BACKGROUND:

Summary

The Interstate 10 (I-10) freeway carries more than 147,000 vehicles and trucks daily. The I-10 freeway is the only roadway that links the City of Banning and the unincorporated community of Cabazon. The County of Riverside (County) identified an alternative route that can provide better connectivity to these communities and provide critically needed alternate access route in the event of a major freeway closure on the I-10 freeway.

The proposed I-10 Bypass Project (Project) would construct two (2) lanes of new roadway approximately 3.5-mile long to support a future ultimate four (4) lane Secondary Highway facility from Hathaway Street in the City of Banning to Apache Trail in the unincorporated community of Cabazon. The Project is included in the Western Riverside Council of Government (WRCOG) TUMF Nexus Study on the backbone network.

The County completed the environmental phase of the Project in December 2021, where the related California Environmental Quality Act (CEQA) documents were adopted at that time. There were no legal challenges to the related CEQA documents, and the statute of limitations have since expired. This agreement will provide for a reimbursement of up to \$8,000,000 in Riverside County Transportation Commission (RCTC) TUMF Regional funding for eligible engineering and right-of-way expenses incurred for the Project.

Project Number: B7-0776

Impact on Residents and Businesses

The Project will provide an alternative to the I-10 in the event of disruptions to the freeway through the Pass Area, keeping open a vitally critical international goods movement corridor link between Western Riverside County and the Coachella Valley.

1. Parties and Date.

1.1 This Agreement is executed and entered into this ___ day of _____, 2022, by and between the RIVERSIDE COUNTY TRANSPORTATION COMMISSION ("RCTC") and the COUNTY OF RIVERSIDE ("County"). RCTC and County are sometimes collectively referred to herein as the "Parties".

2. Recitals.

2.1 RCTC is a county transportation commission created and existing pursuant to California Public Utilities Code Sections 130053 and 130053.5.

2.2 On November 5, 2002 the voters of Riverside County approved Measure A authorizing the collection of a one-half percent (1/2%) retail transactions and use tax to fund transportation programs and improvements within the County of Riverside, and adopting the Riverside County Transportation Improvement Plan (the "Plan").

2.3 The Plan requires cities and the County in western Riverside County to participate in a Transportation Uniform Mitigation Fee (TUMF) Program to be eligible to receive Local Streets and Roads funds generated by Measure A.

2.4 The Western Riverside Council of Governments (WRCOG) has been selected to administer the overall TUMF Program pursuant to applicable state laws including Government Code Sections 66000 *et seq.* and has entered into a Memorandum of Understanding (MOU) with RCTC dated July 10, 2003, and revised on September 10, 2008 regarding the allocation of the TUMF Regional Funds to be made available to RCTC for programming.

2.5 RCTC has adopted a TUMF Regional Arterial Program, which is updated from time to time, and identifies the projects and the maximum funding commitments awarded for specific phases of work.

2.6 RCTC intends, by this Agreement, to distribute TUMF Regional Funds, subject to the conditions provided herein, and to participate in the joint development of the Project, as defined herein.

3. Terms.

3.1 Description of Work. This Agreement is intended to distribute TUMF Regional Funds to the County for the Interstate 10 Bypass Project ("the Work"). The Work, including a timetable and a detailed scope of work, is more fully described in Exhibit "A" attached hereto and, pursuant to Section 3.15 below, is subject to modification as requested by the County and approved by RCTC. The Work shall be consistent with one or more of the defined phases detailed herein as follows:

- 1) PS&E – Plans, Specifications and Estimates
- 2) R/W – Right of Way Acquisition and Utility Relocation

The Work phases funded pursuant to this Agreement shall be consistent with the County's Request Letter submitted to RCTC ("the Project"). The Project is more fully described in Exhibit "A" and depicted in Exhibit "B" attached hereto. It is understood and agreed that the County shall expend TUMF Regional Funds only as set forth in this Agreement and only for the Work. To this end, any use of funds provided pursuant to this Agreement shall be subject to the review and approval of RCTC.

3.2 RCTC Funding Amount. RCTC hereby agrees to distribute to the County, on the terms and conditions set forth herein, a sum not to exceed EIGHT MILLION DOLLARS (\$8,000,000), to be used exclusively for reimbursing the County for eligible Work expenses as described herein ("Funding Amount"). The County acknowledges and agrees that the Funding Amount may be less than the actual cost of the Work, and that RCTC shall not contribute TUMF Regional Funds in excess of the maximum TUMF share for the phase/project identified in the current TUMF Nexus Study.

