powered equipment and cleaning strategies will be used whenever possible to reduce the energy and water used by powered equipment and typical cleaning strategies.
- Cold water will be used for any necessary disposal to reduce energy used to heat hot water.
- The filters in vacuums and other applicable equipment will be changed frequently to enable air flow and reduce the energy consumption of the equipment.
- When cleaning chemicals are necessary, the operating procedures for chemical dilution will be followed to ensure that the minimum amount of cleaning chemicals necessary is used.

Strategies for promoting hand hygiene

- All restrooms will be equipped with hands-free soap dispensers, faucets, hand dryers, and towel dispensers.
- Hand sanitizers meeting UL EcoLogo 2783 standard for Instant Hand Antiseptics (formerly Environmental Choice CCD 170) will be placed throughout the building.

Tracking plan for staffing and overall performance

- Regular facility inspections will be conducted by the awarded vendor to evaluate cleanliness. As a part of the inspections, the awarded vendor will provide the RCCSD Deputy Director inspection reports to ensure that the cleaning and hard floor and carpet maintenance system is being consistently used.
- The inspections will be conducted once every sixth months. The responsible party will review the results of the audits, maintain records, and follow up with any cleaning issues or guidance.
- All cleaning staff are required to check in each day when they arrive at work. The awarded vendor will retain records to ensure that the building is sufficiently staffed with trained professionals.
- The awarded vendor will log all training that is provided to the cleaning staff and will ensure that the training plans described above are met.
- When new staff come on board, the awarded vendor will record the initial training and orientation provided to the staff.

Tracking plan for water, energy, and toxic chemical usage

- Every time a toxic chemical is used, it must be reported to the responsible party. The awarded vendor will record which chemical was used, where it was applied, and the reason for its use. This information will be used to track against the goal for using toxic chemicals only when strictly necessary.
- All vacuum filters will be replaced on a regular basis. The awarded vendor will record maintenance performed on all cleaning equipment, including filter replacement, to ensure that they are regularly replaced to reduce energy usage.

Tracking plan for cleaning product and cleaning equipment purchases

- All cleaning product and cleaning equipment purchases, made by either by the cleaning vendor for use in the building or made by the RCCSD Deputy Director, will be recorded in a purchasing log.
- On a quarterly basis, the awarded vendor will review all purchases and compare against the policy goals. If the policy goals are not being met, the awarded vendor will take corrective action to replace products and chemicals.

Staffing and contingency plans

- To sufficiently clean the building requires at least one hour of cleaning per day for each 5,000 square feet. As this building is 93,000 square feet, it requires a minimum 18.6 hours of cleaning time per day. In the event of staffing shortages the awarded vendor will supply additional staff to maintain coverage.

Staff training plan

- All cleaning staff, including backup personnel, are required to receive at least 8 hours of training per year. The awarded vendor will record the training attended by each staff member.
- Trainings are held once a month and are one hour long. Topics vary each month, and cover standard operating procedures for cleaning different surfaces, proper toxic chemical usage and spill management, hazards of toxic chemicals, cleaning to protect vulnerable occupants, cleaning equipment maintenance, and conservation of energy and water usage during cleaning.

5. Purchasing guidelines

Sustainability Criteria for Cleaning Products and Materials

Cleaning products must meet one or more of the following standards:

- Green Seal GS-37, for general-purpose, bathroom, glass and carpet cleaners used for industrial and institutional purposes;
- UL EcoLogo 2792 (formerly CCD 110), for cleaning and degreasing compounds;
- UL EcoLogo 2759 (formerly CCD 146), for hard-surface cleaners;
- UL EcoLogo 2795 (formerly CCD 148), for carpet and upholstery care;
- Green Seal GS-40, for industrial and institutional floor care products;
- UL EcoLogo 2777 (formerly CCD 147), for hard-floor care;
- EPA Safer Choice Standard; and/or
- Cleaning devices that use only ionized water or electrolyzed water and have third-party-verified performance data equivalent to the other standards mentioned above (if the device is marketed for antimicrobial cleaning, performance data must demonstrate antimicrobial performance comparable to EPA Office of Pollution Prevention and Toxics and Safer Choice Standard requirements, as appropriate for use patterns and marketing claims).

