**AGREEMENT
FOR THE CONSTRUCTION OF ROAD/DRAINAGE IMPROVEMENTS**

This agreement, made and entered into by and between the County of Riverside, State of California, hereinafter called County, and Richmond American Homes of Maryland, Inc., hereinafter called Contractor.

WITNESSETH:

FIRST: Contractor, for and in consideration of the approval by County of the final map of that certain land division known as **Tract 37556-1**, hereby agrees, at Contractor's own cost and expense, to furnish all labor, equipment and materials necessary to perform and complete, within **24** months from the date this agreement is executed, in a good and workmanlike manner, all road and drainage improvements in accordance with those Road Plans for said land division which have been approved by the County Director of Transportation, and are on file in the office of the Riverside County Transportation Department, and do all work incidental thereto in accordance with the standards set forth in Riverside County Ordinance No. 461, as amended, which are hereby expressly made a part of this agreement. All the above required work shall be done under the inspection of and to the satisfaction of the County Director of Transportation, and shall not be deemed complete until approved and accepted as complete by the County. Contractor further agrees to maintain the above required improvements for a period of one year following acceptance by the County, and during this one year period to repair or replace, to the satisfaction of the Director of Transportation, any defective work or labor done or defective materials furnished. Contractor further agrees that all underground improvements shall be completed prior to the paving of any roadway. The estimated cost of said work and improvements is the sum of **One Million Two Hundred Fifty Five Thousand and no/100 Dollars (\$1,255,000.00)**.

SECOND: Contractor agrees to pay to County the actual cost of such inspections of the work and improvements as may be required by the Director of Transportation. Contractor further agrees that, if suit is brought upon this agreement or any bond guaranteeing the completion of the road and drainage improvements, all costs and reasonable expenses and fees incurred by County in successfully enforcing such obligations shall be paid by Contractor, including reasonable attorney's fees, and that, upon entry of judgment, all such costs, expenses and fees shall be taxed as costs and included in any judgment rendered.

THIRD: County shall not, nor shall any officer or employee of County, be liable or responsible for any accident, loss or damage happening or occurring to the works specified in this agreement prior to the completion and acceptance thereof, nor shall County or any officer or employee thereof, be liable for any persons or property injured by reason of the nature of the work, or by reason of the acts or omissions of Contractor, its agents or employees, in the performance of the work, and all or said liabilities are assumed by Contractor. Contractor agrees to protect, defend, and hold harmless County and the officers and employees thereof from all loss, liability or claim because of, or arising out of the acts or omissions of Contractor, its agents and employees, in the performance of this agreement or arising out of the use of any patent or patented article in the performance of this agreement.

FOURTH: The Contractor hereby grants to County, or any agent or employee of County, the irrevocable permission to enter upon the lands of the subject land division for the purpose of completing the improvements. This permission shall terminate in the event that Contractor has completed work within the time specified or any extension thereof granted by the County.

FIFTH: The Contractor shall provide adequate notice and warning to the traveling public of each and every hazardous or dangerous condition caused or created by the construction of the works of improvement at all times up to the completion and formal acceptance of the works of improvement. The Contractor shall protect all persons from such hazardous or dangerous conditions by use of traffic regulatory control methods, including, but not limited to, stop signs, regulatory signs or signals, barriers, or detours.

SIXTH: Contractor, its agents and employees, shall give notice to the Director of Transportation at least 48 hours before beginning any work and shall furnish said Director of Transportation all reasonable facilities for obtaining full information with respect to the progress and manner of work.

SEVENTH: If Contractor, its agents or employees, neglects, refuses, or fails to prosecute the work with such diligence as to insure its completion within the specified time, or within such extensions of time which have been granted by County, or if Contractor violates, neglects, refuses, or fails to perform satisfactorily any of the provisions of the plans and specifications, Contractor shall be in default of this agreement and notice of such default shall be served upon Contractor. County shall have the power, on recommendation of the Director of Transportation, to terminate all rights of Contractor because of such default. The determination by the Director of Transportation of the question as to whether any of the terms of the agreement or specifications have been violated, or have not been performed satisfactorily, shall be conclusive upon the Contractor, and any and all parties who may have any interest in the agreement or any portion thereof. The foregoing provisions of this section shall be in addition to all other rights and remedies available to County under law. The failure of the Contractor to commence construction shall not relieve the Contractor or surety from completion of the improvements required by this agreement.

