**BACKGROUND:**

**Summary**

In accordance with the County's Citizen Participation Plan and 24 CFR Section 91.105(e), a public hearing needs to be conducted to obtain citizen's views on community development needs and proposed uses of Community Planning and Development (CPD) funding in the One-Year Action Plan. This is the initial public hearing for the 2021-2022 HUD CPD funding cycle. No formal action by the Board of Supervisors is necessary.

Pursuant to the County's Citizen Participation Plan and 24 CFR Section 91.105, the Department of Housing, Homelessness Prevention and Workforce Solutions (HHPWS) published the required public notices notifying the public of the comment period for both the proposed 2021-2022, One-Year Action Plan of the 2019-2024 Five-Year Consolidated Plan and the public hearing.

At a later date, staff will submit the final 2021-2022, One-Year Action Plan of the 2019-2024 Five-Year Consolidated Plan to the Board of Supervisors for review and adoption. The One-Year Action Plan will identify the specific activities selected for Community Development Block Grant (CDBG), Home Investment Partnership Program (HOME), and Emergency Solutions Grant (ESG) funding. The Federal FY 2021 appropriations have been approved by Congress; therefore, staff anticipate presenting the final 2020-2021 One-Year Action Plan to the Board of Supervisors no later than May 11, 2021.

Upon completion of the citizen participation process, the review and consideration of comments, and the review and adoption by the Board of Supervisors, the final 2021-2022 One-Year Action Plan of the 2019-2024 Five Year Consolidated Plan will be forwarded to the U.S. Department of Housing and Urban Development (HUD) for review and approval.

The proposed activities under the 2021-2022 HUD-funded Community Planning and Development (CPD) programs are attached.

It is anticipated that the Board of Supervisors will approve and adopt the final 2021-2022 One Year Action Plan at its regular meeting of May 11, 2021. The 2021-2022 One-Year Action Plan will then be forwarded to the U.S. Department of Housing and Urban Development (HUD) for review and approval on or about May 15, 2021. Please note that both the meeting date and time are subject to change.

**EXECUTIVE SUMMARY.** The primary objective of the County's CPD programs is the development of viable urban communities by providing decent housing, a suitable living environment, and expansion of economic opportunities, principally for persons of low and moderate incomes. The 2021-2022 One Year Action Plan is a component of the 2019-2024 Five Year Consolidated Plan that must be updated annually. It provides detailed information on the resources the County expects to receive and the specific activities to be undertaken to meet the priority needs identified in the Consolidated Plan. Upon completion of the Citizen Participation process, the review and considerations of comments, and the approval by the Board of Supervisors, the County will prepare and submit the final 2021-2022 One Year Action Plan of the 2019-2024 Five Year Consolidated Plan to the U.S. Department of Housing and Urban Development.

**ANTICIPATED FUNDS.** Anticipated allocations to be received through the FY 2021-22 HUD appropriations are: \$8,100,000 for the Community Development Block Grant (CDBG) program, including the Metro City Program; \$2,531,648 for the Home Investment Partnership (HOME) program, including the Community Housing Development Organizations (CHDO) program; and \$590,000 for the Emergency Solutions Grant (ESG) program. The County expects to utilize at least eighty-five percent (85%) of the CPD funds for activities that will benefit low and moderate-income persons.

SUMMARY OF PROPOSED ONE YEAR PLAN ACTIVITIES. The County received 90 proposals for the 2021-22 CDBG funding totaling \$8,070,331. The proposed activities included public service, public facility improvements, rehabilitation, economic development, code enforcement, and others. There were six (6) requests for Emergency Solutions Grant (ESG) funding totaling \$1,351,451. Proposals for the HOME program include: HOME New Construction (\$1,124,368); HOME Direct Ownership (\$774,368); HOME/CHDO Set-Aside (\$379,658); and HOME administration (\$253,104). The combined cost for the oversight of the programs (HOME, CDBG, ESG) general management and administrative activities is estimated to be \$1,579,365.

DISPLACEMENT. Planned activities will be designed to minimize the displacement of persons. The provision of relocation benefits to displaced persons and replacement of low-and moderate-income housing units that are demolished or converted to another use as a result of CDBG funded activities will be consistent with the County's Anti-Displacement and Relocation Assistance Plan and provisions of the Uniform Relocation Assistance and Real Property Acquisition Act of 1970, as amended.

