BACKGROUND:

Summary

The Riverside County Sheriff's Department and the Riverside University Health System have mutually agreed to modify the level of service provided at the medical center. This First Amendment to the Agreement for Security Services increases the level of service to 72 deputy hours per day.

Sheriff's staff anticipates this change will result in an estimated increase of \$311,000 in Security Law Enforcement services for FY21/22. The Department is recommending these budget adjustments now as it could not anticipate the addition in expenditures and include them in its FY21/22 budget.
