BACKGROUND:

Summary

The Riverside County Transportation Department (Transportation Department) is planning on overlaying or reconstructing several existing paved roads in the Thermal Area, Coachella Area, Mecca Area, and Blythe Area using the department's in-house construction crews.

This work can be efficiently, and cost effectively completed using Transportation Department crews, compared to the traditional bidding process. It should be noted that the Transportation Department contracts out the vast majority of its construction work to private contractors (over 90% last year).

Certain projects that are less complex and of a maintenance nature can be more efficiently and quickly accomplished using Department road crews, due to the time and cost savings realized through not having to generate engineered plans and contract specifications, surveying, and inspection costs.

The following road(s) will be constructed in the **Coachella area** (4th District):

<u>Name</u>	<u>From</u>	<u>To</u>
54 th Avenue	Fillmore Street	Pierce Street

The following road(s) will be constructed in the **Mecca area** (4th District):

<u>Name</u>	<u>From</u>	<u>To</u>
64 th Avenue	Grapefruit Blvd	2737' SW Grapefruit
Buchanan	60 th Avenue	58 th Avenue

The following road(s) will be constructed in the **Thermal area** (4th District):

<u>Name</u>	<u>From</u>	<u>To</u>
Orange Street	Airport Blvd	785' S Airport Blvd
Pierce Street	Airport Blvd	52 nd Avenue

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

The following road(s) will be constructed in the **Blythe area** (4th District):

<u>Name</u>	<u>From</u>	<u>To</u>
11 th Avenue	Neighbours Blvd	Arrowhead Blvd
14 th Avenue	Stephenson Blvd	SH-78
Stephenson Blvd	3908' S 14 th Avenue	2616' N Seeley Avenue
Peter D McIntire	Lovekin Blvd	Intake Blvd
Keim Blvd	20 th Avenue	18 th Avenue

Assembly Bill 720 (AB720) sets forth modified requirements by which new road construction and road reconstruction can be performed by employees of a public agency. Under AB720, an agency may elect to utilize public employees to perform force account work, provided this work does not exceed 30% of the total value of all work performed by force account other than maintenance, as reported in the State Controller's Streets and Roads Annual Report as of January 1 of each year. The intent to use this authority must be declared prior to commencing the work.

The proposed projects with their associated construction budgets are listed in Attachment A-1. The total cost of the work is \$2,642,000.

Impact on Residents and Businesses

The proposed projects will reduce dust and erosion, improve access to local residents, and increase public safety.

Additional Fiscal Information

All projects will be funded 100% by Gas Tax/SB-1. No General Funds will be used.
