

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

ITEM: 3.56
(ID # 18216)

MEETING DATE:
Tuesday, March 01, 2022

FROM : SHERIFF-CORONER-PA AND DISTRICT ATTORNEY :

SUBJECT: SHERIFF-CORONER-PA AND DISTRICT ATTORNEY: Introduction of Ordinance No 970, An Ordinance of the County of Riverside for the Continued Use and Use Policy Adoption of Law Enforcement Equipment [All Districts] [\$0 No ongoing cost] (Set for Public Hearing March 8, 2022- Clerk to Advertise)

RECOMMENDED MOTION: That the Board of Supervisors:

1. Introduce, read title, and waive further reading of Ordinance No. 970. An Ordinance of the County of Riverside in order for the Riverside County Sheriff and District Attorney to continue its current use and deployment of specialized police equipment and Adopt Use Policies of Specialized Law Enforcement Equipment also known as military equipment; and
2. Set a Public Hearing for the adoption of Ordinance No. 970 for March 8, 2022 (Clerk to Advertise).

ACTION:Policy, Set for Hearing

Joe DelGiudice
Joe DelGiudice, Chief of Investigations

1/18/2022

Chad Bianco
Chad Bianco, Riverside County Sheriff

1/19/2022

MINUTES OF THE BOARD OF SUPERVISORS

On motion of Supervisor Washington, seconded by Supervisor Spiegel and duly carried by unanimous vote, IT WAS ORDERED that the above matter is approved as recommended; the above Ordinance is approved as introduced with a waiver of reading, and is set for public hearing on Tuesday, March 8, 2022, at 9:30 a.m. or as soon as possible thereafter.

Ayes: Jeffries, Spiegel, Washington, Perez and Hewitt
Nays: None
Absent: None
Date: March 1, 2022
xc: Sheriff-Coroner-PA, DA, COB

Kecia R. Harper
Clerk of the Board
By: 
Deputy

BR:22-065

BACKGROUND:

Summary

On September 30, 2021, California Governor Gavin Newsom signed Assembly Bill 481 (AB481), which became effective January 1, 2022. The law requires the Sheriff and District Attorney's Office to create a Military Equipment Use Policy which must be adopted by the County by May 01, 2022. Due to recent events in our nation, the public has asked state and local leaders to enact law enforcement reforms and set statewide standards for safe de-escalation techniques.

AB481 identifies certain law enforcement equipment as 'military equipment' whether or not any branch of the military uses any of the law enforcement equipment listed. The legislation requires oversight from a governing body for purchase and usage of what the bill has deemed military equipment. For the Sheriff and District Attorney's Office, the governing body is the County Board of Supervisors (BOS). In the case of city police departments, the governing body means the elected city council members or appointed body. In every Sheriff's contract city, the respective city council will also be required to separately adopt the Sheriff's Department and District Attorney's Use Policies of specialized law enforcement equipment.

Ordinance No.970 is being introduced to the Board of Supervisors in accordance with the law Assembly Bill 481. The Use Policies were uploaded to the Sheriff and District Attorney's internet websites on January 20, 2022 for public review and can also be found here: SHERIFF-CORONER-PA:

[Riverside County Sheriff's Department Standards Manual](#)

DISTRICT ATTORNEY:

[Riverside County District Attorney Department Standards Manual](#)

The purpose of this ordinance is to seek approval and support from the BOS for the continued use and deployment of specialized law enforcement equipment consistent with the Use Policies of the Sheriff and the District Attorney. The BOS will find both Use Policies will safeguard the

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

public's welfare, safety, civil rights, and civil liberties. The Use Policies included in the Ordinance establish an on-going standard and policy for safe de-escalation techniques and military equipment use/application consistent with AB481. The ordinance and an annual military equipment report will be submitted to the BOS for annual review.

