BACKGROUND:

Summary

By Minute Order dated November 17, 2020 (Agenda Item 3.21), the County of Riverside (County) Board of Supervisors authorized the Clerk of the Board to advertise for the construction of the Varner Road Resurfacing Project that includes three segments of Varner Road from Monterey Avenue to Boca Chica Trail, Boca Chica Trail to Cook Street, and from 38th Avenue to Berkey Drive totaling approximately 4.3-miles of roadway, located in the Community of Thousand Palms in the Coachella Valley area of the County's Supervisorial District 4.

Roadway resurfacing is needed due to the deteriorated pavement conditions. Mainly, the project will consist of three types of treatment.

Project Number	Project Limits	Treatment Type
D0-0066	Monterey Ave to Boca Chica Trail	Grind existing asphalt and overlay with Hot Mix Asphalt (HMA)
D0-0085	Boca Chica Trail to Cook Street	Overlay existing asphalt with HMA
D0-0086	38 th Avenue to 1,300 feet west of Badger St	Grind existing asphalt and overlay with Rubberized Hot Mix Asphalt (RHMA)
	1,300 feet west of Badger St to Berkey Drive	Grind existing asphalt and overlay with HMA

The road segments were combined to bid as one project in order to gain efficiencies by eliminating multiple bidding and administrative procedures, and to seek more favorable bids associated with larger bid quantities.

Additional improvements include placement of safety edge and shoulder backing material to protect the outside edge of pavement to prevent edge cracking and pavement edge deterioration, construction of asphalt concrete dike, installation of guardrail, traffic striping,

STATE OF CALIFORNIA**

thermoplastic pavement markings, installation of traffic signs, replacement of loop detectors at Varner Road and Monterrey Avenue, Cook Street, and Leopard Street intersections, and other associated work.

On April 28, 2017, Senate Bill 1 (SB1) was passed to improve the state's aging transportation infrastructure, particularly roads and bridges. Because of this, the County is now able to improve the condition of roads in need of resurfacing or reconstruction and has included them in the County Transportation Improvement Program (TIP). Varner Road resurfacing project is one of Riverside County's priority projects approved for use of the new Gas Tax/SB1 funds. Without SB1, this needed road repair project would have been shelved until another funding source would be available.

During the advertisement, period two addenda were issued to all registered plan holders as a supplement to the plans and specifications. Bidders were required to acknowledge and take into account the issued addendum on their contractor's Bid in order to be considered for award. The addenda are attached and designated as Addendum No. 1 and Addendum No. 2

The contract includes one schedule of work:

Base Bid Schedule: Varner Road Resurfacing
Alternative Bid 1: Not selected for award

The contractor is qualified to perform the work as outlined in the bid, has executed the contract, and has provided bond documents which meet the requirements of the Contract.

Project No. D0-0066, D0-0085, D0-0086

Impact on Residents and Businesses

The purpose of this project is to rehabilitate three deteriorated segments of Varner Road, totaling approximately 4.3 miles, to provide the public with a smooth paved roadway that will improve the safety and efficiency of vehicular traffic.

The work is scheduled to begin in spring 2021. The work will be phased to keep the road open during construction as much as possible and will take approximately two months to complete.

SUPPLEMENTAL:

Additional Fiscal Information

Construction is expected to be completed in FY 2020/21 and will be funded with Gas Tax/SB-1 funds.

The proposed budget as shown on Attachment "A" includes Contract award amount and other associated costs.

There are no General Funds used in this project.

Contract History and Price Reasonableness

Eight bids were received on Wednesday December 16, 2020 ranging from \$2,297,891 to \$2,770,772. The basis for the selection of a contractor is the lowest responsive and responsible bid. The lowest responsive and responsible bid was submitted by Vance Corporation in the amount of \$2,297,891 which is \$185,053 (7.5%) below the Engineer's Estimate. The contract amount (\$2,286,411) varies from bid amount (\$2,297,891) because Alternate Bid Schedule 1 in the amount of \$11,480 is not selected for award.

The Transportation Department recommends the award of the contract to Vance Corporation in the amount of \$2,286,411.

