BACKGROUND:

Summary

The Cooperative Agreement ("Agreement") sets forth the terms and conditions by which certain flood control facilities required as a condition of approval for Tract Map No. 37640 are to be constructed by the Developer and inspected, operated and maintained by the District and City.

The Agreement is necessary to formalize the transfer of necessary rights of way and to provide for District construction inspection and subsequent operation and maintenance of the Belltown 30th Street Storm Drain, Stage 1 ("Project").

Upon construction completion of the Project, the District will assume ownership, operation and maintenance of the reinforced concrete pipes greater than 36 inches in diameter and their associated manholes, transition structures, junction structure and safety devices.

The City will assume ownership and responsibility for the operation and maintenance of the Project's associated curbs and gutters, catch basins, biofiltration catch basins and certain lateral connector pipes that are 36 inches or less in diameter located within City rights of way.

County Counsel has approved the Agreement as to legal form, and the City and Developer have executed the Agreement.

Environmental Findings

Pursuant to Section 15096 of the California Environmental Quality Act ("CEQA") Guidelines, Making Responsible Agency Findings, the District has considered the Final Environmental Impact Report (SCH# 2016041020) prepared for the Emerald Ridge Residential Project. The District, in its limited capacity as a Responsible Agency, finds that the ownership and responsibility for the operation and maintenance of the future drainage facilities as described in the Agreement are adequately addressed by the Final Environmental Impact Report (SCH# 2016041020). The terms of ownership, operation and maintenance between the City and District as described in this Agreement will not have a significant impact on the environment. Therefore, no further analysis is required under CEQA.

Impact on Residents and Businesses

As noted above, construction of these drainage improvements will facilitate the development of Tract Map No. 37640. The principal beneficiaries are the future residents of the tract. Ancillary benefits will accrue to the public who will utilize the tract's roadways.

SUPPLEMENTAL:

Additional Fiscal Information

The Developer is funding all construction and construction inspection costs. Future operation and maintenance costs of the District maintained storm drain facilities will be accrued by the District.

SECTION I

DEVELOPER shall:

1. Prepare PROJECT plans and specifications, hereinafter called "IMPROVEMENT PLANS", in accordance with applicable DISTRICT and CITY standards, and submit to DISTRICT and CITY for their respective review and approval.

2. Continue to pay DISTRICT, within thirty (30) calendar days after receipt of periodic billings from DISTRICT, any and all such amounts as are deemed reasonably necessary by DISTRICT to cover DISTRICT's costs associated with (i) the review and approval of IMPROVEMENT PLANS; (ii) the review and approval of rights of way and conveyance documents; (iii) the processing and administration of this Agreement; and (iv) construction inspection costs. Additionally, DEVELOPER shall pay CITY, within thirty (30) calendar days after receipt of periodic billings from CITY, any and all such amounts as are deemed reasonably necessary by CITY to cover CITY's costs associated with (i) the review and approval of IMPROVEMENT PLANS; (ii) the review and approval of rights of way and conveyance documents; (iii) the processing and administration of this Agreement; and (iv) construction inspection costs.

3. Grant DISTRICT and CITY, by execution of this Agreement, the right to enter upon DEVELOPER's property where necessary and convenient for the purpose of gaining access to and performing inspection services for the construction of PROJECT, as set forth herein.

4. Provide CITY, upon execution of this Agreement or not less than twenty (20) calendar days prior to recordation of the final map for Tract Map No. 37640 or any phase thereof, whichever occurs first, with faithful performance and payment bonds in accordance with CITY's municipal code or ordinance, including any amendments thereto, for the estimated cost for construction of (i) DISTRICT FACILITIES as determined by DISTRICT; and (ii) of CITY FACILITIES as determined by CITY. The surety, amount and form of the bonds shall be subject to approval of DISTRICT (Attention: Contract Services Section) and CITY. The bonds shall

remain in full force and effect until DISTRICT FACILITIES are accepted by DISTRICT and CITY FACILITIES are accepted by CITY as complete. Both bonds shall be subscribed by an Admitted Surety Insurer, which is authorized to transact surety insurance business in the State of California with a policy holder's rating of A or higher and a Financial Class of VII or larger. Should any bond or surety become insufficient, DEVELOPER shall furnish a new bond within ten (10) calendar days after receiving notice from CITY.

5. Deposit with DISTRICT (Attention: Business Office – Accounts Receivable) and notify Contract Services Section, upon DISTRICT's approval of IMPROVEMENT PLANS, the estimated cost of providing construction inspection for DISTRICT FACILITIES, in an amount as determined and approved by DISTRICT in accordance with Ordinance Nos. 671 and 749 of the County of Riverside, including any amendments thereto, based upon the bonded value of DISTRICT FACILITIES.

DEVELOPER shall not commence operations until DISTRICT (Attention: Contract Services Section) and CITY have been furnished with original certificate(s) of insurance and original certified copies of endorsements and, if requested, certified original policies of insurance including all endorsements and any and all other attachments. Upon approval of IMPROVEMENT PLANS, an original certificate of insurance evidencing the required insurance coverage shall be provided to DISTRICT. At minimum, the procured insurance coverages should adhere to DISTRICT's required insurance provided in Exhibit "C", attached hereto and made a part hereof. Failure to maintain the insurance required by this paragraph shall be deemed a material breach of this Agreement and shall authorize and constitute authority for DISTRICT, at its sole discretion, to provide written notice to DEVELOPER that DISTRICT is unable to perform its obligations hereunder, nor to accept responsibility for ownership, operation and maintenance of DISTRICT FACILITIES due, either in whole or in part, to said breach of this Agreement.

