BACKGROUND:

Summary

Riverside University Health System – Behavioral Health (RUHS-BH) operates a continuum of care system that consists of County-operated and contracted service providers delivering a variety of Substance Abuse Prevention and Treatment services within each geographic region of Riverside County.

Primary Prevention services reduce or prevent the use or abuse of alcohol or other drugs (AOD) among individuals, and effect change in community conditions that contribute to AOD-related problems. Establishing contracts with prevention providers will expand the availability of AOD prevention services for individuals who do not require treatment for substance abuse. Prevention services will be offered to residents throughout Riverside County. The target populations include youth residing in communities with >18% poverty level, LGBTQ youth, young adults in the Desert Region of the County, and high-risk youth throughout the County.

The Riverside County Strategic Prevention Framework (SPF) Plan for 2019-2024 included a community needs assessment to identify pressing AOD concerns using trend data and other qualitative and quantitative information. Through this process, the following needs were identified and the contracts were awarded based on the ability to meet the following needs:

1. Increase access to Individual Prevention Services for high-risk youth throughout the County.
2. Increase Community Prevention Services, emphasizing the harm of AOD use and reduce the use of AOD throughout the County by organizing and working with coalitions in identified high poverty (>18%) communities throughout the County.
3. Reduce access, availability, and use of AOD among LGBTQ youth and young adults in the Desert Region of the County.

RUHS-BH utilizes the Substance Abuse Prevention and Treatment Block Grant (SABG) to fund Prevention services.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

RUHS-BH is requesting that the Board of Supervisors approve the Substance Abuse Prevention contract aggregate for FY 20-21 through FY 23-24 with the Substance Abuse Prevention Providers listed in Attachment A in the amount of \$400,000 annually, \$1,600,000 total.

Impact on Citizens and Businesses

These services are a component of Behavioral Health's system of care aimed at improving the health and safety of consumers and the community.

Contract History and Price Reasonableness

On February 25, 2020, Request for Proposal (RFP) #MHARC-252 for Substance Abuse Prevention Services, was released via Public Purchase which is an e-Procurement website utilized by the County of Riverside for Behavioral Health procurements. Public Purchase notified 182 organizations of the funding opportunity. In addition to releasing the RFP on Public Purchase, an email notification was sent to 12 individuals on the Substance Abuse Prevention Services Bidders List provided by RUHS-BH, to inform potential bidders the County was seeking proposals. The RFP closed on April 30, 2020, and four proposals were received. One proposal was deemed non-responsive as the bidder did not meet the eligibility requirements stipulated in the RFP of being a contracted outpatient treatment provider with the County of Riverside. The three remaining proposals were pre-screened and determined to have the required sections and met the eligibility requirements for the proposed services.

The hourly rates proposed by the contractors were deemed reasonable and competitive by the RFP Evaluation Committee based upon average industry costs and the nature of the services being provided for each of the proposed goals. The Evaluation Committee recommended all three bidders to be awarded a contract for Prevention Services. The awarded contractors will provide the services at the contracted rate outlined in their agreement.

H. RECOGNITION OF FINANCIAL SUPPORT:

If, when and/or where applicable, CONTRACTOR'S stationery/letterhead shall indicate that funding for the program is provided in whole or in part by Riverside University Health System – Behavioral Health.

Monthly reimbursements may be withheld and recouped at the discretion of the Director or its designee due to material Agreement non-compliance, including overpayments as well as adjustments or disallowances resulting from the COUNTY Contract Monitoring Team Review (CMT), COUNTY Program Monitoring, Federal or State Audit, and/or the Cost Report Reconciliation/Settlement process.
2. In addition, if the COUNTY determines that there is any portion (or all) of the CONTRACTOR invoice(s) that cannot be substantiated, verified or proven to be valid in any way for any fiscal year, then the COUNTY reserves the right to disallow payments to CONTRACTOR until proof of any items billed for is received, verified and approved by the COUNTY.
3. In addition to the annual CMT, Program Monitoring, and Cost Report Reconciliation/Settlement processes, the COUNTY reserves the right to perform impromptu CMTs without prior notice throughout the fiscal year in order to minimize and prevent COUNTY and CONTRACTOR loss and inaccurate billing/reports. The COUNTY, at its discretion, may withhold and/or offset invoices and/or monthly reimbursements to CONTRACTOR, at any time without prior notification to CONTRACTOR, for service deletes and denials that may occur in association with this Agreement. COUNTY shall notify CONTRACTOR of any such instances of services deletes and denials and

subsequent withholds and/or reductions to CONTRACTOR invoices or monthly reimbursements.

