BACKGROUND:

Summary

The State Legislature enacted the Mello-Roos Act of 1982 to assist public agencies in financing certain public services and maintenance requirements. On January 27, 2015, the Board of Supervisors revised Board Policy B-12 entitled "Land Secured Financing Districts" to include "Service and Maintenance CFDs" to fund the ongoing maintenance of landscape, storm water Best Management Practices (BMP), street lighting, or other similar improvements and set goals and policies concerning Community Facilities Districts (CFD).

KB Home Coastal, Inc. is the Developer of Tracts 30908 and 30909 and petitioned that the County of Riverside Office of Economic Development assist them in amending the Rate and Method of Apportionment to cover the costs associated with the maintenance of public improvements within the proposed district and has submitted an application and formation deposit. Subject to voter approval, an amended special tax shall be levied on each individual parcel located within the boundary of the proposed CFD to fund the costs associated with street lighting maintenance, which includes energy charges, operation, maintenance and administration of street lighting located within the designated boundaries of the CFD, and maintenance of park and landscape improvements that may include, but are not limited to turf, ground cover, shrubs, trees, plants, irrigation and drainage systems, masonry walls or other fencing within the designated boundaries of the CFD.

The boundaries of CFD No. 20-1M (Springbrook) encompass the entire Tract Map Nos. 30908 and 30909, which includes 644 single family dwelling units, none of which are currently occupied.

On September 15, 2020, the County of Riverside Board of Supervisors approved agenda item 3.10 Resolution No. 2020-142, a resolution of intention as the initial step for forming the CFD and declared the intention of the Board of Supervisors as required by the Mello-Roos Act of 1982 to levy a special tax to fund the service and maintenance functions requested by the Developer.

On October 20, 2020, the County of Riverside Board of Supervisors held a public hearing to receive public comments and conduct a majority protest hearing concerning the establishment of the CFD and the levy of the special tax. At the conclusion of the public hearing, the Board of Supervisors adopted Resolution No. 2020-204, the Resolution of Formation of the CFD, which also authorized the levy of a special tax within the CFD subject to voter approval during a duly called election held that same day.

On October 27, 2020, the Board of Supervisors adopted Resolution No. 2020-208 declaring the results of the election regarding the proposed special tax and finding that 100% of the votes cast were in favor of the levy of the special tax. In addition, the Board introduced Riverside County Ordinance No. 962 authorizing the levy of the special tax pursuant to the Rate and Method of Apportionment approved by the voters.

On November 3, 2020, the Board of Supervisors adopted Ordinance No. 962 authorizing the Levy of a Special Tax Within Community Facilities District No. 20-1M (Springbrook).

On June 1, 2021, the property owner (KB Home Coastal, Inc.) of Tract Map Nos. 30908 and 30909 petitioned the County to assist in amending the Rate and Method of Apportionment of Special Tax for Community Facilities District 20-1M (Springbrook).

On July 20, 2021, the County of Riverside Board of Supervisors approved, Resolution No. 2021-139 a Resolution of Intention to Institute Change Proceedings for the CFD and declared the intention of the Board of Supervisors as required by the Mello-Roos Act of 1982 to Amend and Restate the Rate and Method of Apportionment of Special Tax to fund the service and maintenance functions requested by the Developer.

The Resolution also directed that the Board of Supervisors hold a public hearing and submit the Amended and Restated Rate and Method of Apportionment of Special Tax for CFD 20-1M (Springbrook) to the landowners at a special election to be conducted by mailed ballot if a majority protest does not occur.

On August 24, 2021, the County of Riverside Board of Supervisors held a public hearing to receive public comments and conduct a majority protest hearing. At the conclusion of the public hearing, the Board of Supervisors adopted Resolution No. 2021-140, a Resolution of the Board of Supervisors of the County of Riverside Amending the Levy of Special Tax of Community Facilities District No. 20-1M (Springbrook) of the County of Riverside, within Said District to Pay for Certain Street Lighting Services, Maintenance of Park and Landscape Improvements;

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

Calling a Special Election to submit to the Respective Qualified Voters the Question of Amending the Levy of a Special Tax and Establishing an Appropriations Limit for Said District; and Designating the Election Official For Such Matters. Under the same agenda item, the required CFD report, Certificate of Registrar of Voters stating there are fewer than twelve registered voters, and Concurrence of Election Official in Date of Special Election were all received and filed.