10. The Irrevocable Offer(s) of Dedication shall be in a form approved by DISTRICT and shall be executed by all legal and equitable owners of the property(ies) described in the Irrevocable Offer(s).

12. Furnish DISTRICT (Attention: Plan Check Section), when submitting the Irrevocable Offer(s) of Dedication as set forth in Section I.11., with Preliminary Reports on Title dated not more than thirty (30) calendar days prior to date of submission of all the property(ies) described in the Irrevocable Offer(s) of Dedication.

The easement(s) or grant deed(s) shall be in a form approved by both DISTRICT and CITY and shall be executed by all legal and equitable owners of the property(ies) described in the easement(s) or grant deed(s).

21. At the time of recordation of the conveyance document(s) as set forth in Section I.20., furnish DISTRICT with policies of title insurance, each in the amount of not less than (i) fifty percent (50%) of the estimated fee value as determined by DISTRICT for each easement parcel to be conveyed to DISTRICT; or (ii) one hundred percent (100%) of the estimated value as determined by DISTRICT for each fee parcel to be conveyed to DISTRICT, guaranteeing DISTRICT's interest in said property as being free and clear of all liens, encumbrances, assessments, easements, taxes and leases (recorded or unrecorded), except those which in the sole discretion of DISTRICT are acceptable.

22. Upon completion of PROJECT construction, accept ownership, sole responsibility and all liability whatsoever for the operation and maintenance of DEVELOPER FACILITIES. Additionally, DEVELOPER shall accept ownership, sole responsibility and all liability whatsoever for the operation and maintenance of DISTRICT FACILITIES and CITY FACILITIES until such time as (i) DISTRICT accepts ownership and responsibility for operation and maintenance of DISTRICT FACILITIES; and (ii) CITY accepts ownership and responsibility for operation and maintenance of CITY FACILITIES.

23. DEVELOPER shall be solely responsible for all costs associated with compliance with applicable laws and regulations.

25. Pay, if suit is brought upon this Agreement or any bond guaranteeing the completion of PROJECT, all costs and reasonable expenses and fees, including reasonable attorneys' fees, and acknowledge that, upon entry of judgment, all such costs, expenses and fees shall be computed as costs and included in any judgment rendered.

SECTION II

DISTRICT shall:

1. Review IMPROVEMENT PLANS and approve when DISTRICT has determined that such plans meet DISTRICT standards and are found acceptable to DISTRICT prior to the start of PROJECT construction.
2. Provide CITY an opportunity to review and approve IMPROVEMENT PLANS prior to DISTRICT's final approval.
3. Upon execution of this Agreement, record or cause to be recorded a copy of this Agreement in the Official Records of the Riverside County Recorder.
4. Record or cause to be recorded the Irrevocable Offer(s) of Dedication provided by DEVELOPER pursuant to Section I.11.
5. Endeavor to issue DEVELOPER a Notice to Proceed within twenty (20) calendar days of receipt of DEVELOPER's complete written notice as set forth in Section I.14.; however, DISTRICT's construction inspection staff is limited and, therefore, the issuance of a Notice to Proceed is subject to staff availability.
6. The DISTRICT reserves the right to withhold issuance of the Notice to Proceed pursuant to Section IV.4.
7. Inspect construction of DISTRICT FACILITIES.
8. Keep an accurate accounting and submit periodic invoices to DEVELOPER of all DISTRICT costs associated with the (i) review and approval of IMPROVEMENT PLANS; (ii) review and approval of right of way and conveyance documents; and (iii) processing and administration of this Agreement.
9. Keep an accurate accounting of all DISTRICT construction inspection costs and, within forty-five (45) calendar days after DISTRICT acceptance of DISTRICT FACILITIES as being complete, submit a final cost statement to DEVELOPER. If the deposit as set forth in Section I.5. exceeds such inspection costs, DISTRICT shall reimburse DEVELOPER

the excess amount within sixty (60) calendar days after DISTRICT's acceptance of DISTRICT FACILITIES as being complete.

10. Provide DEVELOPER with a reproducible duplicate copy of "record drawings" of IMPROVEMENT PLANS upon (i) DISTRICT acceptance of PROJECT construction as being complete; and (ii) DISTRICT receipt of stamped and signed "record drawing" of IMPROVEMENT PLANS as set forth in Section I.23.

11. Accept ownership and sole responsibility for the operation and maintenance of DISTRICT FACILITIES upon (i) DISTRICT inspection of DISTRICT FACILITIES in accordance with Section I.19.; (ii) DISTRICT acceptance of PROJECT construction as being complete; (iii) DISTRICT receipt of stamped and signed "record drawings" of IMPROVEMENT PLANS as set forth in Section I.23.; (iv) recordation of all conveyance documents described in Section I.21.; (v) DISTRICT FACILITIES are fully functioning as a flood control drainage system as solely determined by DISTRICT; and (vi) DISTRICT's sole determination that DISTRICT FACILITIES are in a satisfactorily maintained condition.

12. Prior to DISTRICT acceptance of ownership and responsibility for the operation and maintenance of DISTRICT FACILITIES, DISTRICT FACILITIES shall be in a satisfactorily maintained condition as solely determined by DISTRICT. If, subsequent to any inspection and in the sole discretion of DISTRICT, DISTRICT FACILITIES are not in an acceptable condition, corrections shall be made at sole expense of DEVELOPER.

13. Provide CITY with a reproducible duplicate copy of "record drawings" of DISTRICT FACILITIES along with a written notice that PROJECT is complete and request CITY release bonds held for DISTRICT FACILITIES upon (i) DISTRICT acceptance of PROJECT construction as being complete; and (ii) DISTRICT receipt of stamped and signed "record drawing" of IMPROVEMENT PLANS, as set forth in Section I.23.