4. Notwithstanding the provisions of Paragraph I-1 and I-2 above, CONTRACTOR shall be paid in arrears based upon either the actual units of service provided and entered into the COUNTY'S specified Electronic Management Information System (MIS), or on a one-twelfth (1/12th) monthly basis, or based upon the actual cost invoice by expenditure category, as specified in Paragraph A-1 above.
 - a. CONTRACTOR will be responsible for entering all service related data into the COUNTY'S MIS (i.e. Provider Connect or CalOMS) on a monthly basis and approving their services in the MIS for electronic batching (invoicing) and subsequent payment.
 - b. CONTRACTOR is required to enter all units of service into the COUNTY'S MIS no later than 5:00 p.m. on the fifth (5th) calendar day following the date of service. Late entry of services into the COUNTY'S MIS may result in financial and/or service denials and/or disallowances to the CONTRACTOR.
 - c. CONTRACTOR must also submit to the COUNTY a signed Program Integrity Form (PIF) **(attached as Exhibit C, Attachment A)** signed by the Director or authorized designee of the CONTRACTOR organization. This form must be faxed and/or emailed (PDF format only) to the COUNTY at (951) 358-6868, and/or emailed to ELMR_PIF@rcmhd.org. The CONTRACTOR PIF form must be received by the COUNTY via fax and/or email for the prior month no later than 5:00 p.m. on the fifth (5th) calendar day of the current month.
 - d. Services entered into the MIS more than 60 calendar days after the date of service without prior approval by the COUNTY may result in financial and/or service denials and/or disallowances to the CONTRACTOR.
 - e. In addition to entering all service related data into the COUNTY'S MIS and the submission of a signed Program Integrity Form (PIF), contracts reimbursed based on a Schedule K as specified in Paragraph A-1 above are required to submit a monthly invoice for the actual cost of services provided, per expenditure category, as identified on Schedule K.
 - f. Failure by the CONTRACTOR to enter and approve all applicable services into the MIS for the applicable month, faxing and/or e-mailing the signed PIF, and when applicable, faxing and/or e-mailing the actual cost invoice, will delay payment to the CONTRACTOR until the required documents as outlined herein are provided.
5. CONTRACTOR shall work with their respective COUNTY Regions or Programs to generate a monthly invoice for payment through the MIS batching process.
6. CONTRACTOR shall provide the COUNTY with all information necessary for the preparation and submission to the State, if applicable, for all billings, and the audit of all billings.
7. In order to ensure that CONTRACTOR will receive reimbursement for services rendered under this Agreement, CONTRACTOR shall be responsible for notifying Medi-Cal if at any time CONTRACTOR discovers or is made aware that client Medicare and/or Insurance coverage has been terminated or otherwise is not in effect. CONTRACTOR shall provide COUNTY with a print screen from the Medi-Cal eligibility website indicating the Medicare and/or Insurance coverage has been removed within ten (10) days of termination request. CONTRACTOR shall include their name and the comment "Medicare/OHC Termed" on the documentation provided to the COUNTY.

8. Unless otherwise notified by the COUNTY, CONTRACTOR invoicing will be paid by the COUNTY thirty (30) calendar days after the date a correct PIF is received by the COUNTY and invoice is generated by the applicable COUNTY Region/Program.
9. Pursuant to Section III.A. – REIMBURSEMENT AND USE OF FUNDS AND SECTION XXV. – PROHIBITED AFFILIATIONS of the Agreement, CONTRACTOR acknowledges any payment received for an excluded person may be subject to recover and/or considered an overpayment by RUHS-BH and DHCS and/or be the basis for other sanctions by DHCS.

