BACKGROUND:

Summary

The Transportation Improvement Program (TIP) provides for the resurfacing of 52nd Avenue between Monroe Street and Van Buren Street and Calhoun Street between 54th Avenue and approximately 0.12 miles north of 52nd Avenue located in the Community of Vista Santa Rosa. The City of Coachella has requested that the County include portions of the roadway within City's jurisdiction. The City jurisdiction includes the entirety of 52nd Avenue between Calhoun Street and Van Buren Street, and the easterly half of Calhoun Street approximately 0.1 miles north and south of 52nd Avenue.

The Resurfacing Projects propose to grind the existing roadway in-place and overlay the grindings with Hot Mix Asphalt. The project will also include reconstructing the intersection at 52nd Avenue and Van Buren Street. Incidental work will include replacing signage, striping, regrading shoulders, driveway tie-ins, and other work as needed.

The County of Riverside and the City of Coachella have designated the County as the lead agency for the project. The Service Agreement establishes the roles and responsibilities of each agency for the construction of the project and obligates the City of Coachella to fund 100% of the project within the jurisdictional boundaries of the City.

The City will make an initial \$243,537.41 deposit in FY 21/22 and the remaining \$243,537.41 will be paid in FY 22/23. The estimated cost includes a 10% contingency for the City's portion of the work. Upon project completion, a final accounting will be performed and any remaining balances will be refunded to the City. The County is providing services and has no obligation to fund any portion of the project within the City's jurisdiction.

The Service Agreement was approved by the Coachella City Council on September 8th, 2021.

County Council has approved the Agreement as to legal form.

The work is scheduled to begin in the Fall of 2021. The work will be phased to keep the road open during construction as much as possible and will take approximately three months to complete.

Additional Fiscal Information

The City of Coachella will be responsible for funding 100% of the 52nd Avenue and Calhoun Street Roadway Improvements costs within the city jurisdiction. No General Funds will be used on this project.

SERVICE AGREEMENT BY AND BETWEEN

COUNTY OF RIVERSIDE

AND

CITY OF COACHELLA

FOR

52nd AVENUE AND CALHOUN STREET ROADWAY IMPROVEMENTS

This Service Agreement for the 52nd Avenue and Calhoun Street Roadway Improvements ("Agreement") is entered into this 5th day of October, 2021, by and between the County of Riverside, a political subdivision of the State of California (hereinafter "COUNTY"), and the City of Coachella, a municipal corporation, (hereinafter "CITY") for the Roadway Improvements to 52nd Avenue and Calhoun Street, located within the jurisdictional boundaries of the COUNTY and CITY. The COUNTY and CITY are sometimes hereinafter referred to individually as the "PARTY" and collectively as the "PARTIES".

RECITALS

- A. The COUNTY currently has Roadway Improvement Projects on 52nd Avenue from Monroe Street to Van Buren Street and Calhoun Street from 54th Avenue to 800 feet north of 52nd Avenue, which excludes work outside of the COUNTY's jurisdiction (COUNTY PROJECT).
 - B. COUNTY and CITY have mutually agreed that 52nd Avenue, a 28 foot to 86 foot variable width two lane facility between Monroe Street and Van Buren Street, and Calhoun Street, a 24 foot to 28 foot variable width two lane facility between 54th Avenue to 800 feet north of 52nd Avenue, is in need of roadway improvements.
 - C. The COUNTY PROJECT coincides with City limits on 52nd Avenue between the centerline of Calhoun Street and Van Buren St, and on Calhoun Street along the easterly side of the Calhoun Street centerline between a point 630' south of 52nd Avenue to 690' north of 52nd Avenue, as shown on "Exhibit A" (Vicinity / Project). All improvements being proposed within CITY limits shall be referred to as CITY PROJECT.
 - D. The improvements on 52nd Avenue and Calhoun Street will be to resurface the roadway consisting of pulverizing the existing pavement and overlaying with Hot Mix Asphalt. Incidental work will include and not be limited to reconstructing signalized intersections, minor shoulder widening on 52nd Avenue, constructing driveways, reconstructing driveways, placing an asphalt safety edge, placing shoulder backing,
- CITY Service Agreement

1 replacement of signage, and striping the roadway.

2 E. COUNTY and CITY desire to have one agency take the lead role in the implementation of the roadway
3 improvements in an interest to coordinate the improvements located in the two jurisdictions and to reduce
4 overall costs by processing the two separate jurisdictional improvements as one project.

5 F. COUNTY will provide the administrative, technical, managerial, and support services necessary for the
6 implementation of the CITY PROJECT.

