

**SUBMITTAL TO THE FLOOD CONTROL AND
WATER CONSERVATION DISTRICT
BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

ITEM: 11.12
(ID # 15380)

MEETING DATE:

Tuesday, June 08, 2021

FROM: FLOOD CONTROL DISTRICT:

SUBJECT: FLOOD CONTROL DISTRICT: Approval of the Memorandum of Agreement Between the Riverside County Flood Control and Water Conservation District and the United States Army Corps of Engineers, Los Angeles District, for the Water Resources Development Act Section 214, FY 20/21 to FY 26/27, CEQA Exempt, All Districts. [Not-to-Exceed \$410,000 – District Funds 100%]

RECOMMENDED MOTION: That the Board of Supervisors:

1. Find that the Memorandum of Agreement is exempt from the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Section 15061 (b) (3);
2. Approve the Memorandum of Agreement between the Riverside County Flood Control and Water Conservation District (District) and the United States Army Corps of Engineers, Los Angeles District (ACOE);
3. Authorize the Chair to execute the Memorandum of Agreement documents on behalf of the District;
4. Authorize the District's General Manager-Chief Engineer to sign any necessary future amendments to the above Memorandum of Agreement that do not increase the cost to the District and do not materially change the scope of services; and
5. Direct the Clerk of the Board to return four (4) fully executed Memorandum of Agreements to the District.

ACTION: Policy

Jason Uhley, GENERAL MGR-CHF FLD CNTRL ENG

5/26/2021

MINUTES OF THE BOARD OF SUPERVISORS

On motion of Supervisor Washington, seconded by Supervisor Spiegel and duly carried by unanimous vote, IT WAS ORDERED that the above matter is approved as recommended.

Ayes: Jeffries, Spiegel, Washington, Perez, and Hewitt
Nays: None
Absent: None
Date: June 8, 2021
xc: Flood

Kecia R. Harper
Clerk of the Board

By:
Deputy

**SUBMITTAL TO THE FLOOD CONTROL AND WATER CONSERVATION DISTRICT BOARD
OF SUPERVISORS

NET COUNTY COST	\$ 0	\$ 0	\$ 0	\$ 0
SOURCE OF FUNDS: Zone 1 – 7 Funds 100% (See Additional Fiscal Information)			Budget Adjustment: No	
			For Fiscal Year: 20/21 – 26/27	

C.E.O. RECOMMENDATION: Approve

BACKGROUND:

Summary

The Memorandum of Agreement (MOA) sets forth the terms and conditions for the ACOE to expedite the evaluation of Section 408 permits of the Clean Water Act for District and County designated priority projects listed in Appendix A to the MOA.

County Counsel has approved the MOA as to its legal form.

Environmental Findings

Pursuant to CEQA, the MOA was determined to be exempt from CEQA under State CEQA Guidelines Section 15061(b)(3). Section 15061(b)(3), or the "common sense" exemption, applies to activities where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment. The MOA merely identifies the standard provisions that the District and the ACOE shall adhere to when providing funding for the proposed action. Based on the details provided in the MOA, the District has determined that there is no possibility that the activity may have a significant effect on the environment.

Impact on Residents and Businesses

The ACOE's evaluation of permits is funded by ad valorem property tax revenue and entails no new fees, taxes or bonded indebtedness to residents and businesses. Execution of the MOA imposes no additional impacts to residents and businesses.

Additional Fiscal Information

Funding for the District contribution will be provided by the District's Zone 1 through Zone 7 funds. Sufficient funding is available in the District's budget for Fiscal Year 2020-2021.

MEMORANDUM OF AGREEMENT
BETWEEN
RIVERSIDE COUNTY FLOOD CONTROL AND WATER
CONSERVATION DISTRICT AND
U.S. ARMY CORPS OF ENGINEERS, LOS ANGELES DISTRICT

This Memorandum of Agreement ("MOA") is entered into by and between the Riverside County Flood Control and Water Conservation District, a body politic (hereinafter "DISTRICT"), and the Los Angeles District of the United States Army Corps of Engineers, a federal agency (hereinafter "USACE"), individually referred to as "Party" and collectively referred to as the "Parties".