SECTION III

CITY shall:

1. Review and approve IMPROVEMENT PLANS prior to the start of PROJECT construction when CITY has determined that such plans meet CITY standards.
2. Accept CITY and DISTRICT approved faithful performance and payment bonds submitted by DEVELOPER, which meet the requirements of CITY's municipal code or ordinances, as set forth in Section I.4., and hold said bonds as provided herein. The surety, amount and form of the bonds shall be subject to approval of DISTRICT (Attention: Contract Services Section) and CITY. The bonds shall remain in full force and effect until DISTRICT accepts DISTRICT FACILITIES as complete and CITY accepts CITY FACILITIES as complete. CITY shall not release said bonds until DISTRICT provides CITY with a reproducible duplicate copy of "record drawings" and written notification as set forth in Section II.13.
3. Inspect PROJECT construction.
4. Consent, by execution of this Agreement, to DISTRICT recording of any Irrevocable Offer(s) of Dedication furnished by DEVELOPER pursuant to this Agreement.
5. As requested by DISTRICT, accept the Irrevocable Offer(s) of Dedication as set forth herein and any other outstanding offers of dedication necessary for the construction, inspection, operation and maintenance of DISTRICT FACILITIES, and convey sufficient rights of way to DISTRICT to allow DISTRICT to construct, inspect, operate and maintain DISTRICT FACILITIES.
6. Grant DISTRICT, by execution of this Agreement, the right to inspect, operate and maintain DISTRICT FACILITIES within CITY rights of way.
7. Upon completion of PROJECT construction, but prior to DISTRICT acceptance of DISTRICT FACILITIES for ownership, operation and maintenance, convey or

cause to be conveyed to DISTRICT the flood control easement(s), including ingress and egress, to the rights of way as shown in concept in "cross-hatched" on Exhibit "D".

8. Accept ownership and sole responsibility for the operation and maintenance of CITY'S FACILITIES upon DISTRICT acceptance of DISTRICT FACILITIES for ownership, operation and maintenance.

9. Release occupancy permits in accordance with the approved conditions of approval for Tract Map No. 37640.

10. Upon DISTRICT and CITY acceptance of PROJECT construction as being complete, accept sole responsibility for the adjustment of all PROJECT manhole rings and covers located within CITY rights of way which must be performed at such time(s) that the finished grade along and above the underground portions of DISTRICT FACILITIES are improved, repaired, replaced or changed. It being further understood and agreed that any such adjustments shall be performed at no cost to DISTRICT.

SECTION IV

It is further mutually agreed:

1. All construction work involved with PROJECT shall be inspected by DISTRICT and CITY but shall not be deemed complete until DISTRICT and CITY mutually agree in writing that construction of PROJECT is completed in accordance with DISTRICT and CITY approved IMPROVEMENT PLANS.

2. CITY and DISTRICT personnel may observe and inspect all work being done on DISTRICT FACILITIES but shall provide any comments to DISTRICT personnel who shall be solely responsible for all quality control communications with DEVELOPER's contractor(s) during the construction of PROJECT.

3. If DEVELOPER fails to commence construction of PROJECT within twenty-four (24) consecutive months after execution of this Agreement, it is expressly understood that since time is of the essence in this Agreement, failure of DEVELOPER to perform the work within the agreed upon time shall constitute authority for DISTRICT to perform the remaining work to complete the PROJECT and require DEVELOPER's surety to pay to CITY the penal sum of any and all bonds. In which case, CITY shall subsequently reimburse DISTRICT from the funds paid by DEVELOPER's surety for any DISTRICT costs incurred to perform the remaining work to complete PROJECT.

4. If DEVELOPER fails to complete construction of PROJECT within twelve (12) consecutive months after commencement of construction of PROJECT, then DISTRICT reserves the right to withhold issuance of the Notice to Proceed pending a review of the existing site conditions as they exist at the time DEVELOPER provides written notification to DISTRICT of the start of construction as set forth in Section I.14. In the event of a change in the existing site conditions that materially affects PROJECT function or DISTRICT's ability to operate and maintain DISTRICT FACILITIES, DISTRICT may require DEVELOPER to modify IMPROVEMENT PLANS as deemed necessary by DISTRICT. In the event of a change in the existing site conditions that materially affects PROJECT function or CITY's ability to operate and maintain CITY FACILITIES, CITY may require DEVELOPER to modify IMPROVEMENT PLANS as deemed necessary by CITY.

5. In the event DEVELOPER wishes to expedite issuance of a Notice to Proceed, DEVELOPER may elect to furnish an independent qualified construction inspector at DEVELOPER's sole cost and expense. DEVELOPER shall furnish appropriate documentation of the individual's credentials and experience to DISTRICT for review and, if appropriate, approval. DISTRICT shall review the individual's qualifications and experience, and upon

approval thereof, said individual, hereinafter called "DEPUTY INSPECTOR", shall be authorized to act on DISTRICT's behalf on all DISTRICT FACILITIES construction and quality control matters. If DEVELOPER's initial construction inspection deposit furnished pursuant to Section I.4. exceeds Ten Thousand Dollars (\$10,000), DISTRICT shall refund to DEVELOPER up to eighty percent (80%) of DEVELOPER's initial inspection deposit within forty-five (45) calendar days of DISTRICT's approval of DEPUTY INSPECTOR; however, a minimum balance of Ten Thousand Dollars (\$10,000) shall be retained on account.

