PROJECT BACKGROUND:

Pursuant to Board of Supervisors Resolution No. 84-526 Section 204, which outlines the rules and regulations governing agricultural preserves in Riverside County, only land that currently has an agricultural zoning classification as defined in Section 21.3(b) of Ordinance No. 348, or for which the applicant has filed a request for a change of zone to such zoning, shall be included within the agricultural preserve. The project site's existing zoning classification of Rural Residential (R-R) zone is not considered an agricultural zone, pursuant to Ordinance No. 348, Section 21.3.b; therefore, a change of zone application needs to be processed with an Agricultural Preserve Case. Change of Zone No. 1900018 (CZ1900018), is a request to change the zoning classification of the project site from Rural Residential (R-R) to Light Agriculture (A-1). The proposed A-1 zone classification is an agricultural zone, pursuant to Section 21.3b of Ordinance No. 348 and is consistent with the site's General Plan Foundation Component and land use designation of Rural Mountainous (RM). A-1 is consistent with the site's current and future use of agriculture. Change of Zone No. 1900018 was presented to the Planning Commission on March 24, 2021, and the Commission recommended that the Board of Supervisors tentatively approve the change of zone by a vote of 5-0.

The County's Agricultural Preserve program and State Williamson Act are designed to encourage agricultural use of suitable land instead of converting the land to non-agricultural uses. Properties that are within an agricultural preserve and have a land conservation contract provides the property owner with a reduction in the property taxes for their agricultural land, in exchange for long-term commitments to retain the land in agriculture. The Rancho California Agricultural Preserve No. 18 was established on February 3, 1976 by the Board of Supervisors with the adoption of Map No. 354 and consisted of approximately 841 acres. The Rancho California Agricultural Preserve No. 18 has been amended since then and is currently approximately 1,052.82 acres. Approval of Change of Zone No. 1900018 and Agricultural Preserve Enlargement No. 190001 referred as "the Project," will expand the Rancho California Agricultural Preserve No. 18 to an estimated 1,072.4 acres.

Agricultural Preserve Enlargement No. 190001 (APE190001), is a request by the property owner, WST Group USA, Inc., to enlarge the Rancho California Agricultural Preserve No. 18, as amended through Map No. 1000, and to enter a land conservation contract, pursuant to the Williamson Act (California Land Conservation Act of 1965, Government Code § 51200 et. seq.). The subject property is approximately 19.58 acres and is adjacent to the existing Rancho California Agricultural Preserve No. 18. On June 26, 2019, APE190001 was presented to and was recommended for approval by the Comprehensive Agricultural Preserve Technical Advisory Committee (CAPTAC). The CAPTAC reports that roughly 19.58 acres of the project's site is currently utilized for the harvesting of citrus fruit. In addition, CAPTAC determined that irrigation water is available, and the site is suitable for commercial agricultural uses.

Environmental Review/Findings

This Project is exempt from the California Environmental Quality Act (CEQA) review pursuant to Article 5, Section 15061(b)(3), Common Sense Exemption, since it can be seen with certainty that there is no possibility that the activity in question may have a significant effect

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

on the environment. This Project is also exempt from CEQA review pursuant to Article 19 Categorical Exemption, Section 15317, which provides an exemption from the CEQA process for "the establishment of agricultural preserves, the making and renewing of open space contracts under the Williamson Act, or the acceptance of easements or fee interests in order to maintain the open space character of the area." The findings in the attached staff report for both CEQA exemptions are incorporated herein by reference.

Impact on Residents and Businesses

The Project site will not have a significant effect on surrounding property owners, because the Project will not result in any substantial changes to the environment. The site is currently utilized for the harvesting of citrus fruit and no new land use or development activity is proposed at this time.

Title of Document

**APPROVING AGRICULTURAL PRESERVE ENLARGEMENT NO 190001 AND ENLARGING THE
RANCHO CALIFORNIA AGRICULTURAL PRESERVE NO 18**

(GOVERNMENT CODE SECTION 51283.4)
(First Supervisorial District)

(TLMA-Planning Department ~ Item 21.5 of 09/14/2021)

RESOLUTION NO. 2021-172

APPROVING AGRICULTURAL PRESERVE ENLARGEMENT NO. 190001

AND ENLARGING THE RANCHO CALIFORNIA

AGRICULTURAL PRESERVE NO. 18

WHEREAS, the Rancho California Agricultural Preserve No. 18, Map No. 354 was established on February 3, 1976 by the Board of Supervisors and originally consisted of 841 acres; and,

WHEREAS, the Rancho California Agricultural Preserve No. 18, Map No. 534 was subsequently amended by Map Nos. 438, 456, 610, 1000 and currently consists of approximately 1,052.82 acres; and,

WHEREAS, the Rancho California Agricultural Preserve No. 18 is generally located North of De Luz Road, West of Los Gatos Road, and South of Carancho Road, within the Southwest Area Plan; and,

WHEREAS, WST Group USA, Inc. ("Property Owner") owns 19.58 total acres commonly known as Assessor's Parcel Nos. 933-120-039 and 933-120-040 ("Property") that are adjacent to the Rancho California Agricultural Preserve No. 18 and located North of Buena Vista Road, South of Carancho Road, East of Los Gatos Road, and West of El Calamar Road; and,

WHEREAS, the Property is currently being used as a farming operation; and,

WHEREAS, the Property Owner desires to add the Property to the existing Rancho California Agricultural Preserve No. 18 and submitted a Petition for Enlargement of an Agricultural Preserve on April 15, 2019; and,

WHEREAS, the Property Owner has signed the Land Conservation Contract for the Property, and, once the Property is added to the Rancho California Agricultural Preserve No. 18, the Land Conservation Contract will be recorded and go into effect pursuant to the Williamson Act (California Land Conservation Act of 1965, Government Code, § 51200 et seq.); and,

WHEREAS, Agricultural Preserve Enlargement No. 190001 will add the Property to the Rancho California Agricultural Preserve No. 18 as shown on the attached map titled "MAP NO. 354 RANCHO CALIFORNIA AGRICULTURAL PRESERVE NO. 18, AMENDED BY MAP NO. 438, 456, 610, 1000,

1 190001", thereby expanding the Rancho California Agricultural Preserve No. 18 to an estimated 1,072.4
2 acres; and,

3 **WHEREAS**, Agricultural Preserve Enlargement No. 190001 is associated with Change of Zone
4 No. 1900018; and,

5 **WHEREAS**, Agricultural Preserve Enlargement No. 190001 and Change of Zone No. 1900018
6 were duly noticed, pursuant to Resolution No. 84-526, Rules and Regulations Governing Agricultural
7 Preserves, and Riverside County Ordinance No. 348; and,

8 **WHEREAS**, Agricultural Preserve Enlargement No. 190001 and Change of Zone No. 1900018
9 were heard concurrently at a public hearing held by the Riverside County Board of Supervisors on
10 September 14, 2021; and,

11 **WHEREAS**, at that public hearing, the Board of Supervisors found Agricultural Preserve
12 Enlargement No. 190001 and Change of Zone No. 1900018 exempt from the California Environmental
13 Quality Act ("CEQA") pursuant to State CEQA Guidelines sections 15317 (Open Space Contracts or
14 Easements) and 15061(b)(3).

