BACKGROUND:

Summary

Landscaping and Lighting Maintenance Districts (L&LMD's) are formed for the purpose of creating a funding mechanism to pay for the installation and maintenance of landscaping, streetlights, traffic signals, runoff catch basin filters, decorative fencing, and other roadside features within the road right of way. Within an established L&LMD, zones are created for specific developments, a fee structure is developed specific to the features within that zone, and the zone is then assessed through a tax levy on an annual basis for the installation and maintenance of the features within that particular zone.

L&LMD No. 89-1-C was formed in 1994, Resolution No. 94-389, and currently consists of 166 individual zones with different fee structures spread throughout Riverside County. The commercial property owner of PPT No. 190002, as described in the attached Exhibit "A", has petitioned the County to annex their property into L&LMD No. 89-1-C, creating Street Lighting Zone 151. The boundaries of Street Lighting Zone 151 will encompass the entire PPT No. 190002 and will include the maintenance and servicing of streetlights.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

Adoption of Resolution No. 2021-092 appoints the Director of the Transportation Department, or their designee, as the Engineer to prepare a Report regarding the proposed annexation of Street Lighting Zone 151 to Landscaping and Lighting Maintenance District No. 89-1-Consolidated ("L&LMD No. 89-1-C").

Resolution No. 2021-093 declares the Board of Supervisors' intention of ordering the annexation of Street Lighting Zone 151 to L&LMD No. 89-1-C. The annexation of Street Lighting Zone 151 to L&LMD No. 89-1-C will fund the maintenance and servicing of streetlights within public right-of-way located south of Water Street, east of Harvill Avenue, north of Orange Street and west of Interstate-215 in the Mead Valley area and includes one commercial parcel totalling 6.07 acres.

Consistent with the Board of Supervisors' direction regarding compliance with Article XIID of the California Constitution and the Landscaping and Lighting Act of 1972, the attached resolutions have been prepared and a public hearing scheduled for 9:30 a.m. on October 5, 2021 to receive testimony for and against the proposed assessment. Each property owner within the proposed Street Lighting Zone 151 will receive a notice of the public hearing and mail-in assessment ballot, an impartial analysis, a copy of Resolution No. 2021-093, and an information sheet.

Assessment ballots must be returned prior to the conclusion of the public hearing. If, at the time designated for the tabulation of the assessment ballots, the assessment ballots submitted in favor of the annexation and levy of the assessment exceed the assessment ballots submitted in opposition of said annexation and levy, Street Lighting Zone 151 will be annexed to L&LMD No. 89-1-C.

There is only one individual/entity which owns all of the property within the proposed boundaries of Street Lighting Zone 151 and said property owner has executed a "Waiver and Consent Regarding Date of Assessment Ballot Proceeding" allowing for the proceeding and public hearing to be held on October 5, 2021.

Reference

At the direction of the County of Riverside Board of Supervisors, L&LMD No. 89-1-C was formed in 1994 by Resolution No. 94-389 authorizing the annexation of new zones into L&LMD No. 89-1-C for the purpose of levying assessments to pay for the installation and maintenance of landscaping, streetlights and other right-of-way approved improvements.

The zone specific Engineer's Report for fiscal year 2022-23 was prepared in compliance with the requirement of Article 4, Chapter, 1, of the Landscaping and Lighting Act of 1972, which is Part 2, Division 15 of the California Streets and Highways Code. The County initiates annexation proceedings for the annual levy of assessments by passing a resolution, which proposes the new levy under the Landscaping and Lighting Act of 1972. This resolution also describes the improvements, describes the location of the zone within the District and finally orders an engineer, who is a registered professional engineer, certified by the State of California, to prepare and file a detailed report.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

In November 1996, California voters passed Proposition 218, Right to Vote on Taxes Act which added Articles XIII C and XIII D to the California Constitution, new procedures must be followed to levy annual assessments under the Landscaping and Lighting Act of 1972. A County may levy annual assessments for an assessment district after complying with the requirements of the Landscaping and Lighting Act of 1972, and the provisions of Proposition 218 Right to Vote on Taxes Act.