The list of identified 'military equipment' is currently deployed by law enforcement and agencies in this county as well as neighboring San Bernardino, San Diego, and Orange Counties, and throughout the State of California, as well as law enforcement organizations across the nation. AB481 lists equipment that is recognized and more appropriately identified by local, state, and federal law enforcement entities as **specialized police equipment**. Locally, the Association of Riverside County Chiefs of Police and Sheriff (ARCCOPS) have endorsed the list of specialized equipment which is already in use across the county.

For additional context, the Sheriff's Department and District Attorney's Office, over a span of many years has acquired these tools with previous BOS approval either during the annual budget process, or as individual board agenda item purchases. Specialized police equipment is used only by highly trained and experienced law enforcement professionals. The list of itemized equipment is listed below as required by AB481. These inventory lists range from modernized tools, aerial drones, to off-road vehicles whose primary purpose is the preservation of human life when utilized in responding to critical incidents, which often involve high-risk apprehension, search and rescue, fast responses to catastrophic events, reduce liability of physical injury to public and department personnel, and allow for de-escalation tactics during high-risk encounters with armed violent suspects. The tools, equipment, and resources can function as a force-multiplier in some cases to reduce manpower hours and is ultimately a cost savings to the County.

Riverside County law enforcement agencies are responsible for ensuring the highest standard of public safety, protecting, and serving members of the community, and apprehending criminal offenders. To help achieve and maintain the highest standard of public safety, law enforcement receives support from our local elected officials who are committed to funding operational needs, which includes the approval to purchase and finance necessary tools, protective gear, and specialized equipment for the purpose of helping protect and save lives and property. With the Board of Supervisor's partnership and approval, law enforcement can operate with the most advanced technology, equipment, and resources available with the goal to protect and serve the community with increased effectiveness, be prepared for the unexpected, and ultimately save lives with a uniform response standard by all law enforcement agencies across all jurisdictions within the county.

Although most tools, equipment, and resources listed as military equipment in AB481 are found in a military environment and may be similar in nature, the application in which the equipment is used is significantly different for public safety and law enforcement. Below you will find lists of the specialized equipment inventory and a variety of their uses.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

Riverside County Sheriff's Department Specialized Equipment Inventory:

- **Unmanned, remotely piloted powered aerial or ground vehicles**
 - Search and locate reported missing children or at-risk adults
 - Search and rescue operations to locate lost or injured hikers
 - A law enforcement specific application involving Aerial drones are used for open terrain or large field searches as a force-multiplier to assist in high-risk apprehensions of armed or violent suspects. Aerial drones can be used as an interior search tool to locate suspects barricaded inside a residence or commercial structure. Larger drone platforms are deployed by the Sheriff's Department Unmanned Aerial Surveillance Team
 - A tracked armored vehicle remotely piloted for use in explosive ordinance disposal
 - Unmanned robotics have numerous applications and are used instead of personnel in high-risk environments to increase safety for law enforcement

- **Mine Resistant Ambush Protected (MRAP) Vehicle**
 - The MRAP is a large ballistic armored rescue vehicle which can be used for a number of critical situations. It can be deployed for aid during search warrant services as well as rescue missions to include civilians, officers, and hostage situations with seating for 10 adults
 - The MRAP is primarily used in open desert areas; however, it can be used in any dangerous weather condition with the ability of extreme off-road capabilities. The MRAP is also used for large parcel outdoor illegal marijuana grow enforcement. The MRAP has 4X4 capability and able to transport or evacuate victims in a flood, fire or other natural disaster. Operation requires a Class "B" driver's license

- **Armored vehicles**
 - Inventory includes four (4) Lenco Ballistic Engineered Armored Response Counter-Attack Trucks (BEAR-CATS). The BEAR-CATS, or rescue vehicles, are primarily used during high-risk tactical enforcement operations, officer rescues, and vehicle borne interventions. Additional deployments are used during criminal unrest and riots. Rescue vehicles provide ballistic safety during containment and apprehension of armed violent suspects
 - Rescue vehicle for on-campus active shooter incidents to rescue injured victims
 - 4X4 capability to transport or evacuate victims in a flood, fire or other natural disaster
 - BOMB-CAT bullet resistant rescue vehicle provisioned with a front mounted water cannon. BOMB-CAT use is for tactical operations and explosive ordinance mitigation and fire suppression