15 **BE IT RESOLVED, FOUND, DETERMINED AND ORDERED** by the Board of Supervisors
16 of the County of Riverside, State of California, in regular session assembled on September 14, 2021 based
17 on the evidence presented on this matter, both written and oral, that:

- 18 1. The above recitals are true and correct and incorporated herein by this reference.
- 19 2. The current land use designation for the Property is Rural Mountainous, which allows for
20 limited agricultural land uses. The land use designation is compatible with agricultural
21 preserves because development patterns restricted within this land use designation
22 complement the activities of an Agricultural Preserve.
- 23 3. The Property's previous zoning was Rural Residential (R-R), which is not compatible with
24 Agricultural Preserves.
- 25 4. Change of Zone No. 1900018 associated with Ordinance No. 348.4973 changes the
26 Property's zoning classification to Light Agriculture (A-1), which is compatible with
27 Agricultural Preserves as defined in Ordinance No. 348.

- 1 5. Agricultural Preserve Enlargement No. 190001 is consistent with the County's General Plan
2 because the Property's land use designation is Rural Mountainous (RM) and is used for the
3 harvesting of citrus fruit. In addition, participation in a Land Conservation Contract will
4 protect farmland and agricultural resources which is consistent with the Southwest Area
5 Plan, which states "citrus and avocado groves also provide a viable agricultural product."
6 This project site is located within the Santa Rosa Plateau Policy Area within the Southwest
7 Area Plan (SWAP). The intent of the policy area is to maintain the rural and natural character
8 of the area and to address the long-term stability of the Santa Rosa Plateau Ecological
9 Reserve.
- 10 6. The Comprehensive Agricultural Preserve Technical Advisory Committee ("CAPTAC")
11 reviewed Agricultural Preserve Enlargement No. 190001 on June 26, 2019 and found it
12 acceptable.
- 13 7. CAPTAC made the following findings for Agricultural Preserve Enlargement No 190001:
14 a. The project site is 19.58 acres, the size of which is consistent with the requirements
15 of Resolution No. 84-526.
16 b. There is no existence of any scenic value to the lands to be included in the Rancho
17 California Agricultural Preserve No. 18.
18 c. No cities are within one mile of the proposed boundary of the enlarged Rancho
19 California Agricultural Preserve No. 18.
20 d. The project site is suitable for agricultural uses and has availability of irrigation
21 water.
22 e. The project site is used for the harvesting of citrus fruit.

23 **BE IT FURTHER RESOLVED** by the Board of Supervisors that the Rancho California
24 Agricultural Preserve No. 18, Map No. 354, amended through Map No. 1000, is further amended by adding
25 thereto the area shown on the attached map titled, "MAP NO. 354 RANCHO CALIFORNIA
26 AGRICULTURAL PRESERVE NO. 18, AMENDED BY MAP NO. 438, 456, 610, 1000, 190001" and
27 legally described by the boundary description in the attached Exhibit A, said map and description both
28 being on file in the office of the Clerk of this Board.

1 **BE IT FURTHER RESOLVED** by the Board of Supervisors that the Clerk of the Board shall file
2 and record copies of this resolution, attached map and said boundary description with the Office of the
3 County Recorder of Riverside County, California and transmit copies to the Director of Conservation of the
4 State of California, and the Office of the Assessor of Riverside County, California.

LAND CONSERVATION CONTRACT

COUNTY OF RIVERSIDE, herein called "County," and

WST Group USA, Inc., a California Corporation

herein called "Owner," mutually agree:

1. This contract is made pursuant to the California Land Conservation Act of 1965 (Government Code, Section 51200, et seq.) and affects the real property described in Exhibit "A" attached hereto and made a part of this contract, which lies within the Rancho California Agricultural Preserve No. 18, Map No. 190001.
2. This contract shall take effect on January 1, 2022, and shall remain in effect for an initial term of 10 years.
3. On each anniversary date of this contract, one year shall be added to the initial term unless notice of non-renewal shall be given as provided in Section 51245 of the Government Code. Any notice of non-renewal referring to this contract shall be recorded by the County in the office of the County Recorder whenever the contract is not renewed.
4. This contract may be canceled only in accordance with Section 51280, et seq., of the Government Code relating to cancellation, as now written or hereafter amended.
5. When any portion of land subject to this contract is acquired by condemnation of the fee title, or by purchase in lieu thereof, for a public improvement, this contract shall become null and void thereafter as to such portion, and may be amended to correctly reflect the description of any portion not so acquired.
6. In consideration of the execution hereof by County, and the execution by County and other owners within the preserve of similar contracts, the Owner, during the term of this contract, including any renewal period, agrees to use the described land only for agricultural uses and such compatible uses as are permitted by or pursuant to the Uniform Rules established for the administration of agricultural preserves by Riverside County Ordinance Number No. 509. Said Uniform Rules are by this reference incorporated in and made a part of this contract.
7. In consideration of the execution hereof by the Owner and the execution of similar contracts by other property owners within the same agricultural preserve, County agrees not to authorize uses, other than uses permitted by or pursuant to said Uniform Rules, within said agricultural preserve, during the term of this contract or any renewal thereof. Nothing herein shall prohibit a change of boundaries of said agricultural preserve to omit lands not subject to such contract or to include additional lands.
8. Any notice to be given to the Owner pursuant to this contract or said Uniform Rules may be sent by U.S. Mail addressed to the Owner at the address shown below the signature of the Owner. Like notices to County may be sent by U.S. Mail addressed to Clerk, Board of Supervisors, P.O. Box 1010, Riverside, CA 92502-1010. Either party may change such address by notice to the other.