J. COST REPORT:

1. For each fiscal year, or portion thereof, that this Agreement is in effect, CONTRACTOR shall provide to COUNTY two (2) copies, per each Program Code, an annual Cost Report with an accompanying financial statement and applicable supporting documentation to reconcile to the Cost Report within one of the length of times as follows and as indicated below by an "X":
 - Thirty (30) calendar days following the end of each fiscal year (June 30th), or the expiration or termination of the Agreement, whichever occurs first.
 - Forty-five (45) calendar days following the end of each fiscal year (June 30th), or the expiration or termination of the Agreement, whichever occurs first.
 - Seventy-Five (75) calendar days following the end of each fiscal year (June 30th), or the expiration or termination of the Agreement, whichever occurs first.
2. The Cost Report shall detail the actual cost of services provided. The Cost Report shall be provided in the format and on forms provided by the COUNTY.
3. CONTRACTOR shall follow all applicable Federal, State and local regulations and guidelines to formulate proper cost reports, including but not limited to OMB-circular A-122 and OMB-circular A-87.
4. It is mandatory that the CONTRACTOR send one representative to the COUNTY'S annual cost report training that covers the preparation of the year-end Cost Report. The COUNTY will notify CONTRACTOR of the date(s) and time(s) of the training. Annual attendance at the training is mandatory in order to ensure that the Cost Reports are completed appropriately. Failure to attend this training will result in delay of any reimbursements to the CONTRACTOR.
5. CONTRACTOR will be notified in writing by COUNTY, if the Cost Report has not been received within the specified length of time as indicated in Section I, paragraph 1 above. Future monthly reimbursements will be withheld if the Cost Report contains errors that are not corrected within ten (10) calendar days of written or verbal notification from the COUNTY. Failure to meet any pre-approved deadlines or extensions will immediately result in the withholding of future monthly reimbursements.
6. The Cost Report shall serve as the basis for year-end settlement to CONTRACTOR including a reconciliation and adjustment of all payments made to CONTRACTOR and all revenue received by CONTRACTOR. Any payments made in excess of Cost Report settlement shall be repaid upon demand, or will be deducted from the next payment to CONTRACTOR.

7. All current and future payments to CONTRACTOR will be withheld by the COUNTY until all final, current and prior year Cost Report(s) have been reconciled, settled and signed by CONTRACTOR, and received and approved by the COUNTY.
8. CONTRACTOR shall report Actual Costs separately, if deemed applicable and as per CONTRACTOR'S Schedule I, to provide Agreement Client Ancillary Services, Prescriptions, Health Maintenance Costs, and Flexible funding costs under this Agreement on the annual cost report. Where deemed applicable, Actual Costs for Indirect Administrative Expenses shall not exceed the percentage of cost as submitted in the CONTRACT Request for Proposal or Cost Proposal(s).

K. BANKRUPTCY:

Within five (5) calendar days of filing for bankruptcy, CONTRACTOR shall notify COUNTY'S Behavioral Health's Fiscal Services Unit, in writing by certified letter with a courtesy copy to the Behavioral Health's Program Support Unit. The CONTRACTOR shall submit a properly prepared Cost Report in accordance with requirements and deadlines set forth in Section I before final payment is made.

L. AUDITS:

1. CONTRACTOR agrees that any duly authorized representative of the Federal Government, the State or COUNTY shall have the right to audit, inspect, excerpt, copy or transcribe any pertinent records and documentation relating to this Agreement or previous Agreements in previous years.
2. If this Agreement is terminated in accordance with Section XXVII, TERMINATION PROVISIONS, the COUNTY, Federal and/or State governments may conduct a final audit of the CONTRACTOR. Final reimbursement to CONTRACTOR by COUNTY shall not be made until all audit results are known and all accounts are reconciled. Revenue collected by CONTRACTOR during this period for services provided under the terms of this Agreement will be regarded as revenue received and deducted as such from the final reimbursement claim.
3. Any audit exception resulting from an audit conducted by any duly authorized representative of the Federal Government, the State or COUNTY shall be the sole responsibility of the CONTRACTOR. Any audit disallowance adjustments shall be paid in full upon demand or withheld at the discretion of the Director of Behavioral Health against amounts due under this Agreement or Agreement(s) in subsequent years.
4. The COUNTY will conduct Program Monitoring Review and/or Contract Monitoring Team Review (CMT). Upon completion of monitoring, CONTRACTOR will be mailed a report summarizing the results of the site visit. If and when necessary, a corrective Action Plan will be submitted by CONTRACTOR within thirty (30) calendar days of receipt of the report. CONTRACTOR'S failure to respond within thirty (30) calendar days will result in withholding of all payment until the corrective plan of action is received. CONTRACTOR'S response shall identify time frames for implementing the corrective action. Failure to provide adequate response or documentation for this or subsequent year's Agreements may result in Agreement payment withholding and/or a disallowance to be paid in full upon demand.

