**BACKGROUND:**

**Summary**

The Riverside County Office on Aging (RCOoA) proposes entering into eleven (11) amendments with eleven (11) contractors (identified in Attachment A) to extend their professional services agreements for one (1) additional year, July 1, 2021 to June 30, 2022, to continue the delivery of services for the Multipurpose Senior Services Program (MSSP) to provide case management services to Medi-Cal beneficiaries who are at risk of being removed from their homes due to increasing frailty. Seniors, 65 years and older, who are eligible for Medi-Cal and at risk for institutionalization, may receive case management services by a skilled Nurse Care Manager (Registered Nurse) and a Social Work Care Manager. MSSP Care Managers communicate, collaborate, and coordinate with the senior, family members, medical and mental health providers, and other service providers to effectively plan for the services necessary for the senior to remain in their home. This reduces the risk of premature or inappropriate institutionalization of the disabled and frail senior. To assist in meeting this goal, RCOoA contracts with vendors to provide a variety of in-home and community-based services.

**Contract History and Price Reasonableness**

RCOoA is required to competitively bid the services required by the Older Americans Act (OAA) to find qualified service providers to deliver these critical services. The Riverside County Purchasing Department released Request for Proposal (RFP) #OAARC-013 to seek MSSP service providers for the period July 1, 2014 through June 30, 2019. On December 9, 2014, (Agenda Item 3.20), the Board of Supervisors ratified, awarded, and approved the Professional Services Agreements with nineteen (19) contractors of senior services in Riverside County to deliver MSSP services. On July 2, 2019, (Agenda Item 3.15), the Board of Supervisors ratified and approved a one (1) year extension of fourteen (14) of the Professional Services Agreements with fourteen (14) contractors to deliver MSSP services through June 30, 2020. On September 1, 2020, (Agenda Item 3.10), the Board of Supervisors ratified and approved another

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,  
STATE OF CALIFORNIA**

one (1) year extension of twelve (12) of the Professional Services Agreements with twelve (12) contractors to deliver MSSP services through June 30, 2021

An extension of the MSSP agreements would allow for better alignment of all services funded through the Older Americans Act and Older Californians Act in preparation for the RFP process and ensure continuity of current services provided. All services funded through both the Older Americans Act as well as the Older Californians Act will be competitively bid at the same time for an award cycle of July 1, 2022 through June 30, 2026.

All contractors identified in Attachment A are meeting contractual requirements and are committed to maintaining necessary service levels throughout the extension period.

**Impact on Residents and Businesses**

Since 1999, MSSP has assisted frail older persons (65 years and older) to avoid inappropriate or premature placement in nursing facilities and to foster independent living in their own home and communities. On average, MSSP provides services to 248 disabled and frail older adults. In FY 2019/2020, MSSP provided over 5,952 services to 314 disabled and frail seniors. Approval for extending these agreements will ensure that adequate services are available to older adults in need of MSSP services.

**Additional Fiscal Information**

RCOoA included funding for the cost to extend these professional service agreements in its FY 21/22 recommended budget; therefore, no budget adjustment is needed. The services are 100% funded with Federal and State funds. There is no impact to the County General Fund. The amount awarded to each contractor for FY 21/22 is set forth in Attachment A.