SEP 14 2021 21.5

9. This contract shall constitute a covenant running with the land herein described, and shall be binding upon and inure to the benefit of the heirs, successors and assigns of the parties hereto. This contract may be enforced by either party or by any owner of land within the same agricultural preserve which is subject to a similar contract.

Summary and Conclusions:

The Comprehensive Agricultural Preserve Technical Advisory Committee ("CAPTAC") evaluated the proposed enlargement of an agricultural preserve and request to enter into a land conservation contract ("Request") for the Subject Site. The purpose of this evaluation is to determine if the proposed Request is consistent with the **Land Conservation Act of 1965** ("Williamson Act") and **Riverside County Resolution No. 84-526**, "The Rules and Regulations Governing Agricultural Preserves in Riverside County" as amended ("Riverside County AG Preserve Rules and Regs").

Based on a complete evaluation of the Request, CAPTAC was able make the nine necessary findings to conclude that the proposed Request is consistent and recommends that the Riverside County Board of Supervisors **approve** the Request under Agricultural Preserve No. **180006**. CAPTAC affirmed this determination with a {vote} to five vote, based on the following findings, pursuant to Section 605(3) of Riverside County AG Preserve Rules and Regs:

- I. **Present Zoning of lands proposed to be included in the preserve and surrounding land.**
The Subject Site is zoned Rural Residential (R-R). The properties that abut its north boundary is vacant land, to east, west and south boundaries is farmland. An application (CZ No. 1900018) has been filed requesting a change of zone for the Subject site to change the zoning classification from Rural Residential (R-R) to Light Agriculture (A-1) 10 Arce Minimum, which is considered an "Agricultural Zone" by Ordinance No.348.
- II. **Present land use of land proposed to be included in the preserve and surrounding properties.**
The Subject Site is used for agricultural purposes and uses (see above: 1.E). The surrounding land appears to be open space, and irrigated farmland, according to aerial imagery.
- III. **Whether or not the land proposed to be included in the preserve is presently employed in an agricultural use and, if so, the agricultural commodities grown thereon.**
According to the petition to enlarge an agricultural preserve submitted by the land owner with AG Preserve Enlargement No. 190001, the current agricultural uses of the Subject Site includes commercial crops harvesting for lemon trees. Therefore, the entire property will be used for agricultural purposes.

IV. The agricultural commodities that may be grown on the property proposed to be included in the preserve taking into consideration the said type, water availability and other conditions that may affect the growing of crops.

V. The current agricultural uses of the Subject Site includes commercial crops harvesting for lemon trees. The existing and proposed agricultural uses are listed above in Section 1.E. by commodities with existing and proposed area. CAPTAC has determine that irrigation water is available, and the site is suitable for commercial agricultural uses.

VI. Whether or not the existing or proposed agricultural use of the land constitutes or could constitute a nuisance, public or private, to the surrounding lands.

Due to the rural nature of the area and the vast amounts of open space, the proposed agricultural use is not expected to create a public or private nuisance on surrounding lands.

VII. The current assessed valuation and the estimated reduction in assessed valuation if the real property proposed to be included in the preserve enters into a land conservation contract.

TBD.

VIII. A list of cities that are within one mile of the proposed boundaries of the preserve, and any comments expressed by such a city on the application.

No cities are within one mile of the proposed boundary of the preserve.

IX. The existence of any historic or scenic value to the lands proposed to be included in the preserve.

No historic or scenic value to the Subject Site is known or found in this evaluation. However, the Southwest Area Plan identifies Clinton Keith Road as a Mountain Arterial 2 Lane (110' ROW) and is not a County Eligible Scenic Highway, which is located approximately 4 miles from the Subject Site. The Subject Site is in proximity to the above Lane, however there are already existing crops and the use would not be change the scenic value.

X. The acreages of each land owner included in the application and total acreage.

WST Group USA Inc.: total acreage is 19.58.

II. PROJECT DESCRIPTION:

Conditional Use Permit No. 200027 is a proposal for a Cannabis Microbusiness Facility with Indoor Cultivation, Distribution, and storefront Retail Sales within an existing shopping center. The Cannabis Microbusiness would reside within Units B and G, totaling 9,875 sq. ft., within the existing 24,213 sq. ft. commercial building for the shopping center. Unit B would consist of 2,325 sq. ft. for the cannabis retailer with a reception area, security room, offices, vaults, storage, a breakroom, and restrooms. Unit G would consist of the indoor cultivation at 7,300 sq. ft. with flower rooms, a hanging room, and a veg room and the distribution area at 250 sq. ft. for packaging and deliveries; all totaling 7,550 sq. ft. The existing shopping center provides adequate parking spaces for the proposed facility and the remaining commercial units that are not a part of this project. The facility requires 14 of the existing 180 parking spaces. The project includes improvement to the site's landscaping, parking surface, signage, entrance monument, and exterior building paint. The associated Development Agreement No. 2000012 (DA2000012), has a term of 10 years. It will grant the applicant vesting rights to develop the project in accordance with the terms of DA2000012 and CUP200027 and will provide community benefits to the Elsinore Area. APN: 370-310-007.

The Change of Zone is a proposal to change the existing zoning classification from General Commercial (C-1/C-P) to One-Family Dwellings (R-1) on the 0.13-acre parcel. The purpose behind the General Plan Amendment and Change of Zone is to be able to construct a one family dwelling on the property. A one family dwelling is not permitted by the current zoning on the property. APN: 381-273-004. Project Planner: Russell Brady at (951) 955-3025 or email at rbrady@rivco.org.

II. PROJECT DESCRIPTION:

Commercial WECS Permit No. 71, Revised Permit No. 10 proposes to install up to seven (7) new commercial wind turbines up to 499 feet in height with a total project generating capacity of 27 MW. These seven (7) new turbines would replace the 159 turbines currently on the site which are scheduled for decommissioning early 2021 under existing WECS permits, including demolition permits issued by the County. The project also includes associated equipment such as existing on-site substation, temporary construction yard, new meteorological tower, and existing 220 kV transmission line. No work is proposed on existing interconnection line, and the project would use an existing access road from Haugen-Lehmann Way. Variance Case No. 200001 proposes to eliminate the safety setbacks in accordance with Zoning Ordinance No. 348 along the western and northern lot lines from 1.1 times turbine height (549-feet) to 0-feet for wind turbines T-1, T-2A, and T-3A in a rural remote area. The Cannabis Microbusiness would reside within Units B and G, totaling 9,875 sq. ft., within the existing 24,213 sq. ft. commercial building for the shopping center. Unit B would consist of 2,325 sq. ft. for the cannabis retailer with a reception area, security room, offices, vaults, storage, a breakroom, and restrooms. Unit G would consist of the indoor cultivation at 7,300 sq. ft. with flower rooms, a hanging room, and a veg room and the distribution area at 250 sq. ft. for packaging and deliveries; all totaling 7,550 sq. ft. The existing shopping center provides adequate parking spaces for the proposed facility and the remaining commercial units that are not a part of this project. The facility requires 14 of the existing 180 parking spaces. The project includes improvement to the site's landscaping, parking surface, signage, entrance monument, and exterior building paint. The associated Development Agreement No. 2000012 (DA2000012), has a term of 10 years. It will grant the applicant vesting rights to develop the project in accordance with the terms of DA2000012 and CUP200027 and will provide community benefits to the Elsinore Area. APN: 370-310-007. PROJECT DESCRIPTION AND LOCATION

