BACKGROUND:

Summary

The County of Riverside Transportation Department is proposing to resurface approximately 1.5 miles of Mountain View Road from Dillon Road to the City limit of Desert Hot Springs in the Community of Southeast Desert Hot Springs of Riverside County.

Mountain View Road is classified as an arterial road in the County of Riverside General Plan. Mountain View Road is a two-lane road that varies between 24 feet to 58 feet in width.

Roadway resurfacing is needed due to the deteriorated pavement conditions. Mainly, the Mountain View Road Resurfacing Project will consist of two types of treatment.

Mountain View Road Limits	Treatment Type
From Dillon Road to 1.2 miles north of Dillon Road	Grind asphalt concrete in place and overlay with Hot Mix Asphalt (HMA).
From 1.2 miles north of Dillon Road to City of Desert Hot Springs limit	Remove existing asphalt concrete and underlying material and place back HMA.

Additional improvements include placement of AC dike, reconstruction of asphalt concrete driveways, reconstruction of sidewalk, curb and gutter, cross gutter and spandrels, concrete driveways, Americans with Disabilities Act (ADA) compliant curb ramps, construction of retaining wall, placement of safety edge and shoulder backing to protect the outside edge of pavement, placing of traffic striping, thermoplastic crosswalk, pavement markings, replacing existing guardrail, reconstruction of existing overside drains, upgrading existing traffic signal at Mountain View Road and Dillon Road from a loop detection system to a video detection system and other associated work.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

On April 28, 2017, Senate Bill 1 (SB-1) was passed to improve the state's aging transportation infrastructure, particularly roads and bridges. Because of this, the County is now able to improve the condition of roads in need of resurfacing or reconstruction and has included them in the County Transportation Improvement Program (TIP). Mountain View Road resurfacing project is one of Riverside County's priority projects approved for use of the new Gas Tax/SB-1 funds. Without SB-1 this needed road repair project would have been shelved until funding became available.

The submitted plans and specifications have been approved as to form by County Counsel.

The bid documents include the following bid schedule of work:

Base Bid Schedule:	Mountain View Road Resurfacing
Alternative Bid 1:	City of Desert Hot Springs Portion
Alternative Bid 2:	Mission Springs Water District (MSWD) Facilities Adjustments
Alternative Bid 3:	MSWD Facilities Adjustments (City Portion)

Improvements within the City of Desert Hot Springs are included in the bid package as an alternate bid schedule. If the City of Desert Hot Springs approves the award of their alternate bid schedule, as bid by the apparent low bidder, the cost for the work will be funded by the City of Desert Hot Springs through a reimbursement Agreement, which will be submitted to the Board of Supervisors for approval prior to or concurrent with the award of the construction contract.

The adjustment of the facilities owned by MSWD, are also included in the bid package as an alternative bid schedule. If MSWD approve the award of their alternative bid schedule, as bid by the apparent low bidder, the cost for the work will be funded by the utility owner through a reimbursement letter Agreement that will be executed by the Director of Transportation.

The Transportation Department will select the contractor based upon the lowest responsive and responsible bid for the sum of all bid schedules.

Project No. D0-0109

Environmental Findings

The proposed project is exempt from CEQA under Section 15301 (c) – Existing Facilities exemption because it does not create additional traffic lanes and involves negligible or no expansion of existing or former use of the existing roadway and associated facilities.

Impact on Citizens and Businesses

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

The purpose of this project is to replace existing deteriorated pavement with new hot mix asphalt for the approximate 1.5 miles segment of Mountain View Road to provide the public with a smooth paved roadway that will improve the safety and efficiency of vehicular traffic.

The work is scheduled to begin spring 2022. The work will be phased to keep the road open during construction as much as possible and will take approximately two months to complete.

SUPPLEMENTAL:

Additional Fiscal Information

The construction contract is estimated to cost approximately \$1,630,610. The County improvements will be funded with Gas Tax/SB-1 Funds. The City of Desert Hot Springs and MSWD are responsible for funding their respective alternative bid schedules in full if approved.

There are no General Funds used in this project.

PROJECT TITLE: Mountain View Road Resurfacing
Work Order #D0-0109 Task Code #Z1530

PROJECT SPONSOR: Riverside County Transportation Department

PROJECT LOCATION: Community of Southeast Desert Hot Springs

SUPERVISORIAL DISTRICT: 4th

PROJECT DESCRIPTION: The County of Riverside Transportation Department is proposing to resurface approximately 8,650 feet of Mountain View Road from Dillon Road to the City limit of Desert Hot Springs. Mountain View Road, classified as an arterial road in the County of Riverside's General Plan, is a two-lane road that varies between 24 feet to 58 feet in width. The proposed project will include:

- Pulverizing the roadway and overlaying with Hot Mix Asphalt (HMA)
- Upgrading the existing traffic signal at Dillon Room from loop detection to camera detection
- Replacing existing guardrail to meet current Caltrans standards
- Reconstructing existing curb ramps to meet ADA standards
- Reconstructing existing overside drains using concreted-rock slopes
- Utility adjustments
- Vegetation removal
- Salvage/removal and installation of new signs

ENVIRONMENTAL ANALYSIS:

The proposed improvements will be constructed within existing County right-of-way. Temporary construction easements may be required.

This project is subject to compliance with the Coachella Valley Multiple Species Habitat Conservation Plan (MSHCP). The project area is outside of conservation areas. In accordance with Section 7 of the Coachella Valley MSHCP, necessary operation and maintenance along existing roadways are considered a covered activity within and outside of conservation areas. The project is an operation and maintenance project and therefore is a covered activity.

If tree and/or vegetation removal takes place during the migratory bird breeding season (February 15th – August 31st), a preconstruction nesting bird survey will be conducted pursuant to the Migratory Bird Treaty Act (MBTA).

The Riverside County Transportation Department has found that the above-described project is exempt from the provisions of the California Environmental Quality Act (CEQA), based on the following:

Section 15301 (c) – Existing Facilities – The proposed project will resurface approximately 8,650 feet of Mountain View Road from Dillon Road to the City limit of Desert Hot Springs. Work will include, but is not limited to, upgrading the existing traffic signal at Dillon Road, replacing existing guardrail, and reconstructing existing overside drains. The proposed project is exempt from CEQA under Section 15301 (c) because it does not create additional traffic lanes and involves negligible or no expansion of existing or former use of the existing roadway and associated facilities.