RECITALS

WHEREAS, pursuant to section 14 of the Rivers and Harbors Act of 1899, codified at 33 U.S.C. § 408 ("Section 408"), as amended, USACE has jurisdiction over requests to alter or modify completed water resources development projects constructed by USACE ("Section 408 Requests");

WHEREAS, Section 214 of the Federal Water Resources Development Act of 2000, Public Law 106-541 ("WRDA 2000"), as amended and codified at 33 U.S.C. § 2352, authorizes the Secretary of the Army, after public notice, to accept and expend funds contributed by a non-federal public entity to expedite the evaluation of a permit application of that entity related to a project or activity for a public purpose under the jurisdiction of the Department of the Army;

Memorandum of Agreement

-1-

U.S. Army Corps of Engineers
Riverside County Flood Control
and Water Conservation District

WHEN DOCUMENT IS FULLY EXECUTED RETURN

CLERK'S COPY

to Riverside County Clerk of the Board, Stop 1010
Post Office Box 1147, Riverside, Ca 92502-1147
Thank you.

JUN 08 2021 11.12

WHEREAS, the Secretary of the Army has delegated the responsibility of carrying out Section 214 of the WRDA 2000, as amended, to the Chief of Engineers and his delegated representatives;

WHEREAS, Engineering Circular (EC) 1165-2-220 authorizes District and Division Engineers of USACE to accept and expend funds contributed by non-federal public entities subject to certain limitations;

WHEREAS, USACE has indicated it is not able, without additional resources, to expedite the evaluation of DISTRICT-designated priority Section 408 Requests that have a public purpose;

WHEREAS, DISTRICT is a non-federal entity and believes it is in its best interest to provide funds to USACE pursuant to this MOA to streamline and expedite USACE review of DISTRICT-designated priority Section 408 Requests, as more fully described in this MOA;

WHEREAS, USACE issued an initial public notice dated October 29, 2020 regarding its intent to accept and expend funds contributed by DISTRICT;

WHEREAS, in a memorandum dated March 2, 2021, District Engineer of USACE Los Angeles District determined that expenditure of funds received from DISTRICT is appropriate, and an informational public notice dated March 16, 2021 regarding the decision has been issued;

WHEREAS, it is understood and acknowledged by all Parties that USACE review of DISTRICT-designated priority Section 408 Requests will be completely impartial and in accordance with all applicable federal laws and regulations;

WHEREAS, this MOA establishes the responsibilities and operating procedures of the Parties with respect to USACE review of DISTRICT-designated priority Section 408 Requests requiring USACE permission pursuant to Section 408;

WHEREAS, this MOA is intended to: (1) enable the Parties to fully consider, address, and protect environmental resources, including, but not limited to, impacts to existing and completed USACE water resources development projects and any component feature thereof, early in the development of proposed actions; (2) avoid conflicts late in project development through close coordination during early planning and development stages; (3) provide sufficient information to USACE for timely analysis of project effects and to assist DISTRICT in developing appropriate mitigation measures; (4) maximize the effective use of limited USACE resources by focusing attention on projects that would have the most effect on completed federal flood risk management facilities; (5) provide a mechanism for expediting DISTRICT-designated priority Section 408 Request reviews and coordination when necessary; and (6) provide procedures for resolving disputes in this resource partnering effort.

NOW, THEREFORE, the Parties agree as follows:

AGREEMENT

Article I. - PURPOSE AND AUTHORITIES

A. This MOA is entered into by the Parties for the purpose of establishing a mutual framework governing the respective responsibilities of the Parties for USACE acceptance and expenditure of funds contributed by DISTRICT to provide expedited Section 408 Request evaluation-related services for DISTRICT-designated priority Section 408 Requests. DISTRICT-designated priority Section 408 Requests are listed in Appendix A to this MOA. This

MOA is not intended as the exclusive means of obtaining permit review of DISTRICT's Section 408 Requests. This MOA is a vehicle by which DISTRICT will obtain expedited review and evaluation of DISTRICT-designated priority Section 408 Requests outside of the ordinary USACE review process.