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

- Rescue vehicles provide numerous safety capabilities for law enforcement, victim rescues, and overall community safety
- **Vehicles with breaching or entry apparatus attachable**
 - BEAR-CAT vehicles have attachable metal booms that can be used for breaching structures, fences, or ramming objects during high-risk incidents, to include active shooter incidents on school grounds or buildings
 - TAC-CAT vehicles have a tracked bullet resistant caterpillar tractor driven and deployed during high-risk and tactical operations with various hydraulic boom attachments including claw, chemical agent dispersal box and ram extension
- **Non-handheld battering rams, slugs, and breaching apparatuses that are explosive in nature**
 - Explosive breaching tools
 - Avon frangible shotgun ammunition is used to breach doors and points of entry on fortified doors or structures. The rounds are used to impact door hinges, doorknobs and locks
- **Assault weapons defined under PC 30510 & PC 30515**
 - Inventory includes AR style rifles that function at full and semi-automatic capability (fully automatic rifles are only assigned to SWAT personnel)
 - Semi-automatic Benelli shotguns
 - Increased accuracy and precision at long range distances
 - Currently used by most law enforcement agencies across the nation
- **Flashbang grenades and explosive breaching tools**
 - Light Sound Diversionary Device (LSDD-“Flashbangs”) are used to minimize risk to all parties through the temporary distraction or disorientation of armed and violent suspects that pose significant danger to the deputies and community. The effects of the LSDD reduce a suspect’s reactionary capabilities and allow for momentary disorientation which creates a tactical advantage. LSDD is a hand delivered device and generally deployed on the exterior of structures
 - Provides a humane fright to aggressive dogs that pose a threat to deputies
 - Explosive breaching tools are used to breach fortified structures to establish a point of entry. Explosive charges are fashioned to produce little to no fragmentation at the time of detonation. Explosive breaching effectively reduces the time spent overcoming a fortified door or structure. The reduction in time mitigating a hardened structure increases officer safety and the element of surprise. Blast injuries are reduced by using low yield explosives that mechanically overcome door frames and locking mechanisms. Explosive breaching mandates extensive schooling and certification processes
- **Tear gas**
 - Chemical agents are deployed through various means to include hand delivery and weapon launchable, such as pepper ball. Munitions are either 37mm or

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

40mm caliber, shotgun ferret rounds or cannister shotgun launched ordinance. Hand delivered chemical agents are placed in metal burn boxes to reduce fire hazards

- **Water cannon**
 - The BOMB-CAT bullet resistant rescue vehicle is provisioned with a front mounted water cannon. BOMB-CAT use is for tactical operations, explosive ordinance mitigation and fire suppression

- **Long Range Acoustic Device (LRAD)**
 - LRAD is an acoustic hailing device used for emitting amplified public announcements during search warrant services, barricaded suspects, or tactical operations. The loud audible technology ensures broadcasted announcements are loud and clear while offering advantages over less amplified patrol car PA systems. The LRAD can also be used for public announcements or safety advisements during natural disasters or evacuations
 - The larger LRAD 1000 system is portable and can be used for criminal unrest and rioting to provide clear dispersal orders for unlawful assembly

- **Command and control vehicles built or modified to facilitate the operational control and direction of public safety units**
 - Command vehicles are built in various platforms to include ½ ton pickup chassis, vans, trailers, and RV style configurations. Vehicles are built to better assist in command and control during law enforcement operations, natural disasters, and public safety issues. Vehicles are designed with additional communication abilities, computers, white boards, lighting, generators, and mission essential supplies