3.2.1 Eligible Work Costs. The total Work costs ("Total Work Cost") may include the following items, provided that such items are included in the scope of work attached as Exhibit "A": (1) County and/or consultant costs associated with direct Work coordination and support; (2) funds expended in preparation of preliminary engineering studies; (3) funds expended for preparation of environmental review documentation for the Work; (4) all costs associated with right-of-way acquisition, including right-of-way engineering, appraisal, acquisition, legal costs for condemnation procedures if authorized by the County, and costs of reviewing appraisals and offers for property acquisition; (5) costs reasonably incurred if condemnation proceeds; (6) costs incurred in the preparation of plans, specifications, and estimates by County or consultants; (7) County costs associated with bidding, advertising and awarding of the Work contracts; (8) construction costs, including change orders to construction contract approved by the County; and (9) construction management, field inspection and material testing costs.

3.2.1.1 Right-of-Way Acquisition. The Parties acknowledge that in order to protect the County's ability to deliver the Project in a timely cost effective manner, the County may purchase parcels of property in advance of the completion of the Project's final design (PS&E). The Parties acknowledge that acquired parcels or remnants purchased in advance of final design may not ultimately be required for the Project. Upon completion of the Project's final design, the County shall provide RCTC with a detailed list of all parcels purchased by the County for which it received TUMF Regional Funds pursuant to this Agreement. The County shall identify any parcels or remnants thereof which were acquired using TUMF Regional Funds and

are not required for construction of the Project. A preliminary list shall be submitted to the RCTC 30 days before the issuance of bid documents for construction of the Project and a final list shall be submitted to the RCTC no later than 30 days following the recording of the Certificated of Completion for the Project.

3.2.1.2 Valuation and Repayment of Any Property Remnants. Upon receipt of the County's final list, RCTC shall meet with the County for the purpose of identifying any parcel or reasonably usable remnant of a parcel for which TUMF Regional Funds were expended that may reasonably be developed for other use by the County and/or sold. The Parties shall confer in good faith to agree upon the disposition of such parcels and remnant parcels and their fair market value as of a date agreed to by the parties, but in no event later than the date of completion of the Project. "Fair Market Value" shall have the definition set forth in Code of Civil Procedure Section 1263.320 and "remnant" shall have the definition set forth in Code of Civil Procedure Section 1240.410. Nothing herein shall preclude the County and RCTC from beginning the meetings earlier in the event both parties agree that the parcel or remnant will not be used for the Project.

3.2.1.3 Reimbursement for Unused Parcels. Following recordation of the Certificate of Completion for the Project, the County shall be responsible for promptly reimbursing RCTC for any TUMF Regional Funds which were used to acquire parcels which are completely unused in the Project. If County funds other than TUMF were used to purchase the Parcel, those local funds shall be considered in determining the reimbursement amount.

3.2.1.4 Appeal to RCTC. In the event of a disagreement between the Parties regarding the reimbursement of TUMF Regional Funds under this section 3.2.1, either party may appeal, in writing, to the RCTC Board. The RCTC Board's determination regarding excess right-of-way and value pursuant to this section shall be final.

3.2.2 Ineligible Work Costs. The Total Work Cost shall not include the following items which shall be borne solely by the County without reimbursement: (1) County administrative costs; (2) County costs attributed to the preparation of invoices, billings and payments; (3) any County fees attributed to the processing of the Work; and (4) expenses for items of work not included within the scope of work in Exhibit "A".

3.2.3 Increases in Work Funding. The Funding Amount may, in RCTC's sole discretion, be augmented with additional TUMF Regional Funds if the Project is eligible to receive additional TUMF Regional Funds under the TUMF Nexus Study. Any such increase in the Funding Amount must be approved in writing by RCTC's Executive Director. In no case shall the amount of TUMF Regional Funds allocated to the County exceed the then-current maximum eligible TUMF share for the Work. No such increased funding shall be expended to pay for any Work already completed. For purposes of this Agreement, the Work or any portion thereof shall be deemed complete upon its acceptance by RCTC's Executive Director.

