

**SUBMITTAL TO THE BOARD OF SUPERVISORS  
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

ITEM: 3.37  
(ID # 16960)

**MEETING DATE:**

Tuesday, September 14, 2021

**FROM :** TLMA-TRANSPORTATION:

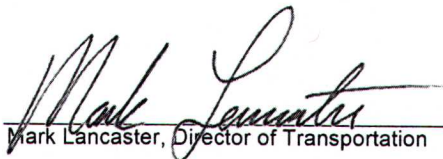

**SUBJECT:** TRANSPORTATION AND LAND MANAGEMENT AGENCY/TRANSPORTATION:

Approval of the Plans and Specifications and Authorization to Advertise for Bid for the San Jacinto Street Resurfacing Project; CEQA Exempt, 3rd District. [\$1,968,429 - 61% Gas Tax/SB 1, 38% City of Hemet, 1% EMWD] (Clerk to Advertise)

**RECOMMENDED MOTION:** That the Board of Supervisors:

1. Find that the San Jacinto Street Resurfacing Project is categorically exempt from the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines Section 15301 (c) - Existing Facilities; and
2. Approve the plans and specifications for the construction of the San Jacinto Street Resurfacing Project, in the Community of East Hemet; and
3. Authorize the Clerk of the Board to advertise for bids to be received by the office of the Director of Transportation and Land Management at the Transportation Annex located at 3525 14th Street, Riverside, CA 92501. All bids must be received up to the hour of 2:00 p.m., Wednesday, October 6, 2021 at which time bids will be opened; and
4. Direct the Clerk of the Board of Supervisors to file the Notice of Exemption with the County Clerk for posting within five (5) working days.

**C.E.O. RECOMMENDATION:** Approve

**BACKGROUND:**

**Summary**

The County of Riverside Transportation Department is proposing to resurface approximately 1.5 miles of San Jacinto Street from Thornton Avenue to Florida Avenue (SH 74) in the Community of East Hemet of Riverside County.

San Jacinto Street is classified as a local road south of Stetson Avenue and as a secondary highway north of Stetson Avenue in the County of Riverside's General Plan. San Jacinto Street is a two-lane road and currently ranges from 20 to 64 feet wide with curb and gutter along various segments of the roadway. Roadway resurfacing is needed due to the deteriorated pavement conditions. Various pavement rehabilitation methods are being proposed throughout the project limits which will result in new Hot Mix Asphalt (HMA) and Rubberized Hot Mix Asphalt (RHMA) being placed throughout the project limits.

Additional improvements include placement of AC dike, reconstruction of cross gutter and spandrels, ADA compliant concrete driveways, pavement safety edge, placing of traffic striping, thermoplastic crosswalk and pavement markings, upgrading one existing traffic signal and other associated work.

On April 28, 2017, Senate Bill 1 (SB1) was passed to improve the state's aging transportation infrastructure, particularly roads and bridges. Because of this, the County is now able to improve the condition of roads in need of resurfacing or reconstruction and has included them in the County Transportation Improvement Program (TIP). San Jacinto Street resurfacing project is one of Riverside County's priority projects approved for use of the new Gas Tax/SB-1 funds. Without SB1 this needed road repair project would have been shelved until funding became available.

The submitted plans and specifications have been approved as to form by County Counsel. The bid documents include the following bid schedule of work:

Base Bid Schedule:	San Jacinto Street Resurfacing
Alternative Bid 1:	City of Hemet (City Limit to Florida Avenue)

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,  
STATE OF CALIFORNIA**

Alternative Bid 2: EMWD Manhole Adjustments (County)  
Alternative Bid 3: EMWD Manhole Adjustments (City)

Improvements within the City of Hemet are included in the bid package as an alternate bid schedule. If City of Hemet approves the award of their alternate bid schedule, as bid by the apparent low bidder, the cost for the work will be funded by the City of Hemet through a reimbursement Agreement, which will be submitted to the Board of Supervisors for approval prior to or concurrent with the award of the construction contract.

The adjustment of a facilities owned by EMWD and Frontier, are also included in the bid package as an alternative bid schedule. If EMWD and Frontier approve the award of their respective alternative bid schedules, as bid by the apparent low bidder, the cost for the work will be funded by the utility owners through reimbursement letter Agreements that will be executed by the Director of Transportation.

The Transportation Department will select the contractor based upon the lowest responsive and responsible bid for the sum of all bid schedules.

Project No. D0-0069

**Environmental Findings**

The project proposes to resurface approximately 7,885 feet of San Jacinto Street, construct sidewalks to join existing segments, signal upgrades, and associated improvements from Thornton Avenue to Florida Avenue. The project in its entirety is consistent with CEQA Section 15301(c) because it does not create additional automobile lanes and involves no expansion of use of the existing roadway and associated facilities.

**Impact on Citizens and Businesses**

The purpose of this project is to replace existing deteriorated pavement with new hot mix asphalt and rubberized hot mix asphalt for the approximate 7,885 feet segment of San Jacinto Street to provide the public with a smooth paved roadway that will improve the safety and efficiency of vehicular traffic.

The work is scheduled to begin Summer 2021, and will be phased to keep the road open during construction as much as possible and will take approximately two months to complete.

**SUPPLEMENTAL:**

**Additional Fiscal Information**

The construction contract is estimated to cost approximately \$1,968,429. The County improvements will be funded with Gas Tax/SB-1 Funds. The City of Hemet and EMWD are responsible for funding their respective alternative bid schedules in full if approved.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,  
STATE OF CALIFORNIA**

There are no General Funds used in this project.

