C.E.O. RECOMMENDATION: Approve

BACKGROUND:

Summary

The Cooperative Agreement (Agreement) sets forth the terms and conditions by which certain flood control facilities required as a condition of approval for Plot Plan Nos. 25837 and 25838 are to be constructed by Developer and inspected, operated and maintained by the District, County, and Developer.

The Agreement is necessary to formalize the transfer of necessary rights of way and to provide for District construction inspection and subsequent operation and maintenance of Perris Valley MDP Lateral F-3.1, Stage 1, Perris Valley – Ellsworth Street Storm Drain, Stage 1 and Perris Valley MDP Lateral F-4, Stage 4 facilities.

Upon completion of construction:

- i. District will assume ownership and responsibility for the operation and maintenance of a detention basin and the mainline storm drain systems that are greater than 36 inches in diameter for Perris Valley – Ellsworth Street Storm Drain, Stage 1 and Perris Valley MDP Lateral F-4, Stage 4 facilities, concrete pads, slope protection barriers, signage and fencing.

COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

- ii. County will assume ownership and responsibility for the operation and maintenance of the project's associated catch basins, curbs and gutters, connector pipes, inlets and laterals that are 36 inches or less in diameter located within County rights of way.
- iii. Developer will assume ownership, operation and maintenance of Perris Valley MDP Lateral F-3.1, Stage 1 in the interim until such time as District assumes ownership, operation and maintenance in accordance with the terms and conditions as set forth in the Agreement. The Developer will also retain ownership, operation and maintenance of (i) trapezoidal channel, including their associated riprap structures, and (ii) an 18-inch reinforced concrete pipe and on-site private storm drains located within its rights of way.

County Counsel has approved the Agreement as to legal form, and the Developer has executed the Agreement. A companion item appears on the Riverside County Transportation Department's agenda this same date.

Environmental Findings

As Lead Agency, the County of Riverside prepared a Final Environmental Impact Report (FEIR)(SCH No. 2015081081) which analyzed impacts associated with the Knox Business Park Buildings D and E (Plot Plan Nos. 25837 and 25838). Pursuant to Section 15096 of the CEQA Guidelines, Making Responsible Agency Findings, the District has considered the FEIR and, in its limited capacity as a Responsible Agency, finds that potential environmental impacts related to construction, inspection, operation, and maintenance of the facilities, which are the subject of the Agreement, were adequately addressed. Furthermore, the District finds that no significant impact will occur from approving the Agreement as the Agreement will merely formalize the transfer of rights of way and memorialize the District's construction inspection, operation and maintenance responsibilities over the facilities. As such, nothing further is required under CEQA.

Impact on Residents and Businesses

As noted above, construction of these drainage improvements is a requirement for the development of Plot Plan Nos. 25837 and 25838. The principal beneficiaries are the future tenants of the tract. Ancillary benefits will accrue to the public who will utilize the tract's roadways.

Additional Fiscal Information

The Developer is funding all construction and construction inspection costs. Future operation and maintenance costs of the District maintained storm drain facilities will accrue to the District.

3. Request DEVELOPER update the construction schedule, as deemed necessary.
4. Inspect PROJECT construction.

5. Consent, by execution of this Agreement, to DISTRICT recording of any Irrevocable Offer(s) of Dedication furnished by DEVELOPER pursuant to this Agreement.

6. As requested by DISTRICT, accept the Irrevocable Offer(s) of Dedication as set forth herein and any other outstanding offers of dedication necessary for the construction, inspection, operation and maintenance of DISTRICT DRAINAGE FACILITIES and LATERAL F-3.1 STAGE 1 and convey sufficient rights of way to DISTRICT to allow DISTRICT to construct, inspect, operate and maintain DISTRICT DRAINAGE FACILITIES and LATERAL F-3.1 STAGE 1.

7. Grant DISTRICT, by execution of this Agreement, the right to inspect, operate and maintain DISTRICT DRAINAGE FACILITIES and LATERAL F-3.1 STAGE 1 within COUNTY rights of way.