The attached Statement of the Election Official regarding the Canvass of the Election declares the election results which were 172 'YES' votes for Proposition A and Proposition B as described in Section 14 of Resolution No. 2021-140 (on August 24, 2021). Adoption of proposed Resolution No. 2021-141 a Resolution of the Board of Supervisors of the County of Riverside will declare the results of the Consolidated Special Election within the boundary of Community Facilities District 20-1M (Springbrook). County Ordinance No. 962.1 would authorize the amended levy of special taxes within the boundaries of Community Facilities District 20-1M (Springbrook).

Reference

The CFD Amended and Restated Rate and Method of Apportionment of a Special Tax (RMA) is consistent with the Mello-Roos Act of 1982. In November 1996, California voters passed Proposition 218, Right to Vote on Taxes Act which added Articles XIII C and XIII D to the California Constitution. The County may levy taxes within this CFD after complying with the requirements of the Mello-Roos Act of 1982 and the provisions of Proposition 218 Right to Vote on Taxes Act. The CFD Amended and Restated Rate and Method of Apportionment of a Special Tax adheres to Board Policy B-12 entitled "Land Secured Financing Districts" which was revised on January 27, 2015 to include "Service and Maintenance CFDs" to fund the ongoing maintenance of landscape, storm water, or other similar improvements and set goals and policies concerning Community Facilities Districts (CFD).

Impact on Residents and Businesses

Only the parcels with Assessor Parcel Numbers (APN) within the boundaries of the CFD which are represented by the Recorded Boundary Map are impacted by the amended special tax. By setting up this mechanism for the maintenance of certain infrastructure required by the development, the County requires that the development pay for its maintenance impact, rather than the obligation falling upon public funding sources. By specifically collecting and using the amended special tax revenue within the boundary of the CFD, there is a financial mechanism in place to ensure the infrastructure is maintained. This CFD does not propose to fund the repayment of any bonds or bond obligations and is solely for the purposes of funding the maintenance of Developer installed and County required infrastructure, particularly, street lighting services, maintenance of park and landscape. The Developer shall and is obligated to provide disclosure statements to potential buyers which outline the associated tax rate of a new home.

Additional Fiscal Information

The budget for fiscal year 2022-2023, as reflected in the Amended and Restated Rate and Method of Apportionment of Special Tax, will result in Special Tax of \$1,183 per taxable Single Family Property and \$5,931 per acre annually for Multi-Family Residential and Non-Residential property (as defined in the Amended and Restated Rate and Method of Apportionment of Special Tax attached as Exhibit A to the Ordinance). The Maximum Special Tax amount may be adjusted by the minimum of 2% or a maximum of 6% or the cumulative percentage increase in the Consumer Price Index for all Urban Consumers (CPI-U) in effect in the previous Fiscal Year, as it stands as of March of each year over the base index for March of 2021. “Undeveloped Property” means all Parcels of Taxable Property not classified as Developed Property, Approved Property, Public Property or Property Owners Association Property.

B. ASSIGNMENT TO LAND USE CLASS

Each Fiscal Year, commencing with Fiscal Year 2022-2023, all Parcels of Taxable Property shall be classified as either Developed Property, Approved Property, Undeveloped Property, Public Property or Property Owners Association Property, and subject to the levy of Special Taxes in accordance with this Rate and Method of Apportionment as determined pursuant to Sections C. and D.

Parcels of Developed Property shall further be classified as Residential Property or Non-Residential Property. Parcels of Residential Property shall further be classified as Single Family Property or Multi-family Residential Property.

C. MAXIMUM SPECIAL TAX RATES

1. Developed Property

The Maximum Special Tax that may be levied and escalated, as explained further in Section C.1. (a) below, in each Fiscal Year for each Parcel classified as Developed Property shall be determined by reference to Table 1, below.

TABLE 1
Maximum Special Tax Rates for Developed
Property for Fiscal Year 2021-2022

| Land Use Class | Description | Taxable Unit | Maximum Special Tax Per Taxable Unit |
|-----------------------|--|---------------------|---|
| 1 | Single Family Property | D/U | \$1,183 |
| 2 | Multi-family Residential Property | Acre | \$5,931 |
| 3 | Non-Residential Property | Acre | \$5,931 |

(a) Increase in the Maximum Special Tax

On each July 1, following the Base Year, the Maximum Special Tax, identified in Table 1, above, shall be increased annually, commencing July 1, 2022, based on the percentage increase in the Consumer Price Index with a maximum annual increase of six percent (6%) and a minimum annual increase of two percent (2%) of the Maximum Special Tax in effect in the previous Fiscal Year.

