BACKGROUND:

Riverside County Workforce Development Board (WDB) is a private sector led policy and oversight body that supports economic expansion and the development of the regional workforce. The WDB is governed by the Workforce Innovation and Opportunity Act of 2014 (WIOA) which mandates that more than 50% of the WDB's members must come from the business community. In addition, WDBs are required to have representation from universities or community colleges, economic development, and workforce representatives including labor organizations. This ensures that federal funds for workforce development activities are expended on training and career coaching that meets the needs of the business community. Pursuant to WIOA, the Board of Supervisors, led by the Board Chairman who serves as the Chief Local Elected Official (CLEO), is responsible for appointing the WDB members for two-year terms.

Mr. Grant Gautsche, Director, Riverside County Department of Veterans' Services, has over twenty years of experience with the Department of Veterans' Services. He is passionate about education and workforce issues related to veterans, their families, and other members of the Riverside County community. Under his leadership, the Riverside County Department of Veterans' Services has partnered and collaborated with the Workforce Development Division

and Employment Development Department to refer and assist veterans and their families with gaining employment. Veterans are a diverse group of talented workers and unemployment is a key issue for this population. Veteran Services works to link veterans to education and employment resources, vocational rehabilitation, counseling, and programs which help them attain employment and meet their career goals. Mr. Gautsche has brought recognition to the WDB as the focal point between employees, employers, education, and economic and community development. He continues coordinating with workforce development activities and economic development systems to better meet the needs of Riverside's veteran workforce.

Mr. Gautsche, Director, Riverside County Department of Veterans' Services has expressed interest in continuing to serve on the WDB as a Public Sector Representative for all Districts. If reappointed, he will serve a two-year term commencing May 2, 2021 and expiring May 2, 2023.