B. DISTRICT enters into this MOA pursuant to Chapter 1122, Statutes of 1945, Act 6642 of the State Legislature.

C. USACE enters into this MOA pursuant to its authority under 33 U.S.C. § 2352.

D. This MOA is limited to DISTRICT-designated priority Section 408 Requests only. A separate agreement may be required between DISTRICT and USACE to expedite environmental technical assistance, coordination services, review, and concurrence of documentation prepared to comply with section 404 of the Clean Water Act of 1972, as amended, and/or Section 10 of the Rivers and Harbors Act of 1899, as amended.

E. DISTRICT is a non-federal public entity, a governmental public authority Special District, in the State of California and may enter into this MOA.

Article II. - SCOPE OF WORK

A. DISTRICT will provide funds to USACE to expedite review and evaluation related services for DISTRICT-designated priority Section 408 Requests as designated in Appendix A. USACE operations and maintenance expenses are funded as a congressionally appropriated line item in the annual federal budget. DISTRICT will provide USACE with funds in accordance with the provisions of 33 U.S.C. § 2352.

B. USACE will provide staffing resources dedicated to expediting DISTRICT-designated priority Section 408 Request reviews, as described in Article II paragraph D below, below and/or other programmatic efforts to support efficient decision-making.

C. USACE will establish a separate internal financial account to track receipt and expenditure of funds associated with its review of DISTRICT permit applications for DISTRICT-designated priority Section 408 Requests. USACE personnel will charge their time and expenses against the account when they perform work to either expedite evaluations for DISTRICT-designated priority Section 408 Requests or undertake other programmatic efforts (i.e., develop framework and processes to streamline the review and approval of DISTRICT's projects) to support efficient decision-making related to DISTRICT's permitting needs.

D. Funds contributed by DISTRICT hereunder will be expended by USACE to defray the costs of its staff (including salary, associated benefits, overhead, and travel expenses) and other costs in order to expedite the evaluation of DISTRICT-designated priority Section 408 Requests. USACE may expend DISTRICT funds to perform select duties, including, but not limited to, technical analyses and writing, Agency Technical Review, real estate evaluation, risk analysis, copying or other clerical/support tasks, acquisition of data, site visits, travel, coordination activities, additional personnel support (including accounting, clerical, and technician), contracting support for technical services (e.g., structural risk evaluation, geotechnical analysis, hydraulic and hydrological engineering review), construction quality assurance and control, environmental documentation preparation and review, consultation with resource agencies, meeting coordination, and any other permit evaluation related responsibilities that may be mutually agreed upon.

E. USACE will not expend funds provided by DISTRICT for costs associated with the review of USACE work undertaken by supervisors or other persons or elements of USACE in the decision-making chain of command. However, if a supervisor is performing staff work and not supervisory oversight, funds provided by DISTRICT pursuant to this MOA may be used.

F. USACE will not expend funds provided by DISTRICT to defray the costs of activities related to USACE enforcement functions, but may use funds provided by DISTRICT to defray costs of activities related to Section 408 permission compliance functions, such as quality assurance activities or reviews of associated Section 408 permission closeout documentation.

G. If the funds provided by DISTRICT are expended and not replenished, any remaining DISTRICT-designated priority Section 408 Requests will be handled like those of any Section 408 requester.

H. Expediting of packages shall include review of a submittal within 30 calendar days. Should the package or plans be incomplete in nature, USACE shall reject plans and notify DISTRICT within seven calendar days of receipt of plans.

Article III. - INTERAGENCY COMMUNICATIONS

A. To provide for consistent and effective communication between the Parties, each party will appoint a Principal Representative to serve as its central point of contact on matters relating to this MOA. Additional representatives may also be appointed to serve as points of contact on specific actions or issues. For the purposes of this MOA, the Principal Representatives are identified in Article paragraph VI. The Principal Representative for each party may be changed upon written notification to the other party.

