**BACKGROUND:**

**Summary**

The Riverside County Department of Facilities Management (FM) conducted a property inventory of assets at the Twin Pines Ranch, located at 49500 Twin Pines Road in Banning California, now operated by Cowboys for a Cause, a California nonprofit corporation (Operator). The Operator had reported that one of the aged barn structures on the property that was built in 1950's was blown down during a windstorm event (FMARC Asset ID 00003149 with has an asset value of \$156,680). FM confirmed that the unused and aged structure had in fact collapsed and was required for future operation of the facility.

FM reached out to Risk Management who subsequently filed a claim for the destroyed structure. FM is requesting the Board approve the discharge from accountability for the demolished structure pursuant to Government Code Section 24051.

**Additional Fiscal Information**

There are no County costs associated with this Board action. Any recovery of funds from the loss will be used for clean-up and removal of debris at the Twin Pines Ranch.
