**BACKGROUND:**

**Summary**

By Minute Order dated November 09, 2021 (Agenda Item 3.14), the County of Riverside (County) Board of Supervisors authorized the Clerk of the Board to advertise for the construction of the Mayberry Avenue Sidewalk Project. The proposed project will construct approximately 1/4-mile segment of sidewalk improvements along the north side of Mayberry Avenue to fill in existing sidewalk gap between Peartree Lane and Casino Road in the Community of East Hemet.

The proposed improvements on Mayberry Avenue will include new curb, gutter, and sidewalk on the north side of the street between Peartree Lane and Casino Road and will extend the limits of the existing sidewalk. The sidewalk will provide a safer pedestrian path for travel to and from the Valle Vista Elementary School.

Additional improvements include construction of Americans with Disabilities Act (ADA) compliant concrete access ramp at the intersection of Mayberry Avenue and Casino Road, concrete cross gutter, and residential concrete driveway approaches.

During the advertisement period, one addendum was issued to all registered plan holders as a supplement to the plans and specifications. Bidders were required to acknowledge and take into account the issued addendum on their contractor's Bid in order to be considered for award. The addendum is attached herewith and designated as Addendum No. 1.

The contract includes the following schedule of work:

Base Bid Schedule:            Mayberry Avenue Sidewalk Improvements

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,  
STATE OF CALIFORNIA**

The contractor, CT&T Concrete Paving Inc., is qualified to perform the work as outlined in the bid, has executed the contract, and has provided bonds which meet the requirements of the Contract.

Project No. D0-0101

**Impact on Residents and Businesses**

The proposed improvements will improve pedestrian safety and provide an Americans with Disabilities Act (ADA) compliant path. The new sidewalk will serve as a path to and from Valle Vista Elementary School located easterly on Mayberry Avenue.

The work is scheduled to begin in spring 2022 and will take approximately two months to complete.

**SUPPLEMENTAL:**

**Additional Fiscal Information**

Construction is expected to be completed in FY 2021/22 and will be funded with SB 821 (Local Transportation Funds), and Gas Tax/HUTA funds.

The SB821 funds were secured through a Countywide process in which the Transportation Department successfully completed.

The proposed budget as shown on Attachment "A" includes Contract award amount and other associated costs.

There are no General Funds used in this project.

**Contract History and Price Reasonableness**

Nine bids were received on Wednesday December 8, 2021 ranging from \$222,659 to \$303,000. The basis for the selection of a contractor is the lowest responsive and responsible bid. The lowest responsive and responsible bid was submitted by CT&T Concrete Paving Inc. in the amount of \$222,659 which is \$73,611.00 (25%) below the Engineer's Estimate.

The Transportation Department recommends the award of the contract to CT&T Concrete Paving Inc. in the amount of \$222,659.
