BACKGROUND:

Summary

By Minute Order dated April 13, 2021 (Agenda Item 3.30), the Board of Supervisors authorized the Clerk of the Board to advertise for the construction of Central Avenue Resurfacing Project and Ramona Avenue Resurfacing Project in the Community of Nuevo in Riverside County within the Supervisorial 5th District.

The project contains resurfacing of an approximate 0.75 mile segment of Central Avenue from Menifee Road to Rosary Avenue, and an approximate 0.14 mile segment of Ramona Avenue from Nuevo Road to Stalder Avenue.

Roadway resurfacing is needed due to the deteriorated pavement conditions. The proposed resurfacing of Central Avenue and Ramona Avenue consists of removing the existing pavement to the depths specified on the plans and replacing with new Hot Mix Asphalt (HMA).

Additional improvements include the installation of asphalt concrete (AC) over-side drains, AC driveways, AC dikes, reconstruction of concrete curb and gutter, curb ramps, cross-gutters, and spandrels, installation of traffic striping, thermoplastic pavement markings, and the installation of traffic signs and any other associated work as may be required.

On April 28, 2017, Senate Bill 1 (SB-1) was passed to improve the state's aging transportation infrastructure, particularly roads and bridges. Because of this, the County is now able to improve the condition of roads in need of resurfacing or reconstruction and has included them in the County Transportation Improvement Program (TIP). Central Avenue and Ramona Avenue resurfacing projects are Riverside County's priority projects approved for use of the Gas Tax/SB-1 funds. Without SB-1 these needed road repair projects would have not been possible to construct until funding became available.

During the advertisement period, one addendum was issued to all registered plan holders as a supplement to the plans and specifications. Bidders were required to acknowledge and take into account the issued addendum on their contractor's Bid in order to be considered for award. The Addendum is included and attached herewith as Addendum No.1.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

The Bid received from Hardy & Harper, Inc. has some immaterial bid irregularities. Most notably, on the submitted Subcontractor List the license number for Cat Tracking Inc. is listed as 99122. When written, a number was omitted and the verified license number is 991122. Additionally, on the same Subcontractor List, the Department of Industrial Relations (DIR) registration number for All American Asphalt is listed as 1000001057. The verified DIR registration number is 1000001051. The Transportation Department requests the Board of Supervisors waive any immaterial bid irregularities.

The contractor, Hardy & Harper, Inc. is qualified to perform the work as outlined in the bid. They have executed the Contract and have provided bonds and insurance documents that meet the requirements of the Contract.

Project Numbers: C9-0025 (Central Avenue Resurfacing Project)
 C9-0036 (Ramona Avenue Resurfacing Project)

The two projects were combined to bid as one project in order to gain cost efficiencies by eliminating multiple bidding and administrative procedures and to seek more favorable bids associated with larger bid quantities.

Impact on Residents and Businesses

The purpose of this project is to rehabilitate deteriorated segments of Central Avenue and Ramona Avenue to provide the public with a smooth paved roadway that will improve the safety and efficiency of vehicular traffic.

The work is scheduled to begin in summer of this year. The work will be phased to keep the road open during construction as much as possible and will take approximately two months to complete.

Additional Fiscal Information

The Contract is recommended to be awarded to Hardy & Harper, Inc. for the total amount of \$647,000. The construction contract is funded with Gas Tax/SB-1. There are no General Funds used in this project.

The proposed budgets as shown on Attachment "A" includes the contract award amount and other associated costs.

Contract History and Price Reasonableness

Five bids were received on Wednesday May 12, 2021, ranging from \$647,000 to \$707,707. The basis for the selection of a contractor is the lowest responsive and responsible bid. The lowest responsive and responsible bid was submitted by Hardy & Harper, Inc. in the amount of \$647,000 which is \$311,784 (-32.52%) below the Engineer's Estimate.

However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Designated Construction Project General Aggregate Limit.

- B.** For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under Section **I** – Coverage **A**, and for all medical expenses caused by accidents under Section **I** – Coverage **C**, which cannot be attributed only to ongoing operations at a single designated construction project shown in the Schedule above:
1. Any payments made under Coverage **A** for damages or under Coverage **C** for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-completed Operations Aggregate Limit, whichever is applicable; and
 2. Such payments shall not reduce any Designated Construction Project General Aggregate Limit.
- C.** When coverage for liability arising out of the "products-completed operations hazard" is provided, any payments for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Designated Construction Project General Aggregate Limit.
- D.** If the applicable designated construction project has been abandoned, delayed, or abandoned and then restarted, or if the authorized contracting parties deviate from plans, blueprints, designs, specifications or timetables, the project will still be deemed to be the same construction project.
- E.** The provisions of Section **III** – Limits Of Insurance not otherwise modified by this endorsement shall continue to apply as stipulated.
