BACKGROUND:

Summary

The County of Riverside is a member agency of the Coachella Valley Association of Governments (CVAG), a joint powers agency comprised of the County of Riverside and cities located in Coachella Valley area of the County. The member agencies of CVAG recognized that there was insufficient funding to address the impacts of new development on the regional system of highways and arterials (Regional System) in Coachella Valley. In order to address this shortfall, the CVAG member agencies formulated a plan whereby a transportation mitigation fee would be assessed on new development and would be used to fund the necessary improvements for the Regional System. This is known as the Transportation Uniform Mitigation Fee (TUMF) Program.

CVAG has prepared a new nexus study (2018 Nexus Study) to update fees for the TUMF Program. On April 30, 2018 the CVAG Executive Committee reviewed and approved the 2018 TUMF Nexus Study to reflect changes in the TUMF Program, along with changes to the fee categories and exemptions, based on changes in the TUMF network and costs of construction. On June 28, 2021, the Executive Committee approved the annual TUMF adjustment based on the Riverside-San Bernardino-Ontario Consumer Price Index (CPI). With this approval, the CVAG Executive Committee has recommended that member agencies prepare amendments to their respective ordinances to adopt and implement the new TUMF fees based on the CPI adjustment.

Pursuant to the Board of Supervisors (Board) Policy A-67, an ordinance amendment shall require initiation by the Board. Such initiation shall be in the form of an order adopted by a majority of the Board members. The order will direct the County Transportation Department to amend Ordinance No. 673 to update fees and Subsection c of Section 6 of Ordinance 673, under the Coachella Valley Transportation Uniform Mitigation Fee Program.