8. Upon completion of PROJECT construction, but prior to DISTRICT acceptance of DISTRICT DRAINAGE FACILITIES and LATERAL F-3.1 STAGE 1 for ownership, operation and maintenance, convey or cause to be conveyed to DISTRICT the flood control easement(s) including ingress and egress, to the rights of way as shown in concept in "cross-hatched" on Exhibit "D".

9. Accept ownership and sole responsibility for the operation and maintenance of COUNTY FACILITIES upon (i) DISTRICT acceptance of DISTRICT DRAINAGE FACILITIES for ownership, operation and maintenance, (ii) COUNTY's final inspection of COUNTY FACILITIES, and (iii) COUNTY's sole determination that COUNTY FACILITIES are in a satisfactorily maintained condition.

10. Release occupancy permits in accordance with the approved conditions of Approval for Plot Plan Nos. 25837 and 25838.

11. Upon DISTRICT and COUNTY acceptance of PROJECT construction as being complete, accept sole responsibility for the adjustment of all PROJECT manhole rings and covers located within COUNTY rights of way which must be performed at such time(s) that the finished grade along and above the underground portions of DISTRICT DRAINAGE FACILITIES and LATERAL F-3 STAGE 1 are improved, repaired, replaced or changed. It being further understood and agreed that any such adjustments shall be performed by COUNTY at no cost to DISTRICT.

SECTION IV

It is further mutually agreed:

1. All construction work involved with PROJECT shall be inspected by DISTRICT and COUNTY but shall not be deemed complete until DISTRICT and COUNTY mutually agree in writing that construction is completed in accordance with DISTRICT and COUNTY approved IMPROVEMENT PLANS.

2. COUNTY and DISTRICT personnel may observe and inspect all work being done on DISTRICT DRAINAGE FACILITIES but shall provide any comments to DISTRICT personnel who shall be solely responsible for all quality control communications with DEVELOPER's contractor(s) during the construction of DISTRICT DRAINAGE FACILITIES.

3. If DEVELOPER fails to commence construction of PROJECT within twelve (12) consecutive months after execution of this Agreement, it is expressly understood that since time is of the essence in this Agreement, failure of DEVELOPER to perform the work within the agreed upon time shall constitute authority for DISTRICT to perform the remaining work and require DEVELOPER's surety to pay to COUNTY the penal sum of any and all bonds. In which case, COUNTY shall subsequently reimburse DISTRICT from the funds paid by DEVELOPER's surety for any DISTRICT costs incurred.

4. If DEVELOPER fails to complete construction of PROJECT within nine (9) months after commencement of construction of PROJECT, then DISTRICT reserves the right to withhold issuance of the Notice to Proceed pending a review of the existing site conditions as they exist at the time DEVELOPER provides written notification to DISTRICT of the start of construction as set forth in Section I.14. In the event of a change in the existing site conditions that materially affects PROJECT function or DISTRICT's ability to operate and maintain DISTRICT DRAINAGE FACILITIES and LATERAL F-3 STAGE 1, DISTRICT may require DEVELOPER to modify IMPROVEMENT PLANS as deemed necessary by DISTRICT. In the event of a change in the existing site conditions that materially affects PROJECT function or COUNTY's ability to operate and maintain COUNTY FACILITIES, COUNTY may require DEVELOPER to modify IMPROVEMENT PLANS as deemed necessary by COUNTY.

5. In the event DEVELOPER wishes to expedite issuance of a Notice to Proceed, DEVELOPER may elect to furnish an independent qualified construction inspector at DEVELOPER's sole cost and expense. DEVELOPER shall furnish appropriate documentation of the individual's credentials and experience to DISTRICT for review and, if appropriate, approval. DISTRICT shall review the individual's qualifications and experience, upon approval thereof, said individual, hereinafter called "DEPUTY INSPECTOR", shall be authorized to act on DISTRICT's behalf on all DISTRICT DRAINAGE FACILITIES and LATERAL F-3 STAGE 1 construction and quality control matters. If DEVELOPER's initial construction inspection deposit furnished pursuant to Section I.5. exceeds Ten Thousand Dollars (\$10,000), DISTRICT shall refund to DEVELOPER up to eighty percent (80%) of DEVELOPER's initial inspection deposit within forty-five (45) calendar days of DISTRICT's approval of DEPUTY INSPECTOR; however, a minimum balance of Ten Thousand Dollars (\$10,000) shall be retained on account.