Impact on Residents and Businesses

The new assessment is for the purpose of providing the maintenance and servicing of streetlights within public right-of-way.

Only the commercial property owners within the proposed boundaries of Street Lighting Zone 151, which are represented by PPT No. 190002, as described in the attached Exhibit "A" (a two page exhibit containing a description and diagram) are impacted by the cost of this annexation. By setting up an assessment for the maintenance of certain infrastructure required by the development, the County requires that the development pay for its maintenance impact, rather than the obligation falling upon public funding sources.

SUPPLEMENTAL:

Additional Fiscal Information

The proposed budget for fiscal year 2022-23 for Street Lighting Zone 151 is \$947.00. This will result in an assessment for fiscal year 2022-23 within Street Lighting Zone 151 of \$156 per acre. The annual assessment may be adjusted annually by the greater of 2% or the cumulative percentage increase in the Consumer Price Index for all Urban Consumers for electricity (CPI-U), if any, as it stands as of March of each year over the base index for March of 2021.

2 Streets and Highways Code and Section 4 of Article XIID; and

3 **WHEREAS**, said Engineer has filed the Report with the Clerk of the Board of Supervisors and the
4 Report has been presented to and considered by the Board of Supervisors; and

5 **WHEREAS**, the Applicant has executed a "Waiver and Consent Regarding Date of Assessment
6 Ballot Proceeding" allowing for the proceeding to be held on October 5, 2021; and

7 **WHEREAS**, it is necessary that the Board of Supervisors adopt a resolution of intention pursuant
8 to Section 22587 of the Streets and Highways Code, which fixes and gives notice, pursuant to Section
9 22588 of the Streets and Highways Code, of the time and place of a public hearing on said Report, the
10 annexation of Street Lighting Zone 151, and the assessments to be levied on parcels within Street
11 Lighting Zone 151 beginning in fiscal year 2022-23;

12 **NOW, THEREFORE, BE IT RESOLVED, FOUND, DETERMINED AND ORDERED** by the Board
13 of Supervisors in regular session assembled on August 17, 2021 as follows:

14 **Section 1. Findings.** The Board of Supervisors, after reviewing the Report, finds that:

- 15 (a) The foregoing recitals are true and correct;
- 16 (b) The Report contains all matters required by Sections 22565 through 22574 of the Streets
17 and Highways Code and Section 4 of Article XIID and may, therefore, be approved by the
18 Board of Supervisors;
- 19 (c) The annual assessment for fiscal year 2022-23 on all parcels within Street Lighting
20 Zone 151 will be \$156 per acre.

21 **Section 2. Intent.** The Board of Supervisors hereby declares its intention to order the
22 annexation of Street Lighting Zone 151, as described and shown in Exhibit "A", to L&LMD No. 89-1-C,
23 and to levy and collect an annual assessment on all assessable lots and parcels of property within Street
24 Lighting Zone 151 commencing with the fiscal year 2022-23 as set forth in the Report. The Report
25 expressly states that there are no parcels or lots within Street Lighting Zone 151 that are owned by a
26 federal, state or other local governmental agency that will benefit from the services to be financed by the

1 annual assessments. The annual assessments will be collected at the same time and in the same manner
2 as property taxes are collected, and all laws providing for the collection and enforcement of property
3 taxes shall apply to the collection and enforcement of said assessments.

4 **Section 3. Boundaries.** All the property within the boundaries of Street Lighting Zone 151 is
5 proposed to be annexed to L&LMD No. 89-1-C and shall include that property in the unincorporated area
6 of the County as described and shown in Exhibit "A".

7 **Section 4. Description of Services to be Provided .** The services authorized for Street
8 Lighting Zone 151 of L&LMD No. 89-1-C are:

- 9 (a) Providing electricity to and the maintenance and servicing of streetlights within the public
10 right-of-way including incidental costs and expenses.

