BACKGROUND:

Summary

Every four (4) years, Riverside County Office on Aging (RCOoA) is required to competitively bid the services required by the Older Americans Act (OAA) Title III – Grants for State & Community Programs on Aging, OAA Title VII – Vulnerable Elder Rights Protection Activity, and Health Insurance Counseling and Advocacy Program (HICAP) to find qualified service providers to deliver these critical services. A Request for Proposal (RFP) was facilitated by the County Purchasing Department to assist RCOoA in finding service providers who are capable, responsible and appropriate to deliver the necessary and mandated Title III, VII, and HICAP services to the target population of Riverside County. These services include: Title IIIB – Supportive Services, Title IIIC – Congregate and Home Delivered Senior Nutrition, Title IIIE – Family Caregiver Support Program (FCSP), Title III and VII Ombudsman Services, and HICAP.

The service agreement with each service provider reflects the current requirements of the OAA, the California Department of Aging (CDA) and the County of Riverside. The requirements are subject to modification(s) depending on outcome of the federal and state final legislative process.

These programs are funded by the Older Americans Act and Older Californians Act, and support the goals and objectives of the 2020-2024 Riverside County Area Plan on Aging, titled “The Path Ahead”, approved by the Board of Supervisors on September 15, 2020.

Impact on Residents and Businesses

These funds are to be utilized in accordance with the requirements of the Older Americans Act, for individuals aged 60 years and older with the greatest social and economic need; with considerable emphasis on programs and services that help older individuals find employment, support older individuals and persons with disabilities to live as independently as possible in their home and community, promote healthy aging and community involvement, and assist family members in their vital caregiving role.

Additional Fiscal Information

These services are funded with federal funds which are allocated to Area Agencies on Aging through agreements with the CDA. RCOoA's budget, as submitted for fiscal year 2020/21,

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

reflects the amount specified in the agreement with CDA. The agreement with CDA also describes the requirements for the allotted funding.

No additional County funds are required or requested to fulfill the obligations of these services.

The additional 20% allows the department to amend the current agreement if additional funding from CDA becomes available before the end of the fiscal year.

Contract History and Price Reasonableness

County Purchasing, on behalf of RCOoA, released request for proposal (RFP), RFP #OAARC-019 – Coordinated Care Programs Older Americans Act: Title III, VII, & HICAP Services for the period of October 1, 2020 to June 30, 2024. The RFP was advertised on RCOoA's website, County Purchasing's website as well as on publicpurchase.com. The RFP closed on May 29, 2020. Fourteen (14) vendors submitted a bid response. The proposals were reviewed and evaluated by an evaluation committee. Each RFP response was evaluated based on the criteria set forth in the RFP.

The proposals received were from providers that have the expertise and knowledge in providing senior services and each proposal identified their requested service delivery area. The proposed rates to fulfill the delivery service were subjected to a Best and Final Offer (BAFO) issued by County Purchasing and responded to by the bidding service providers. Based on the evaluation criteria of the RFP and the Best & Final Offer, the evaluation team determined thirteen (13) vendors to be the most responsive and responsible bidders. AccentCare of California, Inc. was one of them. One vendor did not meet the requirements defined in the scope of work of the RFP. The Board of Supervisors approved agreements with eleven vendors on January 12, 2021 (Item 3.24) and Eisenhower Medical Center on March 23, 2021 (item 3.18).

The agreement between RCOoA and CDA describes the requirements for service delivery. The services are reported, monitored and costs are billed monthly after the service has been delivered in accordance with the requirements. A year-end report from each service provider is reconciled annually to review the cost appropriateness of service delivery, along with service goal achievements.

Although the previous eleven agreements received approval through June 30, 2024, the department will be entering into new agreements with all providers prior to June 30, 2021 to align with new requirements from CDA. This contract fills a need for this nine-month period.