Change of Zone No. 1900018 (CZ1900018) proposes to change the site's zoning classification from Rural Residential (R-R) to Light Agriculture (A-1), which would allow the site to be included in the Rancho California Agricultural Preserve No. 18, Map No. 354, and establish a Land Conservation Contract. The Project site is approximately 19.58 acres.

The application for this site to be entered into an Agricultural Preserve (APE190001) has been submitted and will be considered by the Board of Supervisors at a future hearing date. APE 190001 would be joined with the CZ1900018 application at a future Board of Supervisors meeting.

The above shall herein after be referred to as "the Project."

The site is located north of Buena Vista Road, south of Carancho Road, east of Los Gatos Road and west of el Calamar Road. The Project is within the Southwest Area Plan.

PROJECT RECOMMENDATION

STAFF RECOMMENDATIONS:

THAT THE PLANNING COMMISSION RECOMMEND THAT THE BOARD OF SUPERVISORS TAKE THE FOLLOWING ACTIONS:

FIND that the project is **EXEMPT** from the California Environmental Quality Act (CEQA), pursuant to State CEQA Guidelines Section 15317 (Open Space Contracts or Easements) and 15061(b) (3) (Common Sense Exemption), based on the findings and conclusions in the staff report; and,

TENTATIVELY APPROVE CHANGE OF ZONE NO. 1900018, amending the zoning classification for the subject property from Rural Residential (R-R) to Light Agricultural (A-1), in accordance with Exhibit 3, based upon the findings and conclusions incorporated in this staff report, and pending final adoption of the zoning ordinance by the Board of Supervisors.

PROJECT BACKGROUND AND ANALYSIS

Background:

The Project, Change of Zone No. 1900018 (CZ1900018), is a request to change the zoning classification of the Project site from Rural Residential (R-R) to Light Agriculture (A-1). Pursuant to Board of Supervisors Resolution No. 84-526 Section 204, which outlines the rules and regulations governing agricultural preserves in Riverside County, only land that currently has agricultural zoning as defined in Ordinance No. 348, Section 21.3, or for which the applicant has filed a request for a change of zone to such zoning,

shall be included within the agricultural preserve. The Project site's existing zoning classification of Rural Residential (R-R) zone is not considered an agricultural zone pursuant to Ordinance No. 348, Section 21.3b; therefore, a change of zone application is being processed with the Agricultural Preserve Case. The proposed A-1 zone is an agricultural zone pursuant to Section 21.3b of Ordinance No. 348 and is consistent with the site's General Plan Foundation Component and land use designation of Rural Mountainous (RM).

"Agricultural preserve" or "preserve" means an area devoted to those agricultural or other uses allowed under the provisions of the Land Conservation Act of 1965, also known as the Williamson Act, and those compatible uses as designated and established by the Board after notice and hearing. The Williamson Act allows the County of Riverside to designate agricultural preserves wherein agricultural properties will be assessed on the basis of agricultural production rather than the current market value.

The proposed zone change will allow an existing agricultural preserve to include the Project site and establish the associated Land Conservation Contract. The property includes Prime and Unique Farmlands and is currently used to farm citrus fruit. The General Plan Rural (R) Foundation Component and land use designation provide policies to ensure that agricultural lands remain economically viable and that conflicts between agricultural and urban/suburban uses are minimized. The expansion of the preserve and the establishment of the Land Conservation Contract meets the intent of the Rural Mountainous (RM) land use designation. The A-1 zoning classification permits uses that are consistent with the RM land use designation. The expansion of the preserve will further conserve productive agricultural lands within the Southwest Area Plan.

Rancho California Agricultural Preserve No. 18

The Rancho California Agricultural Preserve No. 18 was established on February 3, 1976 by the Board of Supervisors with the adoption of Map No. 354 and consisted of approximately 841 acres. It has been amended since then and is currently approximately 1,052.82 acres. Approval of CZ1900018 and APE190001 will expand the Rancho California Agricultural Preserve No. 18 to 1,072.4 acres.

On June 26, 2019, APE190001 was presented to and was recommended for approval by the Comprehensive Agricultural Preserve Technical Advisory Committee (CAPTAC). The entire Project's site is currently utilized for commercial crops harvesting of citrus fruit. CAPTAC has determined that irrigation water is available, and the site is suitable for commercial agricultural uses.

APE190001 will be considered solely by the Board of Supervisors. APE190001 is not under the review of the Planning Commission. Planning Commission's recommendation regarding CZ1900018 will be connected with APE190001 at a future Board of Supervisor's Public Hearing. Further technical findings of the Agricultural Preserve Enlargement will be documented within the Form 11 for the Board of Supervisors Hearing.

File No. Change of Zone No. 1900018 was submitted to the County on May 9, 2019. File No. Agricultural Preserve Case No. 190001 was submitted to the County on April 15, 2019.