Disinfectants, metal polish, or other products not addressed by the above standards must meet one or more of the following standards:

- UL EcoLogo 2798 (formerly CCD 112), for digestion additives for cleaning and odor control;
- UL EcoLogo 2791 (formerly CCD 113), for drain or grease trap additives;
- UL EcoLogo 2796 (formerly CCD 115/107), for odor control additives;
- Green Seal GS-52/53, for specialty cleaning products;
- California Code of Regulations maximum allowable VOC levels for the specific product category;
- EPA Safer Choice Standard; and/or
- Cleaning devices that use only ionized water or electrolyzed water and have third-party-verified performance data equivalent to the other standards mentioned above (if the device is marketed for antimicrobial cleaning, performance data must demonstrate antimicrobial performance comparable to EPA Office of Pollution Prevention and Toxics and Safer Choice Standard requirements, as appropriate for use patterns and marketing claims).

Disposable janitorial paper products and trash bags must meet the minimum requirements of one or more of the following programs:

- EPA comprehensive procurement guidelines, for janitorial paper;
- Green Seal GS-01, for tissue paper, paper towels and napkins;
- UL EcoLogo 175 Sanitary Paper Products, for toilet tissue and hand towels
- Janitorial paper products derived from rapidly renewable resources or made from tree-free fibers;
- FSC certification, for fiber procurement;
- EPA comprehensive procurement guidelines, for plastic trash can liners; and/or
- California integrated waste management requirements, for plastic trash can liners (California Code of Regulations Title 14, Chapter 4, Article 5, or SABRC 42290-42297 Recycled Content Plastic Trash Bag Program).

Hand soaps and hand sanitizers must meet one or more of the following standards:

- No antimicrobial agents (other than as a preservative) except where required by health codes and other regulations (e.g., food service and health care requirements);
- Green Seal GS-41, for industrial and institutional hand cleaners;
- UL EcoLogo 2784 (formerly CCD 104), for hand cleaners and hand soaps;
- UL EcoLogo 2783 (formerly CCD 170), for hand sanitizers;
- EPA Safer Choice Standard.

Sustainability Criteria for Cleaning Equipment

All powered equipment must have the following features:

- Safeguards, such as rollers or rubber bumpers, to avoid damage to building surfaces;
- Ergonomic design to minimize vibration, noise, and user fatigue, as reported in the user manual in accordance with ISO 5349-1 for arm vibrations, ISO 2631-1 for vibration to the whole body, and ISO 11201 for sound pressure at operator's ear
- As applicable, environmentally preferable batteries (e.g., gel, absorbent glass mat, lithium-ion) except in applications requiring deep discharge and heavy loads where performance or battery life is reduced by the use of sealed batteries.

Vacuum cleaners must be certified by the Carpet and Rug Institute Seal of Approval/Green Label Vacuum Program and operate with a maximum sound level of 70 dBA or less in accordance with ISO 11201.

Carpet extraction equipment, for restorative deep cleaning, must be certified by the Carpet and Rug Institute's Seal of Approval Deep Cleaning Extractors and Seal of Approval Deep Cleaning Systems program.

Powered floor maintenance equipment must be equipped with such as vacuums, guards, or other devices for capturing fine particulates and must operate with a maximum sound level of 70 dBA, in accordance with ISO 11201.

Propane-powered floor equipment must have high-efficiency, low-emissions engines with catalytic converters and mufflers that meet the California Air Resources Board or EPA standards for the specific engine size and operate with a sound level of 90 dBA or less, in accordance with ISO 11201.

Automated scrubbing machines must be equipped with variable-speed feed pumps and either (1) on-board chemical metering to optimize the use of cleaning fluids or (2) dilution control systems for chemical refilling. Alternatively, scrubbing machines may use tap water only, with no added cleaning products.

6. Quality Assurance/Quality Control Processes

The responsible party will evaluate the green cleaning policy on a quarterly basis to evaluate progress towards the implementation goals. If any cleaning product or equipment purchases are not being recorded properly, the responsible party will inform the appropriate individuals to ensure that activities are recorded moving forward. The responsible party will evaluate the results of the cleaning audits to determine whether the building is being sufficiently cleaned and whether the standard cleaning procedures are being properly executed. As necessary, the responsible party will revise the green cleaning policy to include additional cleaning strategies or modify existing cleaning strategies.

In addition, if any implementation goals are not being met, the responsible party will investigate the situation and will work with the awarded vendor purchasing the materials and equipment or using the equipment. The responsible party will evaluate whether updates are necessary to the in order to achieve the implementation goals. Any revisions that are made to the policy will be incorporated into the next training cycle for the cleaning staff.