6. PROJECT construction work shall be on a five (5) day, forty (40) hour work week with no work on Saturdays, Sundays or DISTRICT or COUNTY designated legal holidays, unless otherwise approved in writing by DISTRICT and COUNTY. If DEVELOPER feels it is necessary to work more than the normal forty (40) hour work week or on holidays, DEVELOPER shall make a written request for permission from DISTRICT and COUNTY to work the additional hours. The request shall be submitted to DISTRICT and COUNTY at least seventy-two (72) hours prior to the requested additional work hours and state the reasons for the overtime and the specific time frames required. The decision of granting permission for overtime work shall be made by DISTRICT and COUNTY at their sole discretion and shall be final. If permission is granted by DISTRICT and COUNTY, DEVELOPER will be charged the cost incurred at the overtime rates for additional inspection time required in connection with the overtime work in accordance with Ordinance Nos. 671 and 749, including any amendments thereto, of the County of Riverside.

7. DEVELOPER shall indemnify and hold harmless DISTRICT and COUNTY (including their Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives) ("Indemnitees") from any liability whatsoever, based or asserted upon any services of DEVELOPER, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to this Agreement, including but not limited to property damage, bodily injury, or death or any other element of any kind or nature whatsoever arising from the performance of DEVELOPER, its officers, employees, subcontractors, agents or representatives from this Agreement. DEVELOPER shall defend, at its sole expense, all costs and fees including, but not limited, to attorney fees, cost of investigation, defense and settlements or awards, the Indemnitees in any claim or action based upon such alleged acts or omissions.

8. With respect to any action or claim subject to indemnification herein by DEVELOPER, DEVELOPER shall, at their sole cost, have the right to use counsel of their own choice and may adjust, settle, or compromise any such action or claim only with the prior consent of DISTRICT and COUNTY. Any such adjustment, settlement or compromise shall not in any manner whatsoever limit or circumscribe DEVELOPER's indemnification to Indemnitees as set forth herein.

9. DEVELOPER's obligation hereunder shall be satisfied when DEVELOPER has provided to DISTRICT and COUNTY the appropriate form of dismissal relieving DISTRICT and COUNTY from any liability for the action or claim involved.

10. The specified insurance limits required in this Agreement shall in no way limit or circumscribe DEVELOPER's obligations to indemnify and hold harmless the Indemnitees herein from third party claims.

11. In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with Civil Code 2782. Such interpretation shall not relieve the DEVELOPER from indemnifying the Indemnitees to the fullest extent allowed by law.

12. DEVELOPER for itself, its successors and assigns hereby releases DISTRICT and COUNTY (including their Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives) from any and all claims, demands, actions or suits of any kind arising out of any liability, known or unknown, present or future, including but not limited to any claim or liability, based or asserted, pursuant to Article I, Section 19 of the California Constitution, the Fifth Amendment of the United States Constitution, or any other law or ordinance which seeks to impose any other liability or damage, whatsoever, for damage caused

by the discharge of drainage within or from PROJECT. Nothing contained herein shall constitute a release by DISTRICT or COUNTY (including their Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives) of DEVELOPER from any and all claims, demands, actions or suits of any kind arising out of any liability, known or unknown, present or future, for the negligent maintenance of PROJECT by DEVELOPER after the acceptance of PROJECT by DISTRICT or COUNTY.

13. Any waiver by any Party hereto of any breach of any one or more of the terms of this Agreement shall not be construed to be a waiver of any subsequent or other breach of the same or of any other term hereof. Failure on the part of any Party hereto to require exact, full and complete compliance with any terms of this Agreement shall not be construed as in any manner changing the terms hereof or estopping such Party from enforcement hereof.