ENVIRONMENTAL REVIEW / ENVIRONMENTAL FINDINGS

The Project was reviewed to determine if the proposed activity is subject to the California Environmental Quality Act and it was determined to be exempt pursuant to Article 5, Section 15061(b)(3), Common Sense Exemption, since it can be seen with certainty that there is no possibility that the activity in

question may have a significant effect on the environment. The Project meets this exemption because the entire Project site is farmed with citrus fruit and there are no plans to modify the existing site. The Project does not propose any new development on the site, nor does it disturb the existing physical environment. The proposed zone of A-1 (Light Agriculture) is consistent with the Project site's existing Rural Mountainous land use designation and is required for the expansion of the Agricultural Preserve and Land Conservation Contract that is proposed by APE190001. There are several commercial uses that are permitted and conditionally permitted in the R-R zone that are not compatible with the agricultural preserve. The change of zone to A-1 zone would reduce the types of uses and intensity of projects that the property may be used for in the future; this would essentially downzone the property in terms. Additionally, inclusion in an Agricultural Preserve and Land Conservation Contract will further restrict development to uses that are suitable for the preserve pursuant to Ordinance No. 509. Commercial uses, such as golf courses and country clubs that are allowed in the A-1 zone will not be permitted and the site will remain used for agricultural purposes pursuant to the Williamson Act; thus, there is no possibility that the activity in question may have a significant effect on the environment. Regarding Resolution No. 84-526 Section 204's reference to the preparation of an environmental assessment for a change of zone request, it was determined that, in this case, an assessment would not be needed because the Project does not propose any changes to the existing environment, the use of the Project site will remain farmed with citrus trees, and the change of zone would allow the Project site to be included in an Agricultural Preserve which further limits the uses on this site. Any future development requiring a discretionary review will be subject to further CEQA review. Therefore, no further environmental review is required at this time.

The Project will be considered, along with APE190001 by the Board of Supervisors. California Environmental Quality Act (CEQA) Article 19 Categorical Exemption, Section 15317 provides an exemption from the CEQA process for "the establishment of agricultural preserves, the making and renewing of open space contracts under the Williamson Act, or the acceptance of easements or fee interests in order to maintain the open space character of the area." The change of zone will allow the existing farmland to be included in the Rancho California Agricultural Preserve No. 18 and establish an associated Land Conservation Contract, and the change of zone merely facilitates the expansion of the agricultural preserve. None of the exceptions pursuant to CEQA Section 15300.2 applies to the APE190001. The existing use on the Project site does not change with the enlargement of the Agricultural Preserve and establishment of the land conservation contract. APE190001 would not result in a cumulative impact that overtime is significant, as the Project will ensure that the property will remain used for agricultural purposes in compliance with the Williamson Act; the Project does not have a significant effect on the environment due to unusual circumstances as there are no unusual circumstances with the agricultural preserve enlargement or land conservation contract; the Project is will not damage scenic resources as the citrus groves will remain an integral part of the agricultural landscape found in this region; the Project site does not include any hazardous waste sites that is included on any list compiled pursuant to Section 65962.5 of the Government Code; and the Project site does not have any historic resources. Therefore, in accordance to Section 15317, APE190001 is exempt from the CEQA process and no exceptions apply.

FINDINGS AND CONCLUSIONS

In order for the County to approve a proposed project, the following findings are required to be made:

Land Use Findings:

1. The project site has a General Plan Land Use Designation of Rural Mountainous (RM). Single-family residential uses with a minimum lot size of 10 acres. Areas of at least 10 acres where a minimum of 70% of the area has slopes of 25% or greater. Allows limited animal keeping, agriculture, recreational uses, compatible resource development and associated uses and governmental uses. The Rural Mountainous (RM) Land Use Designation allows one single-family residence is per every 10 acres.
2. The project site has a Zoning Classification of Rural Residential (R-R) with a Change of Zone request to change the Zoning Classification to Light Agriculture (A-1) on APN:933-120-039 and 933-120-040, which is consistent with the General Plan Land Use Designation of Rural: Rural Mountainous (RM). The project will amend the site's existing zoning from Rural Residential (R-R) to Light Agriculture (A-1). The proposed project would continue the existing use of agriculture of lemon and avocado trees, which is allowed in the Light Agriculture Zoning Classification. The Change of Zone from (R-R) to (A-1) is consistent with the current and intended use of agriculture.
3. The project site is comprised of farmland. The part of the project site is located within the Santa Rosa Plateau Policy Area within the Southwest Area Plan (SWAP). The intent of the policy area is to maintain the rural and natural character of the area and to address the long term stability of the Santa Rosa Plateau Ecological Reserve. Policy SWAP 5.1 allows properties to subdivide into five acre lots under specific criteria and policy SWAP 5.2 address lands within the reserve. The proposed project does not propose a subdivision nor is the project site within the reserve; therefore, the project does not conflict with these policies. The SWAP includes local land use policy SWAP 15.1 for Agricultural Preservation because agriculture continues to be an important component for many communities within this area plan. The citrus and avocado grove are viable agricultural products within SWAP. The project is consistent with SWAP 15.1, states, "Protect farmland and agricultural resources in the Southwest planning area through adherence to the Agricultural Resources section of the General Plan Multipurpose Open Space Element and the Agriculture section of the General Plan Land Use Element, as well as the provisions of the Citrus/Vineyard Policy Area." The proposed project will allow the existing agricultural land to be included in an Agricultural Preserve and establish the associated Land Conservation Contract, this is consistent with land use development pattern in the Santa Rosa Plateau Area within the Southwest Area Plan; the project also adheres to the Agriculture sections of the General Plan Multipurpose Open Space and Land Use Elements, and a Land Conservation Contract.
4. The project site has a Zoning Classification of Rural Residential (R-R). The Rural Residential (R-R) zoning generally permits single family dwellings, limited grazing and raising livestock keeping uses, and allows a range of other uses with the approval of a land use permit. The proposed zoning classification is Light Agriculture (A-1), which is consistent with the General Plan Land Use Designation of Rural: Rural Mountainous (RM) and, is an agricultural zone pursuant to the Ordinance No. 348, Section 21.3b., Zones A-1, A-P, A-2, A-D, C/V, WC-W, WC-WE, WC-E. The Light Agriculture (A-1) Zoning Classification generally permits one-family dwellings, light agriculture, animal husbandry, farm animals, and allows a range of other uses with the approval of a land use permit. The property will plant citrus trees throughout the site, which is a permitted use within the Light Agriculture zone.

Entitlement Findings:

The proposed change of zone will be fully consistent with the General Plan. As detailed above in the Land Use Findings, the CZ1900018 is a proposal to change the subject property Zoning Classification of Rural Residential (R-R) to Light Agricultural (A-1) in order to include the Project site into the Agricultural

Preserve. The approval of CZ1900018 (and, ultimately, APE190001) will facilitate the enlargement and expansion of Rancho California Agricultural Preserve No. 18. The Foundation Component and land use designation have been established to help conserve productive agricultural lands within the County of Riverside. The Rural Mountainous (RM) land use designation include a range of intended uses including agricultural uses. Therefore, the proposed A-1 zoning classification is consistent with the General Plan, including the RM Land Use Designation to allow agricultural uses. The Project site totals 19.58 acres and exceeds the minimum lot size of the A-1 Zone requirement of 20,000 square feet. The Project site also exceeds the A-1 Zone minimum average lot width of 100 feet and a minimum average lot depth of 150 feet. For APN 933-120-039 the average width is 592.98 feet and the depth is 715.24 feet. For APN 933-120-040 the average width is 759.73 feet while the average depth is 592.58 feet.