CITIZEN PARTICIPATION AND COMMENTS. The County of Riverside initiated the 2021-2022 CPD Funding cycle in August 2020, with the publication of the *Notification of Funding Availability* (NOFA) for the CDBG and ESG programs. The County initiated the *Citizen Participation Process* in August 2020, with the notification to residents, Cooperating Cities, non-profit organizations, service providers, public agencies, and other stakeholders, of the 2021-2022 CPD Funding cycle. The Citizen Participation Process consisted of public meetings in unincorporated communities to receive input from residents and others to identify and assess economic, community, housing, and social development needs in the communities.

**Comments:** I write to express strong support for ACA 3. The use of involuntary servitude is a new state-run form of slavery and ought to be abolished in the State of California. I am especially concerned with the way the current law allows for the exploitation of people in the prison system, especially because of the overrepresentation of people of color there. The current laws create economic incentives to persist in mass incarceration of our citizens. We are better than that, and I urge you to follow your conscience and take a stand for what is right.

Dear Clerk of the Board of Supervisors:

I had submitted a request to speak, and was granted an opportunity to present our project on the zoom call during the hearing today. However I was not recognized to speak nor was our application announced. I am attaching the statement I would have presented for you to provide to the Board of Supervisors for their consideration of our request for funding.

Thank you for your assistance.

Good Afternoon – I am Laura Nachison, Senior Grant Writer, representing Desert AIDS Project, now known as DAP Health.

Thank you all for your dedication and commitment to serving the residents of Riverside County.

DAP is located in District 4. DAP's facility is located at 1695 N. Sunrise Way, Palm Springs.

District 4 has the highest HIV prevalence and incidence rates in the entire county. CDBG funding directly benefits our patients and clients who are living with HIV.

People living with HIV are a presumed low-income group to qualify for CDBG funding. Additionally, DAP's main facility where this project is located is in census tract 044602, which at over 57% exceeds the 51% low-income threshold requirement for CDBG funding.

DAP provides healthcare, HIV specialty care, mental health care, dental care, housing placement assistance, job placement assistance, food distribution, and wellness services supporting the health and well-being of our patients and clients living with HIV. DAP's services help prevent transmission of HIV to make our community healthier.

DAP is requesting \$122,475 in CDBG funds for construction costs for Phase 4 of DAP's Fire Suppression Project.

With gratitude to the County of Riverside for CDBG funding, DAP has completed Phases 1 through 3 of its Fire Suppression Project during Program Years 2018- 2020.

Phase 4 of this Project will improve safety and quality of care for patients, clients, DAP's staff and the surrounding neighborhood. Construction will install a fire suppression system (sprinkler system) in the area that will eventually contain DAP's mental health services. The diagram we submitted shows the area of construction indicated as Dental and Dock clinics, which will be relocated.

Construction activities will consist of demolition of walls and ceilings to install a new water pipeline; asbestos abatement as required, wood blocking to support pipeline installation; installation of pipelines and sprinkler heads; installing drywall, wall texture and painting.

Thank you for the opportunity to present DAP's project for funding consideration.

I would be pleased to answer any questions.

El Condado de Riverside se está preparando el proceso de preparar el Plan de Acción 2021-2022 según lo requerido por el Departamento de Vivienda y Desarrollo Urbano (HUD) de EE.UU. Esta encuesta de evaluación de necesidades se utiliza para obtener comentarios de los residentes del Condado y otras personas interesadas con respecto a viviendas asequibles, desarrollo comunitario, desarrollo económico y otras necesidades de los residentes de el Condado.

El Plan Consolidado permite al Condado utilizar fondos de becas de Community Development Block Grant (CDBG), Emergency Solutions Grant (ESG), y HOME Investment Partnership Act (HOME) dentro del Condado.

Su respuesta a esta encuesta son un componente esencial del proceso de la planificación del Condado. Good afternoon Lailah,

So far, we have one more phone speaker request, Kim Scanlan from the Coachella Valley Women's Business Center.

Roy,  
Please advise Lailah if you have any others Requests to Speak by phone for Item No 24.1.

Thank you kindly, and have a nice weekend.

**Subject:** CDBG Public Hearing 03/09/2021 / Registered Speakers

Good Afternoon BOS Staff,

I just wanted to touch bases with you to see if you could provide a preliminary count as to how many have registered via the BOS website to speak at the CDBG public hearing next week?

So far, I have confirmed one in person speaker (Robert Magee with TMLA), and one telephonic speaker (Jessica Munoz with Voices for Children).

Thanks in advance.

**Respectfully,**

*Lailah Espritt*
