BACKGROUND:

Summary

The City of Coachella desires to continue contracting for Fire Protection, Fire Prevention, Rescue and Medical Emergency Services with the Riverside County Fire Department, and as such, the two agencies have reached an agreement as to the level of service to be provided to the City. The previous agreement was signed in FY 17/18. The term of this agreement is July 1, 2021 through June 30, 2024. The total estimated contract revenue will be received annually to cover the full contract costs; with the FY21/22 is estimated at \$3,108,456, FY22/23 is estimated at \$3,257,586 and FY23/24 is estimated at \$3,414,122, FY24/25. The revenue is subject to increase and/or decrease based on fiscal year end reconciliation of support services with actual costs to be adjusted on the 4th Quarter Invoice sent out in August following the fiscal year close.

The City of Coachella approved the Cooperative Agreement during the May 26, 2021, City Council Meeting. The Riverside County Fire Department is waiting for the signed copies of the agreement; therefore, the Riverside County Fire Department is seeking a concurrent approval of said agreement.

The agreement has been reviewed and approved as to form by County Counsel.

Impact on Residents and Businesses

The City of Coachella added two positions (1–Firefighter II and 1–Firefighter Paramedic) to the Exhibit A since the last agreement. The City of Coachella received a SAFER grant which will help fund these two positions. This will allow Engine #79 to operate with a minimum daily staffing of four firefighting personnel and will increase its firefighting personnel strength. The language in the Agreement states that the City may request an increase or decrease of employees or services assigned to the City with one hundred twenty (120) day written notice to the County. All requests for changes will be evaluated by the designated Chief Officer and/or County Fire Chief to ensure that the levels of service provided to the Community are at or above the minimum standard requirements. Any concerns will be discussed with the City Representative.

The purpose of this Agreement is to arrange for COUNTY, through its Cooperative Fire Programs Fire Protection Reimbursement Agreement ("CAL FIRE Agreement") with the California Department of Forestry and Fire Protection ("CAL FIRE") to provide CITY with fire protection, hazardous materials mitigation, technical rescue response, fire marshal, medical emergency services, and public service assists (hereinafter called "Fire Services"). The Riverside County Fire Department invoices for disaster preparedness and response provided by Riverside County Emergency Management Department. This Agreement is entered into pursuant to the authority granted by Government Code Sections §55600 et seq., and will provide a unified, integrated, cooperative, regional fire protection system. COUNTY's ability to perform under this Agreement is subject to the terms and conditions of the CAL FIRE Agreement.

SECTION II: DESIGNATION OF FIRE CHIEF

A. The County Fire Chief appointed by the Board of Supervisors, or his/her designee, (hereinafter referred to as "Chief") shall represent COUNTY and CITY during the period of this Agreement and Chief shall, under the supervision and direction of the County Board of Supervisors, have charge of the organization described in Exhibit "A", attached hereto and made a part hereof, for the purpose of providing Fire Services as deemed necessary to satisfy the needs of both the COUNTY and CITY, except upon those lands wherein other agencies of government have responsibility for the same or similar Fire Services.

B. The COUNTY will assign an existing Chief Officer as the Fire Department Liaison ("Fire Liaison"). The Chief may delegate certain authority to the Fire Liaison, as the Chief's duly authorized designee and the Fire Liaison shall be responsible for directing the Fire Services provided to CITY as set forth in Exhibit "A".

C. COUNTY will be allowed flexibility in the assignment of available personnel and equipment in order to provide the Fire Services as agreed upon herein.

SECTION III: PAYMENT FOR SERVICES

A. CITY shall annually appropriate a fiscal year budget to support the Fire Services designated at a level of service mutually agreed upon by both parties and as set forth in Exhibit "A" for the term of this Agreement. This Exhibit may be amended in writing by mutual agreement by both parties or when a CITY requested increase or reduction in services is approved by COUNTY.

B. COUNTY provides fire personnel and services through its CAL FIRE Agreement. In the event CITY desires an increase or decrease in CAL FIRE or COUNTY civil service employees or services assigned to CITY as provided for in Exhibit "A," CITY shall provide one hundred twenty (120) days written notice of the proposed, requested increase or decrease. Proper notification shall include the following: (1) The total amount of increase or decrease; (2) The effective date of the increase or decrease; and (3) The number of employees, by classification, affected by the proposed increase or decrease. If such notice is not provided, CITY shall reimburse COUNTY for relocation costs incurred by COUNTY because of the increase or decrease, in addition to any other remedies available resulting from the increase or decrease in services. COUNTY is under no obligation to approve any requested increase or decrease, and it is expressly understood by the parties that in no event will COUNTY authorize or approve CITY's request to reduce services below the COUNTY Board of Supervisors approved staffing level for any fire station, or to reduce services to the extent that the services provided under this Agreement are borne by other jurisdictions. COUNTY shall render a written decision on whether to allow or deny the increase or decrease within thirty (30) days of the notice provided pursuant to this section.

C. CITY shall pay COUNTY actual costs for Fire Services pursuant to this Agreement. COUNTY shall make a claim to CITY for the actual cost of contracted services, pursuant to Exhibit "A," on a quarterly basis. The COUNTY is mandated per Government Code Section §51350 for full cost recovery. CITY shall pay each claim, in full, within thirty (30) days after receipt thereof.