- **40mm projectile launchers**
 - Less lethal 40mm launchers and rubber projectile munitions are configured for high and low energy impact. Munitions have the additional benefit as a barrier round for breaking vehicle and residential glass so that chemical munitions can be deployed. 40mm less lethal has been effective in disarming violent suspects, armed suspects, and subjects who are suicidal with minimal injury and risk to the person, law enforcement or the public

- **Bean bag launchers**
 - Less lethal bean bags are utilized through a marked/orange colored easily identifiable less lethal shotgun. The bean bag round is a small led pellet filled munition made of high-density cloth. The bean bag is the predecessor to 40mm less lethal having similar benefits as other less lethal platforms

- **Rubber projectile launchers**
 - Sting ball grenade launches .38 caliber rubber projectiles and are hand delivered. Generalized use in a tactical operation is infrequent in use and deployment.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

Search warrants, violent combative subjects, or hostage rescue scenarios are criteria for consideration and use against suspects. Sting balls have a greater application in a Jail Corrections Environment

- 40mm and 37mm launchers capable of deploying rubber projectile munitions. An effective less lethal tool used routinely with success

The Riverside County District Attorney's Office Specialized Equipment Inventory

- **Unmanned, remotely piloted powered aerial or ground vehicles**
 - Search and locate reported missing children or at-risk adults
 - Search and rescue operations to locate lost or injured hikers
 - A law enforcement specific application involving Aerial drones are used for open terrain or large field searches as a force-multiplier to assist in high-risk apprehensions of armed or violent suspects. Aerial drones can be used as an interior search tool to locate suspects barricaded inside a residence or commercial structure. Larger drone platforms are deployed by the District Attorney's Office Unmanned Aerial Surveillance Team
 - Unmanned robotics have numerous applications and are used instead of personnel in high-risk environments to increase safety for law enforcement

- **Assault weapons defined under PC 30510 & PC 30515**
 - Inventory includes AR/M-16 style rifles and MP5 submachine guns that function at full and semi-automatic capability
 - Increased accuracy and precision at long range distances
 - Currently used by most law enforcement agencies across the nation

- **Flashbang grenades**
 - Light Sound Diversionary Device (LSDD-"Flashbangs") are used to minimize risk to all parties through the temporary distraction or disorientation of armed and violent suspects that pose significant danger to the investigators and community. The effects of the LSDD reduce a suspect's reactionary capabilities and allow for momentary disorientation which creates a tactical advantage. LSDD is a hand delivered device and generally deployed on the exterior of structures
 - Provides a humane fright to aggressive dogs that pose a threat to investigators

- **Tear gas**
 - Chemical agents are deployed through the means of pepper ball and pepper ball launchers

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

- Less lethal option from longer distances making it safer for investigators and suspects
- Provides a humane option for aggressive dogs that pose a threat to investigators

- **Command and control vehicles built or modified to facilitate the operational control and direction of public safety units**
 - Command vehicles are built in various platforms to include ½ ton pickup chassis, vans, trailers, and RV style configurations. Vehicles are built to better assist in command and control during law enforcement operations, natural disasters, and public safety issues. Vehicles are designed with additional communication abilities, computers, white boards, lighting, generators, and mission essential supplies

- **40mm projectile launchers**
 - Less lethal 40mm launchers and rubber projectile munitions are configured for high and low energy impact. 40mm less lethal has been effective in disarming violent suspects, armed suspects, and subjects who are suicidal with minimal injury and risk to the person, law enforcement or the public

- **Bean bag launchers**
 - Less lethal bean bags are utilized through a marked/orange colored easily identifiable less lethal shotgun. The bean bag round is a small led pellet filled munition made of high-density cloth. The bean bag is the predecessor to 40mm less lethal having similar benefits as other less lethal platforms.

