**BACKGROUND:**

**Summary**

The County of Riverside received an allocation of \$3,067,749.91 from the Homeless Coordinating and Financing Council (HCFC) through Standard Agreement 20-HHAP-00056 to administer the Homeless Housing, Assistance and Prevention (HHAP) program. The grant allocation to each county is based on each county's proportionate share of the total homeless population of the region served by the Continuum of Care (CoC) within which the county is located, based on the annual homeless point-in time count.

The County of Riverside designated the County Executive Office as the Administrative Entity (AE) for the program and later changed this appointment to the Department of Housing, Homelessness Prevention and Workforce Solutions (HHPWS) on 05/19/2020. This was done to coincide with the County's effort to consolidate all housing, homeless and workforce efforts under one umbrella which streamlines the delivery and coordination of homeless services and programs.

Addressing the State's interest in using HHAP funding to promote regional coordination has continued to be a priority. County staff have continued to meet with County departments such as the Department of Public Social Services Adult Services Division, RUHS – Behavioral Health, Office of Aging, Riverside County Regional Park and Open Space District. In addition, the County has consulted with the Cities of Riverside and Palm Springs, and Continuum of Care administrative staff in setting priorities for funding. These agencies will continue to meet to ensure implementation continues in a coordinated manner.

**Impact on Residents and Businesses**

Residents and businesses will benefit as the funds will be used to address critical gaps in services and housing for homeless seniors, families, and individuals in Riverside County.

**Additional Fiscal Information**

Since June 16, 2020, when the HHAP Agreement and funding allocations were first approved, the State has provided further guidance on the ability to use HHAP funding to assist people

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,  
STATE OF CALIFORNIA**

experiencing homelessness and impacted by COVID-19. There are two requested fiscal adjustments which are included below:

**Reprogramming Funding to Support Increases Towards Coordinated Entry System**

Additional funding is needed to support investments in Riverside County's Coordinated Entry System (CES). Over the last year, the amount of dollars awarded to the HHPWS - Continuum of Care Division to address the housing and homelessness crises has doubled from \$26 million to \$53 million, primarily due to new State funding. These increases have resulted in the implementation of new homeless projects which require participation in CES. RUHS – Behavioral Health is the CES Lead Agency for Riverside County and facilitates the coordination and management of the homeless crisis response system. A total of \$406,119.89 is being reprogrammed from the HHAP allocations below to fund a full-time CES Coordinator position for a five-year period. The creation of this position is necessary and will better position the County to respond and coordinate homeless services across all five districts.

**Reprogramming Plan:**

- Funding allocation to Executive Office is no longer needed as all homeless coordination efforts are being coordinated under HHPWS. Total reprogrammed funds from this category: \$100,000.
- Funding allocation of \$371,413.93 towards Prevention and Shelter Diversion is no longer needed in this full amount as the County will be using funds from its Rental Relief Fund to support residents who need assistance with past-due rent. Total reprogrammed funds from this category: \$306,119.89.

**Total reprogrammed funds to support CES Coordinator: \$406,119.89**

**a. Required Allocations and Limits**

Health & Safety Code section 50218(b) mandates that at least 8% of the funds must be used for services for homeless youth populations. Under Health & Safety Code section 50219, subdivisions(d) and (e), up to 5% of the Round 1 funding may be used for Strategic Homelessness Planning and infrastructure development to support CES and homeless management information systems, up to 7% of the Round 1 funding for program administrative costs, respectively.

Under Health & Safety Code section 50218(a)(5), HHAP funding cannot be used to supplant existing local funds for homeless housing, assistance, or prevention.

All other allocations of the County's share are at the discretion of the County.

Although the HHAP funding may be spent over five years, staff recommends aggressive use of funding to mitigate the impact of the current COVID-19 health and economic crisis. Eligible expenditures after July 1, 2019, but before the Grant Agreement start date, may be approved for reimbursement by the State as part of the County's allocation. A request to the State to begin the senior housing placement program early is under way.

**Contract History and Price Reasonableness**

This is new funding allocated to the County under the provisions of Chapter 159, Statutes of 2019, as amended by Assembly Bill No. 101, and signed into law by Governor Gavin Newsom on July 31, 2019. Costs are based on existing County rates for service.