Other Findings:

1. This Project is not within a City Sphere of Influence.
2. Since the Project is categorically exempt from CEQA, AB 52 notification is not required.
3. The Project site is not located within an Airport Influence Area ("AIA") boundary and is therefore not subject to the Airport Land Use Commission ("ALUC") review.
4. The project site is not located within the Fee Assessment Area of the Stephen's Kangaroo Rat Habitat Conservation Plan ("SKRHCP").
5. The Project site is located within Zone B of the Mount Palomar Observatory Lighting Zone boundary, as identified by Ordinance No. 655 (Mt. Palomar). There are no buildings or light features on this site. All future development pursuant to the A-1 zone and compatible with the Agricultural Preserve would be conditioned to comply with all lighting standards specified within Ordinance No. 655, pursuant to Zone B.
6. The Project site is located in cell number 7228 of the Western Riverside County Multiple Species Habitat Conservation Plan (WRMSHCP). Since, the Project is for a change of zone and is not a part of a development plan, the applicant was allowed to go through a Habitat Acquisition and Negotiation Strategy (HANS) Lite Process. The HANS Lite process still includes a review by the Regional Conservation Authority (RCA) and goes through the Joint Project Review. However, once an implementing development project is submitted for review the habitat assessments and focused survey, along with a MSHCP Consistently Analysis would be required for review and approval by the EPD staff, before transmitting to the RCA for Joint Project Review (JPR) follow-up.

On January 3, 2020, the County provided a letter to the applicant stating that through the review of the HANS Lite application EPD staff determined that the MSHCP criteria does not describe conservation for this property. On April 21, 2020, the County provided a follow-up letter to the applicant stating that the HANS Lite application and the County's determination was sent to RCA and they concurred with the County that no conservation is described for this property. In addition, the U.S. Fish and Wildlife Service and the California Department of Fish and Wildlife have reviewed the case and found it to be consistent with the MSHCP. It was noted in the letter that the applicant can proceed with their Change of Zone; however, a Full HANS would be required once an implementing project is proposed. (HAN190039)

Conclusion:

For the reasons discussed above, the proposed project conforms to all the requirements of the General Plan and with all applicable requirements of State law and the ordinances of Riverside County. Moreover, the proposed project would not be detrimental to the health, safety or general welfare of the community.

PUBLIC HEARING NOTIFICATION AND COMMUNITY OUTREACH

This project was advertised in the Press Enterprise Newspaper. Additionally, public hearing notices were mailed to property owners within 1,200 feet of the project site. As of the writing of this report, Planning Staff has not received written communication/phone calls from citizens who indicated support or opposition to the proposed project.

DISCUSSION: On October 9, 2008, the County of Riverside adopted a new Ordinance amending the existing Ordinance No. 76-001, which defines the "Riverside County Plan." The new Riverside Plan now contains different types of land uses than is provided for in the current Riverside General Ordinance. The Riverside Planning Department has been working with the Riverside County Board of Supervisors to update the Riverside General Ordinance to reflect the changes made by the new Riverside Plan. The Riverside Planning Department has also been working with the Riverside County Board of Supervisors to update the Riverside General Ordinance to reflect the changes made by the new Riverside Plan.

Re: Revised Map
ERP No. 1377
Assessor's Parcel Number: 933-060-022

The purpose of this letter is to document the review of the above-referenced property pursuant to the Expedited Review Process (ERP) for Single-Family Homes or Mobile Homes located within the criteria area established by the Western Riverside County Multiple Species Habitat conservation Plan (MSHCP).

The MSHCP requires that a building footprint area and any necessary access road(s)/driveway(s) be located on the "least sensitive portion" of your property. Based on the Environmental Programs Division (EPD) review of supplemental information, the least sensitive portion of your property has been revised as noted on the final map (attached), dated August 29, 2019. Your ERP review of this parcel is now complete.

You may proceed with obtaining a grading permit in order to construct a single-family home or an installation permit to install your mobile home. Please bring this letter and enclosed map with you to obtain your permits.

Sincerely,

PLANNING DEPARTMENT

Dear Jie Qiang and Yi Yang:

RE: HANS (LTTE) No. 190039

Assessor's Parcel Number(s): 933-120-039, -040

Pursuant to the Multiple Species Habitat Conservation Plan (MSHCP) and the County's General Plan, we have reviewed your Habitat Acquisition and Negotiation Strategy (HANS LTTE) application for the subject property. The MSHCP criteria does not describe conservation for this property.

We will proceed with preparing a file for Joint Project Review (JPR) by the Regional Conservation Authority (RCA). All HANS cases must be processed through JPR before being scheduled for public hearing. As a HANS LTTE case, the habitat assessments and/or focused surveys in the attached checklist are not required to be completed prior to transmittal to the RCA. However future discretionary actions on the parcel(s) will be required to complete the full HANS process, including submittal of habitat assessments and/or focused surveys, JPR, and review by the California Department of Fish and Wildlife and the Federal Fish and Wildlife Service.

Effective August 1, 2006, the RCA implemented the attached cost recovery policy that requires those projects that are subject to the JPR process to tender a deposit of \$1,500 to the RCA. The RCA will contact you when the deposit for JPR is due.

Please note that other state and federal regulations may be applicable to the development of your property. If you have any questions, please contact the Environmental Programs Division at (951) 955-8632.

Sincerely,

RE: JPR Complete
Assessor's Parcel Number(s): 933-120-039, -040
EPD Case Number(s): HAN190039, CZ1900018

This letter is to inform you that the HANS Lite case for the subject property was forwarded to the Regional Conservation Authority (RCA) for Joint Project Review (JPR) pursuant to Section 6.6.2 of the Western Riverside County Multiple Species Habitat Conservation Plan (MSHCP). As stated in the attached "RCA JPR Review", the RCA has concurred with the County that the project is not desired for Conservation under the MSHCP. The U.S. Fish and Wildlife Service and the California Department of Fish and Wildlife have declined to comment on this HANS Lite.

You may now proceed with Planning Case Review.

If you have any questions or concerns, please contact Matthew Poonamallee with the Environmental Programs Division of the Planning Department at (951) 955-2706 or via email at mpoonama@rivco.org.