**DESIGNATED CONSTRUCTION PROJECT(S)
GENERAL AGGREGATE LIMIT**

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Designated Construction Project(s):

ALL OF YOUR DESIGNATED CONSTRUCTION PROJECTS WHERE REQUIRED BY WRITTEN CONTRACT.

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

- A.** For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under Section I – Coverage A, and for all medical expenses caused by accidents under Section I – Coverage C, which can be attributed only to ongoing operations at a single designated construction project shown in the Schedule above:
 - 1. A separate Designated Construction Project General Aggregate Limit applies to each designated construction project, and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.
 - 2. The Designated Construction Project General Aggregate Limit is the most we will pay for the sum of all damages under Coverage A, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard", and for medical expenses under Coverage C regardless of the number of:
 - a. Insureds;
 - b. Claims made or "suits" brought; or
 - c. Persons or organizations making claims or bringing "suits".
 - 3. Any payments made under Coverage A for damages or under Coverage C for medical expenses shall reduce the Designated Construction Project General Aggregate Limit for that designated construction project. Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Designated Construction Project General Aggregate Limit for any other designated construction project shown in the Schedule above.
 - 4. The limits shown in the Declarations for Each Occurrence, Damage To Premises Rented To You and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Designated Construction Project General Aggregate Limit.

- B. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under Section I – Coverage A, and for all medical expenses caused by accidents under Section I – Coverage C, which cannot be attributed only to ongoing operations at a single designated construction project shown in the Schedule above:
1. Any payments made under Coverage A for damages or under Coverage C for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-completed Operations Aggregate Limit, whichever is applicable; and
 2. Such payments shall not reduce any Designated Construction Project General Aggregate Limit.
- C. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payments for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Designated Construction Project General Aggregate Limit.
- D. If the applicable designated construction project has been abandoned, delayed, or abandoned and then restarted, or if the authorized contracting parties deviate from plans, blueprints, designs, specifications or timetables, the project will still be deemed to be the same construction project.
- E. The provisions of Section III – Limits Of Insurance not otherwise modified by this endorsement shall continue to apply as stipulated.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

5. Premium Audit

- a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.
- b. We may audit your books and records as they relate to this insurance at any time during the term of this policy and up to three years afterwards.
- c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. Representations

By accepting this policy, you agree:

- a. The statements in the Declarations are accurate and complete;
- b. Those statements are based upon representations you made to us; and
- c. We have issued this policy in reliance upon your representations.

7. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom claim is made or "suit" is brought.

8. Transfer Or Waiver Of Rights Of Recovery Against Others To Us

We will waive the right of recovery we would otherwise have had against another person or organization, for loss to which this insurance applies, provided the insured has waived their rights of recovery against such person or organization in a contract or agreement that is executed before such loss.

To the extent that the insured's rights to recover all or part of any payment made under this Coverage Part have not been waived, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

This condition does not apply to Coverage C.

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

EXCESS LIABILITY POLICY

There are provisions in this policy that restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Words and phrases in quotation marks have special meaning and can be found in the **Definitions** Section or the specific policy provision where they appear.

In consideration of the payment of the premium and in reliance upon the statements in the Declarations we agree with you to provide coverage as follows:

INSURING AGREEMENTS

I. COVERAGE

We will pay on behalf of the Insured "loss" in excess of the Underlying Limits of Insurance shown in Item 5. of the Declarations, but only up to an amount not exceeding the Company's Limits of Insurance as shown in Item 4. of the Declarations. Except for the terms, conditions, definitions and exclusions of this policy, the coverage provided by this policy will follow the First Underlying Insurance Policy, as shown in Item 5. of the Declarations.

The inclusion or addition hereunder of more than one Insured shall not operate to increase the Company's Limits of Insurance beyond that set forth in Item 4. of the Declarations.

We will be furnished a complete copy of the First Underlying Insurance Policy described in Item 5. of the Declarations.

