BACKGROUND:

Summary

The City of Palm Desert desires to continue contracting for Fire Protection Services with the Riverside County Fire Department, and as such, the two agencies have reached an agreement as to the level of service to be provided to the City. During FY20/21 the City of Palm Desert decided to increase the operational staffing at Fire Station 71, by adding one Paramedic Squad for the purpose of improving response times and alleviating station workload. The term of this agreement is July 1, 2021 through June 30, 2024. The total estimated contract revenue will be received annually to cover the full contract costs; with FY21/22 estimated at \$12,630,200, FY22/23 estimated at \$13,240,681 and FY23/24 estimated at \$13,881,686. The City of Palm Desert receives the city's structural fire taxes as a pass through in the cooperative agreement as estimated in the agreement's Exhibit A. The revenue is subject to increase and/or decrease based on fiscal year end reconciliation of support services with actual costs to be adjusted on the 4th Quarter Invoice sent out in August following the fiscal year close.

The City of Palm Desert approved the Cooperative Agreement during the May 13, 2021, City Council Meeting.

The agreement has been reviewed and approved as to form by County Counsel.

Impact on Residents and Businesses

During FY20/21 the City of Palm Desert decided to increase the operational staffing at Fire Station 71, by adding one Paramedic Squad for the purpose of improving response times and alleviating station workload. There will be no impact on businesses or citizens of the City of Palm Desert due to the renewal of this agreement. However, the language in the Agreement does state that the City may request an increase or decrease of employees or services assigned to the City with one hundred twenty (120) days' written notice to the County. All requests for changes will be evaluated by the designated Chief Officer and/or County Fire Chief to ensure that the levels of service provided to the Community are at or above the minimum standard requirements. Any concerns will be discussed with the City Representative.

In the event that a fire engine, owned and maintained by the CITY has a catastrophic failure, the COUNTY Fire Chief may allow use of a COUNTY fire engine, free of charge, up to one hundred twenty (120) days. After the initial one hundred twenty (120) days, a rental fee will be applied to the CITY invoice for use of said COUNTY fire engine. The rental fee shall be Two Thousand Fifty-Five Dollars (\$2,055) per day or Fourteen Thousand Three Hundred Eighty-Four Dollars (\$14,384) per week.

J. Notwithstanding Paragraph H, as it relates to Fire Marshal services herein, **if applicable**, additional terms as set forth are incorporated herein and shall additionally apply to this agreement regarding Fire Marshal services. SECTION IV: INITIAL TERM AND AMENDMENT

A. The term of this Agreement shall be from July 1, 2021, to June 30, 2024.

B. One (1) year prior to the date of expiration of this Agreement, CITY shall give COUNTY written notice of whether CITY intends to enter into a new Agreement with COUNTY for Fire Services and, if so, whether CITY intends to request a change in the level of Fire Services provided under this Agreement.

COUNTY, in seeking said reimbursement pursuant to such request of CITY, shall represent the CITY by following the procedures set forth in Health and Safety Code section 13052. Any recovery of CITY costs, less actual expenses, shall be paid or credited to the CITY, as directed by CITY.

In such a case, CITY appoints and designates COUNTY as its agent in said collection proceedings. In the event of recovery, COUNTY shall apportion the recovered amount via the annual Cost Allocation Plan. This recovery does not include