Summary and Conclusions:

The Comprehensive Agricultural Preserve Technical Advisory Committee ("CAPTAC") evaluated the proposed enlargement of an agricultural preserve and request to enter into a land conservation contract ("Request") for the Subject Site. The purpose of this evaluation is to determine if the proposed Request is consistent with the Land Conservation Act of 1965 ("Williamson Act") and Riverside County Resolution No. 84-526, "The Rules and Regulations Governing Agricultural Preserves in Riverside County" as amended ("Riverside County AG Preserve Rules and Regs").

Based on a complete evaluation of the Request, CAPTAC was able make the nine necessary findings to conclude that the proposed Request is consistent and recommends that the Riverside County Board of Supervisors **approve** the Request under Agricultural Preserve No. 180006. CAPTAC affirmed this determination with a {vote} to five vote, based on the following findings, pursuant to Section 605(3) of Riverside County AG Preserve Rules and Regs:

- I. **Present Zoning of lands proposed to be included in the preserve and surrounding land.**
The Subject Site is zoned Rural Residential (R-R). The properties that abut its north boundary is vacant land, to east, west and south boundaries is farmland. An application (CZ No. 1900018) has been filed requesting a change of zone for the Subject site to change the zoning classification from Rural Residential (R-R) to Light Agriculture (A-1) 10 Arce Minimum, which is considered an "Agricultural Zone" by Ordinance No.348.
- II. **Present land use of land proposed to be included in the preserve and surrounding properties.**
The Subject Site is used for agricultural purposes and uses (see above: 1.E). The surrounding land appears to be open space, and irrigated farmland, according to aerial imagery.
- III. **Whether or not the land proposed to be included in the preserve is presently employed in an agricultural use and, if so, the agricultural commodities grown thereon.**
According to the petition to enlarge an agricultural preserve submitted by the land owner with AG Preserve Enlargement No. 190001, the current agricultural uses of the Subject Site includes commercial crops harvesting for lemon trees. Therefore, the entire property will be used for agricultural purposes.

IV. The agricultural commodities that may be grown on the property proposed to be included in the preserve taking into consideration the said type, water availability and other conditions that may affect the growing of crops.

V. The current agricultural uses of the Subject Site includes commercial crops harvesting for lemon trees. The existing and proposed agricultural uses are listed above in Section 1.E. by commodities with existing and proposed area. CAPTAC has determine that irrigation water is available, and the site is suitable for commercial agricultural uses.

VI. Whether or not the existing or proposed agricultural use of the land constitutes or could constitute a nuisance, public or private, to the surrounding lands.

Due to the rural nature of the area and the vast amounts of open space, the proposed agricultural use is not expected to create a public or private nuisance on surrounding lands.

VII. The current assessed valuation and the estimated reduction in assessed valuation if the real property proposed to be included in the preserve enters into a land conservation contract.

TBD.

VIII. A list of cities that are within one mile of the proposed boundaries of the preserve, and any comments expressed by such a city on the application.

No cities are within one mile of the proposed boundary of the preserve.

IX. The existence of any historic or scenic value to the lands proposed to be included in the preserve.

No historic or scenic value to the Subject Site is known or found in this evaluation. However, the Southwest Area Plan identifies Clinton Keith Road as a Mountain Arterial 2 Lane (110' ROW) and is not a County Eligible Scenic Highway, which is located approximately 4 miles from the Subject Site. The Subject Site is in proximity to the above Lane, however there are already existing crops and the use would not be change the scenic value.

X. The acreages of each land owner included in the application and total acreage.

WST Group USA Inc.: total acreage is 19.58.

C.E.O. RECOMMENDATION: Approve

PROJECT BACKGROUND:

Pursuant to Board of Supervisors Resolution No. 84-526 Section 204, which outlines the rules and regulations governing agricultural preserves in Riverside County, only land that currently has an agricultural zoning classification as defined in Section 21.3(b) of Ordinance No. 348, or for which the applicant has filed a request for a change of zone to such zoning, shall be included within the agricultural preserve. The project site's existing zoning classification of Rural Residential (R-R) zone is not considered an agricultural zone, pursuant to Ordinance No. 348, Section 21.3.b; therefore, a change of zone application needs to be processed with an Agricultural Preserve Case. Change of Zone No. 1900018 (CZ1900018), is a request to change the zoning classification of the project site from Rural Residential (R-R) to Light Agriculture (A-1). The proposed A-1 zone classification is an agricultural zone, pursuant to Section 21.3b of Ordinance No. 348 and is consistent with the site's General Plan Foundation Component and land use designation of Rural Mountainous (RM). A-1 is consistent with the site's current and future use of agriculture. Change of Zone No. 1900018 was presented to the Planning Commission on March 24, 2021, and the Commission recommended approval by a vote of 5-0.

The County's Agricultural Preserve program and State Williamson Act are designed to encourage agricultural use of suitable land instead of converting the land to non-agricultural uses. Properties that are within an agricultural preserve and have a land conservation contract provides the property owner with a reduction in the property taxes for their agricultural land, in exchange for long-term commitments to retain the land in agriculture. The Rancho California Agricultural Preserve No. 18 was established on February 3, 1976 by the Board of Supervisors with the adoption of Map No. 354 and consisted of approximately 841 acres. The Rancho California Agricultural Preserve No. 18 has been amended since then and is currently approximately 1,052.82 acres. Approval of Change of Zone No. 1900018 and Agricultural Preserve Enlargement No. 190001 referred as "the Project," will expand the Rancho California Agricultural Preserve No. 18 to an estimated 1,072.4 acres.

Agricultural Preserve Enlargement No. 190001 (APE190001), is a request by the property owner, WST Group USA, Inc., to enlarge the Rancho California Agricultural Preserve No. 18, as amended through Map No. 1000, and to enter a land conservation contract, pursuant to the Williamson Act (California Land Conservation Act of 1965, Government Code § 51200 et. seq.). The subject property is approximately 19.58 acres and is adjacent to the existing

STATE OF CALIFORNIA**

Rancho California Agricultural Preserve No. 18. On June 26, 2019, APE190001 was presented to and was recommended for approval by the Comprehensive Agricultural Preserve Technical Advisory Committee (CAPTAC). The CAPTAC reports that roughly 19.58 acres of the project's site is currently utilized for the harvesting of citrus fruit. In addition, CAPTAC determined that irrigation water is available, and the site is suitable for commercial agricultural uses.