- **Rubber projectile launchers**
 - 40mm launchers capable of deploying rubber projectile munitions. An effective less lethal tool used routinely with success
 - A less lethal option that can be used at longer distances making it safer for investigators and suspects
 - 40mm less lethal has been effective in disarming violent suspects, armed suspects, and subjects who are suicidal with minimal injury and risk to the person, law enforcement or the public

- **Specialty Impact Munition Weapon**
 - FM303 Launchers capable of deploying projective munitions. An effective less lethal tool used routinely with success.
 - A less lethal option that can be used at longer distances making it safer for investigators and suspects.

The Sheriff's Department, Riverside County Probation Department, Riverside County District Attorney's Office, Riverside California Highway Patrol, the county's twelve (12) municipal police departments, three (3) university and school police departments, and members of the Association of Riverside County Chiefs of Police and Sheriff (ARCCOPS), have committed to working cooperatively across jurisdictional boundaries to ensure that all catastrophic events,

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

response to critical incidents, search and rescue operations and many other multi-jurisdictional events that arise from neighboring counties are supported safely and justifiably. Any which require the use of any of the above listed specialized equipment are conducted in a fair, transparent and professional manner. Prior to BOS public hearing, and as required by AB481 these Use Policies have been made available on both the District Attorney and Riverside County Sheriff's Department's webpage since January 20, 2022. Following the adoption of Ordinance No.970 both the Sheriff and District Attorney's Use Policy will be submitted to County BOS annually. Upon the completion of the hearing and BOS approval, a copy of the policies will be sent to the Governor's Office. The full text to AB481 can be found here: https://leginfo.legislature.ca.gov/faces/billNavClient.xhtml?bill_id=202120220AB481

Impact on Residents and Businesses

This specialized law enforcement equipment, which is already in use by law enforcement agencies throughout the county, helps limit high-risk encounters with armed violent suspects. This specialized equipment is needed to stop escalating violent situations from becoming a threat to the safety of responding law enforcement personnel, the public, and the involved suspect(s). Contract city and municipal police department services routinely rely on assistance from outside agencies through cooperative mutual-aid agreements between multi-jurisdictional boundaries.

1 leading standards of public safety, mitigating damages and injuries to both the public and law
2 enforcement personnel. The Board of Supervisors also finds that the Use Policy will safeguard the
3 public's welfare, safety, civil rights, and civil liberties.
4

5
6 Section 2. PURPOSE. To establish a funding, use and acquisition policy that is
7 developed with consideration of the public's concerns about safety, civil rights and the public's welfare.
8 On September 30, 2021, California Governor Gavin Newsom signed AB 481, which became effective
9 January 1, 2022. AB 481 identifies certain specialized law enforcement equipment as 'military
10 equipment' and requires oversight from the Board of Supervisors for purchase and use of what the bill has
11 deemed 'military equipment.' The law requires the Sheriff's Department and District Attorney's Office to
12 create a Use Policy that has been adopted by the Board of Supervisors after holding public meetings to
13 seek the public's input.
14

15
16 Section 3. AUTHORITY. This ordinance is adopted pursuant to AB 481, codified at
17 Chapter 12.8 to Division 7 of Title 1 of the Government Code commencing with §7070. These statutes
18 provide for funding, acquisition, and use of 'military equipment,' otherwise referred to as specialized
19 police equipment, for law enforcement agencies throughout the state of California.
20

21
22 Section 4. DEFINITIONS. As used in this ordinance, the following terms shall have
23 the following meanings:

- 24 A. "Governing Body" means the elected body that oversees a law enforcement
25 agency of a county including a sheriff's department or a district attorney's
26 office. In this case, the governing body means the Board of Supervisors of
27 Riverside County.

B. "Law Enforcement Agency" means a Sheriff's Department or District Attorney's Office.

C. "Public Meetings/Public Hearings" means regular meeting held pursuant to the Bagley-Keene Open Meeting Act (Article 9 (commencing with Section 11120) of Chapter 1 of Part 1 of Division 3 of Title 2) or the Ralph M. Brown Act (Chapter 9 (commencing with Section 54950) of Part 1 of Division 2 of Title 5), as applicable.