11 **Section 5. Amount to be Levied.** The assessment to be levied upon each parcel that benefits
12 from the annexation of Street Lighting Zone 151 to L&LMD No. 89-1-C will be \$156 per acre for fiscal
13 year 2022-23. As stated in the Report, the total budget for Street Lighting Zone 151 for the fiscal year
14 2022-23 is \$947.00; there are parcels that are to be assessed that aggregate to 6.07 acres. Each
15 succeeding fiscal year the special assessment may be subject to an annual adjustment that is the greater
16 of two percent (2%) or the cumulative percentage increase, if any, in the Consumer Price Index for all
17 Urban Consumers for electricity ("CPI-U") for the Riverside-San Bernardino-Ontario California Standard
18 Metropolitan Statistical area ("Index") published by the Bureau of Labor Statistics of the United States
19 Department of Labor. The annual CPI-U adjustment will be based on the cumulative increase, if any, in
20 the Index as it stands on March of each year over the base Index for March of 2021. Any increase larger
21 than the greater of 2% or the CPI-U annual adjustment requires a majority approval of all the property
22 owners in Street Lighting Zone 151. The Board of Supervisors will levy the assessment in each
23 subsequent fiscal year until the Board of Supervisors undertakes proceedings for the dissolution of Street
24 Lighting Zone 151 of L&LMD No. 89-1-C. The annual assessment will fund the services described in
25 Section 4 of this Resolution. For further particulars, reference is to be made to the Report on file in the
26 Office of the Clerk of the Board of Supervisors.

1 **Section 6. The Property to be Annexed.** The property to be annexed to L&LMD No. 89-1-C
2 is Street Lighting Zone 151. The boundaries of Street Lighting Zone 151 are located within the
3 unincorporated area of the County and are described and shown in the Report and Exhibit "A".

4 **Section 7. Report.** The Report, which is on file with the Clerk of the Board of Supervisors and
5 which has been presented to the Board of Supervisors, is hereby approved. Reference is made to the
6 Report for a full and detailed description of the services, the boundaries of Street Lighting Zone 151, and
7 the annual assessment to be levied upon assessable lots and parcels within Street Lighting Zone 151
8 proposed to be annexed to L&LMD No. 89-1-C.

9 **Section 8. Public Hearing.** The question of whether Street Lighting Zone 151 shall be
10 annexed to L&LMD No. 89-1-C and an annual assessment levied beginning with fiscal year 2022-23 shall
11 be considered at a public hearing (hereinafter the "Public Hearing") to be held on October 5, 2021, at
12 9:30 a.m. at the meeting room of the Board of Supervisors of the County at 4080 Lemon Street, 1st Floor,
13 Riverside, California.

14 **Section 9. Majority Protest.** Each owner of record of property within Street Lighting Zone 151
15 is to receive by mail an assessment ballot that shall conform to the requirements of Section 4 of Article
16 XIID and Section 4000 of the California Elections Code. The assessment ballots are to be returned prior
17 to the Public Hearing. The agency shall not impose an assessment if there is a majority protest. A majority
18 protest exists if, upon the conclusion of the hearing, assessment ballots submitted in opposition to the
19 assessment exceed the assessment ballots submitted in favor of the assessment. In tabulating the
20 assessment ballots, the assessment ballots shall be weighted according to the proportional financial
21 obligation of the affected property.

22 **Section 10. Information.** Any property owner desiring additional information regarding Street
23 Lighting Zone 151 of L&LMD No. 89-1-C, the Report, or the proposed assessment is to contact
24 Ms. Brigitte Hahn, Senior Engineering Technician, Transportation Department of the County of Riverside,
25 4080 Lemon Street, 8th Floor, Riverside, California, 92501, or by telephone at 951-955-6263, or by e-mail
26 at bhahn@rivco.org.