II. LIMITS OF INSURANCE

A. The Limits of Insurance shown in the Declarations and the rules below describe the most we will pay regardless of the number of:

1. Insureds;
2. claims made or suits brought; or
3. Persons or organizations making claims or bringing suits.

B. The Limits of Insurance of this policy will apply as follows:

1. This policy applies only in excess of the Underlying Limits of Insurance shown in Item 5. of the Declarations.
2. The aggregate limit shown in Item 4. of the Declarations is the most we will pay for all "loss" that is subject to an aggregate limit provided by the First Underlying Insurance Policy. The aggregate limit applies separately and in the same manner as the aggregate limits provided by the First Underlying Insurance Policy.
3. Subject to B.2., the occurrence limit stated in Item 4. of the Declarations is the most we will pay for all "loss" arising out of any one occurrence to which this policy applies.
4. Subject to Paragraphs B.2. and B.3. above, if the underlying Limits of Insurance stated in Item 5. of the Declarations are reduced or exhausted solely by payment of "loss," such insurance provided by this policy will apply in excess of the reduced Underlying Limits or, if all Underlying Limits are exhausted, will apply as underlying insurance subject to the same terms, conditions, definitions and exclusions of the First Underlying Insurance Policy, except for the terms, conditions, definitions and exclusions of this policy.
5. The Limits of Insurance of this policy apply separately to each consecutive annual period and to any remaining pe-

riod of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

III. DEFENSE

- A. We will not be required to assume charge of the investigation of any claim or defense of any suit against you.
- B. We will have the right, but not the duty, to be associated with you or your underlying insurer or both in the investigation of any claim or defense of any suit which in our opinion may create liability on us for "loss" under this policy. If we exercise such right, we will do so at our own expense.
- C. If all Underlying Limits of Insurance stated in Item 5. of the Declarations are exhausted solely by payment of "loss," we shall have the right but not the duty to investigate and settle any claim or assume the defense of any suit which in our opinion may give rise to a "loss" under this policy. Such investigation or defense shall be at our own expense. We may, however, withdraw from the defense of such suit and tender the continued defense to you if our applicable Limits of Insurance stated in Item 4. of the Declarations are exhausted by payment of "loss."

In the event you or any underlying insurer elects not to appeal a judgment in excess of the amount of the Underlying Insurance, we may elect to appeal at our expense. If we do so elect, we will be liable for the costs and additional interest accruing during this appeal. In no event will this provision increase our liability beyond the applicable Limits of Insurance described in Section II. of this policy.

B. Bankruptcy or Insolvency

The bankruptcy, insolvency or inability to pay of any Insured will not relieve us from our obligation to pay "loss" covered by this policy.

In the event of bankruptcy, insolvency or refusal or inability to pay, of any underlying insurer, the insurance afforded by this policy will not replace such underlying insurance, but will apply as if the underlying insurance was fully available and collectible.

6. Premium adjustment may be made at the time of cancellation or as soon as practicable thereafter but the cancellation will be effective even if we have not made or offered any refund due you. Our check or our representative's check, mailed or delivered, will be sufficient tender of any refund due you.

 - c. cooperate with us in the investigation, settlement or defense of the claim or suit; and
 - d. assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the Insured because of injury or damage to which this insurance may also apply.

4. The Insureds will not, except at their own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

F. Other Insurance

If other insurance applies to a "loss" that is also covered by this policy, this policy will apply excess of the other insurance. Nothing herein will be construed to make this policy subject to the terms, conditions and limitations of such other insurance. However, this provision will not apply if the other insurance is specifically written to be excess of this policy.

Other insurance includes any type of self-insurance or other mechanism by which an Insured arranges for funding of legal liabilities.

G. Terms Conformed to Statute

The terms of this Policy which are in conflict with the statutes of the state where this Policy is issued are amended to conform to such statutes. If we are prevented by law or statute from paying on behalf of the Insured, then we will, where permitted by law or statute, indemnify the Insured.

H. When "Loss" is Payable

Coverage under this policy will not apply unless and until the Insured or the Insured's underlying insurance has paid or is obligated to pay the full amount of the Underlying Limits of Insurance stated in Item 5. of the Declarations.

When the amount of "loss" has finally been determined, we will promptly pay on behalf of the Insured the amount of "loss" covered under the terms of this policy.
