BACKGROUND:

Summary

Riverside County Ordinance No. 695 established an on-going program to abate hazardous vegetation, while at the same time, protecting rare and sensitive plant and animal species and the environment. The purpose of the Hazard Reduction program is to reduce or eliminate fire hazards created by vegetative growth and the accumulation of combustible debris, which poses a danger to the health, safety, and welfare of the residents in the vicinity of any real property, as well as irreparable harm to sensitive habitat and species. Fire Prevention Technicians annually inspect unimproved parcels within the unincorporated areas of Riverside County, as defined by Riverside County Ordinance No. 695.4.

Once all inspections were completed, an "Order to Abate" was sent to each owner of record. The order advised the parcel owner of their obligation to have the parcel in compliance within thirty (30) days from the date of notice. Upon re-inspection, the Riverside County Hazard Reduction program turned over any parcel, found to be non-compliant, to the County Contractors for abatement. At the conclusion of the abatement, a bill was issued to the parcel owner of record. If not paid, then the County has the ability to recover abatement costs by assessing real property. This assessment incorporates the contractor's costs and the County administrative fee of \$254. The properties that are subject to this assessment are attached as Attachment A to the resolution. The resolution and Attachment A will also be included in the presentation for the public hearing on January 25, 2022. The public hearing on January 25, 2022, is the final step required under the Health and Safety Code Section 14910 and County Ordinance No. 695.4 to establish assessments and liens on those parcels listed on Attachment A.

The property owner can appeal an "Order to Abate" to question the requirement to clear hazardous vegetation from their property. If an owner has a concern with the invoice sent after hazardous vegetation has been abated by a County contractor, they can contact the Hazard Reduction Office. The Hazard Reduction office has an administrative process to address concerns or errors regarding invoices. This process includes the Assistant Fire Marshal explaining our abatement process, answering questions, verifying the before and after pictures match the property, and correcting any errors found with our process.

CEQA

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

As part of the amendment to Riverside County Ordinance No. 695 (Ordinance No. 695.4), an Environmental Assessment leading to a Mitigated Negative Declaration (State Clearinghouse No. 2009041105; EA/MND) was completed as required by the California Environmental Quality Act (CEQA). The EA/MND was circulated for public review on April 22nd, 2009 to May 21st, 2009. The final EA/MND was approved as part of the adoption of the amended ordinance on June 16th, 2009. There were no legal challenges to the approved EA/MND. As part of the project description, the EA/MND included the changes to the ordinance, as well as a detailed discussion as to how the Hazardous Reduction Office conducts annual inspections, identifies hazardous vegetation and combustible material, and executes the Notice to Abate process. The description also includes detailed procedures as part of the compliance manual as to how to proceed in areas of biological sensitivity. This Form 11 is merely executing the County's compliance with the amended Riverside County Ordinance No. 695.4 as it relates to the cost and reimbursement of weed abatement.

Impact on Residents and Businesses

The Hazard Reduction program is designed to protect life, property and the environment. Voluntary compliance is the primary goal of the program. Each parcel owner is provided the opportunity to abate the property prior to the county conducting the abatement. The owner also has an opportunity to reimburse the county the cost of abatement prior to the lien process being initiated.

Additional Fiscal Information

The abatement charges for any work performed by the contractor and the county administrative fee will be included in the property owner's property tax statement as a special assessment. The Board of Supervisors approved the administrative fee of \$254.00 with a public hearing on June 28, 2011. The fee has not increased since 2011. The current total parcels are 327 and the total amount to be assessed is \$178,531.00. The assessments will reimburse the department costs, which are funded by the General Fund.