7 G. COUNTY and CITY desire to define herein the terms and conditions under which said CITY PROJECT is
8 to be administered, engineered, coordinated, and constructed.

9 **AGREEMENT**

10 NOW THEREFORE, in consideration of the mutual promises contained herein, the parties hereto agree as follows:

11 **SECTION 1 • COUNTY AGREES:**

12 1. To act as the lead agency on behalf of the CITY for the overall development and implementation of the
13 CITY PROJECT. The COUNTY is providing services on a reimbursable basis as shown on "Exhibit B" and
14 has absolutely no obligation with regard to COUNTY funding for any portion of CITY PROJECT.

15 2. To prepare, or cause to be prepared, detailed PS&E documents for CITY PROJECT and submit to CITY
16 for review and approval at appropriate stages of development. Final plans for improvements shall be
17 prepared to COUNTY standards, and signed by a Civil Engineer registered in the State of California.
18 Deviations from standards shall be coordinated with and approved by CITY. COUNTY shall not solicit
19 construction bids until CITY has approved the PS&E documents.

20 3. To identify and locate all utility facilities within the limits of the CITY PROJECT as part of its design
21 responsibility. If any existing public and/or private utility facilities conflict with CITY PROJECT construction,
22 COUNTY shall make all necessary arrangements with the owners of such facilities for their protection,
23 relocation, or removal. All utility facilities shall be identified on the plans and specifications, and conflicting
24 utilities shall be denoted. COUNTY shall require the utility owner and/or its contractors performing the
25 relocation work within CITY's right of way to obtain a CITY encroachment permit prior to the performance
26 of said relocation work. CITY and COUNTY shall coordinate and cooperate in the effort to establish prior
27 rights related to utility encroachments into each jurisdiction's right-of-way. In the case that any utility
28 companies are determined to have prior rights, the cost of relocating utilities shall be borne by the CITY.

29 4. To make written application to CITY for an encroachment permit authorizing entry into CITY's right of way
CITY Service Agreement

1 for the purposes of constructing CITY PROJECT.

2 5. To act as the Lead Agency under the California Environmental Quality Act (CEQA) for the CITY PROJECT.

3 6. To advertise, award and administer a public works contract for the construction of the CITY PROJECT in
4 accordance with all applicable federal, state or local statutes, ordinances, orders, governmental
5 requirements, laws or regulations, including but not limited to the local agency public construction codes,
6 California Labor Code, and California Public Contract Code.

7 7. To furnish a representative to perform the function of Resident Engineer during construction of CITY
8 PROJECT.

9 8. To furnish qualified support staff to assist the Resident Engineer in, but not limited to, construction surveys,
10 soils and compaction tests, measurement and computation of quantities, testing of construction materials,
11 checking submittals, preparation of estimates and reports, preparation of as-built drawings, and other
12 inspection and staff services necessary to assure that the construction is performed in accordance with the
13 PS&E documents.

14 9. To construct the CITY PROJECT in accordance with approved PS&E documents.

15 10. To submit any contract change order that causes the construction contract to exceed 10% of the contract
16 bid amount for CITY PROJECT improvements that are located within the jurisdictional boundaries of the
17 CITY to CITY for review and approval prior to final authorization by COUNTY.

18 11. To furnish CITY one complete set of full-sized film positive reproducible as-built plans and all contract
19 records, including survey documents, within three hundred and sixty-five (365) days following the
20 completion and acceptance of the construction contract. Electronic copies of completed plans will be made
21 available if CITY desires. If electronic copies are provided, they will be provided on CD-R media.

22 12. To furnish CITY a final reconciliation of project expenses within ninety (90) days following the completion
23 and acceptance of the construction contract. If final costs associated with the CITY's improvements are in
24 excess of the deposit provided in Section 2, COUNTY shall include a final bill with the financial
25 reconciliation. If final costs associated with the CITY's improvements are less than the deposit provided in
26 Section 2, COUNTY shall include a reimbursement for the difference with the financial reconciliation.