3.2.4 Cost Savings. In the event that bids for the Work are lower than anticipated, or there are cost savings for any other reason, the Funding Amount shall be reduced dollar for dollar in an amount proportional to the savings on the Work. The County shall inform RCTC of any cost savings.

3.2.5 No Funding for Temporary Improvements. Only segments or components of the Work that are intended to form part of or be integrated into the Work may be funded by TUMF Regional Funds. No improvement which is temporary in nature, including but not limited to temporary roads, curbs, or drainage facilities, shall be funded with TUMF Regional Funds except as needed for staged construction of the Work.

3.3 County's Funding Obligation to Complete the Work. In the event that the TUMF Regional Funds allocated to the Work represent less than the total cost of the Work, the County shall be responsible for identifying such additional funds as may be required to complete the Work as described in Exhibit "A".

3.3.1 County's Obligation to Repay TUMF Regional Funds to RCTC. In the event that: (i) the County, for any reason, determines not to proceed with or complete the Work; or (ii) the Work is not timely completed, subject to any extension of time granted by RCTC pursuant to Section 3.15; the County agrees that any TUMF Regional Funds that were distributed to the County for the Work shall be repaid in full to RCTC. The Parties shall enter into good faith negotiations to establish a reasonable repayment schedule and repayment mechanism which may include, but is not limited to, withholding of Measure A Local Streets and Roads revenues. The County acknowledges and agrees that RCTC shall have the right to withhold any Measure A Local Streets and Roads revenues due the County, in an amount not to exceed the total of the funds distributed to the County, and/or initiate legal action to compel repayment, if the County fails to repay RCTC within a reasonable time period not to exceed 180 days from receipt of written notification from RCTC that repayment is required.

3.4 Work Responsibilities of the County. The County shall be responsible for the following aspects of the Work, in compliance with state and federal law provided that such items are included in the Project scope of work attached as Exhibit "A": (i) development and approval of plans, specifications and engineer's estimate (PS&E), environmental clearance, right of way acquisition, and obtaining all permits required by impacted agencies prior to commencement of the Work ; (ii) all aspects of bidding, awarding, and administration of the contracts for the Work; (iii) all construction management of any construction activities undertaken in connection with the Work, including survey and material testing; and (iv) development of a budget for the Work prior to award of any contract for the Work, taking into consideration available funding, including TUMF Regional Funds.

3.5 Term/Notice of Completion. The term of this Agreement shall be from the date first herein above written until: (i) the date RCTC formally accepts the Work as complete, pursuant to Section 3.2.3; (ii) termination of this Agreement pursuant to Section 3.9; or (iii) the County has fully satisfied its obligations under this Agreement, (Note: If this Agreement is for Phase I work do not include the following text) "including full repayment of TUMF Regional Funds to RCTC as provided herein". All applicable indemnification provisions of this Agreement shall remain in effect following the termination of this Agreement.

3.6 Representatives of the Parties. RCTC's Executive Director, or his or her designee, shall serve as RCTC's representative and shall have the authority to act on behalf of RCTC for all purposes under this Agreement. The County hereby designates Mark Lancaster, Director of Transportation, or his or her designee, as the County's representative to RCTC. The County's representative shall have the authority to act on behalf of the County for all purposes under this

Agreement and shall coordinate all activities of the Work under the County's responsibility. The County shall work closely and cooperate fully with RCTC's representative and any other agencies which may have jurisdiction over or an interest in the Work.

3.7 Expenditure of Funds by County Prior to Execution of Agreement. Nothing in this Agreement shall be construed to prevent or preclude the County from expending funds on the Work prior to the execution of the Agreement, or from being reimbursed by RCTC for such expenditures. However, the County understands and acknowledges that any expenditure of funds on the Work prior to the execution of the Agreement is made at the County's sole risk, and that some expenditures by the County may not be eligible for reimbursement under this Agreement.

3.8 Review of Services. The County shall allow RCTC's Representative to inspect or review the progress of the Work at any reasonable time in order to determine whether the terms of this Agreement are being met.

3.9 Termination. This Agreement may be terminated for cause or convenience as further specified below.

3.9.1 Termination for Convenience.

3.9.1.1 Notice. Either RCTC or the County may, by written notice to the other party, terminate this Agreement, in whole or in part, for convenience by giving thirty (30) days' written notice to the other party of such termination and specifying the effective date thereof.

