BACKGROUND:

Summary

The annual Riverside County Agricultural Production Report is produced in accordance with Section 2279 of the California Department of Food and Agricultural Code and summarizes the acreage, production and valuation of our county's agricultural commodities. The Agricultural Commissioner is privileged to submit to you all the 2020 Crop Report.

The gross value of all agricultural crops produced during 2020 in Riverside County is 1.4 billion dollars. This represents an increase of \$97 million from last year's total value. The largest increase of 21% was seen in nursery production, followed by livestock and poultry production at 18.5%.