Environmental Review/Findings

This Project is exempt from the California Environmental Quality Act (CEQA) review pursuant to Article 5, Section 15061(b)(3), Common Sense Exemption, since it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment. This Project is also exempt from CEQA review pursuant to Article 19 Categorical Exemption, Section 15317, which provides an exemption from the CEQA process for "the establishment of agricultural preserves, the making and renewing of open space contracts under the Williamson Act, or the acceptance of easements or fee interests in order to maintain the open space character of the area." The findings in the attached staff report for both CEQA exemptions are incorporated herein by reference.

Impact on Residents and Businesses

The Project site will not have a significant effect on surrounding property owners, because the Project will not result in any substantial changes to the environment. The site is currently utilized for the harvesting of citrus fruit and no new land use or development activity is proposed at this time.

NOTICE OF PUBLIC HEARING BEFORE THE BOARD OF SUPERVISORS OF RIVERSIDE COUNTY ON A CHANGE OF ZONE AND ASSOCIATED ORDINANCE IN THE SOUTHWEST AREA PLAN, FIRST SUPERVISORIAL DISTRICT

NOTICE IS HEREBY GIVEN that a public hearing at which all interested persons will be heard, will be held before the Board of Supervisors of Riverside County, California, on the 1st Floor Board Chambers, County Administrative Center, 4080 Lemon Street, Riverside, on **Tuesday, September 14, 2021 at 10:00 A.M.** or as soon as possible thereafter, to consider the Planning Department's recommended approval on **Change of Zone No. 1900018**, which proposes to change the site's zoning classification from Rural Residential (R-R) to Light Agriculture (A-1). **Agricultural Preserve Enlargement No. 190001** proposes to enlarge the Rancho California Agricultural Preserve No. 18 by 19.58 acres and establish a land conservation contract – APN: 933-120-039 and 933-120-040 (19.58 total acres). This project is located North of Buena Vista Road, south of Carancho Road, east of Los Gatos Road and west of El Calamar Road in the First Supervisorial District.

The Riverside County Planning Department recommends that the Board of Supervisors find that the project is **EXEMPT from the California Environmental Quality Act (CEQA)**, approve **Change of Zone No. 1900018**, consider **Adopting Ordinance No. 348.4973**, and **Approve Agricultural Preserve Enlargement No. 190001**.

The Planning Department's report package for the project may be viewed from the date of this notice until the public hearing, Monday through Friday, from 8:00 a.m. to 5:00 p.m. at the Riverside County Planning Department at 4080 Lemon Street, 12th Floor, Riverside, California 92501.

FOR FURTHER INFORMATION REGARDING THIS PROJECT, PLEASE CONTACT ROBERTO GONZALEZ, URBAN REGIONAL PLANNER III, AT (951) 955-9549 OR EMAIL RGONZALEZ@RIVCO.ORG.

Any person wishing to testify in support of or in opposition to the project may do so in writing between the date of this notice and the public hearing or may appear and be heard at the time and place noted above. All written comments received prior to the public hearing will be submitted to the Board of Supervisors and the Board of Supervisors will consider such comments, in addition to any oral testimony, before making a decision on the project.

If you challenge the above item in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence to the Planning Department or Board of Supervisors at, or prior to, the public hearing. Be advised that as a result of the public hearing and the consideration of all public comment, written and oral, the Board of Supervisors may amend, in whole or in part, the project and/or the related environmental document. Accordingly, the designations, development standards, design or improvements, or any properties or lands within the boundaries of the project, may be changed in a way other than specifically proposed.

NOTICE OF PUBLIC HEARING BEFORE THE BOARD OF SUPERVISORS OF RIVERSIDE COUNTY ON A CHANGE OF ZONE AND ASSOCIATED ORDINANCE IN THE SOUTHWEST AREA PLAN, FIRST SUPERVISORIAL DISTRICT

NOTICE IS HEREBY GIVEN that a public hearing at which all interested persons will be heard, will be held before the Board of Supervisors of Riverside County, California, on the 1st Floor Board Chambers, County Administrative Center, 4080 Lemon Street, Riverside, on **Tuesday, September 14, 2021 at 10:00 A.M.** or as soon as possible thereafter, to consider the Planning Department's recommended approval on **Change of Zone No. 1900018**, which proposes to change the site's zoning classification from Rural Residential (R-R) to Light Agriculture (A-1). **Agricultural Preserve Enlargement No. 190001** proposes to enlarge the Rancho California Agricultural Preserve No. 18 by 19.58 acres and establish a land conservation contract – APN: 933-120-039 and 933-120-040 (19.58 total acres). This project is located North of Buena Vista Road, south of Carancho Road, east of Los Gatos Road and west of El Calamar Road in the First Supervisorial District.

The Riverside County Planning Department recommends that the Board of Supervisors find that the project is **EXEMPT from the California Environmental Quality Act (CEQA)**, approve **Change of Zone No. 1900018**, consider **Adopting Ordinance No. 348.4973**, and **Approve Agricultural Preserve Enlargement No. 190001**.

The Planning Department's report package for the project may be viewed from the date of this notice until the public hearing, Monday through Friday, from 8:00 a.m. to 5:00 p.m. at the Riverside County Planning Department at 4080 Lemon Street, 12th Floor, Riverside, California 92501.

FOR FURTHER INFORMATION REGARDING THIS PROJECT, PLEASE CONTACT ROBERTO GONZALEZ, URBAN REGIONAL PLANNER III, AT (951) 955-9549 OR EMAIL RGONZALEZ@RIVCO.ORG.

Any person wishing to testify in support of or in opposition to the project may do so in writing between the date of this notice and the public hearing or may appear and be heard at the time and place noted above. All written comments received prior to the public hearing will be submitted to the Board of Supervisors and the Board of Supervisors will consider such comments, in addition to any oral testimony, before making a decision on the project.

If you challenge the above item in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence to the Planning Department or Board of Supervisors at, or prior to, the public hearing. Be advised that as a result of the public hearing and the consideration of all public comment, written and oral, the Board of Supervisors may amend, in whole or in part, the project and/or the related environmental document. Accordingly, the designations, development standards, design or improvements, or any properties or lands within the boundaries of the project, may be changed in a way other than specifically proposed.

Alternative formats available upon request to individuals with disabilities. If you require reasonable accommodation, please contact Clerk of the Board at (951) 955-1069, at least 72 hours prior to hearing.

Please send all written correspondence to: Clerk of the Board, 4080 Lemon Street, 1st Floor, Post Office Box 1147, Riverside, CA 92502-1147 or email cob@rivco.org