3.9.1.2 Effect of Termination for Convenience. In the event that the County terminates this Agreement for convenience, the County shall, within 180 days, repay to RCTC in full all TUMF Regional Funds provided to the County under this Agreement. In the event that RCTC terminates this Agreement for convenience, RCTC shall, within 90 days, distribute to the County TUMF Regional Funds in an amount equal to the aggregate total of all unpaid invoices which have been received from the County regarding the Work at the time of the notice of termination; provided, however, that RCTC shall be entitled to exercise its rights under Section 3.14.2, including but not limited to conducting a review of the invoices and requesting additional information. This Agreement shall terminate upon receipt by the non-terminating party of the amounts due it under this Section 3.9.1.2.

3.9.2 Termination for Cause.

3.9.2.1 Notice. Either RCTC or the County may, by written notice to the other party, terminate this Agreement, in whole or in part, in response to a material breach hereof by the other party, by giving written notice to the other party of such termination and specifying the effective date thereof. The written notice shall provide a 30 day period to cure any alleged breach. During the 30 day cure period, the Parties shall discuss, in good faith, the manner in which the breach can be cured.

3.9.2.2 Effect of Termination for Cause. In the event that the County terminates this Agreement in response to RCTC's uncured material breach hereof, RCTC shall, within 90 days, distribute to the County TUMF Regional Funds in an amount equal to the aggregate total of all unpaid invoices which have been received from the County regarding the Work at the

time of the notice of termination. In the event that RCTC terminates this Agreement in response to the County's uncured material breach hereof, the County shall, within 180 days, repay to RCTC in full all TUMF Regional Funds provided to the County under this Agreement. Notwithstanding termination of this Agreement by RCTC pursuant to this Section 3.9.2.2, RCTC shall be entitled to exercise its rights under Section 3.14.2, including but not limited to conducting a review of the invoices and requesting additional information. This Agreement shall terminate upon receipt by the terminating party of the amounts due it under this Section 3.9.2.2.

3.9.3 Cumulative Remedies. The rights and remedies of the Parties provided in this Section are in addition to any other rights and remedies provided by law or under this Agreement.

3.10 Prevailing Wages. The County and any other person or entity hired to perform services on the Work are alerted to the requirements of California Labor Code Sections 1770 et seq., which would require the payment of prevailing wages were the services or any portion thereof determined to be a public work, as defined therein. The County shall ensure compliance with these prevailing wage requirements by any person or entity hired to perform the Work. The County shall defend, indemnify, and hold harmless RCTC, its officers, employees, consultants, and agents from any claim or liability, including without limitation attorneys, fees, arising from its failure or alleged failure to comply with California Labor Code Sections 1770 et seq.

The County will reimburse RCTC for any expenditures, including reasonable attorneys' fees, incurred by RCTC, in defending against Claims ultimately determined to be due to acts, errors or omissions or willful misconduct of the County or its contractors. The indemnity herein shall not apply to Claims caused by the sole negligence of RCTC.

3.12.2 Effect of Acceptance. The County shall be responsible for the professional quality, technical accuracy and the coordination of any services provided to complete the Work. RCTC's review, acceptance or funding of any services performed by the County or any other person or entity under this agreement shall not be construed to operate as a waiver of any rights RCTC may hold under this Agreement or of any cause of action arising out of this Agreement. Further, the County shall be and remain liable to RCTC, in accordance with applicable law, for all damages to RCTC caused by the County's performance of this Agreement or supervision of any services provided to complete the Work.

3.13 Insurance. The County shall require, at a minimum, all persons or entities hired to perform the Work to obtain, and require their subcontractors to obtain, insurance of the types and in the amounts described below and satisfactory to the County and RCTC. Such insurance shall

If the meet and confer process is unsuccessful in resolving the dispute, the County

may appeal RCTC's decision as to the eligibility of one or more invoices to RCTC's Executive Director. The County may appeal the decision of the Executive Director to the full RCTC Board, the decision of which shall be final. Additional details concerning the procedure for the County's submittal of invoices to RCTC and RCTC's consideration and payment of submitted invoices are set forth in Exhibit "C", attached hereto.
