BACKGROUND/APPOINTEE INFORMATION:

The Coachella Valley Energy Commission was formed by IID on July 13, 2021 for the purpose of providing direct, immediate, and diverse local representation by Coachella Valley energy stakeholders for the unique energy needs of the greater Coachella Valley portion of the IID energy service area and to develop a long-term strategic plan for continued energy service to the Coachella Valley following the 2033 expiration of the 99-year lease provision.

Gloria G. Fernandez is a resident of the unincorporated community of North Shore and for many years has suffered power outages that can last from hours to days. Ms. Fernandez is interested in serving on the commission to be a voice for the Eastern Coachella Valley and other unincorporated communities serviced by IID.