EIGHTH: Contractor agrees to file with County, prior to the date this agreement is executed, a good and sufficient improvement security in an amount not less than the estimated cost of the work and improvements for the faithful performance of the terms and conditions of this agreement, and good and sufficient security for payment of labor and materials in the amount prescribed by Article XVII of Riverside County Ordinance 460 to secure the claims to which reference is made in Title 3 (commencing with Section 9000) of Part 6 of Division 4 of the Civil Code of the State of California. Contractor agrees to renew each and every said bond or bonds with good and sufficient sureties or increase the amount of said bonds, or both, within ten (10) days after being notified by the Director of Transportation that the sureties or amounts are insufficient. Notwithstanding any other provisions herein, if Contractor fails to take such action as is necessary to comply with said notice, Contractor shall be in default of this agreement unless all required improvements are completed within ninety (90) days of the date on which the Director of Transportation notified Contractor of the insufficiency of the security or the amount of the bonds or both.

NINTH: It is further agreed by and between the parties hereto, including the surety or sureties on the bonds securing this agreement, that, in the event it is deemed necessary to extend the time of completion of the work contemplated to be done under this agreement, extensions of time may be granted, from time to time, by County, either at its own option, or upon request of Contractor, and such extensions shall in no way affect the validity of this agreement or release the surety or sureties on such bonds. Contractor further agrees to maintain the aforesaid bond or bonds in full force and effect during the terms of this agreement, including any extensions of time as may be granted therein.

TENTH: It is understood and agreed by the parties hereto that if any part, term or provision of this agreement is by the courts held to be unlawful and void, the validity of the remaining portions shall not be affected and the rights and obligations of the parties shall be construed and enforced as if the agreement did not contain that particular part, term or provision held to be invalid.

SECOND: Contractor agrees to pay to County the actual cost of such inspections of the work and improvements as may be required by the County Surveyor. Contractor further agrees that, if suit is brought upon this agreement or any bond guaranteeing the completion of the monuments, all costs and reasonable expenses and fees incurred by County in successfully enforcing such obligations shall be paid by Contractor, including reasonable attorney's fees, and that, upon entry of judgment, all such costs, expenses and fees shall be taxed as costs and included in any judgment rendered.

THIRD: County shall not, nor shall any officer or employee of County, be liable or responsible for any accident, loss or damage happening or occurring to the works specified in this agreement prior to the completion and acceptance thereof, nor shall County or any officer or employee thereof, be liable for any persons or property injured by reason of the nature of the work, or by reason of the acts or omissions of Contractor, its agents or employees, in the performance of the work, and all or said liabilities are assumed by Contractor. Contractor agrees to protect, defend, and hold harmless County and the officers and employees thereof from all loss, liability or claim because of, or arising out of the acts or omissions of Contractor, its agents and employees, in the performance of this agreement or arising out of the use of any patent or patented article in the performance of this agreement.

FOURTH: The Contractor hereby grants to County, the Surety upon any bond, and to the agents, employees and contractors of either or them, the irrevocable permission to enter upon the lands of the subject land division for the purpose of completing the monumentation. This permission shall terminate in the event that Contractor or the Surety has completed work within the time specified or any extension thereof granted by the County. It is further agreed that Contractor shall have control of the ground reserved for the installation of said work, and the streets in which they are to be placed, as is necessary to allow Contractor to carry out this agreement.

FIFTH: Contractor agrees to file with County prior to the date this contract is executed, an acceptable and sufficient improvement security in an amount not less than the estimated cost of the work, as above specified, for the faithful performance of the terms and conditions of this agreement, and for the payment of the amount of the improvement security to the County for the benefit of any surveyor or engineer who has not been paid by the Contractor, as provided for by Section 66495 et seq. of the Government Code of the State of California. Contractor agrees to renew each and every said bond or bonds with good and sufficient sureties or increase the amount of said bonds, or both, within ten (10) days after being notified by the Director of Transportation that the sureties or amounts are insufficient. Notwithstanding any other provisions herein, if Contractor fails to take such action as is necessary to comply with said notice, Contractor shall be in default of this agreement unless all required improvements are completed within ninety (90) days of the date on which the Director of Transportation notified Contractor of the insufficiency of the security or the amount of the bonds or both.

