BACKGROUND:

Summary

Riverside University Health System Medical Center (RUHS-MC) has historically provided cardiology services on site in Moreno Valley through a contracted physician group. The current Professional Medical Services Agreement for cardiology services was approved by the Board in March 2021 and amended in July 2021 to add an additional Advance Care Provider (ACP) working in RUHS-MC's heart failure program. Cardiology services are provided by the contracted group to inpatients and outpatients at RUHS-MC and outpatients at the RUHS Community Health Centers.

RUHS-MC is experiencing an increased demand for cardiology services. In order to meet the increased demand, the hospital must be able to provide consistent staffing coverage to ensure the same access to care each week despite vacations and other absences. The proposed Amendment will add 3 additional half-day clinics (for a total of 10 clinics per week).

Therefore RUHS-MC is proposing a Second Amendment to the existing Agreement with FPS LLUSM for cardiology services. The proposed Second Amendment will have an effective date of July 1, 2022 and will include the following FTE changes:

- Decrease Interventional Cardiology services by 0.1 FTE
- Add Interventional Cardiology Vacation Coverage - 0.2 FTE
- Increase Non-Invasive Cardiology Services by 0.3 FTE
- Add Non-Invasive Cardiology Vacation Coverage - 0.6 FTE

To implement the above FTE changes, the maximum yearly compensation amount within the Agreement must be increased by \$644,464 from the previous maximum of \$3,250,308 to a new maximum yearly compensation amount of \$3,894,772.

Impact on Residents and Businesses

COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

These services are a component of RUHS-MC's system of care aimed at improving the health and safety of its patients and the community.

Additional Fiscal Information

There are sufficient appropriations in the Department's FY22/23 budget. No additional County funds are required.

Contract History and Price Reasonableness

On March 9, 2021, Agenda Item 15.2, the Board approved a multi-year Professional Medical Services Agreement, effective February 1, 2021 through June 30, 2025 with FPS LLUSM for professional cardiology services with a yearly contract maximum of \$3,057,388.

On July 19, 2021, the Purchasing Agent approved a First Amendment to the Agreement, effective July 1, 2021, to amend the scope of work and increase the contract amount of the Agreement by \$192,920 for a new yearly contract maximum of \$3,250,308.

RUHS-MC has engaged experts in the healthcare field to assist with a competitive market analysis to ensure Agreements like this one meet price reasonableness and rates paid are within industry standards. There is no increase in the rates within this Agreement because of this Amendment.

The Amendment requires Board approval as the compensation provision exceeds the Purchasing Agent's authority for contracting with a single vendor for physician services per Resolution 2021-116.