D. "Military Equipment" means the following:

(1) Unmanned, remotely piloted, powered aerial or ground vehicles.

(2) Mine-resistant ambush-protected (MRAP) vehicles or armored personnel carriers. However, police versions of standard consumer vehicles are specifically excluded from this subdivision.

(3) High mobility multipurpose wheeled vehicles (HMMWV), commonly referred to as Humvees, two and one-half-ton trucks, five-ton trucks, or wheeled vehicles that have a breaching or entry apparatus attached. However, unarmored all-terrain vehicles (ATVs) and motorized dirt bikes are specifically excluded from this subdivision.

(4) Tracked armored vehicles that provide ballistic protection to their occupants and utilize a tracked system instead of wheels for forward motion.

(5) Command and control vehicles that are either built or modified to facilitate the operational control and direction of public safety units.

(6) Weaponized aircraft, vessels, or vehicles of any kind.

(7) Battering rams, slugs, and breaching apparatuses that are explosive in nature. However, items designed to remove a lock, such as bolt cutters, or a handheld ram designed to be operated by one person, are specifically excluded from this subdivision.

(8) Firearms of .50 caliber or greater. However, standard issue shotguns are specifically excluded from this subdivision.

(9) Ammunition of .50 caliber or greater. However, standard issue shotgun ammunition is specifically excluded from this subdivision.

(10) Specialized firearms and ammunition of less than .50 caliber, including assault weapons as defined in Sections §30510 and §30515 of the Penal Code, with the exception of standard issue service weapons and ammunition of less than .50 caliber that are issued to officers, agents, or employees of a law enforcement agency or a state agency.

(11) Any firearm or firearm accessory that is designed to launch explosive projectiles.

(12) “Flashbang” grenades and explosive breaching tools, “tear gas,” and “pepper balls,” excluding standard, service-issued handheld pepper spray.

(13) Taser Shockwave, microwave weapons, water cannons, and the Long-Range Acoustic Device (LRAD).

(14) The following projectile launch platforms and their associated munitions: 40mm projectile launchers, “bean bag,” rubber bullet, and specialty impact munition (SIM) weapons.

1 (15) Any other equipment as determined by a governing body or a state
2 agency to require additional oversight.

3 (16) Notwithstanding paragraphs (1) through (15), "military equipment"
4 does not include general equipment not designated as prohibited or
5 controlled by the federal Defense Logistics Agency.
6

7 D. "Military Equipment Use Policy" means a publicly released, written
8 document governing the use of military equipment by a law enforcement
9 agency or a state agency that addresses, at a minimum, all the following:

10 (1) A description of each type of military equipment, the quantity
11 sought, its capabilities, expected lifespan, and product descriptions
12 from the manufacturer of the military equipment.

13 (2) The purposes and authorized uses for which the law enforcement
14 agency or the state agency proposes to use each type of military
15 equipment.
16

17 (3) The fiscal impact of each type of military equipment, including
18 the initial costs of obtaining the equipment and estimated annual
19 costs of maintaining the equipment.

20 (4) The legal and procedural rules that govern each authorized use.

21 (5) The training, including any course required by the Commission
22 on Peace Officer Standards and Training, that must be completed
23 before any officer, agent, or employee of the law enforcement
24 agency or the state agency is allowed to use each specific type of
25 military equipment to ensure the full protection of the public's
26
27
28

1 welfare, safety, civil rights, and civil liberties and full adherence to
2 the military equipment use policy.

