MT#13229 11.2 of 08/25/2020 (Award)

Impact on Residents and Businesses

The Project repaired and restored damaged levee sections resulting from previous storms. Included in this work is additional scour protection to increase flood protection by deepening the levee panels. This emergency work restored and enhanced critical sections of the levee, will provide flood protection to adjacent communities, and have a positive impact to residents and businesses.

Contract History and Price Reasonableness

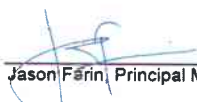

Pursuant to Public Contract Code 21091, invitation of sealed bids was solicited by advertising in print and digital media.

The final price for the contract is \$1,848,676 which is within 2% under the contract amount.