1 **Section 11. Notice of the Public Hearing.** Notice of Public Hearing with regard to the
2 annexation of Street Lighting Zone 151 to L&LMD No. 89-1-C shall be given consistent with Sections
3 22608 and 22588 of the Streets and Highways Code and Section 4 of Article XIID. The Clerk of the
4 Board of Supervisors shall give notice of the Public Hearing by causing a certified copy of this Resolution
5 to be published once in an appropriate newspaper at least ten (10) days prior to the date of the Public
6 Hearing that is October 5, 2021. Publication of this Resolution is to be effected by the Clerk of the Board
7 of Supervisors. Notice shall also be given by mailing first-class, postage prepaid, those notices, as
8 prepared by County Counsel, assessment ballot and information sheets as required by Section 4 of
9 Article XIID and Section 4000 of the California Elections Code to all owners of record of property within
10 Street Lighting Zone 151 as shown on the last equalized assessment roll of the County. Mailing is to be
11 made by the Engineer and deposited with the U. S. Post Office at least forty-five (45) days prior to the
12 Public Hearing on October 5, 2021.

13 **Section 12 Effective Date.** This Resolution shall take effect from and after its date of adoption.

TO: BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE
STATE OF CALIFORNIA

ENGINEER'S REPORT

Pursuant to the provisions of Section 22565 through 22574 of the Landscaping and Lighting Act of 1972 (“1972 Act”), said Act being Part 2 of Division 15 of the Streets and Highways Code of the State of California, Section 4 of Article XIII D of the California Constitution, and direction from the Board of Supervisors of Riverside County, California, I submit herewith the following Engineer's Report (“Report”), consisting of five parts.

This Report provides for the annexation of Plot Plan 190002 (PP 190002) to L&LMD No. 89-1-C as Street Lighting Zone 151 (STL Zone 151) and establishes the Maximum Assessment to be levied in the Fiscal Year commencing on July 1, 2022 and ending on June 30, 2023 (2022-2023) and continuing in all subsequent Fiscal Years, for this area to be known and designated as:

L&LMD NO. 89-1-C STL ZONE 151 PP 190002

I do hereby assess and apportion the total amount of the costs and expenses upon several parcels of land within said designated area liable therefor and benefited thereby, in proportion to the estimated benefits that each parcel receives, respectively, from said services.

NOW, THEREFORE, I, the appointed ENGINEER, acting on behalf of the County of Riverside Transportation Department, pursuant to the 1972 Act, do hereby submit the following:

Pursuant to the provisions of law, the costs and expenses of STL Zone 151 have been assessed upon the parcels of land in STL Zone 151 benefited thereby in direct proportion and relation to the estimated benefits to be received by each of said parcels. For particulars as to the identification of said parcels, reference is made to the Assessment Diagram/Boundary Map, a reduced copy of which is included herein.

Engineer's Report
L&LMD No. 89-1-C Annexation of Street Lighting Zone 151

Harris & Associates

As required by law, an Assessment Diagram/Boundary Map is filed herewith, showing STL Zone 151, as well as the boundaries and dimensions of the respective parcels and subdivisions of land within said STL Zone 151 as they exist as of the date of this Report, each of which subdivisions of land or parcels or lots, respectively, have been assigned a parcel/lot number within a specific tract and indicated on said Assessment Diagram/Boundary Map and in the Assessment Roll contained herein.

The separate numbers given the subdivisions and parcels of land, as shown on said Assessment Diagram/Boundary Map and Assessment Roll, correspond with the numbers assigned to each parcel by the Riverside County Assessor. Reference is made to the County Assessor Parcel Map for a description of the lots or parcels.

As of the date of this Report, there are no parcels or lots within STL Zone 151 that are owned by a federal, state or other local governmental agency that will benefit from the services to be provided by the assessments to be collected.