## Notice to Bidders

County of Riverside, herein called Owner, invites sealed proposals for:

**San Jacinto Street Resurfacing Project  
Thornton Avenue to Florida Avenue  
Community of East Hemet  
Project No. D0-0069**

Bid shall be delivered to the County of Riverside Transportation Department, 14<sup>th</sup> Street Annex, 3525 14<sup>th</sup> Street, Riverside, California 92501, telephone (951) 955-6780 not later than 2:00 p.m., on Wednesday, **October 6, 2021** to be promptly opened in public at said address. Each bid shall be in accordance with plans, specifications and other contract documents, dated **July 2021**, and prepared by County of Riverside, whose address is same as the above, from whom a digital set of documents (bid book and plans) may be obtained upon request, at no cost, or a printed set of bidding documents with 22" x 34" size plans may be obtained upon request for a nonrefundable fee of **\$25.00** per set, plus mailing costs. Email request of bidding documents, with company and contact information, to **Bids-Contracts@rivco.org** and reference this project (or contact the address or telephone number above).

Pursuant to Labor Code section 1771.1, any Contractor bidding, or subcontractor to be listed on a bid proposal subject to Public Contract Code section 4104, shall not be qualified to bid after March 1, 2015, unless currently registered and qualified to perform public works pursuant to Labor Code section 1725.5. No Contractor or subcontractor may be awarded a contract or perform work on any contract for public work, after April 1, 2015, without proof of current registration with the Department of Industrial Relations pursuant to Labor Code section 1725.5 to perform public works.

The County of Riverside, in accordance with Title VI of the Civil Rights Act of 1964 (78 Stat. 252) and the Regulations of the Department of Commerce (15 C.F.R., Part 8) and related statutes, issued pursuant to such Act, hereby notifies all bidders that minority businesses will be afforded full opportunity to submit bids, and it will affirmatively insure that the contract entered into pursuant to this advertisement will be awarded to the lowest responsible bidder without discrimination on the grounds of race, color, sex, national origin, religion, age, or disability.

The Contractor is required to have a Class "A" license at the time of bid submission.

Engineering Estimate:	\$ 1,090,000 - \$1,270,000	(Base Bid Schedule)
	\$ 670,000 - \$ 785,000	(Alternative Bid Schedule 1)
	\$ 7,000 - \$ 8,500	(Alternative Bid Schedule 2)
	\$ 5,500 - \$ 6,500	(Alternative Bid Schedule 3)

Bid Bond	10 %
Performance Bond	100 %
Payment Bond	100 %
Working Days	50

Deputy for Transportation Planning and  
Development

April 8, 2021

**PROJECT TITLE:** San Jacinto Street Resurfacing  
Work Order# D0-0069 Task Code #Z1530

**PROJECT SPONSOR:** Riverside County Transportation Department

**PROJECT LOCATION:** Community of East Hemet

**SUPERVISORIAL DISTRICT:** District 3

**PROJECT DESCRIPTION:** The County of Riverside Transportation Department is proposing to resurface approximately 7,885 feet of San Jacinto Street from Thornton Avenue to Florida Avenue (SH 74). San Jacinto Street is classified as a local road south of Stetson Avenue, and as a secondary highway north of Stetson Avenue in the County of Riverside's General Plan. San Jacinto Street is a two lane road and currently ranges from 20-64 feet wide with curb/gutter along various segments of the roadway. The project will include the following:

- Pavement removal
- Cold Planing
- Paving with Hot Mix Asphalt and Asphalt Rubber Hot Mix
- Reconstruction of concrete curb/gutter, cross gutter, spandrel, and ADA deficient curb ramps
- Upgrading the existing traffic signal at Stetson Ave from a loop detection system to a camera detection system
- Construction of sidewalk to join existing segments on south bound San Jacinto Street between Lucerne Drive and Whittier Avenue
- Utility adjustments
- Striping of roadway, including pavement markers and reflectors
- Salvage/removal and installation of new signs

#### **ENVIRONMENTAL ANALYSIS:**

The proposed project will not acquire right-of-way. Temporary construction easements may be required for the proposed improvements.

This project is subject to compliance with the Western Riverside County MSHCP. In accordance with Section 7.1 of the Western Riverside County MSHCP, necessary operation and maintenance along existing roadways are considered a covered activity outside cell criteria areas. This project is considered to be a safety improvement project under operation and maintenance and therefore is a covered activity.

Original Negative Declaration/Notice of  
Determination was routed to County  
Clerks for posting on. PR Initial  
9/17/21 Date

If tree and/or vegetation removal takes place during the migratory bird breeding season (March 1 – September 1), a preconstruction nesting survey will be conducted pursuant to the Migratory Bird Treaty Act (MBTA).

**The Riverside County Transportation Department has found that the above-described project is exempt from the provisions of the California Environmental Quality Act (CEQA), based on the following:**

**Section 15301 (c) – Existing Facilities** – The project proposes to resurface approximately 7,885 feet of San Jacinto Street, construct sidewalks to join existing segments, signal upgrades, and associated improvements from Thornton Avenue to Florida Avenue. The project in its entirety is consistent with Section 15301(c) because it does not create additional automobile lanes and involves no expansion of use of the existing roadway and associated facilities.