3 (6) The mechanisms to ensure compliance with the military
4 equipment use policy, including which independent persons or
5 entities have oversight authority, and, if applicable, what legally
6 enforceable sanctions are put in place for violations of the policy.
7

8 (7) For a law enforcement agency, the procedures by which
9 members of the public may register complaints or concerns or
10 submit questions about the use of each specific type of military
11 equipment, and how the law enforcement agency will ensure that
12 each complaint, concern, or question receives a response in a timely
13 manner.
14

15 (c) "State agency" means the law enforcement division of every
16 state office, officer, department, division, bureau, board, and
17 commission or other state body or agency, except those agencies
18 provided for in Article IV (except Section 20 thereof) or Article VI
19 of the California Constitution.
20

21 (f) "Type" means each item that shares the same manufacturer
22 model number.
23

24 Section 5. USE POLICY.

25 A. The Use Policy submitted for approval shall include:

26 1. A description of each type of equipment, the quantity sought, its capabilities,
27 expected lifespan, and product descriptions from the manufacturer of the military equipment.
28

1 2. The purposes and authorized uses for which the law enforcement agency or the
2 state agency proposes to use each type of equipment.

3 3. The fiscal impact of each type of equipment, including the initial costs of obtaining
4 the equipment and estimated annual costs of maintaining the equipment.

5 4. The legal and procedural rules that govern each authorized use.

6 5. The training, including any course required by the Commission on Peace Officer
7 Standards and Training, that must be completed before any officer, agent, or employee of the law
8 enforcement agency or the state agency is allowed to use each specific type of equipment to ensure
9 the full protection of the public's welfare, safety, civil rights, and civil liberties and full adherence
10 to the Use Policy.
11

12 6. The mechanisms to ensure compliance with the equipment Use Policy, including
13 which independent persons or entities have oversight authority, and, if applicable, what legally
14 enforceable sanctions are put in place for violations of the policy.
15

16 7. For a law enforcement agency, the procedures by which members of the public may
17 register complaints or concerns or submit questions about the use of each specific type of
18 equipment, and how the law enforcement agency will ensure that each complaint, concern, or
19 question receives a response in a timely manner.
20

21 **B. This Ordinance approves:**

22 1. The Riverside County Sheriff's Department Policy 712 Military Equipment
23 attached hereto as Attachment A and may be amendment in accordance with this
24 ordinance.

25 2. The Riverside County District Attorney Policy 604 Military Equipment, attached
26 hereto as Attachment B, and may be amendment in accordance with this ordinance.
27
28

1 Section 6. COMPLIANCE. The Board of Supervisors shall determine, based on the
2 annual equipment report submitted pursuant to Government Code §7072, whether each type of equipment
3 identified in that report has complied with the standards for approval set forth as follows:

- 4 A. The equipment is necessary because there is no reasonable alternative that can
5 achieve the same objective of officer and civilian safety.
6 B. The proposed equipment Use Policy will safeguard the public's welfare, safety,
7 civil rights, and civil liberties.
8 C. If purchasing the equipment, the equipment is reasonably cost effective
9 compared to available alternatives that can achieve the same objective of officer
10 and civilian safety.
11 D. Prior equipment use complied with the equipment Use Policy that was in effect
12 at the time, or if prior uses did not comply with the accompanying military Use
13 Policy, corrective action has been taken to remedy nonconforming uses and
14 ensure future compliance.
15 16

17 If the Board of Supervisors determines that a type of equipment identified in that annual equipment report
18 has not complied with the standards for approval set forth above, the Board of Supervisors shall either
19 disapprove a renewal of the authorization for that type of equipment or require modifications to the Use
20 Policy in a manner that will resolve the lack of compliance.
21

22 Section 7. ANNUAL RENEWAL. The Board of Supervisors shall annually review
23 this ordinance during a public hearing and either disapprove a renewal of the authorization for a type, as
24 defined, of equipment or amend the equipment Use Policy if it determines, based on an annual equipment
25 report prepared by the law enforcement agency, as provided, that the equipment does not comply with the
26 above-described standards for approval.
27
28

