BACKGROUND:

Summary

As prescribed by the California State Constitution and in accordance with Revenue and Taxation Code Division 1; Part 2; Chapter 3; Article 6, I completed the local roll and delivered it to the Auditor-Controller. I am reporting the values to the Board of Supervisors for their information on attachment A.

Impact on Residents and Businesses

By law, the Assessor must locate all taxable property, determine a value for all property, and apply all legal exemptions and exclusions in the County of Riverside. In addition, the Assessor must also complete the assessment roll showing the assessed values for all taxable property in Riverside County by July 1st of each year. The Assessor has completed his responsibilities in the property tax process to ensure taxpayers receive accurate and timely property tax bills and has delivered the necessary information to the Auditor-Controller as required. The Assessor provides taxpayers and the public access to assessment roll information as prescribed by law.