The general rule for supporting documentation is that for any Program cost that is to be reimbursed, provide the invoice which documents that a cost was incurred and a receipt, or a copy of a check, a check stub, or copy of bank statement to substantiate the amount paid. Supporting documentation must be ***legible, clear and organized***. HHPWS must be able to tie your request to the amounts claimed. Costs can only be reimbursed if they have been included in the original application/budget.

Documentation for like line items should be identified with a summary sheet or label identifying the expense category. A spreadsheet itemizing the expenses, or at a minimum, an adding machine tape showing the expenses with a matching amount on the claim form is helpful. The clearer the information is that you provide, the quicker we will be able to process your claim.

The Fiscal Management Reporting Unit reviews each claim for expenses that are Allowable, Allocable and Reasonable.

(Added by Stats.2019, c. 159 (A.B. 101), § 10, eff. July 31, 2019.)

The Program is administered by the California Homeless Coordinating and Financing Council ("Council") in the Business, Consumer Services and Housing Agency ("Agency"). HHAP provides one-time flexible block grant funds to continuums of care, large cities (population of 300,000+) and counties as defined in the December 6, 2019 HHAP Notice of Funding Availability ("NOFA") to support regional coordination and expand or develop local capacity to address immediate homelessness challenges informed by a best-practices framework focused on moving homeless individuals and families into permanent housing and supporting the efforts of those individuals and families to maintain their permanent housing.

This Standard Agreement along with all its exhibits ("Agreement") is entered into by the Agency and a continuum of care, a city, or a county ("Grantee") under the authority of, and in furtherance of the purpose of, the Program. In signing this Agreement and thereby accepting this award of funds, the Grantee agrees to comply with the terms and conditions of the Agreement, the NOFA under which the Grantee applied, the representations contained in the Grantee's application, and the requirements of the authority cited above.

**2. Purpose**

The general purpose of the Program is to provide one-time block grant funding to support regional coordination, and to expand or develop local capacity to address immediate homelessness challenges. Activities will be informed by a best-practices framework focused on moving homeless individuals and families into permanent housing and supporting the efforts of those individuals and families to maintain their permanent housing. In accordance with the authority cited above, an application was created and submitted by the Grantee for HHAP funds to be allocated for eligible uses as stated in Health and Safety Code section 50219, subdivision (c)(1) – (8).

Standard Agreement**

**EXHIBIT B  
BUDGET DETAIL AND PAYMENT PROVISIONS**

**1. Budget Detail & Changes**

The Grantee agrees that HHAP funds shall be expended on uses that support regional coordination and expand or develop local capacity to address immediate homelessness challenges. Such activities must be informed by a best-practices framework focused on moving homeless individuals and families into permanent housing and supporting the efforts of those individuals and families to maintain their permanent housing.

The Grantee shall expend HHAP funds on eligible activities as detailed in the annual budget submitted with the Grantee's approved application. The Grantee shall submit an updated budget with the annual report that revises and reports all actual and projected expenditures of HHAP funds.

Changes may be made to the timing (e.g., fiscal year) of eligible use expenditures without prior approval by the Agency so long as the total expenditures (actual and projected) for each eligible use category remain the same as described in the budget approved with the Grantee's application. Any decrease or increase to the total expenditures for any eligible use category must otherwise be approved by the Council's HHAP Grant Manager or his/her designee, in writing, before the Grantee may expend HHAP funds according to an alternative budget. The HHAP Grant Manager will respond to Grantee with approval or denial of request. Failure to obtain written approval from the Grant Manager or his/her designee as required by this section may be considered a breach of this Agreement.

**2. General Conditions Prior to Disbursement**

All Grantees must submit the following forms prior to HHAP funds being released:

- A. Request for Funds Form (RFF)
- B. STD 213 Standard Agreement - 2 original copies of the signed STD 213 form and initialed Exhibits A through E.

