BACKGROUND:

Summary

On April 27, 2021 agenda item #3.25, the Riverside County Board of Supervisors accepted the Coronavirus Emergency Supplemental Funding (CESF) in the amount of \$3,321,765, funded by the Fiscal Year 2020 Edward J. Byrne Memorial Justice Assistance Grant (JAG) Program administered through the State of California Board of State and Community Corrections (BSCC) Grant Agreement. The Board also directed staff to report back the progress of the grant.

The CESF program provides ex-offender re-entry services with four Community Based Organizations: Inland Southern California, Victory Outreach, Transcendence Children and Family, Destiny Ministries Church, and San Bernardino Community College in the total aggregate amount of \$784,353 to provide free COVID testing, transitional housing, peer support, direct employment, job retention services for probationers, individualized employment assistance, job placement, mentorship, logistics training, COVID-19 awareness workshops, and suicide prevention counseling. The subrecipients are responsible for adhering to federal and BSCC grant guidelines, as a condition of receiving CESF Program funding.

The Sheriff's Department is using the \$2,537,412 to prepare inmates for the transition from incarceration back into their communities. In preparation for release, each inmate receives information and training on COVID-19 prevention to maximize health and safety and minimize the risks of contracting COVID-19. Inmates work with dedicated counselors to assist in the development of a personalized transitional plan, focused on basic needs, job search, life skills, and career development. Upon release from custody, inmates receive a COVID-19 kit to include face masks, disposable gloves, alcohol wipes, hand sanitizer, a disposable thermometer, an informational brochure on COVID-19 prevention, and a Reentry Resource Packet to include informational brochures on government benefits and community-based services. Discharged inmates are eligible to receive reentry support services for up to 180-days after release from custody. Counselors document and track