6. PROJECT construction work shall be on a five (5) day, forty (40) hour work week with no work on Saturdays, Sundays or DISTRICT designated legal holidays, unless otherwise approved in writing by DISTRICT and CITY. If DEVELOPER feels it is necessary to work more than the normal forty (40) hour work week or on holidays, DEVELOPER shall make a written request for permission from DISTRICT and CITY to work the additional hours. The request shall be submitted to DISTRICT and CITY at least seventy-two (72) hours prior to the requested additional work hours and state the reasons for the overtime and the specific time frames required. The decision of granting permission for overtime work shall be made by DISTRICT and CITY at their sole discretion and shall be final. If permission is granted by DISTRICT and CITY, DEVELOPER will be charged the cost incurred at the overtime rates for additional inspection time required in connection with the overtime work in accordance with County of Riverside Ordinance Nos. 671 and 749, including any amendments thereto.

7. DEVELOPER shall indemnify and hold harmless DISTRICT, the County of Riverside, CITY (including each of their Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives) (individually and collectively referred to as "Indemnitees") from any liability whatsoever, based or asserted upon any services of

DEVELOPER, its officers, employees, subcontractors, agents or representatives, arising out of or in any way relating to this Agreement, including but not limited to property damage, bodily injury, or death or any other element of any kind or nature whatsoever arising from the performance of DEVELOPER, its officers, employees, subcontractors, agents or representatives, from this Agreement. DEVELOPER shall defend, at its sole expense, all costs and fees including, but not limited, to attorney fees, cost of investigation, defense and settlements or awards, the Indemnitees in any claim or action based upon such alleged acts or omissions.

8. With respect to any action or claim subject to indemnification herein by DEVELOPER, DEVELOPER shall, at its sole cost, have the right to use counsel of their own choice and may adjust, settle or compromise any such action or claim only with the prior consent of DISTRICT, the County of Riverside and CITY. Any such adjustment, settlement or compromise shall not in any manner whatsoever limit or circumscribe DEVELOPER's indemnification to Indemnitees as set forth herein. No settlement on behalf of CITY that would impose construction, maintenance or other obligations on CITY beyond those described in this Agreement shall be effective unless and until the settlement agreement is agreed to in writing by the City Manager on behalf of CITY.

9. DEVELOPER's obligation hereunder shall be satisfied when DEVELOPER has provided to DISTRICT, the County of Riverside and CITY the appropriate form of dismissal relieving DISTRICT, the County of Riverside or CITY from any liability for the action or claim involved.

10. The specified insurance limits required in this Agreement shall in no way limit or circumscribe DEVELOPER's obligations to indemnify and hold harmless the Indemnitees herein from third party claims.

11. In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with California Civil Code Section 2782. Such interpretation shall not relieve DEVELOPER from indemnifying the Indemnitees to the fullest extent allowed by law.

12. DEVELOPER for itself, its successors and assigns hereby releases DISTRICT, the County of Riverside and CITY (including each of their Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives) from any and all claims, demands, actions, or suits of any kind arising out of any liability, known or unknown, present or future, including but not limited to any claim or liability, based or asserted, pursuant to Article I, Section 19 of the California Constitution, the Fifth Amendment of the United States Constitution, or any other law or ordinance which seeks to impose any other liability or damage, whatsoever, for damage caused by the discharge of drainage within or from PROJECT. NOW, THEREFORE, in consideration of the preceding recitals and the mutual covenants hereinafter contained, the Parties hereto mutually agree that the above recitals are true and correct and incorporated into the terms of this Agreement and as follows:

SECTION I

DEVELOPER shall:

1. Prepare PROJECT plans and specifications, hereinafter called "IMPROVEMENT PLANS", in accordance with applicable DISTRICT and CITY standards, and submit to DISTRICT and CITY for their respective review and approval.

2. Continue to pay DISTRICT, within thirty (30) calendar days after receipt of periodic billings from DISTRICT, any and all such amounts as are deemed reasonably necessary by DISTRICT to cover DISTRICT's costs associated with (i) the review and approval of IMPROVEMENT PLANS; (ii) the review and approval of rights of way and conveyance documents; (iii) the processing and administration of this Agreement; and (iv) construction inspection costs. Additionally, DEVELOPER shall pay CITY, within thirty (30) calendar days after receipt of periodic billings from CITY, any and all such amounts as are deemed reasonably necessary by CITY to cover CITY's costs associated with (i) the review and approval of IMPROVEMENT PLANS; (ii) the review and approval of rights of way and conveyance documents; (iii) the processing and administration of this Agreement; and (iv) construction inspection costs.

3. Grant DISTRICT and CITY, by execution of this Agreement, the right to enter upon DEVELOPER's property where necessary and convenient for the purpose of gaining access to and performing inspection services for the construction of PROJECT, as set forth herein.

4. Provide CITY, upon execution of this Agreement or not less than twenty (20) calendar days prior to recordation of the final map for Tract Map No. 37640 or any phase thereof, whichever occurs first, with faithful performance and payment bonds in accordance with CITY's municipal code or ordinance, including any amendments thereto, for the estimated cost for construction of (i) DISTRICT FACILITIES as determined by DISTRICT; and (ii) of CITY FACILITIES as determined by CITY. The surety, amount and form of the bonds shall be subject to approval of DISTRICT (Attention: Contract Services Section) and CITY. The bonds shall

remain in full force and effect until DISTRICT FACILITIES are accepted by DISTRICT and CITY FACILITIES are accepted by CITY as complete. Both bonds shall be subscribed by an Admitted Surety Insurer, which is authorized to transact surety insurance business in the State of California with a policy holder's rating of A or higher and a Financial Class of VII or larger. Should any bond or surety become insufficient, DEVELOPER shall furnish a new bond within ten (10) calendar days after receiving notice from CITY.

