BACKGROUND:

Summary

The County of Riverside is designated as a local workforce development area and correspondingly receives funding under the Workforce Innovation and Opportunity Act (WIOA). Federal funds received under WIOA are allocated to activities that link resources, people, business, and education resulting in a competitive workforce. Related programs and services benefit workers and employers in Riverside County. The Riverside County Housing and Workforce Solutions Department/Workforce Development Division (HWS/WDD) administrates implementation of WIOA-funded programs and services.

The Federal Department of Labor (DOL) grants WIOA funds to local workforce development areas in California through the State of California Employment Development Department (EDD). In turn, EDD subgrants WIOA funds to HWS/WDD. As a subrecipient, HWS/WDD is responsible for meeting WIOA-related requirements promulgated by both the DOL and EDD.

EDD requires HWS/WDD to complete and submit the attached documents as part of the closeout process for WIOA subgrants, including the recently completed Subgrant No. K9110042 (Board previously approved on August 28, 2018 Item #3.43). The closeout is a requirement and, any and all further interests or claims against the sub-grant are assigned to the EDD. HWS/WDD has fulfilled all sub-grant requirements, including WIOA training expenditure requirements imposed by California Senate Bill (SB) 734.

Impact on Residents and Businesses

Under the leadership of the County's Workforce Development Board, HWS/WDD provides a comprehensive array of workforce development services to employers, laid-off workers, veterans, youth, new entrants into the workforce, and persons with disabilities. These services are funded by federal WIOA funds and implemented in concert with a variety of partners in the County's workforce system, including EDD, the community college system, and the Department of Vocational Rehabilitation, among others.