Article IV. - RESPONSIBILITIES OF THE PARTIES

A. DISTRICT will provide adequate resources to fund existing or additional USACE personnel for the purpose of expediting the review of DISTRICT-designated priority Section 408 Requests and other identified activities. To facilitate USACE reviews and activities, DISTRICT will:

1. Provide adequate information regarding DISTRICT-designated priority Section 408 Requests, scheduling requirements, and other specific activities to initiate permit evaluation. Information required for USACE to deem a Section 408 package submittal complete thereby allowing initiation of the Section 408 request review process can be found in applicable Section 408 guidance, including, but not limited to, EC 1165-2-220, POLICY AND PROCEDURAL GUIDANCE FOR PROCESSING REQUESTS TO ALTER US ARMY CORPS OF ENGINEERS CIVIL WORKS PROJECTS PURSUANT TO 33 USC 408, dated September 10, 2018, a copy of which has been provided to DISTRICT. Upon request, DISTRICT shall provide supplemental information necessary to complete the permit application. Additional information required to complete the Section 408 Request evaluation process may exceed what is needed to initiate the process. On a case-by-case basis, if requested by USACE, DISTRICT shall provide such additional information as may be necessary to ensure USACE can effectively accomplish the required review.

2. In consultation with USACE, establish the specific order of priority of the Section 408 Requests listed in Appendix A to this MOA. The Section 408 requests included in Appendix A and the order of priority of those Section 408 Requests may be changed by DISTRICT (changes to evaluation activity budgets in Appendix A require concurrence by

USACE) without requiring an amendment to this MOA. Such changes shall be submitted to USACE Principal Representative in writing in the manner provided by Article VI and will be effective upon receipt thereof.

3. To the best of its ability, ensure the participation of all essential DISTRICT personnel during the Section 408 request evaluation process.

4. Work closely with USACE to adjust priorities and schedules in order to optimize available USACE staff resources. If overlaps or conflicts occur among DISTRICT-designated priority Section 408 requests, then DISTRICT will work with USACE to prioritize such overlaps.

B. USACE shall assign qualified personnel to evaluate DISTRICT-designated priority Section 408 Requests and prioritize associated tasks within projected funding levels provided under this MOA. USACE shall use the funds provided to defray the costs of salaries and associated benefits and to reimburse travel expenses in order to:

1. Expedite review of DISTRICT-designated priority Section 408 Requests as identified in Appendix A or any amendments thereto in accordance with the purpose, terms, and conditions of this MOA or any amendments thereto. USACE shall not redirect resources from, or otherwise postpone, Section 408 Requests related to non-priority Section 408 requests submitted by DISTRICT through the standard USACE review process.

2. Following any pre-application meetings and/or discussions to clarify the scope of anticipated priority Section 408 review processes, provide DISTRICT with an estimated schedule to the best of its ability within fourteen (14) calendar days of receiving DISTRICT's scheduling requirements as described in Article IV subparagraph A.1. to complete the Section

408 Request evaluation process for each priority Section 408 Request submitted. DISTRICT shall be able to comment on these schedules and adjust the order of DISTRICT-designated priority Section 408 Requests included in Appendix A or provide additional resources per Article V paragraph D, below.

3. Consult on a monthly basis with DISTRICT regarding an adjustment of priorities or amendments to Appendix A if the current and/or projected workload of priority Section 408 Requests and activities exceeds USACE ability to provide the services specified herein or negotiate additional funding in accordance with Article V paragraph D, below.

4. If a priority Section 408 permission is issued, provide construction quality assurance and quality control support for permit compliance purposes, which shall consist of reviewing technical submittals and requests for information, field inspections at critical construction milestones, review of proposed change orders that involve the design or design intent of any Section 408 permission, providing technical assistance during construction as requested by DISTRICT on a case by case basis, and review of construction and Section 408 closeout documentation as applicable.

