**BACKGROUND:**

**Summary**

Pursuant to the Landscaping and Lighting Act of 1972 and Resolution No. 2021-004 adopted August 17, 2021 per Agenda Item 3.51, the Board of Supervisors gave notice of a public hearing for October 5, 2021, to receive testimony regarding the Annexation of Zone 214 to Landscaping and Lighting Maintenance District No. 89-1-Consolidated (L&LMD No. 89-1-C). Annexation of Zone 214 will fund the maintenance and servicing of streetlights, traffic signals, and runoff catch basin filters within public rights-of-way located east of Interstate 15, west of Temescal Canyon Road and north of Indian Truck Trail in the Glen Ivy Hot Springs area and includes eight commercial parcels totalling 23.35 acres.

The annexation of territory to an existing assessment district formed under the Landscaping and Lighting Act is a change of organization that requires a public hearing as part of the annexation process. Streets & Highways Code §§ 22605(a), 22607, 22588; Government Code § 53753(d).

On August 18, 2021, a notice of the public hearing and information sheet, a mail-in assessment ballot, an impartial analysis, and a copy of Resolution No. 2021-004 were mailed to all property owners within Zone 214, proposed for annexation to L&LMD No. 89-1-C. Pursuant to the notice, all assessment ballots must be returned prior to the conclusion of the public hearing.

Notice of the public hearing was also given by publication of a certified copy of Resolution No. 2021-004 in an appropriate newspaper at least ten (10) days prior to the public hearing date and by posting a certified copy of Resolution No. 2021-004 on the official bulletin board customarily used by the Board of Supervisors for the posting of notices and in two (2) other public locations within the County.

**Impact on Residents and Businesses**

The new assessment is for the purpose of providing the maintenance and servicing of streetlights, traffic signals and runoff catch basin filters within the public right-of-way.