M. TRAINING:

CONTRACTOR understands that as the COUNTY implements its current MIS to comply with Federal, State and/or local funding and service delivery requirements, CONTRACTOR will, therefore, be responsible for sending at least one representative to receive all applicable

COUNTY training associated with, but not limited to, applicable service data entry, client registration, billing and invoicing (batching), and learning how to appropriately and successfully utilize and/or operate the current and/or upgraded MIS as specified for use by the COUNTY under this Agreement. The COUNTY will notify the CONTRACTOR when such training is required and available.

N. FURNISHINGS AND EQUIPMENT

1. **OWNERSHIP:** If equipment and furnishings were previously purchased through this Agreement, CONTRACTOR acknowledges that these items are the property of COUNTY. Procedures provided by COUNTY for the acquisition, inventory, control and disposition of the equipment and the acquisition and payment for administrative services to such equipment (e.g. office machine repair) are to be followed.
2. **INVENTORY:** CONTRACTOR shall maintain an internal inventory control system that will provide accountability for equipment and furnishings purchased through this Agreement, regardless of cost. The inventory control system shall record at a minimum the following information when property is acquired: date acquired; property description (to include model number); property identification number (serial number); cost or other basis of valuation; funding source; and rate of depreciation or depreciation schedule, if applicable. An updated inventory list shall be provided to COUNTY on a semi-annual basis, and filed with the Annual Cost Report. Once COUNTY is in receipt of this list, COUNTY inventory tags will be issued to CONTRACTOR, and are to be attached to the item as directed.
3. **DISPOSAL:** Approval must be obtained from COUNTY prior to the disposal of any property purchased with funds from this Agreement, regardless of the acquisition value. Disposal (which includes sale, trade-in, discard, or transfer to another agency or program) shall not occur until approval is received in writing from COUNTY.
4. **CAPITAL ASSETS:**

It is CONTRACTOR'S responsibility to ensure compliance with these requirements.
 - b. Any capital asset that was acquired or improved in whole or in part with funds disbursed under this Agreement, or under any previous Agreement between COUNTY and CONTRACTOR, shall either be, at the election of COUNTY as determined by the Director or designee: (1) transferred to COUNTY including all title and legal ownership rights; or (2) disposed of and proceeds paid to COUNTY in a manner that results in COUNTY being reimbursed in the amount of the current fair market value of the real or personal property less any portion of the current value attributable to CONTRACTOR's out of pocket expenditures using non-county funds for acquisition of, or improvement to, such real or personal property and less any direct and reasonable costs of disposition.

10. (a) Enter the full name, address, city, state and zip code of the lobbying entity engaged by the reporting entity identified in item 4 to influence the covered Federal action.

There must be a documented patch management process which determines installation timeframe based on risk assessment and vendor recommendations. At a maximum, all applicable patches must be installed within thirty (30) days of vendor release. Applications and systems that cannot be patched within this time frame due to significant operational reasons must have compensatory controls implemented to minimize risk until the patches can be installed. Application and systems that cannot be patched must have compensatory controls implemented to minimize risk, where possible.

g. User IDs and Password Controls

All users must be issued a unique user name for accessing RUHS-BH PHI or PI. 3. In addition to the annual CMT, Program Monitoring, and Cost Report Reconciliation/Settlement processes, the COUNTY reserves the right to perform impromptu CMTs without prior notice throughout the fiscal year in order to minimize and prevent COUNTY and CONTRACTOR loss and inaccurate billing/reports. The COUNTY, at its discretion, may withhold and/or offset invoices and/or monthly reimbursements to

CONTRACTOR, at any time without prior notification to CONTRACTOR, for service deletes and denials that may occur in association with this Agreement. COUNTY shall notify CONTRACTOR of any such instances of services deletes and denials and subsequent withholds and/or reductions to CONTRACTOR invoices or monthly reimbursements.

