BACKGROUND:

Summary

On July 1, 2016, Governor Brown signed landmark legislation enacting the No Place Like Home (NPLH) program to dedicate up to \$2 billion in bond proceeds to invest in the development of permanent supportive housing for persons who are in need of mental health services and are experiencing homelessness, chronic homelessness, or who are at risk of chronic homelessness. NPLH funds may be used to acquire, design, construct, rehabilitate, or preserve permanent supportive housing. Awarded counties are responsible to provide on-site supportive services to tenants for a minimum of 20 years. These services are consistent with services already provided by RUHS-BH.

On October 29, 2021, Housing and Community Development released Round 4 Notice of Funding Allocation (NOFA) for Competitive Allocation Funds for NPLH, totaling \$231.4 million. Applications submitted by Riverside County will compete with 10 other “Large Counties” (as defined in the NPLH program guidelines) for \$121.2 million in Round 4 funding. Funds will be used for deferred payment loans to finance the development of permanent supportive housing for persons with a serious mental illness who are homeless, chronically homeless or at-risk of chronic homelessness. The deadline for the County to take action and submit application(s) is January 19, 2022 by 5:00 PM PST. It is anticipated that awards will be announced in Spring of 2022.

HCD requires a separate resolution of the Board of Supervisors to authorize the County to apply in conjunction with a partner developer/development and to accept if awarded, any NPLH Competitive Allocation funds. As the need for permanent supportive housing continues to grow, RUHS-BH, on behalf of Riverside County, is requesting the Board of Supervisors to adopt Resolution 2022-017 authorizing the Director of Behavioral Health to apply for and accept, if approved, an award of NPLH Competitive Allocation Funds and to execute all related documents in connection with the Competitive Allocation Funding for NPLH.

Villa Verdes I, LP will be the developer on the application for this proposed resolution. A subsequent agreement will be put forth after the Spring of 2022 to the Board of Supervisors if the developer is awarded funds from the No Place Like Home program.

Impact on Citizens and Businesses

These services are a component of the Department's system of care aimed at improving the health and safety of consumers and the community.

Additional Fiscal Information

The No Place Like Home program is one hundred percent (100%) State funded. There are sufficient funds in the Department's FY21/22 budget and no additional County funds are required.

RUHS-BH has participated in several NPLH funding opportunities in the past, which are listed below.