D. Any changes to the salaries or expenses set forth in Exhibit "A" made necessary by action of the Legislature, CAL FIRE, or any other public agency with authority to direct changes in the level of salaries or expenses, shall be paid from the funds represented as set forth in Exhibit "A." The CITY is obligated to expend or appropriate any sum in excess of Exhibit "A" increased by action of the Legislature, CAL FIRE, or any other public agency with authority to direct changes. If within thirty (30) days after notice, in writing, from COUNTY to CITY that the actual cost of maintaining the services specified in Exhibit "A" as a result of action by the Legislature, CAL FIRE, or other public agency will exceed the total amount specified therein, and CITY has not agreed to make available the necessary additional funds, COUNTY shall have the right to unilaterally reduce the services furnished under this Agreement by an appropriate amount and shall promptly notify CITY, in writing, specifying the services to be reduced. Any COUNTY or CAL FIRE personnel reduction resulting solely due to an increase in employee salaries or expenses occurring after signing this Agreement and set forth in

Exhibit "A" that CITY does not agree to fund, as described above, shall not be subject to relocation expense reimbursement by CITY. If CITY desires to add funds to the total included herein to cover the cost of increased salaries or services necessitated by actions described in this paragraph, such increase shall be accomplished by an additional appropriation by the City Council of CITY, and an amendment to Exhibit "A" approved by the parties hereto.

E. Chief may be authorized to negotiate and execute any amendments to Exhibit "A" of this Agreement on behalf of COUNTY as authorized by the Board of Supervisors. CITY shall designate a "Contract Administrator" who shall, under the supervision and direction of CITY, be authorized to execute amendments to Exhibit "A" on behalf of CITY.

F. _____ [] (Check only if applicable, and please initial to acknowledge) Additional terms as set forth in the attached Exhibit "B" are incorporated herein and shall additionally apply to this agreement regarding payment of services.

I. Notwithstanding Paragraph G, as it relates to the Fire Engine Use Agreement, herein if applicable, additional terms as set forth are incorporated herein and shall additionally apply to this agreement regarding payment of services. In the event that a fire engine, owned and maintained by the CITY has a catastrophic failure, the COUNTY Fire Chief may allow use of a COUNTY fire engine, free of charge up to one hundred twenty (120) days. After the initial one hundred twenty (120) days, a rental fee will be applied to the CITY invoice for use of said COUNTY fire engine. The rental fee shall be Two Thousand Fifty-Five Dollars (\$2,055) per day; or Fourteen Thousand Three Hundred Eighty-Four Dollars (\$14,384) per week.

J. Notwithstanding Paragraph H, as it relates to Fire Marshal services herein, if applicable, additional terms as set forth are incorporated herein and shall additionally apply to this agreement regarding Fire Marshal services. SECTION IV: INITIAL TERM AND AMENDMENT

A. The term of this Agreement shall be from July 1, 2021, to June 30, 2024.

B. One (1) year prior to the date of expiration of this Agreement, CITY shall give COUNTY written notice of whether CITY intends to enter into a new Agreement with COUNTY for Fire Services and, if so, whether CITY intends to request a change in the level of Fire Services provided under this Agreement.

SECTION V: TERMINATION

During the term of this Agreement, this Agreement may only be terminated by the voters of either the COUNTY or the CITY pursuant to Government Code §55603.5.

All Fire Services contemplated under this Agreement shall be performed by both parties to this Agreement working as one unit; therefore, personnel and/or equipment belonging to either CITY or COUNTY may be temporarily dispatched elsewhere from time to time for mutual aid.

SECTION VII: MUTUAL AID

Pursuant to Health and Safety Code Sections 13050 et seq., when rendering mutual aid or assistance, COUNTY may, at the request of CITY, demand payment of charges and seek reimbursement of CITY costs for personnel, equipment use, and operating expenses as funded herein, under authority given by Health and Safety Code Sections 13051 and 13054. COUNTY, in seeking said reimbursement pursuant to such request of CITY, shall represent the CITY by following the procedures set forth in Health and Safety Code Section 13052. Any recovery of CITY costs, less actual expenses, shall be paid or credited to the CITY, as directed by CITY.

In all such instances, COUNTY shall give timely notice of the possible application of Health and Safety Code Sections 13051 and 3054 to the officer designated by CITY.

SECTION VIII: SUPPRESSION COST RECOVERY

As provided in Health and Safety Code Section 13009, Riverside County Ordinance 787, Section 5(e)(2), and California Fire Code, COUNTY may bring an action for collection of suppression costs of any fire caused by negligence, violation of law, or failure to correct noticed fire safety violations. Additionally, COUNTY may bring action for collection to any person who negligently, intentionally or in violation of law causes an emergency response, including, but not limited to, a traffic accident, spill of toxic or flammable fluids or chemicals is liable for the costs of securing such emergency, including those costs pursuant to Government Code Section 53150, et seq, as may be amended from time to time. In such a case CITY appoints and designates COUNTY as its agent in said collection proceedings. In the event of recovery, COUNTY shall apportion the recovered amount via the annual Cost Allocation Plan. This recovery does not include

CITY resources outside of this Cooperative Agreement. Those resources would require the CITY to obtain cost recovery directly.

In all such instances, COUNTY shall give timely notice of the possible application of Health and Safety Code Section 13009 to the officer designated by CITY.

SECTION IX: PROPERTY ACCOUNTING

All personal property provided by CITY and by COUNTY for the purpose of providing Fire Services under the terms of this Agreement shall be marked and accounted for in such a manner as to conform to the standard operating procedure established by the COUNTY for the segregation, care, and use of the respective property of each.