4.  - f. Failure by the CONTRACTOR to enter and approve all applicable services into the MIS for the applicable month, faxing and/or e-mailing the signed PIF, and when applicable, faxing and/or e-mailing the actual cost invoice, will delay payment to the CONTRACTOR until the required documents as outlined herein are provided.
5. CONTRACTOR shall work with their respective COUNTY Regions or Programs to generate a monthly invoice for payment through the MIS batching process.

The COUNTY will notify CONTRACTOR of the date(s) and time(s) of the training. Annual attendance at the training is mandatory in order to ensure that the Cost Reports are completed appropriately. Failure to attend this training will result in delay of any reimbursements to the CONTRACTOR.
5. CONTRACTOR will be notified in writing by COUNTY, if the Cost Report has not been received within the specified length of time as indicated in Section I, paragraph 1 above. Future monthly reimbursements will be withheld if the Cost Report contains errors that are not corrected within ten (10) calendar days of written or verbal notification from the COUNTY. Failure to meet any pre-approved deadlines or extensions will immediately result in the withholding of future monthly reimbursements.
6. The Cost Report shall serve as the basis for year-end settlement to CONTRACTOR including a reconciliation and adjustment of all payments made to CONTRACTOR and all

revenue received by CONTRACTOR. Any payments made in excess of Cost Report settlement shall be repaid upon demand, or will be deducted from the next payment to CONTRACTOR.

7. All current and future payments to CONTRACTOR will be withheld by the COUNTY until all final, current and prior year Cost Report(s) have been reconciled, settled and signed by CONTRACTOR, and received and approved by the COUNTY.

Final reimbursement to CONTRACTOR by COUNTY shall not be made until all audit results are known and all accounts are reconciled. 3. Any audit exception resulting from an audit conducted by any duly authorized representative of the Federal Government, the State or COUNTY shall be the sole responsibility of the CONTRACTOR. Any audit disallowance adjustments shall be paid in full upon demand or withheld at the discretion of the Director of Behavioral Health against amounts due under this Agreement or Agreement(s) in subsequent years.

Upon completion of monitoring, CONTRACTOR will be mailed a report summarizing the results of the site visit. If and when necessary, a corrective Action Plan will be submitted by CONTRACTOR within thirty (30) calendar days of receipt of the report. 2. The Cost Report shall detail the actual cost of services provided. The Cost Report shall be provided in the format and on forms provided by the COUNTY.
3. CONTRACTOR shall follow all applicable Federal, State and local regulations and guidelines to formulate proper cost reports, including but not limited to OMB-circular A-122 and OMB-circular A-87.
4. It is mandatory that the CONTRACTOR send one representative to the COUNTY'S annual cost report training that covers the preparation of the year-end Cost Report. The COUNTY will notify CONTRACTOR of the date(s) and time(s) of the training. Annual attendance at the training is mandatory in order to ensure that the Cost Reports are completed appropriately. Failure to attend this training will result in delay of any reimbursements to the CONTRACTOR.

5. CONTRACTOR will be notified in writing by COUNTY, if the Cost Report has not been received within the specified length of time as indicated in Section I, paragraph 1 above. Future monthly reimbursements will be withheld if the Cost Report contains errors that are not corrected within ten (10) calendar days of written or verbal notification from the COUNTY. Failure to meet any pre-approved deadlines or extensions will immediately result in the withholding of future monthly reimbursements.
6. The Cost Report shall serve as the basis for year-end settlement to CONTRACTOR including a reconciliation and adjustment of all payments made to CONTRACTOR and all revenue received by CONTRACTOR. Any payments made in excess of Cost Report settlement shall be repaid upon demand, or will be deducted from the next payment to CONTRACTOR.
7. All current and future payments to CONTRACTOR will be withheld by the COUNTY until all final, current and prior year Cost Report(s) have been reconciled, settled and signed by CONTRACTOR, and received and approved by the COUNTY.
8. CONTRACTOR shall report Actual Costs separately, if deemed applicable and as per CONTRACTOR'S Schedule I, to provide Agreement Client Ancillary Services, Prescriptions, Health Maintenance Costs, and Flexible funding costs under this Agreement on the annual cost report. Where deemed applicable, Actual Costs for Indirect Administrative Expenses shall not exceed the percentage of cost as submitted in the CONTRACT Request for Proposal or Cost Proposal(s).