27 **SECTION 2 • CITY AGREES:**

28 1. To fund one hundred percent (100%) of the cost of the CITY PROJECT. CITY agrees that should
29 unforeseen circumstances arise which result in an increase of any costs over those shown in "Exhibit B",
CITY Service Agreement

1 CITY will in good faith amend this Agreement to include any such costs under this Agreement.

- 2 2. To deposit with COUNTY, within 30 days of executing this agreement, two hundred forty three thousand
3 five hundred thirty seven dollars and forty one cents (**\$243,537.41**) (the "Deposit"), as provided in "Exhibit
4 B," with the remaining funds being paid the following Fiscal Year for a grand total of four hundred eighty
5 seven thousand seventy four dollars and eighty two cents (**\$487,074.82**) to be paid by CITY.
- 6 3. Issue, at no cost to COUNTY or its contractors, upon proper application by COUNTY or COUNTY's
7 contractor, an encroachment permit authorizing entry onto CITY's right-of-way to perform all surveys and
8 other field activities required for preparation of the PS&E, utility coordination, right of way acquisition, and
9 construction of the CITY PROJECT.
- 10 4. Provide a representative to coordinate with the COUNTY's Project Manager during the development and
11 the construction of CITY PROJECT, and to verify facilities are constructed as required by this Agreement,
12 if applicable.
- 13 5. To provide at no cost to the CITY PROJECT, oversight of the CITY PROJECT, to provide prompt reviews
14 and approvals, as appropriate, of submittals by COUNTY, and to cooperate in timely processing of the
15 CITY PROJECT.
- 16 6. To pay within 45 days of receipt, the invoice for final reconciled cost in excess of the deposit amount for
17 CITY PROJECT submitted by COUNTY for services rendered in accordance with this Agreement.

18 **SECTION 3 • IT IS MUTUALLY AGREED AS FOLLOWS:**

- 19 1. The total cost to CITY to complete PS&E documents, construction, including construction survey, inspection
20 and a material testing for CITY PROJECT, including a ten percent (10%) contingency, is estimated to be,
21 four hundred eighty seven thousand seventy four dollars and eighty two cents (**\$487,074.82**) as detailed in
22 "Exhibit B".
- 23 2. COUNTY shall not be obligated to commence construction of the CITY PROJECT until after receipt of
24 CITY's Deposit as required in Section 2.
- 25 3. If Change Order Proposal from COUNTY contractor for CITY PROJECT indicates a cost overrun of no
26 more than ten percent (10%) of the Engineers Estimate as described in "Exhibit B", COUNTY may proceed
27 with CITY PROJECT.
- 28 4. If upon receiving Change Order Proposal, it is found that a cost overrun exceeding ten percent (10%) of
29 the Engineers Estimate is anticipated, COUNTY and CITY shall endeavor to agree upon an alternative
CITY Service Agreement

1 course of action. If, after fifteen (15) calendar days from the date of receiving Change Order Proposal, an
2 alternative course of action is not agreed upon, this Agreement shall be deemed to be terminated by mutual
3 consent, with CITY paying for incurred costs as set forth in this Agreement. COUNTY shall reimburse CITY
4 within forty five (45) days of termination any portion of Deposit not spent.

5 5. Construction by COUNTY of improvements referred to herein which lie within CITY rights of way shall not

13 also require COUNTY's contractor to maintain Worker's Compensation Insurance. COUNTY shall cause
14 COUNTY's contractor to provide Certificates of Insurance and Additional Insured Endorsements which
15 meet the requirements of this section to CITY prior to the start of construction.

16 7. Ownership and title to all materials, equipment, and appurtenances installed as part of this Agreement will
17 be automatically vested with the jurisdiction in which the improvements reside and no further agreement
18 will be necessary to transfer ownership.

19 8. CITY shall be responsible for the maintenance of the improvements provided by CITY PROJECT except
20 as specified in this Agreement or future agreements.

21 9. No alteration or variation of the terms of this Agreement shall be valid unless made in writing and signed
22 by all PARTIES and no oral understanding or agreement not incorporated herein shall be binding on each
23 PARTY hereto.

24 10. Neither COUNTY nor any officer or employee thereof shall be responsible for any damage or liability
25 occurring by reason of any act or omission of CITY under or in connection with any work, authority or
26 jurisdiction delegated to CITY under this Agreement. It is further agreed that pursuant to Government Code
27 Section 895.4, CITY shall fully indemnify and hold COUNTY harmless from any liability imposed for injury
28 (as defined by Government Code Section 810.8) occurring by reason of any act or omission of CITY under
29 or in connection with any work, authority or jurisdiction delegated to CITY under this Agreement.

8 materially breaches any of the provisions of this Agreement, the COUNTY shall have the option to terminate
9 this Agreement upon 90 days written notice to CITY.
- 10 13. If any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void, or
11 unenforceable, the same shall be deemed severable from the remainder of this Agreement, and the
12 remaining provisions shall nevertheless continue in full force without being impaired or invalidated in any
13 way.
- 14 14. This Agreement is to be construed in accordance with the laws of the State of California.
