C.E.O. RECOMMENDATION: Approve

BACKGROUND:

Summary

The U.S. Department of Housing and Urban Development (HUD) requires that all substantial amendments to the County's Five-Year Consolidated Plan and the One-Year Action Plans are subject to the Citizen Participation Plan, and are approved by the Board of Supervisors and HUD. In accordance with the County of Riverside's Citizen Participation Plan for the 2019-2024 Five Year Consolidated Plan (Citizen Participation Plan), all new activities added to a One-Year Action Plan, any significant increases in funding or changes to an existing project, or other changes or amendments to the 2019-2024 Five-Year Consolidated Plan are considered to be substantial amendments.

The proposed Community Development Block Grant (CDBG) projects warranting these substantial amendments have been determined by staff to be eligible activities that meet a National Objective of the CDBG Program. A description of the proposed amendments to the 2021-2022 One-Year Action Plan are set forth in Attachments A-B.

Staff recommends approval of the new CDBG projects listed below as substantial amendments to the 2021-2022 One-Year Action Plan of the 2019-2024 Five Year Consolidated Plan:

- | | | |
|---|------------|-----------------------|
| Lakeland Village Road Improvement Project | \$ 86,000 | Add New CDBG Activity |
| Lakeland Village Community Center Improvement Project Phase II | \$ 115,000 | Add New CDBG Activity |

Pursuant to the California Environmental Quality Act (CEQA), the Substantial Amendments were reviewed and determined to be categorically exempt from CEQA under State CEQA Guidelines Section 15061(b)(3), General Rule or "Common Sense" exemption. The Substantial Amendments are administrative planning documents that will only have financial and administrative effects. It can be seen with certainty that there is no possibility that the proposed Substantial Amendments may have a significant effect on the environment and will not lead to any direct or reasonably indirect physical impacts. The projects identified in the Substantial Amendments will be subject to separate CEQA environmental review prior to taking any choice

STATE OF CALIFORNIA**

limiting action or discretionary action on that specific project. A Notice of Exemption will be filed by County staff with the County Clerk within five days of the approval of the Substantial Amendments.

Furthermore, the Substantial Amendments were determined to be exempt from the provisions of the National Environmental Policy Act (NEPA) pursuant to Title 24 Code of Federal Regulations Sections 58.34 (a)(1) and (a)(3) since the proposed Substantial Amendments are administrative activities. The projects identified in the Substantial Amendments will be subject to separate NEPA environmental review prior to taking any choice limiting action or discretionary action on that specific project.

Pursuant to 24 CFR Section 91.105 and the Citizen Participation Plan, the Housing and Workforce Solutions Department published the required public notice notifying the public of the comment period for the proposed substantial amendments on February 2, 2021. No public comments have been received.

County Counsel has reviewed and approved as to form the Substantial Amendments to the 2021-2022 One-Year Action Plan of the 2019-2024 Five Year Consolidated Plan.

Impact on Residents and Businesses

Lakeland Village Road Improvement Project:

The Riverside County Transportation Department will utilize CDBG funding to pay costs associated with street improvements at Blackwell Blvd. in the unincorporated community of Lakeland Village. Improvements include re-grading the existing road, curb and gutter work, paving, adding a concrete channel and rock channel, replacing fencing, and other related work. Eligible costs include materials, environmental, right-of-way negotiations/coordination, construction, installation, and project administration.

Lakeland Village Community Center Improvement Project Phase II: The Riverside County Facilities Management department will use CDBG funds to pay for costs associated with improvements and upgrades to the Lakeland Village Community Center. Improvements include permanent shade structures, lighting, and other improvements as needed. Eligible costs include engineering, materials, manufacturing, installation, construction, and project administration.

Additional Fiscal Information

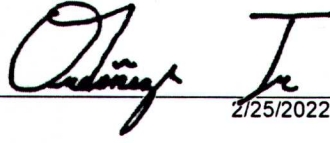

There will be no impact upon the County's General Fund.