5. Deposit with DISTRICT (Attention: Business Office – Accounts Receivable) and notify Contract Services Section, upon DISTRICT's approval of IMPROVEMENT PLANS, the estimated cost of providing construction inspection for DISTRICT FACILITIES, in an amount as determined and approved by DISTRICT in accordance with Ordinance Nos. 671 and 749 of the County of Riverside, including any amendments thereto, based upon the bonded value of DISTRICT FACILITIES.

6. Furnish DISTRICT (Attention: Contract Services Section), upon DISTRICT's approval of IMPROVEMENT PLANS, with a complete list of all contractors and subcontractors to be performing work on PROJECT, including the corresponding license number and license classification of each. At such time, DEVELOPER shall further identify in writing its designated superintendent for PROJECT construction.

7. Furnish DISTRICT (Attention: Contract Services Section), upon DISTRICT's approval of IMPROVEMENT PLANS, with a construction schedule which shall show the order and dates in which DEVELOPER or DEVELOPER's contractor proposes to carry out the various parts of work, including estimated start and completion dates. As construction of PROJECT progresses, DEVELOPER shall update said construction schedule as requested by DISTRICT.

8. Furnish DISTRICT (Attention: Contract Services Section), upon DISTRICT's approval of IMPROVEMENT PLANS, with a confined space entry procedure specific to PROJECT. The procedure shall comply with requirements contained in California Code of Regulations, Title 8, Section 5158, Other Confined Space Operations; Section 5157, Permit Required Confined Space; and District Confined Space Procedures, SOM-18. The procedure shall be reviewed and approved by DISTRICT prior to the issuance of a Notice to Proceed, which shall be given by DISTRICT to DEVELOPER upon DISTRICT's and CITY's approval.

9. DEVELOPER shall not commence operations until DISTRICT (Attention: Contract Services Section) and CITY have been furnished with original certificate(s) of insurance and original certified copies of endorsements and, if requested, certified original policies of insurance including all endorsements and any and all other attachments. Upon approval of IMPROVEMENT PLANS, an original certificate of insurance evidencing the required insurance coverage shall be provided to DISTRICT. At minimum, the procured insurance coverages should adhere to DISTRICT's required insurance provided in Exhibit "C", attached hereto and made a part hereof. Failure to maintain the insurance required by this paragraph shall be deemed a material breach of this Agreement and shall authorize and constitute authority for DISTRICT, at its sole discretion, to provide written notice to DEVELOPER that DISTRICT is unable to perform its obligations hereunder, nor to accept responsibility for ownership, operation and maintenance of DISTRICT FACILITIES due, either in whole or in part, to said breach of this Agreement.

10. Secure, at its sole cost and expense, all necessary licenses, agreements, permits, approvals, rights of way, rights of entry and temporary construction easements as may be needed for the construction, inspection, operation and maintenance of PROJECT. Upon DISTRICT approval of IMPROVEMENT PLANS or not less than twenty (20) calendar days prior

to recordation of the final map for Tract Map No. 37640 or any phase thereof, whichever occurs first, DEVELOPER shall furnish DISTRICT (Attention: Plan Check Section) and CITY with sufficient evidence of DEVELOPER having secured such necessary licenses, agreements, permits, approvals, rights of way, rights of entry, and temporary construction easements, as determined and approved by DISTRICT and CITY.

11. Upon DISTRICT approval of IMPROVEMENT PLANS, obtain and provide DISTRICT (Attention: Real Estate Services Section), with duly executed Irrevocable Offers(s) of Dedication to the public for flood control and drainage purposes, including ingress and egress, for the rights of way deemed necessary by DISTRICT for the construction, inspection, operation and maintenance of DISTRICT FACILITIES. The Irrevocable Offer(s) of Dedication shall be in a form approved by DISTRICT and shall be executed by all legal and equitable owners of the property(ies) described in the Irrevocable Offer(s).

12. Furnish DISTRICT (Attention: Plan Check Section), when submitting the Irrevocable Offer(s) of Dedication as set forth in Section I.11., with Preliminary Reports on Title dated not more than thirty (30) calendar days prior to date of submission of all the property(ies) described in the Irrevocable Offer(s) of Dedication.

13. Furnish DISTRICT (Attention: Plan Check Section) and CITY each with a set of final mylar plans PROJECT plans and assign their ownership to DISTRICT and CITY respectively prior to the start on any portion of PROJECT construction.

14. Notify DISTRICT (Attention: Construction Management Section) and CITY in writing after receiving DISTRICT's plan check, rights of way and administrative clearance for PROJECT as set forth in Sections I.4 through I.13., within twenty (20) calendar days written notice of intent to start of construction of PROJECT, and include PROJECT's geotechnical firm, concrete lab/test firm, D-Load test forms, trench shoring/false work calculations and

concrete mix designs for DISTRICT's review and approval. Construction shall not begin on any element of PROJECT, for any reason whatsoever, until DISTRICT has issued to DEVELOPER a written Notice to Proceed authorizing DEVELOPER to commence construction of PROJECT.

15. Prior to commencing construction, obtain, at its sole cost and expense, and furnish DISTRICT (Attention: Plan Check Section) and CITY with copies of all permits, approvals or agreements required by any federal, state, or local resource and/or regulatory agency for the construction, operation and maintenance of PROJECT. Such documents may include, but are not limited to, those issued by the U.S. Army Corps of Engineers, California Regional Water Quality Control Board, California State Department of Fish and Wildlife, State Water Resources Control Board and Western Riverside County Regional Conservation Authority ("REGULATORY PERMITS").

16. Not permit any change to or modification of DISTRICT and CITY approved IMPROVEMENT PLANS without the prior written permission and consent of DISTRICT and CITY.

