BACKGROUND:

Riverside County Workforce Development Board (WDB) is a private sector led policy and oversight body that supports economic expansion and the development of the regional workforce. The WDB is governed by the Workforce Innovation and Opportunity Act of 2014 (WIOA) which mandates that more than 50% of the WDB’s members must come from the business community. In addition, WDBs are required to have representation from universities or community colleges, economic development, and workforce representatives including labor organizations. This ensures that federal funds for workforce development activities are expended on training and career coaching that meets the needs of the business community. Pursuant to WIOA, the Board of Supervisors, led by the Board Chairman who serves as the Chief Local Elected Official, is responsible for appointing the WDB members for two-year terms.

Ms. Connie Golds, Executive Director and Co-Founder of Desert Best Friends Closet, started her career in education, teaching K-12 and later higher education including teaching, interpreting, and tutoring for deaf students. She later co-founded Desert Best Friends Closet, a non-profit organization that works with job seekers to lower barriers to employment. Desert Best

Desert Best Friends Closet and the WDB have collaborated in the past. Their work strongly aligns with that of the WDB, as they both seek to facilitate success through employment opportunities and support economic development.

Connie Golds has expressed interest in continuing to serve on the Workforce Development Board as a Private Sector Representative for the Fourth District. If reappointed, she will serve a two-year term commencing January 13, 2022 and expiring January 13, 2024.