SIXTH: If contractor neglects, refuses, or fails to prosecute the work as to insure its completion within the time specifies, or within such extensions of time which have been granted by County, or if Contractor violates, neglects, refuses, or fails to perform satisfactorily any of the provisions of the plans and specifications, Contractor shall be in default of this agreement. County shall have the power, on recommendation of the Director of Transportation, to terminate all rights of Contractor in such agreement, but said termination shall not affect or terminate any of the rights of County as against Contractor or its Surety then existing or which thereafter accrue because of such default. The determination of the County Surveyor of the question as to whether any of the terms of the agreement or specifications have been violated, or have not been performed satisfactorily, shall be conclusive upon the Contractor, its Surety, and any and all parties who may have any interest in the agreement or any portion thereof. The foregoing provisions of this section shall be in addition to all other rights and remedies available to County under law. The failure of the Contractor to commence construction shall not relieve the Contractor or surety from completion of the improvements required by this agreement.

SEVENTH: It is further agreed by and between the parties hereto, including the surety or sureties on the bonds securing this agreement, that, in the event it is deemed necessary to extend the time of completion of the work contemplated to be done under this agreement, extensions of time may be granted, from time to time, by County, either at its own option, or upon request of Contractor, and such extensions shall in no way affect the validity of this agreement or release the surety or sureties on such bonds. Contractor further agrees to maintain the aforesaid bond or bonds in full force and effect during the terms of this agreement, including any extensions of time as may be granted therein.

EIGHTH: It is understood and agreed by the parties hereto that if any part, term or provision of this agreement is by the courts held to be unlawful and void, the validity of the remaining portions shall not be affected and the rights and obligations of the parties shall be construed and enforced as if the agreement did not contain that particular part, term or provision held to be invalid.

NINTH: Any notice or notices required or permitted to be given pursuant to this agreement shall be served on the other party by mail, postage prepaid, at the following addresses:

**SUPPLEMENTAL MASTER DECLARATION OF

FOR
TERRAMOR
(Tract No. 37556-1)**

THIS SUPPLEMENTAL MASTER DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS AND NOTICE OF DESIGNATION OF MANDATORY ANNEXABLE TERRITORY FOR TERRAMOR (Tract No. 37556-1) ("**Supplemental Master Declaration**") is made by Forestar Toscana Development Company, a Delaware corporation ("**Declarant**") and Richmond American Homes of Maryland, Inc., a Maryland corporation ("**Neighborhood Builder**").

PREAMBLE:

A. Declarant is "Declarant" under the Master Declaration of Covenants, Conditions, Restrictions and Reservation of Easements for Terramor recorded on March 1, 2017, as Instrument No. 2017-0086452, as amended by the First Amendment thereto recorded on June 23, 2017, as Instrument No. 2017-0254162 (as further amended or restated, collectively, the "**Master Declaration**"), in the Official Records of Riverside County, California (the "**Official Records**"). Neighborhood Builder is a "Neighborhood Builder" under Section 1.58 of the Master Declaration. The Master Declaration is binding upon all Owners of Lots or Condominiums in the master planned residential development known as Terramor (the "**Master Community**").

B. Neighborhood Builder is the owner of certain real property ("**Property**") in the unincorporated area of the County of Riverside, State of California, described as follows:

Lots 1 to 67, inclusive, and Lots A and B of Tract No. 37556-1, as shown on a Subdivision Map (the "**Map**") recorded in Book ____, Pages ____ through ____, inclusive, of Maps, in the Office of the County Recorder of Riverside County, California.

C. Declarant and Neighborhood Builder may record additional Supplemental Master Declarations to set forth additional restrictions, easements and Neighborhood Builder specific dispute resolution provisions, if applicable. **Pursuant to Section 20.1.1 of the Master Declaration and the County's Conditions of Approval for recording the Map, any such additions or changes that terminate or "substantially" amend this Supplemental Master Declaration or deannex the Property from this Supplemental Master Declaration or the Master Declaration shall be subject to approval by the Riverside County Planning Director. A proposed addition or change shall be considered "substantial" if it affects the extent, usage or maintenance of the Master Association Property established pursuant to this Supplemental Master Declaration.**

D. The Property is part of the "Permissible Annexable Territory" as defined in the Master Declaration. Pursuant to Sections 1.68 and 17.1.1 of the Master Declaration, the County may require Permissible Annexable Territory to be designated as Mandatory Annexable Territory in connection with requirements for new tract maps, which shall be set forth in a Supplemental Master Declaration. Pursuant to Sections 1.87 and 17.1 of the Master Declaration, Declarant and Neighborhood Builder may record a Supplemental Master Declaration to supplement, modify or clarify covenants, restrictions or easements established under the Master Declaration for the real property affected thereby.