K. BANKRUPTCY:

Within five (5) calendar days of filing for bankruptcy, CONTRACTOR shall notify COUNTY'S Behavioral Health's Fiscal Services Unit, in writing by certified letter with a courtesy copy to the Behavioral Health's Program Support Unit. The CONTRACTOR shall submit a properly prepared Cost Report in accordance with requirements and deadlines set forth in Section I before final payment is made.

L. AUDITS:

1. CONTRACTOR agrees that any duly authorized representative of the Federal Government, the State or COUNTY shall have the right to audit, inspect, excerpt, copy or transcribe any pertinent records and documentation relating to this Agreement or previous Agreements in previous years.
2. If this Agreement is terminated in accordance with Section XXVII, TERMINATION PROVISIONS, the COUNTY, Federal and/or State governments may conduct a final audit of the CONTRACTOR. Final reimbursement to CONTRACTOR by COUNTY shall not be made until all audit results are known and all accounts are reconciled. Revenue collected by CONTRACTOR during this period for services provided under the terms of this Agreement will be regarded as revenue received and deducted as such from the final reimbursement claim.
3. Any audit exception resulting from an audit conducted by any duly authorized representative of the Federal Government, the State or COUNTY shall be the sole responsibility of the CONTRACTOR. Any audit disallowance adjustments shall be paid in full upon demand or withheld at the discretion of the Director of Behavioral Health against amounts due under this Agreement or Agreement(s) in subsequent years.

4. The COUNTY will conduct Program Monitoring Review and/or Contract Monitoring Team Review (CMT). Upon completion of monitoring, CONTRACTOR will be mailed a report summarizing the results of the site visit. If and when necessary, a corrective Action Plan will be submitted by CONTRACTOR within thirty (30) calendar days of receipt of the report. CONTRACTOR'S failure to respond within thirty (30) calendar days will result in withholding of all payment until the corrective plan of action is received. CONTRACTOR'S response shall identify time frames for implementing the corrective action. Failure to provide adequate response or documentation for this or subsequent year's Agreements may result in Agreement payment withholding and/or a disallowance to be paid in full upon demand.

M. TRAINING:

CONTRACTOR understands that as the COUNTY implements its current MIS to comply with Federal, State and/or local funding and service delivery requirements, CONTRACTOR will, therefore, be responsible for sending at least one representative to receive all applicable COUNTY training associated with, but not limited to, applicable service data entry, client registration, billing and invoicing (batching), and learning how to appropriately and successfully utilize and/or operate the current and/or upgraded MIS as specified for use by the COUNTY under this Agreement. The COUNTY will notify the CONTRACTOR when such training is required and available.

N. FURNISHINGS AND EQUIPMENT

1. **OWNERSHIP:** If equipment and furnishings were previously purchased through this Agreement, CONTRACTOR acknowledges that these items are the property of COUNTY. Procedures provided by COUNTY for the acquisition, inventory, control and disposition of the equipment and the acquisition and payment for administrative services to such equipment (e.g. office machine repair) are to be followed.
2. **INVENTORY:** CONTRACTOR shall maintain an internal inventory control system that will provide accountability for equipment and furnishings purchased through this Agreement, regardless of cost. The inventory control system shall record at a minimum the following information when property is acquired: date acquired; property description (to include model number); property identification number (serial number); cost or other basis of valuation; funding source; and rate of depreciation or depreciation schedule, if applicable. It is CONTRACTOR'S responsibility to ensure compliance with these requirements.

Any capital asset that was acquired or improved in whole or in part with funds disbursed under this Agreement, or under any previous Agreement between COUNTY and CONTRACTOR, shall either be, at the election of COUNTY as determined by the Director or designee: (1) transferred to COUNTY including all title and legal ownership rights; or (2) disposed of and proceeds paid to COUNTY in a manner that results in COUNTY being reimbursed in the amount of the current fair market value of the real or personal property less any portion of the current value attributable to CONTRACTOR's out of pocket expenditures using non-county funds for acquisition of, or improvement to, such real or personal property and less any direct and reasonable costs of disposition.