(b) Multiple Land Use Classes

In some instances, a Parcel of Developed Property may contain more than one Land Use Class. The Maximum Special Tax that may be levied on such Parcel shall be the sum of the Maximum Special Tax that can be levied for each Land Use Class located on that Parcel. For a Parcel that contains more than one Land Use Class, the Acreage of such Parcel shall be allocated to each type of property based on the amount of Acreage designated for each land use as determined by reference to the site plan approved for such Parcel. The Administrator's allocation to each Land Use Class shall be final.

2. Approved Property

The Maximum Special Tax for each Parcel of Approved Property shall be equal to the product of the applicable Undeveloped Property Maximum Special Tax per Acre times the Acreage of such Parcel; provided, however, for a Parcel of Approved Property that is expected to become Single Family Property as reasonably determined by the Administrator based on the Final Map for such Parcel, the Maximum Special Tax for such Parcel of Approved Property shall be calculated pursuant to Section C.1. as if such Parcel were already designated as Developed Property and classified as Single Family Property.

The Maximum Special Tax for Approved Property shall be increased annually, commencing July 1, 2022, based on the percentage increase in the Consumer Price Index with a maximum annual increase of six percent (6%) and a minimum annual increase of two percent (2%) of the corresponding Maximum Special Tax in effect in the previous Fiscal Year.

3. Undeveloped Property

For Fiscal Year 2022-2023, the Maximum Special Tax that may be levied and escalated for each Parcel classified as Undeveloped Property shall be \$5,931 per Acre.

The Maximum Special Tax for Undeveloped Property shall be increased annually, commencing July 1, 2022, based on the percentage increase in the Consumer Price Index with a maximum annual increase of six percent (6%) and a minimum annual increase of two percent (2%) of the corresponding Maximum Special Tax in effect in the previous Fiscal Year.

4. Public Property and/or Property Owners Association Property

The Maximum Special Tax that may be levied and escalated for each Parcel classified as Public Property and/or Property Owners Association Property shall be \$0.00 per Acre. **There shall be no levy on Public Property and/or Property Owners Association Property.**

D. METHOD OF APPORTIONMENT OF THE SPECIAL TAX

Commencing with Fiscal Year 2022-2023 and for each following Fiscal Year, the Administrator shall levy the Special Tax on all Taxable Property until the amount of Special Tax equals the Special Tax Requirement in accordance with the following steps:

First: The Special Tax shall be levied Proportionately on each Parcel of Developed Property at up to 100% of the applicable Maximum Special Tax as needed to satisfy the Special Tax Requirement;

Second: If additional moneys are needed to satisfy the Special Tax Requirement after the first step has been completed, the Special Tax shall be levied Proportionately on each Parcel of Approved Property at up to 100% of the Maximum Special Tax for Approved Property.

Third: If additional moneys are needed to satisfy the Special Tax Requirement after the first two steps have been completed, the Special Tax shall be levied Proportionately on each Parcel of Undeveloped Property at up to 100% of the applicable Maximum Special Tax for Undeveloped Property.

Notwithstanding the above, under no circumstances will the Special Taxes levied in any Fiscal Year against any Parcel of Residential Property for which a Certificate of Occupancy has been issued be increased by more than ten percent (10%) as a result of a delinquency in the payment of the Special Tax applicable to any other Parcel above the amount that would have been levied in that Fiscal Year had there never been any such delinquency or default.

E. EXEMPTIONS

The CFD shall not levy Special Taxes on Public Property or Property Owners Association Property within the CFD.

F. MANNER OF COLLECTION

The Special Tax shall be collected in the same manner and at the same time as ordinary *ad valorem* property taxes and shall be subject to the same penalties, the same procedure, sale and lien priority in the case of delinquency; provided, however, that the Administrator may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet the financial obligations of the CFD, and provided further that the CFD may covenant to foreclose and may actually foreclose on Parcels having delinquent Special Taxes as permitted by the Act.

G. APPEALS

Any taxpayer may file a written appeal of the Special Tax on his/her Parcel(s) with the Administrator, provided that the appellant is current in his/her payments of Special Taxes. During pendency of an appeal, all Special Taxes must be paid on or before the payment due date established when the levy was made. The appeal must specify the reasons why the appellant claims the Special Tax is in error. The Administrator shall review the appeal, meet with the appellant if the Administrator deems necessary, and advise the appellant of its determination. If the Administrator agrees with the appellant, the Administrator shall grant a credit to eliminate or reduce future Special Taxes on the appellant's Parcel(s). No refunds of previously paid Special Taxes shall be made.

The Administrator shall interpret this Rate and Method of Apportionment and make determinations relative to the annual levy and administration of the Special Tax and any taxpayer who appeals, as herein specified.

H. TERM OF THE SPECIAL TAX

The Special Tax shall be levied annually in perpetuity unless terminated earlier by the County.