DATED this 29th day of June 2021

EXECUTIVE SUMMARY

A. Introduction

Pursuant to the provisions of law, the costs and expenses of STL Zone 151 have been assessed upon the parcels of land in STL Zone 151 benefited thereby in direct proportion and relation to the estimated benefits to be received by each of said parcel(s). For particulars as to the identification of said parcel(s), reference is made to the Assessment Diagram/Boundary Map, a reduced copy of which is included herein. On this 17th day of August, 2021, the Riverside County Board of Supervisors, County of Riverside, State of California, ordering the preparation of the Report providing for the annexation of PP 190002 to L&LMD No. 89-1-C as STL Zone 151 did, pursuant to the provisions of the 1972 Act, being Division 15 of the Streets and Highways Code of the State of California, adopt Resolution No. 2021-092 for a special assessment district zone known and designated as:

STL ZONE 151
PP 190002

The annexation of STL Zone 151 includes the parcel(s) of land within the commercial development known as PP 190002, also identified by the Assessor Parcel Number(s) valid as of the date of this Report:

317-270-017.

Harris & Associates submits this Report, consisting of (5) parts, for the annexation of said STL Zone 151 and the establishment of the Maximum Assessment to be levied and collected commencing Fiscal Year 2022-2023 and continuing in subsequent fiscal years.

Part I

Plans and Specifications: This section contains a description of STL Zone 151's boundaries and the proposed improvements within said STL Zone 151 ("Plans" as described in Part I). STL Zone 151 shall consist of a benefit zone encompassing all of the properties within the commercial development known as PP 190002.

Part II

The Method of Apportionment: A narrative of the property benefits from the improvements and the method of calculating each property's proportional special benefit and annual assessment. The proposed initial Maximum Assessment and assessment range formula established for STL Zone 151 is based on current property development Plans and estimated annual costs and expenses associated with all improvements to be accepted and maintained by STL Zone 151 at build-out.

Part III

The Cost Estimate: An estimate of the cost of streetlight maintenance, including incidental costs and expenses in connection therewith for Fiscal Year 2022-2023, is as set forth on the lists thereof, attached hereto.

Part IV

Assessment Diagram/Boundary Map: The Assessment Diagram/Boundary Map shows the parcels of land included within the boundaries of STL Zone 151. For details concerning the lines and dimensions of the applicable Assessor's Parcel Number(s), refer to the Riverside County Assessor's Map(s) as of the date of this Report.

Part V

Assessment Roll: Separate numbers given the subdivisions and parcels of land/lots and the initial Maximum Assessment per parcel or lot to be applied on the tax roll for Fiscal Year 2022-2023.

B. Description of Street Lighting Assessment Zone

The services to be provided by L&LMD No. 89-1-C STL Zone 151 include public street lighting which provides a special benefit to the parcel(s) to be assessed. The annexation of PP 190002 to L&LMD No. 89-1-C as STL Zone 151 will provide the financial mechanism (annual assessments) by which the ongoing operation and maintenance of these improvements and services will be funded. STL Zone 151's structure, proposed improvements, method of apportionment and assessments described in this Report are based on the Plans provided to Harris & Associates as of the date of this Report, including all estimated direct expenditures, incidental expenses, and reserves associated with the energizing, maintenance and servicing of the proposed improvements.

PART I – PLANS AND SPECIFICATIONS

A. Description of Improvements and Services for L&LMD No. 89-1-C

The following services were authorized pursuant to the County of Riverside Board of Supervisors approved Resolution No. 94-389 for L&LMD No. 89-1-C:

- L&LMD No. 89-1-C will annually levy an assessment on property within its boundaries to pay the cost of the following services and improvements in proportion to the special benefit provided to the parcels to be assessed:
 - The installation and planting of landscaping, including trees, shrubs, grass and other ornamental vegetation;
 - The installation or construction of statuary, fountains and other ornamental structures and facilities;
 - The installation or construction of public lighting facilities including but not limited to, traffic signals;
 - The installation or construction of any facilities which are appurtenant to any of the foregoing, or which are necessary or convenient for the maintenance or servicing thereof, including, but not limited to, grading, clearing, removal of debris, the installation or construction of curbs, gutters, walls, sidewalks or paving, water irrigation, drainage or electrical facilities; and,
 - The maintenance and/or servicing of any of the foregoing.