17. Comply with all Cal/OSHA safety regulations, including, but not limited to, regulations concerning confined space and maintain a safe working environment for DEVELOPER, DISTRICT and CITY employees on the site.

18. Construct or cause to be constructed PROJECT at DEVELOPER's sole cost and expense, in accordance with DISTRICT and CITY approved IMPROVEMENT PLANS.

19. Within two (2) weeks of completing PROJECT construction, provide DISTRICT (Attention: Construction Management Section) and CITY with written notice that PROJECT construction is substantially complete, and request (i) DISTRICT conduct a final inspection of DISTRICT FACILITIES; and (ii) CITY conduct a final inspection of CITY FACILITIES.

20. Upon completion of PROJECT construction, and upon acceptance by CITY of all rights of way deemed necessary by DISTRICT and CITY for the operation and maintenance of PROJECT, but prior to DISTRICT acceptance of DISTRICT FACILITIES for ownership, operation, and maintenance, convey, or cause to be conveyed to DISTRICT the flood control easement(s), including ingress and egress, in a form approved by DISTRICT, to the rights of way as shown in concept cross-hatched in black on Exhibit "D", attached hereto and made a part hereof. The easement(s) or grant deed(s) shall be in a form approved by both DISTRICT and CITY and shall be executed by all legal and equitable owners of the property(ies) described in the easement(s) or grant deed(s).

21. At the time of recordation of the conveyance document(s) as set forth in Section I.20., furnish DISTRICT with policies of title insurance, each in the amount of not less than (i) fifty percent (50%) of the estimated fee value as determined by DISTRICT for each easement parcel to be conveyed to DISTRICT; or (ii) one hundred percent (100%) of the estimated value as determined by DISTRICT for each fee parcel to be conveyed to DISTRICT, guaranteeing DISTRICT's interest in said property as being free and clear of all liens, encumbrances, assessments, easements, taxes and leases (recorded or unrecorded), except those which in the sole discretion of DISTRICT are acceptable.

22. Upon completion of PROJECT construction, accept ownership, sole responsibility and all liability whatsoever for the operation and maintenance of DEVELOPER FACILITIES. Additionally, DEVELOPER shall accept ownership, sole responsibility and all liability whatsoever for the operation and maintenance of DISTRICT FACILITIES and CITY FACILITIES until such time as (i) DISTRICT accepts ownership and responsibility for operation and maintenance of DISTRICT FACILITIES; and (ii) CITY accepts ownership and responsibility for operation and maintenance of CITY FACILITIES.

23. Upon completion of PROJECT construction but prior to DISTRICT acceptance of DISTRICT FACILITIES for ownership, operation and maintenance, provide or cause its civil engineer of record or construction civil engineer of record, duly registered in the State of California, to provide DISTRICT (Attention: Construction Management Section) with (i) soil compaction report(s) – stamped and wet signed by the geotechnical engineer; (ii) concrete testing report(s) – stamped and wet signed by the civil engineer of record; and (iii) a redlined "record drawings" copy of IMPROVEMENT PLANS. After DISTRICT approval of the redlined "record drawings". DEVELOPER's engineer shall schedule with DISTRICT a time to transfer the redlined changes onto DISTRICT's original mylars at DISTRICT's office; after which, the engineer shall review, stamp and sign the original DISTRICT FACILITIES engineering plans as "record drawings".

24. Ensure that all work performed pursuant to this Agreement by DEVELOPER, its agents or contractors is done in accordance with all applicable local, state and federal laws and regulations, including, but not limited to, all applicable provisions of the Labor Code, Business and Professions Code, and Water Code. DEVELOPER shall be solely responsible for all costs associated with compliance with applicable laws and regulations.

25. Pay, if suit is brought upon this Agreement or any bond guaranteeing the completion of PROJECT, all costs and reasonable expenses and fees, including reasonable attorneys' fees, and acknowledge that, upon entry of judgment, all such costs, expenses and fees shall be computed as costs and included in any judgment rendered.

SECTION II

DISTRICT shall:

1. Review IMPROVEMENT PLANS and approve when DISTRICT has determined that such plans meet DISTRICT standards and are found acceptable to DISTRICT prior to the start of PROJECT construction.
2. Provide CITY an opportunity to review and approve IMPROVEMENT PLANS prior to DISTRICT's final approval.
3. Upon execution of this Agreement, record or cause to be recorded a copy of this Agreement in the Official Records of the Riverside County Recorder.
4. Record or cause to be recorded the Irrevocable Offer(s) of Dedication provided by DEVELOPER pursuant to Section I.11.
5. Endeavor to issue DEVELOPER a Notice to Proceed within twenty (20) calendar days of receipt of DEVELOPER's complete written notice as set forth in Section I.14.; however, DISTRICT's construction inspection staff is limited and, therefore, the issuance of a Notice to Proceed is subject to staff availability.
6. The DISTRICT reserves the right to withhold issuance of the Notice to Proceed pursuant to Section IV.4.
7. Inspect construction of DISTRICT FACILITIES.
8. Keep an accurate accounting and submit periodic invoices to DEVELOPER of all DISTRICT costs associated with the (i) review and approval of IMPROVEMENT PLANS; (ii) review and approval of right of way and conveyance documents; and (iii) processing and administration of this Agreement.
9. Keep an accurate accounting of all DISTRICT construction inspection costs and, within forty-five (45) calendar days after DISTRICT acceptance of DISTRICT FACILITIES as being complete, submit a final cost statement to DEVELOPER. If the deposit as set forth in Section I.5. exceeds such inspection costs, DISTRICT shall reimburse DEVELOPER

the excess amount within sixty (60) calendar days after DISTRICT's acceptance of DISTRICT FACILITIES as being complete.

