**BACKGROUND: Summary**

The Managed Care Mental Health Plan requires Riverside University Health System-Behavioral Health (RUHS-BH) to operate a continuum of care system that consists of County-operated and contracted service providers who deliver a variety of mental health treatment services to Medi-Cal beneficiaries within each geographic region of Riverside County.

Due to specialized services provided by the vendors listed in Attachment A, RUHS-BH requires the flexibility to add vendors as needed to ensure continuity of care. Ordinance 459 allows for selection and award of contracts with vendors that have been mandated to provide contracted services for State and Federal programs. RUHS-BH is required to maintain Network Adequacy by providing reasonable access to a sufficient number of in-network primary care and specialty physicians. Such vendors are subject to providing proof of Medi-Cal or other certification, appropriate licensing, and/or other standard review qualifications.

**Impact on Citizens and Businesses**

These services are a component of Behavioral Health's system of care aimed at improving the health and safety of consumers and the community.

**Additional Fiscal Information**

The Managed Care Agreements listed in Attachment A are funded by Medi-Cal and other applicable State funds, and have termination clauses in the event that applicable Federal, State, and/or County funds become unavailable for service provision. Each provider Agreement amount is based on a projected utilization multiplied by the County rate listed below. No additional County funds are required.

**Contract History and Price Reasonableness**

On July 1, 2014, (Agenda Item 3.29) the Board of Supervisors approved Managed Care Provider Aggregate in the amount of \$7,250,000 annually through June 30, 2017. On June 6, 2017, (Agenda Item 3.19) the Board of Supervisors approved the Managed Care Provider Aggregate in the amount of \$7,250,000 annually through June 30, 2022.