E. In connection with the County's approval of the Map, Declarant and Neighborhood Builder desire to record this Supplemental Master Declaration to designate the Property as Mandatory Annexable Territory under the Master Declaration and to supplement the Master Declaration with additional terms and provisions applicable to the Property pursuant to the County's Conditions of Approval for Tract No. 37556.

THEREFORE, DECLARANT AND NEIGHBORHOOD BUILDER HEREBY DECLARE AS FOLLOWS:

1. **Designation of Mandatory Annexable Territory.** Declarant and Neighborhood Builder declare that the Property is designated as Mandatory Annexable Territory as defined in Section 1.42 of the Master Declaration. The Property shall be added to the Master Community and made subject to the Master Declaration, as required by the County and described in Article XVII of the Master Declaration; provided that the Master Declaration shall not create an encumbrance on the Property until such time as a Notice of Addition or Supplemental Master Declaration is recorded annexing such property to the coverage of the Master Declaration. No Close of Escrow for the sale of a residential Lot located in the Property may occur prior to the Mandatory Annexation (as defined in Section 17.1.1 of the Master Declaration) of such residential Lot. Except as provided herein, all terms and provisions applicable to the Mandatory Annexable Territory as set forth in the Master Declaration shall apply to the Property. No amendment may be made to this Section 1 without the prior written approval of Declarant and the Planning Director of the County or the County's successor-in-interest.

2. **Membership in Master Association.** Each Owner of one or more Lots in the Property shall automatically become a member of the Terramor Community Association ("*Master Association*"), a California nonprofit mutual benefit corporation, as provided in Section 6.1 of the Master Declaration.

3. **Assessment Obligations.** The rights and obligations of all Owners of Lots located in the Property with respect to payment of Assessments are set forth in Article VIII of the Master Declaration. The Common Assessments to be paid to the Master Association shall commence as to all Lots in each Phase of the Property on the first day of the first calendar month following the first Close of Escrow for the sale of a Lot in a particular Phase of the Property, as provided in Sections 8.7.3 and 17.3 of the Master Declaration.

4. **Voting Rights.** As provided in Section 17.3 of the Master Declaration, the entitlement to vote shall commence as to all Lots within a Phase of the Property upon commencement of Common Assessments on a Lot in that Phase of the Property.

5. **Land Classifications.** Land Classifications shall be set forth in the Supplemental Master Declaration for each Phase of the Property.

6. **Maintenance Obligations.** The maintenance obligations of the Master Association, the Owners, Declarant and Neighborhood Builder are described in the Master Declaration. Upon the commencement of Common Assessments for each Phase of the Property, the Master Association shall (a) assume its maintenance obligations with respect to that Phase of the Property, and (b) assume all enforcement powers and rights with respect to that Phase of the Property.

7. **Marketing Name.** The marketing name for the Property is "**Terramor.**" Any Neighborhood Builder marketing names shall be set forth in separate Supplemental Master Declarations.

8. **Amendment and Duration.** This Supplemental Master Declaration may be amended or terminated by the recordation of a document executed by Declarant and Neighborhood Builder, subject to the requirements of Paragraph C of the Preamble of this Supplemental Master Declaration. Unless amended or terminated, this Supplemental Master Declaration shall continue in full force and effect for so long as the Master Declaration remains in effect.

9. **Miscellaneous.** The provisions of this Supplemental Master Declaration shall run with all of the Property and the Master Community, shall be binding upon all persons having or acquiring any interest in the Property, the Master Community, or any part thereof, shall inure to the benefit of and burden every portion of the Property, the Master Community, and any interest therein, and shall inure to the benefit of, be binding upon, and may be enforced by Declarant, Neighborhood Builder, each successor in interest of Declarant and Neighborhood Builder, the Master Association and its successive owners and assigns and any Owner.