- The street lighting improvements to be funded by L&LMD No. 89-1-C STL Zone 151 generally include the maintenance and servicing of:
 - Streetlights within the public right-of-way which were required to be installed as a condition of approval necessary for development of properties within the Street Lighting Assessment Zone.

B. Improvements and Services for L&LMD No. 89-1-C STL Zone 151

The services to be funded by L&LMD No. 89-1-C STL Zone 151 include the maintenance and servicing of 4 (four) public streetlights adjacent to the parcel(s) within the public rights-of-way known as:

- Harvill Avenue
- Water Street

The proposed improvements described in this Report are based on current development and improvement plans provided to Harris & Associates as of the date of this Report. Improvement plans include the unsigned County of Riverside Star Milling Co. Street Lighting Plan, PP 190002, I.P. No. 200044, by PBLA Engineering, Inc., dated 3/2/2021; and Site Plan, Project No. C2001, by Integrated Consulting Group, dated 6/30/2020, approved by Planning Director 12/14/2020 ("Plans").

C. Location of Street Lighting Zone 151

STL Zone 151 is located within the unincorporated area of the County of Riverside, State of California and is comprised of PP 190002. The area for STL Zone 151 is generally located south of Water Street, east of Harvill Avenue, north of Orange Avenue, and west of Highway 215. At full development, STL Zone 151 is projected to include one (1) assessable commercial lot/unit and zero (0) non-assessable lots/units. STL Zone 151 currently consists of the lot/unit, parcel and subdivisions of land located in the following development area:

- PP 190002 – Assessor Parcel Number(s) as of the date of this Report:

317-270-017

PART II – METHOD OF APPORTIONMENT

A. Benefit Analysis

The proposed improvements, the associated costs, and assessments have been carefully reviewed, identified, and allocated based on special benefit.

The 1972 Act permits the establishment of assessment districts by agencies for the purpose of providing certain public improvements, which include the construction, maintenance, and servicing of public lights, landscaping, dedicated easements for landscape use, and appurtenant facilities. The 1972 Act further provides that assessments may be apportioned upon all assessable lots or parcels of land within an assessment district in proportion to the estimated benefits to be received by each lot or parcel from the improvements rather than by assessed value.

Section 22573 of the 1972 Act gives the following instructions for apportioning assessments to the parcels within the district:

“The net amount to be assessed upon lands within an assessment district may be apportioned by any formula or method which fairly distributes the net amount among all assessable lots or parcels in proportion to the estimated benefits to be received by each such lot or parcel from the improvements.”

In addition, Article XIII D of the California Constitution (“Article”) requires that a parcel's assessment may not exceed the reasonable cost of the proportional special benefit conferred on that parcel. The Article provides that only special benefits are assessable, and the County must separate the general benefits from the special benefits conferred on a parcel. A special benefit is a particular and distinct benefit over and above general benefits conferred on the public at large, including real property within the district. The general enhancement of property value does not constitute a special benefit.

The proposed improvements, the associated costs, and assessments have been carefully reviewed and allocated based on the special benefit received by the parcels to be assessed as required by the 1972 Act and Article XIII D as described in the following section.

Special Benefit

The street lighting improvements within STL Zone 151 provide direct and special benefit to the lots or parcels within STL Zone 151. Proper maintenance and servicing of the public street lighting system, and appurtenant facilities, confers particular and distinct benefits upon developable properties within the Zone by providing security, safety, community character, and vitality, as described below:

Security and Safety

- Mitigates property damage due to criminal activity
- Serves as a deterrent to graffiti and vandalism
- Alleviates the fear of crime, which increases the desirability of property
- Enhances pedestrian safety by improving traffic safety

Community Character and Vitality

- Promotes business and industry
- Provides a positive nighttime visual image

Therefore, the installation and maintenance of streetlights is for the express, special benefit of the parcel(s) within STL Zone 151.