Exhibit A: Quantity

Type of Equipment	Quantity
Unmanned, remotely piloted, powered aerial or ground vehicles	1
Mine-resistant ambush-protected (MRAP) vehicles or armored personnel carriers	0
Tracked armored vehicles that provide ballistic protection to their occupants and utilize a tracked system instead of wheels for forward motion	0
Command and control vehicles that are either built or modified to facilitate the operational control and direction of public safety units	
Weaponized aircraft, vessels, or vehicles of any kind	0
Battering rams, slugs, and breaching apparatuses that are explosive in nature (items designed to remove a lock, such as bolt cutters, or a handheld ram designed to be operated by one person, are specifically excluded)	
Firearms of .50 caliber or greater (standard issue shotguns are specifically excluded)	0
Ammunition of .50 caliber or greater (standard issue shotgun ammunition is specifically excluded)	0
Specialized firearms and ammunition of less than .50 caliber, including assault weapons as defined in Sections 30510 and 30515 of the Penal Code (except for standard issue service weapons and ammunition of less than .50 caliber)	67
Any firearm or firearm accessory that is designed to launch explosive projectiles	0
"Flashbang" grenades and explosive breaching tools, "tear gas," and "pepper balls" (excluding standard, service-issued handheld pepper spray)	18
Taser Shockwave, microwave weapons, water cannons, and the Long-Range Acoustic Device (LRAD)	0
The following projectile launch platforms and their associated munitions: 40mm projectile launchers, "bean bag," rubber bullet, and specialty impact munition (SIM) weapons	5
Any other equipment as determined by a governing body or a state agency to require additional oversight	0

RIVERSIDE COUNTY BOARD OF SUPERVISORS

NOTICE IS HEREBY GIVEN that a public hearing at which all interested persons will be heard, will be held before the Board of Supervisors of Riverside County, California, on the 1st Floor Board Chambers, County Administrative Center, 4080 Lemon Street, Riverside, on **Tuesday, March 8, 2022 at 9:30 a.m.**, or as soon as possible thereafter, to consider adoption of the following Ordinance:

**SUMMARY OF ORDINANCE NO. 970
AN ORDINANCE OF THE COUNTY OF RIVERSIDE FOR THE
ADOPTION OF A MILITARY EQUIPMENT USE POLICY,
OTHERWISE REFERRED TO HEREIN AS A SPECIALIZED POLICE
EQUIPMENT USE POLICY, PURSUANT TO ASSEMBLY BILL 481
AND GOVERNMENT CODE §7070 FOR THE OFFICES OF THE
RIVERSIDE SHERIFF-CORONER-PUBLIC ADMINISTRATOR AND
RIVERSIDE COUNTY DISTRICT ATTORNEY.**

This summary is presented pursuant to Government Code Section 25124(b). A certified copy of the full text of Ordinance No. 970 may be examined at the Office of the Clerk of the Board of Supervisors of the County of Riverside, located at 4080 Lemon Street, 1st Floor, Riverside, California, 92501.

The County Board of Supervisors (BOS) will consider adopting Ordinance No 970 in compliance with Assembly Bill 481 on Tuesday, March 8, 2022 during its regular scheduled board meeting. Ordinance No 970 applies to both the Sheriff's and District Attorney's Office. Assembly Bill 481 requires the BOS during public hearing to either approve or amend their respective Military Equipment Use Policies (Use Policies). The legislative intent for this policy and subsequent hearings is to safeguard the public's welfare and provide a layer of transparency. A public hearing will take place to allow the public to voice any concerns on the county's adoption of the proposed Ordinance No 970 as well as the District Attorney and Sheriff's Use Policies.

Any person affected by the above matter(s) may submit written comments to the Clerk of the Board before the hearing or may appear and be heard in support or opposition to the project at the time of the hearing. If you challenge the above item(s) in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence, to the Board of Supervisors at, or prior to, the public hearing.

Please send all written correspondence to: Clerk of the Board, 4080 Lemon Street, 1st Floor, Post Office Box 1147, Riverside, CA 92502-1147 or email cob@rivco.org.

Alternative formats available upon request to individuals with disabilities. If you require reasonable accommodation, please contact Clerk of the Board at (951) 955-1069, at least 72 hours prior to the meeting.