10. Provide DEVELOPER with a reproducible duplicate copy of "record drawings" of IMPROVEMENT PLANS upon (i) DISTRICT acceptance of PROJECT construction as being complete; and (ii) DISTRICT receipt of stamped and signed "record drawing" of IMPROVEMENT PLANS as set forth in Section I.23.

11. Accept ownership and sole responsibility for the operation and maintenance of DISTRICT FACILITIES upon (i) DISTRICT inspection of DISTRICT FACILITIES in accordance with Section I.19.; (ii) DISTRICT acceptance of PROJECT construction as being complete; (iii) DISTRICT receipt of stamped and signed "record drawings" of IMPROVEMENT PLANS as set forth in Section I.23.; (iv) recordation of all conveyance documents described in Section I.21.; (v) DISTRICT FACILITIES are fully functioning as a flood control drainage system as solely determined by DISTRICT; and (vi) DISTRICT's sole determination that DISTRICT FACILITIES are in a satisfactorily maintained condition.

12. Prior to DISTRICT acceptance of ownership and responsibility for the operation and maintenance of DISTRICT FACILITIES, DISTRICT FACILITIES shall be in a satisfactorily maintained condition as solely determined by DISTRICT. If, subsequent to any inspection and in the sole discretion of DISTRICT, DISTRICT FACILITIES are not in an acceptable condition, corrections shall be made at sole expense of DEVELOPER.

13. Provide CITY with a reproducible duplicate copy of "record drawings" of DISTRICT FACILITIES along with a written notice that PROJECT is complete and request CITY release bonds held for DISTRICT FACILITIES upon (i) DISTRICT acceptance of PROJECT construction as being complete; and (ii) DISTRICT receipt of stamped and signed "record drawing" of IMPROVEMENT PLANS, as set forth in Section I.23.

SECTION III

CITY shall:

1. Review and approve IMPROVEMENT PLANS prior to the start of PROJECT construction when CITY has determined that such plans meet CITY standards.
2. Accept CITY and DISTRICT approved faithful performance and payment bonds submitted by DEVELOPER, which meet the requirements of CITY's municipal code or ordinances, as set forth in Section I.4., and hold said bonds as provided herein. The surety, amount and form of the bonds shall be subject to approval of DISTRICT (Attention: Contract Services Section) and CITY. The bonds shall remain in full force and effect until DISTRICT accepts DISTRICT FACILITIES as complete and CITY accepts CITY FACILITIES as complete. CITY shall not release said bonds until DISTRICT provides CITY with a reproducible duplicate copy of "record drawings" and written notification as set forth in Section II.13.
3. Inspect PROJECT construction.
4. Consent, by execution of this Agreement, to DISTRICT recording of any Irrevocable Offer(s) of Dedication furnished by DEVELOPER pursuant to this Agreement.
5. As requested by DISTRICT, accept the Irrevocable Offer(s) of Dedication as set forth herein and any other outstanding offers of dedication necessary for the construction, inspection, operation and maintenance of DISTRICT FACILITIES, and convey sufficient rights of way to DISTRICT to allow DISTRICT to construct, inspect, operate and maintain DISTRICT FACILITIES.
6. Grant DISTRICT, by execution of this Agreement, the right to inspect, operate and maintain DISTRICT FACILITIES within CITY rights of way.
7. Upon completion of PROJECT construction, but prior to DISTRICT acceptance of DISTRICT FACILITIES for ownership, operation and maintenance, convey or

cause to be conveyed to DISTRICT the flood control easement(s), including ingress and egress, to the rights of way as shown in concept in "cross-hatched" on Exhibit "D".

8. Accept ownership and sole responsibility for the operation and maintenance of CITY'S FACILITIES upon DISTRICT acceptance of DISTRICT FACILITIES for ownership, operation and maintenance.

9. Release occupancy permits in accordance with the approved conditions of approval for Tract Map No. 37640.

10. Upon DISTRICT and CITY acceptance of PROJECT construction as being complete, accept sole responsibility for the adjustment of all PROJECT manhole rings and covers located within CITY rights of way which must be performed at such time(s) that the finished grade along and above the underground portions of DISTRICT FACILITIES are improved, repaired, replaced or changed. It being further understood and agreed that any such adjustments shall be performed at no cost to DISTRICT.

SECTION IV

It is further mutually agreed:

1. All construction work involved with PROJECT shall be inspected by DISTRICT and CITY but shall not be deemed complete until DISTRICT and CITY mutually agree in writing that construction of PROJECT is completed in accordance with DISTRICT and CITY approved IMPROVEMENT PLANS.

2. CITY and DISTRICT personnel may observe and inspect all work being done on DISTRICT FACILITIES but shall provide any comments to DISTRICT personnel who shall be solely responsible for all quality control communications with DEVELOPER's contractor(s) during the construction of PROJECT.

3. If DEVELOPER fails to commence construction of PROJECT within twenty-four (24) consecutive months after execution of this Agreement, it is expressly understood that since time is of the essence in this Agreement, failure of DEVELOPER to perform the work within the agreed upon time shall constitute authority for DISTRICT to perform the remaining work to complete the PROJECT and require DEVELOPER's surety to pay to CITY the penal sum of any and all bonds. In which case, CITY shall subsequently reimburse DISTRICT from the funds paid by DEVELOPER's surety for any DISTRICT costs incurred to perform the remaining work to complete PROJECT.