STL Zone 151 does not include any government-owned parcels or easements, utility easements, or flood channel parcels.

Special Benefits of Landscaping and Lighting Maintenance District No. 89-1-C STL Zone 151 Authorized Improvements and Services:

The special benefits of street lighting are the provision of energy, convenience, safety, security of property, improvements and goods, specifically:

- Increased nighttime safety on roads and streets.
- Improved ability of pedestrians and motorists to see during the hours of darkness.
- Improved ingress to and egress from property.
- Reduced vandalism and other criminal acts and damage to improvements or property.
- Improved traffic circulation and reduced nighttime accidents and personal property loss.

General Benefit

The total benefit from the works of improvement is a combination of the special benefits to the parcels within STL Zone 151 and the general benefits to the public at large and to adjacent property owners. A portion of the total maintenance costs for the public street lighting, if any, associated with general benefits cannot not be assessed to the parcels in STL Zone 151, but would be paid from other Riverside County Transportation Department funds. Because the public streetlight improvements are located adjacent to properties within STL Zone 151, were required as a condition of approval for the development of the property, and are maintained solely for the benefit of the properties within

STL Zone 151, any benefit received by properties outside of STL Zone 151 is nominal. Therefore, the general benefit portion of the benefit received from the improvements for STL Zone 151 is zero.

Summary

In summary, no property is assessed in excess of the reasonable cost of the proportional special benefit conferred on that property. Additionally, benefits received by each parcel within STL Zone 151 are proportional to the lot size. Therefore, the proportionate share of the costs and expenses for the maintenance and servicing of the streetlights are apportioned on a per acre basis for all benefiting parcels within STL Zone 151.

B. Maximum Assessment Methodology

The following methodology for establishing the Maximum Annual Assessment was adopted by Riverside County Board of Supervisors in the annual Report approved on November 29, 1994. Such methodology has been maintained in preparation of this Report. The purpose of establishing a Maximum Assessment formula is to provide for reasonable increases and inflationary adjustments to annual assessments without requiring costly noticing and mailing procedures, which would add to STL Zone 151 costs and assessments.

The Maximum Assessment formula shall be applied to all assessable parcels of land within STL Zone 151. For STL Zone 151, the initial Maximum Assessment for Fiscal Year 2022-2023 is as follows:

- The initial Maximum Assessment established within STL Zone 151 (PP 190002) shall be \$947.
- The initial Maximum Assessment per assessable acre established within STL Zone 151 (PP 190002) shall be \$156.

The initial Maximum Assessment shall be adjusted by the greater of two percent (2%) or the cumulative percentage increase in the Consumer Price Index for all Urban Consumers for Electricity ("CPI-UE") for Riverside-San Bernardino-Ontario California Standard Metropolitan Statistical Area ("Index") published by the Bureau of Labor Statistics of the United States Department of Labor (BLS). The annual CPI-U-E adjustment will be based on the cumulative increase, if any, in the Index as it stands in March of each year over the base Index of 2022, starting in Fiscal Year 2023-2024.

The Maximum Assessment is adjusted annually and is calculated independent of STL Zone 151's annual budget and proposed annual assessment. The proposed annual assessment (rate per net assessable acre) applied in any fiscal year is not considered to be an increased assessment if less than or equal to the Maximum Assessment amount. In no case shall the annual assessment exceed the Maximum Assessment.

Although the Maximum Assessment will increase each year, the actual STL Zone 151 assessments may remain virtually unchanged. The Maximum Assessment adjustment is designed to establish a reasonable limit on STL Zone 151 assessments. The Maximum Assessment calculated each year does not require or facilitate an increase to the annual assessment and neither does it restrict assessments

to the adjusted maximum amount. If the budget and assessments for the fiscal year require an increase and the increase is more than the adjusted Maximum Assessment, it is considered an increased assessment.