**Homeless Housing, Assistance and Prevention  
Standard Agreement**

**EXHIBIT B  
BUDGET DETAIL AND PAYMENT PROVISIONS**

**3. Disbursement of Funds**

HHAP funds will be disbursed to the Grantee upon receipt, review and approval of the completed Standard Agreement and RFF by Agency, the Department of General Services (DGS) and the State Controller's Office (SCO). Once Agency receives, reviews, and signs off on the completed documents, the documents will be sent to DGS for review. Once DGS review is completed, documents will be forwarded to SCO for final review and fund disbursement. The RFF must include the proposed eligible uses and the amount of funds proposed for expenditure under each eligible use. HHAP funds will be disbursed in a single allocation via mailed check once the RFF has been received by the SCO. Checks will be mailed to the address and contact name listed on the RFF.

**4. Expenditure of Funds**

Specific requirements and deadlines for contractually obligating and expending awarded funds are set forth in the Homeless Housing, Assistance, and Prevention Program statutes. Health and Safety Code sections 50218, 50219, and 50220 mandate the following:

**Homeless Housing, Assistance and Prevention  
Standard Agreement**

**EXHIBIT B  
BUDGET DETAIL AND PAYMENT PROVISIONS**

(1) On or before June 30, 2023, the Grantee submits an alternative disbursement plan to Agency that includes an explanation for the delay and a plan to fully expend these funds by December 31, 2023.

(2) Agency approves the alternative disbursement plan.  
If the funds identified in the approved alternative disbursement plan are not fully expended by December 31, 2023, the funds shall be returned to Agency.

E. Grantees that are counties shall contractually obligate the full allocation (100 percent) awarded to them by May 31, 2023. Any funds that are not contractually obligated by this date shall be reverted to the continuum of care that serves the county. Specific to Los Angeles County, funds that are not contractually obligated by this date shall be divided proportionately using the HHAP funding allocation formula among the four CoC's that serve Los Angeles County: City of Glendale CoC, City of Pasadena CoC, the City of Long Beach CoC, and the Los Angeles Homeless Services Authority.

Counties not obligating their full program allocation by May 31, 2023 are required to notify Agency on or before that date, of the name of the CoC(s) in which the county is served, and the amount of program funds that will be reverted to the CoC(s). **Homeless Housing, Assistance and Prevention  
Standard Agreement**

**EXHIBIT B  
BUDGET DETAIL AND PAYMENT PROVISIONS**

to submit the following information for HCFC to review and approve or deny such projects:

- (1) The number of available shelter beds in the jurisdiction;
- (2) The shelter vacancy rate in the summer and winter months;
- (3) The percentage of exits from emergency shelters to permanent housing solutions; and
- (4) A plan to connect residents to permanent housing.

**6. Ineligible Costs**

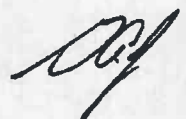

HHAP funds shall not be used for costs associated with activities in violation of any law or for any activities not consistent with the intent of the Program and the eligible uses identified in Health and Safety Code sections 50218 and 50219.

Agency reserves the right to request additional clarifying information to determine the reasonableness and eligibility of all uses of the funds made available by this Agreement. If the Grantee or its funded subrecipients use HHAP funds to pay for ineligible activities, the Grantee shall be required to reimburse these funds to Agency.

An expenditure which is not authorized by this Agreement, or by written approval of the Grant Manager or his/her designee, or which cannot be adequately documented, shall be disallowed and must be reimbursed to Agency by the Grantee.

Agency, at its sole and absolute discretion, shall make the final determination regarding the allowability of HHAP fund expenditures.

The general rule for supporting documentation is that for any Program cost that is to be reimbursed, provide the invoice which documents that a cost was incurred and a receipt, or a copy of a check, a check stub, or copy of bank statement to substantiate the amount paid. Supporting documentation must be **legible, clear and organized**. HHPWS must be able to tie your request to the amounts claimed. Costs can only be reimbursed if they have been included in the original application/budget.

Documentation for like line items should be identified with a summary sheet or label identifying the expense category. A spreadsheet itemizing the expenses, or at a minimum, an adding machine tape showing the expenses with a matching amount on the claim form is helpful. The clearer the information is that you provide, the quicker we will be able to process your claim.

The Fiscal Management Reporting Unit reviews each claim for expenses that are Allowable, Allocable and Reasonable.