4. If DEVELOPER fails to complete construction of PROJECT within twelve (12) consecutive months after commencement of construction of PROJECT, then DISTRICT reserves the right to withhold issuance of the Notice to Proceed pending a review of the existing site conditions as they exist at the time DEVELOPER provides written notification to DISTRICT of the start of construction as set forth in Section I.14. In the event of a change in the existing site conditions that materially affects PROJECT function or DISTRICT's ability to operate and maintain DISTRICT FACILITIES, DISTRICT may require DEVELOPER to modify IMPROVEMENT PLANS as deemed necessary by DISTRICT. In the event of a change in the existing site conditions that materially affects PROJECT function or CITY's ability to operate and maintain CITY FACILITIES, CITY may require DEVELOPER to modify IMPROVEMENT PLANS as deemed necessary by CITY.

5. In the event DEVELOPER wishes to expedite issuance of a Notice to Proceed, DEVELOPER may elect to furnish an independent qualified construction inspector at DEVELOPER's sole cost and expense. DEVELOPER shall furnish appropriate documentation of the individual's credentials and experience to DISTRICT for review and, if appropriate, approval. DISTRICT shall review the individual's qualifications and experience, and upon

approval thereof, said individual, hereinafter called "DEPUTY INSPECTOR", shall be authorized to act on DISTRICT's behalf on all DISTRICT FACILITIES construction and quality control matters. If DEVELOPER's initial construction inspection deposit furnished pursuant to Section I.4. exceeds Ten Thousand Dollars (\$10,000), DISTRICT shall refund to DEVELOPER up to eighty percent (80%) of DEVELOPER's initial inspection deposit within forty-five (45) calendar days of DISTRICT's approval of DEPUTY INSPECTOR; however, a minimum balance of Ten Thousand Dollars (\$10,000) shall be retained on account.

6. PROJECT construction work shall be on a five (5) day, forty (40) hour work week with no work on Saturdays, Sundays or DISTRICT designated legal holidays, unless otherwise approved in writing by DISTRICT and CITY. If DEVELOPER feels it is necessary to work more than the normal forty (40) hour work week or on holidays, DEVELOPER shall make a written request for permission from DISTRICT and CITY to work the additional hours. The request shall be submitted to DISTRICT and CITY at least seventy-two (72) hours prior to the requested additional work hours and state the reasons for the overtime and the specific time frames required. The decision of granting permission for overtime work shall be made by DISTRICT and CITY at their sole discretion and shall be final. If permission is granted by DISTRICT and CITY, DEVELOPER will be charged the cost incurred at the overtime rates for additional inspection time required in connection with the overtime work in accordance with County of Riverside Ordinance Nos. 671 and 749, including any amendments thereto.

7. DEVELOPER shall indemnify and hold harmless DISTRICT, the County of Riverside, CITY (including each of their Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives) (individually and collectively referred to as "Indemnitees") from any liability whatsoever, based or asserted upon any services of

DEVELOPER, its officers, employees, subcontractors, agents or representatives, arising out of or in any way relating to this Agreement, including but not limited to property damage, bodily injury, or death or any other element of any kind or nature whatsoever arising from the performance of DEVELOPER, its officers, employees, subcontractors, agents or representatives, from this Agreement. DEVELOPER shall defend, at its sole expense, all costs and fees including, but not limited, to attorney fees, cost of investigation, defense and settlements or awards, the Indemnitees in any claim or action based upon such alleged acts or omissions.

8. With respect to any action or claim subject to indemnification herein by DEVELOPER, DEVELOPER shall, at its sole cost, have the right to use counsel of their own choice and may adjust, settle or compromise any such action or claim only with the prior consent of DISTRICT, the County of Riverside and CITY. Any such adjustment, settlement or compromise shall not in any manner whatsoever limit or circumscribe DEVELOPER's indemnification to Indemnitees as set forth herein. No settlement on behalf of CITY that would impose construction, maintenance or other obligations on CITY beyond those described in this Agreement shall be effective unless and until the settlement agreement is agreed to in writing by the City Manager on behalf of CITY.

9. DEVELOPER's obligation hereunder shall be satisfied when DEVELOPER has provided to DISTRICT, the County of Riverside and CITY the appropriate form of dismissal relieving DISTRICT, the County of Riverside or CITY from any liability for the action or claim involved.

10. The specified insurance limits required in this Agreement shall in no way limit or circumscribe DEVELOPER's obligations to indemnify and hold harmless the Indemnitees herein from third party claims.

11. In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with California Civil Code Section 2782. Such interpretation shall not relieve DEVELOPER from indemnifying the Indemnitees to the fullest extent allowed by law.

12. DEVELOPER for itself, its successors and assigns hereby releases DISTRICT, the County of Riverside and CITY (including each of their Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives) from any and all claims, demands, actions, or suits of any kind arising out of any liability, known or unknown, present or future, including but not limited to any claim or liability, based or asserted, pursuant to Article I, Section 19 of the California Constitution, the Fifth Amendment of the United States Constitution, or any other law or ordinance which seeks to impose any other liability or damage, whatsoever, for damage caused by the discharge of drainage within or from PROJECT. Nothing contained herein shall constitute a release by DISTRICT, County of Riverside or CITY (including their Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives) of DEVELOPER from any and all claims, demands, actions or suits of any kind arising out of any liability, known or unknown, present or future, for the negligent maintenance of PROJECT by DEVELOPER after the acceptance of PROJECT by DISTRICT or CITY.

13. Any waiver by any Party hereto of any breach of any one or more of the terms of this Agreement shall not be construed to be a waiver of any subsequent or other breach of the same or of any other term hereof. Failure on the part of any Party hereto to require exact, full and complete compliance with any terms of this Agreement shall not be construed as in any manner changing the terms hereof or estopping such Party from enforcement hereof.