5. Provide DISTRICT with a brief quarterly summary report of progress made under this MOA within twenty-one (21) calendar days of the end of each quarter (31 December, 31 March, 30 June, and 30 September). Progress will be itemized for each DISTRICT-designated priority Section 408 request package during the quarter for each DISTRICT-designated priority Section 408 Request pending at the end of the quarter. This report will describe achievements, including any improvements USACE has documented in coordinating and improving the efficiency of DISTRICT-designated priority Section 408

Request package reviews, and will summarize expenditures for each Section 408 package to date. The report also will identify any recommendations for improving consultation and coordination among the Parties to this MOA and will provide an estimate of costs expected for the ensuing quarter. The report shall not exceed five (5) pages of narrative per report.

6. Meet with DISTRICT representatives as needed to discuss progress under this MOA.

7. Work closely with DISTRICT and applicable third parties to determine the appropriate USACE standards to be applied and the specific level of detail necessary to be provided in order for USACE to make a decision for a particular alteration request. USACE determination of the appropriate level of detail will be risk-informed and documented in USACE review plan. USACE acknowledges DISTRICT is responsible for ensuring a proposed alteration meets current USACE design and construction standards. However, DISTRICT is not required to bring those portions or features of the existing USACE project that are not impacted by the alteration up to current USACE design standards.

8. Prior to expiration of MOA, hold a final meeting with DISTRICT representatives to review a summary of DISTRICT-designated priority Section 408 Request review streamlining and other activities under this MOA, as well as provide recommendations for future coordination between the Parties.

Article V. - FUNDING

A. DISTRICT shall submit funding to USACE in the initial amount of Four Hundred Ten Thousand Dollars (\$410,000) to cover USACE anticipated costs of Section 408 evaluation activities, which are expected to be incurred by USACE in association with DISTRICT-

designated priority Section 408 Requests listed in Appendix A. This initial funding amount may be increased at the discretion of DISTRICT by designating additional priority projects and adding them to Appendix A without requiring any further amendment to this MOA and without the need for further action by the Parties' governing boards. Expediting of DISTRICT-designated priority Section 408 Request evaluation activities as specified in this MOA will be undertaken by USACE only after funds have been transferred to USACE.

B. Prior to USACE incurring any expenditure to expedite DISTRICT-designated priority Section 408 Requests, DISTRICT will transfer to USACE the amount specified in Appendix A of this MOA. Payment by DISTRICT is to be made by electronic funds transfer, in accordance with Standard Operating Procedure UFC 08 Appendix B, or check payable to the Finance and Accounting Officer and sent to the following address:

U.S. Army Corps of Engineers, Los Angeles District
Finance and Accounting Officer
915 Wilshire Boulevard
Los Angeles, CA 90053-2325
Attn: Carlos M. Tabares

C. USACE will carry over any unexpended funds from year to year, or will refund such unobligated funds if this MOA is terminated or expires in accordance with Article X.

D. USACE will provide DISTRICT with written notice when eighty percent (80%) of the funding has been expended. If USACE actual costs for providing the agreed-upon level of service will exceed the amount of funds available, DISTRICT will have the option to (i) provide additional funding for this MOA, or (ii) agree to a reduced level of service.

E. Following an initial review of a DISTRICT priority project, USACE will provide DISTRICT an estimate of costs that will be incurred to complete Section 408 review. If it is determined that the estimated amount to be incurred exceeds the amount of funding available, DISTRICT will have the option to (i) provide additional funding for this MOA, or (ii) agree to a reduced level of service.

F. DISTRICT may in its discretion choose to tender additional payments to USACE, in an amount and schedule mutually agreed upon by the Parties, when additional DISTRICT-designated priority Section 408 Requests are added to Appendix A.

Article VI. - NOTICES

A. Any notice, request, demand, or other communication required or permitted to be given under this MOA shall be deemed to have been duly given if in writing and delivered personally or mailed by first-class, registered or certified mail, as follows:

If to DISTRICT:

Riverside County Flood Control and Water Conservation District
1995 Market Street
Riverside, CA 92501
Attn: Alberto Martinez, P.E.

