Hospital and Provider shall be and remain independent entities with respect to the performance of their respective duties and obligations hereunder. There will be no payment of charges or fees between Provider and Hospital.
2. Students. The parties acknowledge that the Students of the Provider are fulfilling specific requirements for their educational or clinical experience as part of an organized educational program and therefore, the Students of the Provider are not to be considered employees of the Hospital, regardless of the nature or extent of the acts performed by them, for the purposes of Worker's Compensation, employee pay or benefit programs, or any other purpose. As soon as possible thereafter, Hospital will notify the Provider of the action taken. All final resolutions of the Student's academic status in such situations will be made solely by the Provider after reviewing the matter and considering whatever factual information the Hospital provides for the Provider; however, Hospital reserves the right to terminate the use of its facilities by a particular Student where necessary to maintain its operation free of disruption and to ensure quality of patient care.

- I. Inspection of Records. In accordance with the Social Security Act and Regulations thereunder or as otherwise provided by law, Provider, Hospital, third party payors, the Secretary of Health and Human Services, and the Comptroller General, and their authorized representatives, shall have access to all data and records relating to the nature and extent of costs and services provided under this Agreement for a period of four (4) years after the furnishing of such services, or for such other period of time as may be required by law. Provider will provide the names and information pertaining to relevant education and training for all Students enrolled in the clinical education program within a reasonable time before the beginning date of the clinical education program. - B. Provider will assign only those Students who have satisfactorily completed those portions of Provider curriculum that are prerequisite to Program participation.

2. Commercial general liability insurance coverage with a minimum of One Million Dollars (\$1,000,000.00) each occurrence, and One Million Dollars (\$1,000,000.00) in the annual aggregate, applying to bodily injury, property damage, and liability assumed under any contract. General liability insurance coverage may be satisfied by a combination of primary and excess or umbrella coverage;
3. Workers' Compensation and employer's liability for Provider's legal and statutory obligations as required by the laws of the jurisdiction in which the services are performed, and Provider shall waive its right of subrogation; and
4. Auto Liability insurance coverage.

All the above coverage amounts in this Section D. shall be the actual indemnity coverage limit and shall not be reduced by any expense or costs of litigation including attorney's fees. In the event that such insurance is purchased on a "claims-made" basis, upon termination of this Agreement, Provider shall either purchase extended reporting period endorsement ("tail") insurance coverage or continue the claims made policy for services rendered during the term of this Agreement in an amount equal to and otherwise upon the same terms identified herein.

Provider or Student shall provide Hospital with Certificates of Insurance, or the equivalent, evidencing the insurance coverages listed above, ten (10) days prior to the start of this Agreement and thereafter upon renewal or replacement of each coverage. The required insurance shall not contain any exclusions or endorsements, which are not acceptable to Hospital. Hospital shall have the right to terminate this Agreement upon written notice to Provider for any breach of this section.

Failure of Hospital to demand such certificate or other evidence of full compliance with these insurance requirements or failure of Hospital to identify a deficiency from evidence that is provided shall not be construed as a waiver of Provider's obligation to maintain such insurance.
