BACKGROUND:

Summary

On March 29, 2022, Item 3.8, the Board of Supervisors (Board) approved the Notices of Completion for 13 of the 14 awarded multi-prime contractors for the RUHS-BH ARC Project. As indicated in the Board action, Facilities Management (FM) is returning to the Board for approval of the Notice of Completion for the final multi prime contractor, GDL Contractors.

During construction, one change order was issued to GDL Contractors in the deductive amount of \$3,300, decreasing the construction contract amount from \$216,000 to \$212,700. The change order did not exceed the 10% contingency allowance nor the single change order dollar authority, therefore, no Board action was required.

Pursuant to the general conditions of the contract, FM is currently retaining 5% of all progress payments to the contractor. The general conditions of the contract state that after the 50% completion point of the contract work, if satisfactory progress is made, the County has sole discretion to reduce the retention to a minimum of 2.5% of the contract.

GDL Contractors has completed the work to the Project and has been inspected and found to comply with the contract requirements. This Board action will release half of the retained undisputed contract retention funds in the amount of \$5,318. The remaining undisputed contract retention funds in the amount of \$5,317 will be released after the Notice of Completion has been recorded and the 35-day lien period has expired from the start of the recorded date, per contract terms and applicable law.

Impact on Residents and Businesses

The RUHS-BH Arlington Recovery Community Project will benefit the community by providing behavioral health and substance abuse treatment to individuals as an alternative to incarceration.