If to USACE:

U.S. Army Corps of Engineers
Engineering Division
915 Wilshire Boulevard, 11th Floor
Los Angeles, CA 90017
Attn: Rafiqul Talukder, P.E.

With a copy in all instances to:

District Counsel
U.S. Army Corps of Engineers

Los Angeles District
915 Wilshire Boulevard, Suite 1535
Los Angeles, CA 90017

B. A Party may change the address to which such communications are to be directed by giving written notice to the other Party in the manner provided in this Article.

C. Any notice, request, demand, or other communication made pursuant to this Article shall be deemed to have been received by the addressee at the earlier of such time as it is actually received or seven (7) calendar days after it is mailed.

Article VII. - APPLICABLE LAWS

The applicable statutes, regulations, policies, directives, and procedures of the United States will govern this MOA and all documents and actions pursuant to it. Unless otherwise required by law, expediting of DISTRICT-designated priority Section 408 Requests undertaken by USACE will be governed by USACE regulations, policies, and procedures.

Article VIII. - DISPUTE RESOLUTION

In the event of a dispute, the Parties agree to use their best efforts to resolve the dispute in an informal fashion through consultation and communication or other forms of non-binding alternative dispute resolution mutually acceptable to the Parties. The Parties agree that, in the event such measures fail to resolve the dispute, they shall refer the dispute for resolution to an appropriate forum in accordance with federal law.

Article IX. - PUBLIC INFORMATION

Justification and explanation of DISTRICT's programs or projects related to or arising out of DISTRICT-designated priority Section 408 Requests which may be pending before other

agencies, departments, and offices will not be the responsibility of USACE. USACE may provide, upon request from DISTRICT, any assistance necessary to support justification or explanations of activities conducted under this MOA. In general, USACE is responsible only for public information regarding USACE regulatory activities. DISTRICT will give USACE, as appropriate, advance notice before making formal, official statements regarding activities funded under this MOA.

Article X - AMENDMENT, MODIFICATION, AND TERMINATION

A. This MOA may be modified or amended only by written, mutual agreement of the Parties.

B. Any Party reserves the right to terminate its participation in this MOA without cause upon thirty (30) days' written notice to the other Party. In the event of termination, DISTRICT will continue to be responsible for all costs incurred by USACE in performing expedited DISTRICT-designated priority Section 408 Requests review services up to the time of notice and for the costs of closing out or transferring any ongoing contracts in support of the provision of services by USACE under this MOA.

C. Within ninety (90) calendar days of termination of MOA or the expiration of MOA, USACE shall provide DISTRICT with a final statement of expenditures. Within sixty (60) calendar days after submittal of USACE final statement of expenditures, USACE, subject to compliance with the Anti-Deficiency Act, codified at 31 U.S.C. §§ 1341 et seq., shall directly remit to DISTRICT the unexpended balance of the advance payment, if any. Funds may be provided to DISTRICT either by check or electronic funds transfer.

Article XI. - MISCELLANEOUS

A. This MOA will not affect any pre-existing or independent relationships or obligations between the Parties.

B. USACE's participation in this MOA does not imply endorsement of DISTRICT-designated priority Section 408 Requests, nor does it diminish, modify, or otherwise affect USACE's statutory or regulatory authorities.

C. If any provision of this MOA is determined to be invalid or unenforceable, the remaining provisions will remain in force and unaffected to the fullest extent permitted by law and regulation.

D. This MOA, including any documents incorporated by reference or attachments thereto, but excluding the pre-existing relationships or obligations between the Parties referenced in Article XI subparagraph A above, constitute the entire agreement between the Parties.

Article XII. - EFFECTIVE DATE AND DURATION

This MOA and any amendments will be effective on the date of signature by the last Party. Unless amended or modified, this MOA shall remain in force until whichever of these events occurs first: 1) December 31, 2026, or 2) MOA is terminated pursuant to Article X paragraph B.

//

//

IN WITNESS WHEREOF, this MOA is executed as of the dates indicated below by
 DISTRICT, acting by and through their respective Boards of Supervisors, and by USACE,
 through its authorized officer June 8, 2021.