To impose an increased assessment, the County of Riverside must comply with the provisions of the California Constitution Article XIII D Section 4c, that requires a public hearing and certain protest procedures including mailed notice of the public hearing and property owner protest balloting. Property owners, through the balloting process, must approve the proposed assessment increase. If the proposed assessment is approved, then a new Maximum Assessment is established for STL Zone 151. If the proposed assessment is not approved, the County may not levy an assessment greater than the adjusted Maximum Assessment previously established for STL Zone 151.

C. Annual Assessment

The Method of Apportionment of the Assessment is based upon the relative special benefit derived from the improvements and conferred upon the assessable real property within STL Zone 151 over and above general benefit conferred upon the assessable real property within STL Zone 151 or to the public at large. The benefits received by each parcel within STL Zone 151 would be in proportion to the lot size. Therefore, the proportionate share of the costs and expenses for the maintenance and servicing of the streetlights are apportioned on a per acre basis for all benefiting parcels within STL Zone 151. Any Exempt Property within STL Zone 151 is specifically excluded from the apportionment calculation and is exempt from assessment.

The Assessment Rate per Acre within STL Zone 151 is calculated by dividing the total Annual Balance to Levy by the total Net Assessable Acres. The Assessment Rate per Acre is multiplied times the Net Assessable Acres of each parcel that is not Exempt. Total STL Zone 151 acres less Exempt Property acres, if any, equals total Net Assessable Acres. The Annual Balance to Levy is the Total Annual Street Lighting Costs as seen in Part III – Cost Estimate.

The Assessment Rate per Acre is calculated as follows:

Total Zone 151 Acres	6.74
Less: Allowance for Loss to Streets at Development	0.67
Net Assessable Acres	6.07

Annual Balance to Levy	\$947	= \$156	Assessment Rate per Acre
Total Net Assessable Acres	6.07		

The Assessment for each Assessable Parcel for FY 2022-2023 is calculated as follows:

$$\text{Assessment Rate per Acre} \times \text{Net Assessable Acreage of each parcel that is not Exempt} = \text{Annual Assessment for each Assessable Parcel}$$

PART III – COST ESTIMATE

⁵ The initial Maximum Assessment shall be adjusted annually by the greater of two percent or the Cumulative percentage increase in the CPI-U-E Index published by the BLS.

PART IV – ASSESSMENT DIAGRAM/BOUNDARY MAP

Part IV – Assessment Diagram/Boundary Map

Fiscal Year 2022-2023 L&LMD NO. 89-1-C STL ZONE 151

The Assessment Diagram/Boundary Map for STL Zone 151 by this reference is incorporated and made a part of this Report. Only the parcels identified within STL Zone 151 Assessment Diagram are within said boundary.

If any parcel submitted for collection is identified by the County Auditor Controller to be an invalid parcel number for the current fiscal year, a corrected parcel number and/or new parcel number will be identified and resubmitted to the County Auditor Controller. The assessment amount to be levied and collected for the resubmitted parcel or parcels shall be based on the method of apportionment and assessment rate approved in this Report. Therefore, if a single parcel has changed to multiple parcels, the assessment amount applied to each of the new parcels shall be according to the approved method of apportionment and assessment rate rather than a proportionate share of the original assessment.

Information identified on this Assessment Diagram/Boundary Map was provided by the Riverside County Transportation Department.

The STL Zone 151 Assessment Diagram/Boundary Map identifying the boundaries of parcels within PP 190002 in L&LMD No. 89-1-C STL Zone 151 is included in this Report for reference on the following page. For details concerning the lines and dimensions of the applicable Assessor's Parcel Numbers, refer to the County Assessor's Maps as of the date of this Report.
